A Better PPO from Delta Dental

Delta Dental is the nation's largest and oldest dental-benefits specialist built on the guiding principle that dental benefits should be simple and hassle-free. Delta Dental of Wisconsin was founded in 1962 with the same goal. Combined, member companies of the Delta Dental Plans Association serve more than 59 million people in nearly 97,000 groups nationwide.

With some PPO plans, you don't get much choice of providers. And if you go out of network, your provider may balance-bill you. But your Delta Dental PPO plan is different. The Delta Dental PPO network, with more than 165,000 dentist locations nationwide, is backed by the Delta Dental Premier network, with more than 247,000 dentist locations nationwide – almost 80% of the nation's dentists. Your lowest out-of-pocket costs come from seeing a Delta Dental PPO dentist, but you'll also enjoy cost advantages if you see a Delta Dental Premier dentist. That means savings on out-of-pocket costs and better choice. Here's an example:

PPO Savings, With A "Safety Net"	Delta Dental PPO Dentist	Delta Dental Premier Dentist	Out-of-Network Dentist

Confirming Your Coverage

If you are not sure of the effective date of your coverage, please call Delta Dental at 800-236-3712 before you have any dental work done.

Also, before scheduling appointments for extensive dental care, you may ask your dentist to send the treatment plan to Delta Dental. The plan will be reviewed by Delta Dental and you and your dentist will receive a **Predetermination of Benefits** form. You and your dentist may then discuss the treatment and your out-of-pocket costs. Delta Dental encourages you to be informed about your dental care.
