## “Common Cancers: Screening & Prevention”

Join Timothy Korytko, MD, Agnesian HealthCare Central Wisconsin Cancer Program radiation oncologist, to learn about the most common cancers, including breast, prostate, colon and lung cancer. Dr. Korytko will also discuss cancer prevention and early detection for men and women, as well as what detection tests are available, and if and when you should have them.

The **Senior Wellness Morning** is held on the 2<sup>nd</sup> Friday of each month from 9-11 a.m. Each month offers different information booths, health screenings, demonstrations, and speakers. This month's Senior Wellness Morning is sponsored by Agnesian HealthCare.
