

City Connection

Fond du Lac

April 2016

WELCOME!

ADAM REINKE

Start Date: 3/7/2016

Fire Fighter/Paramedic

I am very excited to be a part of the Fond du Lac Fire Department. This opportunity to serve the community with my knowledge and education has been a long time dream. I am from Winneconne and attended Fox Valley Technical College to receive my Associate Degree in Fire Protection. Shortly after, I received my paramedic training through Fox Valley Technical College. In completion of graduating high school, I joined the Winneconne/Poygan Fire Department and a couple of years later I became a first responder.

I have worked on and off for a local dairy farm for 10 years; I also worked for a sub-contracting company for Oshkosh Truck as a basic mechanic. I've served actively with the Berlin EMS service for a total of 6 years in which the last 3.5 years were as a full time paramedic.

Hobbies that I enjoy during my free time include watching sports, golfing, hunting, fishing, sturgeon spearing, snowmobiling and riding my ATV.

I am looking forward to working for this City. My goal is to utilize the people and tools around me to become a great asset to the City of Fond du Lac community and Fire Department. It is my pleasure to serve side by side with such a group.

PETER HARTZ

Start Date: 3/7/2016

Water Operations Manager

I grew up in Waukesha with a brother and twin sisters. I went to UW-Stevens Point, graduating in 1996 with a Bachelors Degree in Natural Resources Management Water Resources. I am married to Heidi and we have 3 sons, Isaac, Silas, Luke, and a dog named Lola. In my free time, I enjoy making maple syrup, fishing, hunting, and canoeing. I enjoy playing soccer and coaching youth sports – baseball, football, soccer, wrestling, and soon track and field!

1000 MINUTE CHALLENGE

April 11th – May 20th

It's time for the Wellness Exercise Challenge! The goal is at least 1,000 minutes of intentional exercise. You have a chance to win a great prize. The Challenge is for ALL City Employees, not just those with the city insurance.

New this year is a "Healthy Now" App to track your minutes on your smartphone. Also new this year will be Fitness Fridays. During the 6 weeks of the Challenge, anyone participating will be able to wear tennis shoes on Fridays and get an extra 15 minute break to go for a walk or do some other exercise.

If you wish to use the App, you still need to sign-up for the Challenge on the Know & Go website (www.knowandgo.org). If you are tracking on paper, your completed tracking sheet is your sign-up.

YMCA Bike for a Better Us

A few City employees stopped by the YMCA in March to donate 30 minutes or more of their time to help raise awareness and funds for the YMCA's annual campaign. Exercise and giving back to your community is a positive experience for your wellness. Great work everyone!
