### **Special Plan Provisions**

Your group dental plan from Delta Dental of Wisconsin includes one or more special features designed to encourage good oral health and promote overall health. Details of these provision(s) are addressed in the policy amendments provided with your dental plan handbook. Below is a brief summary of each provision.

#### ***CheckUp Plus™: Promoting wellness***

- With CheckUp Plus, you can obtain diagnostic and preventive services without the costs of those services applying to your individual annual maximum. (Diagnostic and preventive services include examinations, X-rays, regular cleanings and other related treatments).
- The full value of your annual maximum is applied to the benefits you receive for basic and major restorative services.
- CheckUp Plus promotes regular visits to the dentist for exams and cleanings, which can improve your oral health and overall health.

#### ***Vision Discount Program: Save money on your vision care needs***

- Your dental plan also includes a vision-care discount program. The vision-care discount is available under a nationwide network of providers administered by EyeMed Vision Care. Under the plan, dental-plan enrollees are eligible for savings up to 35% on exams, eyewear, and contact lenses offered by participating providers.
