CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: May 21, 2015

To: Advisory Parking and Traffic Board

From: Paul De Vries, P.E., City Engineer *PDV*

Re: **Request to replace the current No Parking Zone with a Disabled Parking Zone near VFW Post 1904 at 320 Forest Avenue.**

This memo and Exhibit "A" covers agenda item listed as "A" for the Advisory Parking & Traffic Board's May 21, 2015 meeting:

Remove existing parking restrictions "Parking Prohibited at All Times" in accordance with Code of Ordinances Section 630-6 and Section 630-39, Schedule "E".

Location: Forest Avenue; South Side; from the east right-of-way of Mary Street, 70' east.

Request to add parking restriction "No Parking except for Authorized Vehicles" in accordance with Code of Ordinances Section 630-9, Sub-Section G. "In any space(s) designated as Disabled Parking Zone(s)."

Location: Forest Avenue; South Side; from the east right-of-way of Mary Street, 70' east.

These changes were initiated by Leonard Ziegler of the Veterans of Foreign Wars (VFW) Post 1904, located at 320 Forest Avenue. As explained in the request letter, some of their members have disabilities and have difficulty walking a long distance to attend meetings and events held at the VFW. Currently, there is a 70-foot No Parking Zone on the south side of Forest Avenue directly in front of their building. This request would change that restriction to a Disabled Parking Zone, thus making it available to VFW members authorized under Wis. Stats. 343.51. This change would add a new section in the City's Ordinances to establish Disabled Parking Zones, which is allowed for municipalities under State Statues.

The Engineering and Traffic Division supports the proposed change.

NO PARKING ZONE WITH DISABLED
ONLY PARKING ZONE**

AGENDA ITEM A

March 3, 2015

Dear Paul De Vries, PE F.D.L. City Engineer/Deputy Director of Public Works,

On behalf of the 343 members of VFW post 1904 Veterans of Foreign Wars, we would like to make a request for disabled parking spaces outside of our post. We have older members with disabilities and these members have problems walking long distances to attend our meetings held the third Tuesday of each month. As of now, nobody can use that space. We are asking for approximately 3 spaces.

Thank you,

CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: May 21, 2015

To: Advisory Parking and Traffic Board

From: Paul De Vries, P.E., City Engineer *PDV*

Re: **Request to remove school related parking restriction on South Park Avenue between Eighteenth Street and Twenty-First Street.**

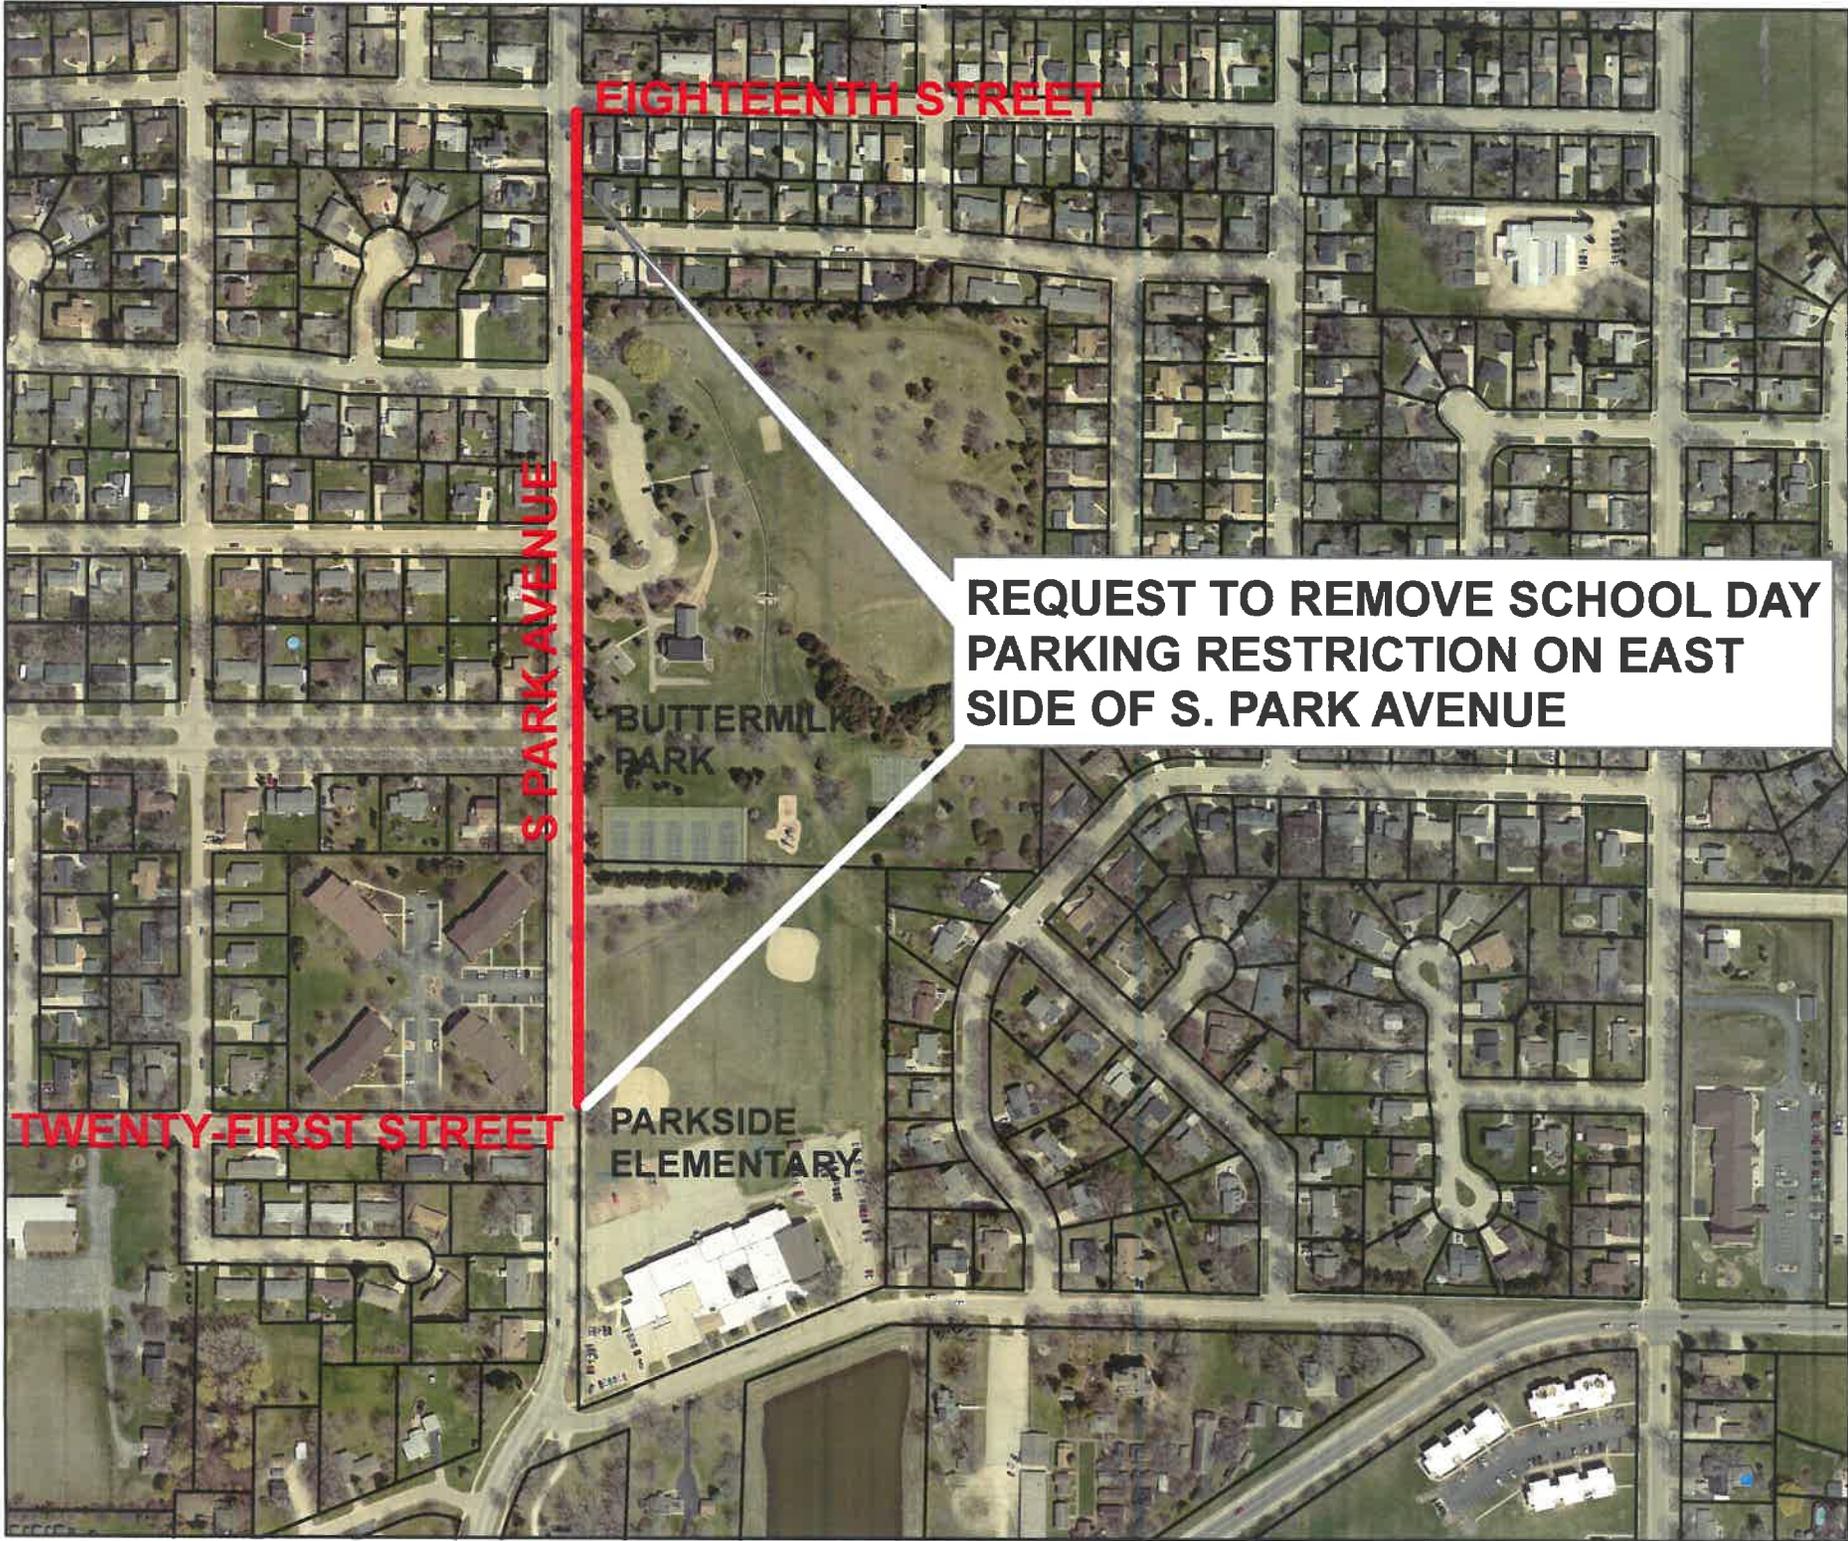

This memo and Exhibit "B" covers agenda item listed as "B" for the Advisory Parking & Traffic Board's May 21, 2015 meeting:

Remove existing parking restrictions "Parking Prohibited during Certain Periods" in accordance with Code of Ordinances Section 630-7 and Section 630-40, Schedule "F", F. From 7:30 a.m. to 4:30 p.m. on school days.

Location: Park Avenue, South, East Side; From Eighteenth Street to Twenty-First Street

This change was initiated by Marian Sheridan of the Fond du Lac School District. As explained in the request letter, parents picking up their children from Pier Elementary have recently received warnings from City Police when parking in this area. A traffic assessment completed at the school noted congestion near the school on Old Pioneer Road and South Park Avenue. In reviewing the existing ordinance, neither City nor School staff could determine the reason for the existing parking restriction. The removal of this parking restriction would allow a fair amount of additional parking for parents picking up students after school and lower the amount of congestion directly adjacent to the school. There is a small no parking zone north and south of the driveway to 800 South Park Avenue, but there are no other restrictions on the west side of South Park Avenue in this same area. The street is 40 feet wide in this area and can support parking allowed on the east side along with the west side.

The Engineering and Traffic Division supports the proposed change.

The Fond du Lac School District's Parking and Traffic Safety Committee is respectfully requesting that the City of Fond du Lac consider the following recommendation for Pier Elementary School. Recently Pier School Parents have received parking warnings issued by the City Police for waiting in their vehicles after school to pick up their children north of the school zone. There are currently "No Parking 7:30 AM to 4:30 PM on School Days", signs on the east side of Park Ave north of the 21st Street to 18th Street. Please consider the following request below:

- Removal of the parking restrictions "No Parking, 7:30 AM to 4:30 PM on School Days, on the east on Park Ave from 21st Street to 18th Street (the District does not have a history of when signs were placed or rationale).

We would appreciate your consideration of our request at the next Advisory Traffic Committee meeting of the City of Fond du Lac and ultimately the recommendations be forwarded to the City Council at the next available opportunity.

Respectfully,

Marian Sheridan
