2021 PRIVATE LEAD SERVICE LINE REPLACEMENT PROGRAM (PLSLR)

Application for Payment of Costs (After Work is Completed)

Prequalified plumbers will receive full payment of **eligible** costs of the PLSLR after completing work and fulfilling all 2021 PLSLR Program requirements. To receive reimbursement, please fill out, sign, date, and return this form to the Water Utility (Utility) with a copy of the final **itemized** invoice. Plumbers must also provide the property owner with the final itemized invoice.

Payments for eligible costs under the PLSLR program may be comprised of a grant for up to 50% of the actual cost (not to exceed a maximum grant amount of $2,000) and a loan, in the form of a special charge, to the property owner for the remaining costs. A special charge invoice will be sent to the property owner by the Utility for their share that may be paid in one of two ways: 1) in full upon receipt, or 2) over 10 years as a low interest loan. If the property is sold during the payback period, the entire loan balance becomes due and payable and shall be paid when the house sale closes. **Payment for both the grant portion and the property owner advance loan portion will be paid directly to the plumber by the Fond du Lac Water Utility.** For the complete Special Charge policy refer to Ch 65-4 subsection (5) of the Municipal Code.
