

TRAINING ANNOUNCEMENT

Spartan Tactical Training Group Tactical Rifle Instructor Course

*When things go bad - and they will...
"You will not rise to the level of your expectations.
You will fall to the level of your training."
~Archilochus*

The **Fond du Lac Police Department** is hosting the professional training staff of **The Spartan Tactical Training Group (S.T.T.G.)** who will be presenting a 5-day Tactical Rifle Instructor Course (# *TRIC.0521.1*) at Kettle Moraine Correctional Institution's firearms range from **August 24th to August 28th, 2015.**

If you've been looking for an advanced skills based tactical rifle instructor course, this is it! This challenging 5-day instructor certification course focuses on **advanced instructor skills** in the tactical use and application of the patrol rifle for operator deployment.

Students will learn about methods of instruction, lesson plan development, fundamental diagnostics, establishing operator standard drills, basic and advanced qualification course development, running live-fire courses of fire and how to apply these techniques in classroom and live-fire presentations.

Students will be required to develop lesson plans for evaluated live-fire range presentations using the techniques presented in this program for instructor certification.

Upon completion of this course, the student will possess the skills and knowledge necessary to instruct, evaluate, test and certify qualified operators in the safe use and deployment of the patrol rifle for personal defense applications.

Students that successfully pass the instructor standard drill test, qualification courses, presentation evaluation and written test are eligible to receive tactical rifle instructor certification.

This is a physically demanding, technical firearms training course! Students should be in good physical condition, familiar with their equipment and have solid **intermediate** gun-handling skills with the rifle and handgun established prior to attending this course.
