PUSHCART — A non-self-propelled wheeled cart, specifically designed and used for keeping, storing, or warming food or beverage for sale by a mobile food vehicle vendor, which may be moved by one person without the assistance of a motor.

§ 356-4. License required.

This requirement may be waived if the most recent application for a mobile food vending license was submitted together with the written consent of the proprietor of the adjacent licensed food establishment.

The measuring wheel or tape will be available for use by any person operating or working on the mobile food vehicle and by any police officer or other municipal official tasked with enforcing the provisions of this Article.
- D. All vendors will abide by all parking and traffic laws, ordinances, statutes, rules, and regulations at all times, except that a mobile food vehicle that is of such a length that it occupies all or a portion of two marked parking spaces may park in said spaces so long as it abides by all other parking restrictions, including required payments in both parking meters, when applicable.
 - (1) Vendors may park on Main Street from Johnson Street to 4th Street and Western Avenue subject to compliance with parking regulations. The two (2) hour parking restrictions will be strictly enforced. Vendors that violate the two (2) hour restriction will not receive warnings prior to being cited.

- H. A person with a valid driver's license of such a classification to allow the operation of the mobile food vehicle shall be with the vehicle at all times that any activity is taking place in the mobile food vehicle. Vendor is liable for any violation of this subsection.
