Public information meeting scheduled for
Highway VV (Pioneer Road)
Military Road to Hickory Street
City of Fond du Lac, Fond du Lac County

Proposed transportation improvement

Fond du Lac County, in conjunction with the City of Fond du Lac, will host a public information meeting to present the preliminary engineering plan for improvements to Highway VV (West Pioneer Road) in the City of Fond du Lac, Fond du Lac County. The project begins approximately 800' northwest of Rogersville Road and extends southeasterly to approximately 500' northwest of Hickory Street. The project limits along Military Road extend from approximately 500' southwest of Pioneer Road to approximately 300' northeast of Oak Park Avenue.

The proposed project consists of reconstructing the existing roadway with an urban roadway section including curb and gutter, sidewalk, a shared use recreation path, and storm sewer. Both signalized intersection and roundabout alternatives are being evaluated for the Pioneer Road/Military Road intersection.

Construction is currently scheduled for 2017. The section of Pioneer Road being improved will be closed to through traffic during construction.

Please attend

To find out about the proposed project, interested persons are encouraged to attend the public information meeting scheduled for **5:00 pm to 7:00 pm on Wednesday, September 17 in meeting rooms D/E at the Fond du Lac City/County Government Center, 160 South Macy Street, Fond du Lac. There will be a brief presentation at 5:15 pm.** The facility is wheelchair accessible. Hearing impaired persons needing assistance should contact the Wisconsin Telecommunication Relay System (dial 711) at least three working days prior to the meeting.

Information available

Representatives from Fond du Lac County, the City of Fond du Lac and Gremmer & Associates, Inc. (design consultant) will be available to explain the proposed improvements and listen to your thoughts. Maps showing the proposed improvements will be on display and take home material will be available to provide additional information on the project.

Your involvement

We want your input on the preliminary engineering plans. Please attend the information meeting to review the displays, ask questions and share your thoughts. If you cannot attend, but would like to receive information about the project, contact one of the people listed below.
