If Lakeside Park ever allows dogs, they should be limited to the sidewalks on Harbor Dr, but not north of that area. The dog park at Lakeside West is nice, and dogs could be walked on leash along the lake north of the fenced area. The southern section of McDermott Park is underutilized and would be a nice area for dogs. It would be nice to have a path along the creek from Merrill St to Johnson St, which people could combine with a long walk on the Agnesian walkway, which goes south from Merrill along the creek all the way to First St.	6/6/2016 8:45 PM

40	Dogs should not be allowed near where people are gathered. that includes play areas, picnic areas, animal areas etc. It makes many people uncomfortable, can be dangerous, and we know that no place will be safe to put a picnic blanket down. I'd have to keep the kids away from the trees, and there will always be someone who thinks its OK to bring their dog to the kids play area while they watch their kids. I don't think that's OK, Dangerous and unclean.	6/20/2016 6:55 PM

1	pay fee only if homeless pay rent or bikers pay to use trails. In my opinion there are more dogs and dog owners that have respect for park property then the trouble makers if we allow homeless to reside in parks.	6/23/2016 9:55 AM
2	how would permit be checked?	6/23/2016 9:52 AM
3	do not charge the homeless living in the parks	6/23/2016 9:47 AM

12	Some marshes have a rule that the dogs have to be on a leashes during certain times of the year, example spring baby time. If a dog would kill a duck, goose, squirrel, etc, would there be a fine for that?	6/22/2016 10:08 PM
13	I would think the City would see an increase in liability should a dog bit or injure someone in the park. I own a dog, but know there are many irresponsible owners who don't pick up after their pets. I would hate to see the park system decline due to lazy and irresponsible pet owners.	6/22/2016 4:26 PM
14	I always thought I would be for dogs in the park but since I have a grandchild I fear that people with not clean up after their dogs. I've seen this on the walking trail as well.	6/22/2016 12:04 PM
15	I do not think people should have to pay to bring their dogs with them to city parks. Common courtesy and behavior regulations (leashed, picking up after, etc) should suffice and not significantly disrupt activities at city parks as they currently exist.	6/22/2016 11:44 AM
16	Is the city council going to pick up after dogs of owners who are not willing to pick up? Is the city council going to clean shoes of children also?	6/22/2016 8:21 AM
17	I am always looking for new places to walk, I know he would love lakeside park. A quick dip in the water. And a beautiful walking view for myself.	6/21/2016 1:28 PM
18	Many people are afraid of dogs and may not be able to enjoy the parks anymore if dogs are allowed.	6/21/2016 11:41 AM
19	Fund this through animal license fees. Increase the fee amount for dog owners if necessary, but do not charge an additional permit fee. Doing so is onerous and would prevent visitors and guests from being able to bring their dogs to the parks.	6/21/2016 9:11 AM
20	Please take into consideration children with dog allergies. My daughter is allergic and will break out in hives when contacted. Dog owners do not realize that kids can be allergic and are more concerned about stating to someone that their dog won't bite or is very friendly. That overly friendly dog that isn't well controlled, even on a leash, may cause my child to have an allergic reaction.	6/20/2016 9:53 PM
21	I have had 2 dear friends, in 2 totally unrelated incidents, whose children were terribly bitten in the head and face, by dogs they knew and had played with often. Both required serious MD care and surgery. I had dogs growing up, and as a young married. But I would not let them run loose around strangers, just asking for an accident.	6/20/2016 6:55 PM
22	The survey I read said "dogs and other animals". I think you may want to reword your survey. It would be crazy to have dogs and cats, exotic birds and snakes at the parks. Especially if there is a large event. I have personally questioned allowing dogs to functions on Main St. Surprised that nothing has happened with the variety of dogs I have seen.	6/20/2016 3:21 PM
23	Don't want to listen to dogs bark.	6/20/2016 3:18 PM

2016 Dogs in City Parks Survey

24	Parks should be for kids and families to enjoy without worry about being attacked by a dog, listening to dogs bark, and stepping in dog poop!	6/20/2016 2:59 PM
25	There are 2 dog parks in Fond du Lac. There is little to no enforcement of points in question 13. how would that change?	6/20/2016 12:35 PM
26	1.)Owners need to be able to provide documentation of vaccinations- proof verified when permit paid. (how will you monitor if a permit was paid? tag for dog collar? no one will carry it with them... 2.) Bordetella recommended if dogs interact (kennel Cough) 3.) If dogs are nervous, not good with people, or in training and owners do not want them approached to be pet- it should be mandatory the dog have a yellow ribbon on its collar. This is a recognized symbol not to pet. (public education required)	6/20/2016 10:07 AM
27	With all those rules every dog will need a police escort for enforcement	6/19/2016 7:38 PM
28	Lakeside is a wonderful park that I walk regularly. I'm very concerned that children and others will be impacted by allowing dogs. Unfortunately I've experienced too many situations where dog owners have not picked up poop and also scary situations where dog owner and dog could put individuals at risk.	6/18/2016 9:44 PM
29	The parks are areas to relax and to feel safe in. There is no place there for pets, as not everyone is fearless. Please keep the parks a place of comfort for all of the people.	6/18/2016 9:33 PM
30	Stupid idea that caters to a couple of yuppies on the council	6/17/2016 3:29 PM
31	Make them pay for a permit , and make bikes pay for license plates also , if we are making bike lanes on roads paid for by car owners!!!	6/17/2016 11:47 AM
32	I have always had dogs = I love them. But not in a park. What about dogs that are not kid friendly? I think your opening up a can of worms that will cause a lot of issues for the city.	6/17/2016 7:51 AM
33	Fund this through pet licenses. Increase the license fee for dogs if necessary.	6/16/2016 11:48 PM
34	Leave it alone. It creates more problems than it solves	6/16/2016 10:49 PM
35	Wouldn't risk my dog biting a kid who messed with him!!!	6/16/2016 5:03 PM
36	You're opening a can of worms here. I anticipate lawsuits bought about by people whose children or pets are attacked by aggressive dogs.	6/16/2016 11:54 AM
37	Last item on list says "owners need to make sure others don't perceive a threat from their dog" How in the world do you think you can control that? Perception is very individual and to someone with a phobia ANY dog is a perceived threat!!!	6/15/2016 9:30 PM
38	Totally against dogs in parks. Most owners are responsible owners but it is the few that ruin it for everyone.	6/15/2016 5:28 PM
39	One councilman said that allowing dogs in the park would inc exercising among dog owners. Wouldn't responsible dog owners already be walking their dogs? People currently walking in the park might be deterred fr walking if dogs were allowed. Some people in my neighborhood who walk their dogs around the block etc carry sticks to fend off loose dogs. The current dog free parks are perceived as being safer by some for walking than residential areas.	6/15/2016 3:18 PM
40	One permit per household. I feel that if it is per dog, this may discourage families from purchasing this permit. Otherwise, if it is per dog, add an additional \$10 to the annual pet registration. Therefore, no special pet tags are required. This saves time and money in the long run. Also, what about visiting families with dogs. Will they be required to have a permit as well. If it is like a day permit of \$1 or just have a good faith donation box. The ones that appreciate it, will donate. This way less manpower is required to uphold the rules. Also, set up a website to report offenders. A quick text to an on duty officer for no leash offense(if decided that way). I feel that all dogs should be leashed if walking them, the only reason they should be off-leash is to play.	6/15/2016 10:28 AM
41	There are many responsible pet owners out there. Unfortunately not everyone is. That is why I feel there should be serious consequences for those who aren't..	6/14/2016 9:42 PM
42	I don't believe forcing people to pay for a "permit" to allow them to walk their dog through a park is going to go over well with the public. I have had a lot of dog walkers walk past my house and every single one of them had a waste bag to clean up after their dog. With the exception of a very few people (which shouldn't ruin it for everyone), I think allowing dogs leashed walking through a park and/or having a designated area to allow a dog off leash would not be a bad thing to allow. That being said, if someone is walking their dog and is caught not picking up after them, I would agree to a small fine.	6/14/2016 1:12 PM
43	Instead of just an annual permit you could run it like the boat launch and be able to get a day pass too.	6/14/2016 7:21 AM
44	I think a person should be able to let dogs run in the area by the boat houses...where it is now allowed for people who bring their dogs by the boat houses	6/13/2016 10:19 PM

2016 Dogs in City Parks Survey

45	Bad idea. If you want to add a dog or all pet park why doesn't the city consider Lakeside Park West.	6/13/2016 8:32 PM
46	I don't want to see dog droppings or unleashed dogs in the parks. Most people are responsible, but there will always be the ones that don't think the rules are made for them. Too dangerous for small children too.	6/13/2016 4:29 PM
47	NONE AS LONG AS THEIR LEASHED.	6/13/2016 2:58 PM
48	Honestly, non pet owners should not have to be made to feel guilty, if they don't absolutely adore others' pets!	6/13/2016 1:57 PM
49	Maybe certain breeds of dogs should not be allowed in any parks. Also, very large dogs may be an issue as far a adults and children feeling safe around them.	6/12/2016 11:14 PM
50	Dogs or other animals do not belong in parks. People have enough issues getting along. Now but their pets in the mix. More issues.	6/12/2016 10:48 PM
51	It is quite obvious that allowing dogs into our city won't make many dog owners more responsibly. If you allow dogs, who's going to enforce it. Would city provide poop bags? Where would they dispose of the bags? Since so many people don't even license their dogs what makes you think they would pay a fee? How do you regulate the aggressive dogs?	6/12/2016 9:20 PM
52	I think it's not a good idea. There are a lot of people who don't properly vet their pets and way too many diseases can be passed to other dogs and people...parvo(dogs), round worms, hookworms, coccidia, etc.	6/12/2016 9:07 PM
53	Keep dogs on leash at all times. Must be supervised.(not tied to a picnic table or tree and left unattended. Owners MUST clean up after their dogs.	6/12/2016 8:32 PM
54	I have had dogs. I think \$30.00 is too little of an amount. Should be\$75 annually. Or whatever cost would bay for dog disposal bag maintenance. This privilege should be self funding.	6/12/2016 4:25 PM
55	I am a dog trauma survivor. As an adult I am still terrified of dogs. A dog on a retractable leash or no leash is the most stressful situation for me. I avoid going places where I know dogs will be present. I have even had to stop going to the local farmers market because inconsiderate dog owners do not follow the no dog instruction. I drive all the way to Oshkosh instead because I know the no dog rule is enforced and I can enjoy my stroll. I know I am not the only one who does this. Sad for Fondy.	6/12/2016 12:36 PM
56	People do not follow rules and are not considerate of others, this just creates more problems for enforcement for violations. More police calls - Why?	6/12/2016 12:32 PM
57	Regarding number eight above: No more taxes for things like this. It just becomes another never-ending revenue source that doesn't solve the problem.	6/12/2016 9:29 AM
58	We have many areas for dogs already	6/12/2016 9:10 AM
59	I feel only serves animals that are clearly marked as a serves animal can be permitted. Too many kids want to just run up to a dog that don't know the animal and don't know how to ask or treat the animal. Some people don't take care of the agresive pet at the dog parks it would be even worris where kids are.	6/12/2016 8:03 AM
60	We live in the town of taycheedah, and country parks are where dogs can walk without a lot of other dogs	6/11/2016 11:45 PM
61	This is the absolute dumbest idea I have heard yet. Nobody enforces the ordinances that we have for dogs now. And now you want to bring them into our beautiful park and ruin that too. Shame on you. Dogs have no business at the downtown farmers market either. I have quit going after seeing dogs sniffing at the produce and then we are supposed to buy it.	6/11/2016 11:06 PM
62	An annual permit is a good idea; it may help weed out the "bad apples". However, I believe \$30.00 is a bit high. \$15-\$20.00 seems more reasonable.	6/11/2016 10:47 PM
63	You can make 100 rules but there's no way to enforce them	6/11/2016 9:49 PM
64	Dumb idea	6/11/2016 8:46 PM
65	Laws do not matter if no one monitors or implements them. One point I kept calling the police but gave up as they have better things to do. Then told to email them and then told email is not monitored that often. So gave up and just continue to watch mis use of No Dogs in the Park.	6/11/2016 1:35 PM
66	I would live to be able to walk my dog on leash thru lakeside	6/11/2016 11:29 AM
67	Are parks are beautiful and not all "dog waste" is easy to pick-up and will still leave a mess. Lets not change something that is working fine.	6/10/2016 4:35 PM
68	I don't dislike dogs but I feel that allowing dogs in all the city parks is an infringement on those folks that don't support that notion	6/10/2016 2:13 PM

2016 Dogs in City Parks Survey

69	I have walked down the Wild Goose trail and seen lots of dog doo left behind. If people cannot clean up after their pet on a trail then why should they be allowed to bring it to a park. I have gone to a farmer's market where dogs were lifting their legs on anything in sight. The owners were not paying attention to what their dog was doing.	6/10/2016 10:34 AM
70	I feel that there should be fines for people who do not clean up after their pets no matter where in the city they are. Don't know how "steep" the fine should be. It is nice to be able to have a family gathering at a picnic area and to be able to bring your pet - especially when you have out of town visitors who enjoy the FDL parks, but are unable to bring their pets along.	6/10/2016 9:40 AM
71	Regarding question #8. I think it would be very tough to enforce. The dog-owners of problem dogs are the least likely people to actually apply for the permit.	6/10/2016 9:03 AM
72	Do not charge residents an additional permit fee. Fund through dog licensing. Increase that fee is need be. If permits are needed, limit to non-residents only.	6/10/2016 7:50 AM
73	Do not charge residents a permit fee. Fund this effort through promotion of existing dog licensing fees, with a possible increase in those fee amounts if needed.	6/10/2016 7:42 AM
74	One argument I have heard about dogs in parks is a potential waste hazard. Hundreds of geese in the park leave more waste than a dog could. If dog owners clean up after their dog and the dog is leashed there should be no issues at all.	6/9/2016 11:36 PM
75	If dogs are allowed even on a trial, leash should be no more than 6 feet in length with the leash in constant manuel control of said leash by the handler and remain on paved walk only.	6/9/2016 7:26 PM
76	Cops in the city need to worry about all crime not this!!	6/9/2016 2:46 PM
77	Very dumb idea	6/9/2016 2:43 PM
78	Scrap the annual permit idea. It won't work. Those who break the law now will continue to break the law. Don't turn this idea of allowing dogs in the parks into a money maker for the city. Not everyone with a pet can afford a permit.	6/9/2016 2:42 PM
79	it's about time!	6/9/2016 12:45 PM
80	I'm just afraid some bad dog owners won't pick up after their dog and people might step in it.	6/9/2016 9:54 AM
81	The majority of dog owners are lazy & irresponsible regarding their animals. Park goers should not have to encounter feces & poorly trained dogs.	6/9/2016 9:15 AM
82	Would like to see dogs, on leash, being walked in areas at the park. My concern is people who do not pick up, if the dog does it's job.	6/9/2016 9:08 AM
83	The park is public propert. If dog owners would have to pay a fee to bring their dogs, parent would have to pay a fee to let their children play. This wouldn't be good for anybody. Please allow me to walk my dog on the side walks if not on the grass. The park is such a nice place to be with all of your family members.	6/9/2016 6:41 AM
84	I want to continue walking at lakeside park without being threatened by dogs . People will not pick up after them. There are already two dog parks where they can run. Please, please do not disturb lakeside park. Please!	6/8/2016 7:33 PM
85	Of course doggie-dodo bags and disposal areas will need to designated and handy.	6/8/2016 4:59 PM
86	People tend to forget that dogs are animals first and an animal second. they may say my dog would never bite. Never say never any vet will tell you under the right circumstances any dog may attack. I also feel the penalties should be more severe the owner of the dog that killed my daughter's dog laughed at her when she told him how much it was to put him down and also the reimbursement price, and the medical bills for my other daughter who ended up in the ER because they would not disclose as to whether the dog had it shots or not. He is refusing to pay all bills and told her he would see her in court. This is why I am adamant that no dogs be allowed in our parks period.	6/8/2016 3:24 PM
87	At the least you should be able to walk you dog on the side walk at Lakeside Park, thought it was silly when a cop talked to us while walking through it a few years ago.	6/8/2016 1:50 PM
88	I own two licensed dogs in the city of Fond du Lac. My dogs are well controlled and we should be allowed to take them with us when we use the Parks	6/8/2016 1:49 PM
89	Not all children or adults are comfortable around dogs. Parks are for children and families to enjoy. They have dog parks for dogs. Plus I do not appreciate having to watch for dog poop when enjoying the park.	6/8/2016 7:46 AM
90	I live near a school, of course where dogs are not permitted. I've walked my dog past the school and seen a dog in the park. My dog reacted to seeing that dog. Another time I saw someone walking a dog in the play yard of the same school.	6/8/2016 2:51 AM

2016 Dogs in City Parks Survey

91	Just please be very careful in being sure all people, especially our city's children, are safe & won't be scared by dogs in parks. There seems to be an overabundance of pit bull mix dogs in the city that tend to be more unpredictable & possibly harder to control.	6/7/2016 11:58 PM
92	Having a permit would be almost impossible to enforce or police. Plus the fact that good dog owners already have their dogs licensed and I know that there are many people who do not have their dog licensed and no one enforces that.	6/7/2016 9:54 PM
93	No leashed or unleashed pets of any kind should be allowed in any city park.	6/7/2016 9:18 PM
94	A permit will likely not be properly enforced.	6/7/2016 5:35 PM
95	If everyone followed posted rules it would be nice, but it would be difficult to say do this at this park, but not at that one. I feel not everyone would pay a fee.	6/7/2016 4:37 PM
96	Not all dog owners are sympathetic or understanding of children (and adults) who are afraid of dogs. I feel our playgrounds are maintained for children--not dogs. No child should be fearful of swinging or playing in the sand because someone's family pet is nearby. I do NOT want to spread out a blanket and have a picnic lunch with my family on the same spot where Fido's pooped--even if it was picked up by the owner. Has anyone considered damage to grass caused by dogs urinating in the same spots in the park?? Will owners be required to discard the dog poop at home, or allowed to toss in the trash cans at the parks--causing odor???	6/7/2016 2:22 PM
97	Allow dogs in certain restricted locations. Walking dogs on 6 foot leashes is fine.	6/7/2016 1:59 PM
98	My family and I do not visit lakeside park for recreation because our dog is not welcome. I do not believe dogs should continue to be discriminated against. My 12 year old daughter made the comment that humans have made a mess of lakeside park with all the trash and fishing waste, so why are people so against dogs. Please consider her point. Our would love to visit the city parks with our leashed dog and enjoy the short summer months in Fond du Lac.	6/7/2016 1:58 PM
99	I will no longer be bringing my children to the parks if dogs are allowed because I don't want my kids playing in a dogs bathroom.	6/7/2016 1:37 PM
100	Dogs are animals which could be dangerous to the families enjoying the parks.	6/7/2016 1:30 PM
101	Many people I have spoke with agree that current laws are not being obeyed and there should not be extra privileges offered at this time.	6/7/2016 1:30 PM
102	Some idiot will bring their pit bull to the park and it will get away and injure a child. The city will get sued because it didn't enforce the regs and created a dangerous situation.	6/7/2016 1:09 PM
103	current enforcement of existing "NO DOGS IN PARK" is not done. What makes you think new or more will be?	6/7/2016 1:06 PM
104	There should be a rule that you need to clean up after your dog if they go to the bathroom and there should be a severe fine if you don't. My only concern with having dogs allowed is a lot owners would not be responsible about this and you would have dog poop ruining the parks.	6/7/2016 12:59 PM
105	Drop this plan please!!!!	6/7/2016 12:17 PM
106	If dogs were allowed to run free in parks, there would be a very few individuals who would be responsible and clean up after their pets, but the majority of the owners would just leave the waste lay around. I observe this when they are walking their dogs. I have dogs feces in my yard daily.	6/7/2016 11:59 AM
107	There is no way to enforce dog in park rules. PD is too busy with all the crime n town to care about dogs	6/7/2016 11:35 AM
108	I would love the ability to take my large dog into areas of Lakeside Park, or Buttermilk, but I have young children, and my main concern is their safety above all else. While I am a very responsible dog owner, I worry about other non-leashed dogs- especially in areas where kids will be. I am also concerned about the mess of dog owners who do not clean up after their pet.	6/7/2016 10:50 AM
109	An annual fee to walk your dog through a park on a leash is ridiculous.	6/7/2016 10:35 AM
110	I think allowing dogs in the Park is a mistake. It is just asking for problems. All it takes is one bad dog to bite a child or kill wildlife.	6/7/2016 10:29 AM
111	Dogs on leashes are not a problem at all anywhere. The owners can be the problems and there should be consequences for those humans that do not follow the rules	6/7/2016 9:59 AM
112	I am a former dog owner; I loved my dog and assumed all others did as well. I eventually learned that many people simply do not want to be around pets. Please keep the park dog restrictions in place!	6/7/2016 9:56 AM
113	I pay school taxes and never sent a child to school why should I have to pay 30.00 to bring my dog to a park on a leash?	6/7/2016 9:20 AM

2016 Dogs in City Parks Survey

114	I am a dog owner and utilize the two current dog parks within the City. My biggest concern is the failure of owners to pick up there dog wastes. There are numerous piles of dog feces within the dog parks that owners do not pick up. If the dog parks cannot be free of feces, City parks will also have feces. I go to the parks to enjoy them without the risk and possibility of stepping in dog feces.	6/7/2016 9:08 AM
115	If there was a permit, officers would need to spend resources/time checking all dogs in the park for the permits instead of focusing on bad behavior dogs. Make the fines high enough to be the deterrent.	6/7/2016 8:57 AM
116	People with dogs believe their dogs are people and can go wherever people go. Their dog won't hurt anyone or crap where kids play or walk. Oh and yah, they will clean up after the dog...as long as someone is watching. I don't have a dog but I find dog shit in my front yard. People do not follow rules anymore.	6/7/2016 8:57 AM
117	this is a very poorly written survey. Whether intentionally so or not, its wording is extremely negative thus possibly "pushing" the results in an anti-dog-in-park direction. I advise caution on how the results are used...	6/7/2016 8:52 AM
118	For the most part these days dogs are a huge part of most people's families. Most people would and do have respect for everyone else and even though there are a few bad apples that potentially can ruin it for everyone else, I think people are good at helping "police" the rules such as picking up after your dog. Being all for letting dogs in the park and in any areas of the park, however I think it is best served if they are on a leash at all times. It just takes one person getting hurt to ruin it for everyone in the city.	6/7/2016 8:51 AM
119	If this issue gets approved in any form, it should be done on a trial basis with an evaluation made public and discussed at subsequent committee meetings.	6/7/2016 8:39 AM
120	Would need stations with bags to clean up poop	6/7/2016 8:39 AM
121	I feel not all dog owners have control of their pets and that ruins it for those who so lets not ruin for others wanting to enjoy our parks	6/7/2016 8:36 AM
122	We used to have a dog, so it's not that we are dog haters. Dogs on short leashes, that are picked up after, should be tried, just not at organized events. Too many people as it is, without worrying about tripping over or being sniffed or bitten, or stepping in something unpleasant.	6/7/2016 8:13 AM
123	Some people just think rules don't apply to them and do anything they want. I don't want the police to be burdened with an ordinance the they have trouble patrolling.	6/7/2016 7:42 AM
124	This is definitely a self-policing issue. As a responsible dog owner, it is up to people like me to aid in the awareness and 'enforcement' of those owners who are less responsible. It will always be a case of a few bad apples but let's give it a try	6/7/2016 7:24 AM
125	People tend to think that their dog "wouldn't hurt anyone" and that everyone else wants to be sniffed. I don't want your dog approaching me. Leave them at home	6/7/2016 6:43 AM
126	If the dog owners now can't even clean up the dog crap on paved and gravel trails how can they be trusted in the parks. Every time there is a softball tournament at the park I see at least 3 dogs over a weekend. I've never seen anyone get a fine. That's going on now when they aren't allowed, who will be around if they are?	6/7/2016 1:19 AM
127	I think it is long overdue.	6/6/2016 11:14 PM
128	It seems it is difficult to get ALL dog owners to follow rules such as picking up after their dog and keeping them on leashes.	6/6/2016 10:53 PM
129	Why do this now? Who wants to bring their kids to a park to step in dog poop? It'll happen...without a doubt. And there are a lot of dangerous dogs that will be around kids and families. Pit Bulls are the "dog of choice" with the crowd that hangs around downtown. I don't want them at the Park with my grandkids or me!	6/6/2016 10:03 PM
130	Too many lazy owners that don't clean up after the dogs. Even if fined someone else has to clean up the mess	6/6/2016 9:45 PM
131	\$30 is a little high, since we wouldn't bring the dog that often. How would that be regulated?	6/6/2016 9:44 PM
132	Please do not change this rule. It has served the community well over the past years!	6/6/2016 9:41 PM
133	Even in dog parks, dogs are infecting each other with the waste that lays around. Owners do NOT pick up after their dogs. Some children and adults are afraid of larger dogs. This would prohibit them from using any of the city parks if dogs are allowed too. Also, I believe dogs should NOT be allowed on main street during the farmers market either. I see dogs lunging at each other, barking excessively, and sometimes the owner of the dog on a leash cannot control their animal b/c of its size. Again, this prohibits humans from utilizing the farmers market too. Do people take their dogs clothes shopping or grocery shopping? Of course they don't. Then why do they think they need to bring their dogs with them to shop for food, etc. at the farmers market. Keep them home.	6/6/2016 9:39 PM
134	People don't control their dogs. I constantly get licked or jumped on by dogs that are on leashes. No offense to the dogs but I am allergic to dogs and don't want dogs touching my skin let alone licking it.	6/6/2016 9:38 PM

2016 Dogs in City Parks Survey

135	We pay taxes. Why should we have to pay for an annual permit to let our dogs in public parks.	6/6/2016 9:27 PM
136	No pets in parks, pet owners will make more noise right now but the reality is there are more non-pet owners than pet owners. I have a large lab and do not believe I need to bring him to parks.	6/6/2016 9:11 PM
137	The picnic and playground area of Lakeside Park is a beautiful jewel, enjoyed by families, bikers, joggers, walkers, and boaters. I do not think dogs should ever be allowed in those areas.	6/6/2016 8:45 PM
138	Need to require rabies vaccine for dogs in the park.	6/6/2016 8:18 PM
139	On a trial basis only	6/6/2016 8:13 PM
140	It is disgusting when people don't clean up after their dogs. Also please consider that there are people who are fearful of dogs from perhaps a previous trauma.	6/6/2016 8:06 PM
141	I give up on the farmers market, may as well say it is a dog park, I know you love the little guy but cant you go anyplace without him. Not referring to any Service dog	6/6/2016 8:03 PM
142	An annual permit is ridiculous. Our tax dollars already pay for the parks. We as dog owners in the city have no shaded parks where we can run our dogs. Furthermore, it's difficult to work on specific games and exercises at the dog parks due to the abundance of dogs. The dog parks we have now are not sufficient. They are unshaded fenced in mud fields. I do believe there should be a fine or penalty (community service, an hour of picking up trash) given for those who don't clean up after thier dog. However 'a severe' fine is a bit much, especially since the degree of the infractions the survey listed verried so much. As far as leashes, I believe around playgrounds and crowded areas leashes should be required. I also feel the dog owner should be held accountable to have waste disposal bags with them at all times when in the parks with their dogs.	6/6/2016 6:58 PM
143	Just let the dogs in all parks	6/6/2016 6:35 PM
144	Responsible dog owners will abide by the rules and laws put in place if this is put into effect. It would be nice for family's to bring their pet to the park with them to enjoy.	6/6/2016 6:34 PM
145	I have 2 dogs of my own and feel strongly that dogs should not be allowed at Lakeside Park	6/6/2016 6:33 PM
146	I think it is unfair to put individuals who dislike or a fearful or annoyed by dogs and/or their owners in a position where they feel uncomfortable in parks. If people choose to have dogs, they should enjoy at dog parks or their private property.	6/6/2016 5:33 PM
147	There are currently many places dogs are allowed. People that are fearful of dogs should have places to enjoy without them present. I currently see enough dog related violations that I would not like to see our beautiful parks destroyed by animals and their irresponsible owners.	6/6/2016 5:31 PM
148	Lack of enforcement on licenses for waking permits fines should be enforced for bad pet owners and rewarded for those who properly take care of their own	6/6/2016 5:21 PM
149	Dogs should be allowed at all parks and events as long as they're leashed. I don't see how they're a nuisance to anyone as long as they are leashed.	6/6/2016 5:16 PM
150	Leave well enough alone. You're just asking for trouble.	6/6/2016 3:56 PM
151	When walking a dog on city streets I am considerate to move over when passing another person or animal. But I WILL NOT for a bike except if it is a child. There are those that do move for me and I thank them for that.	6/6/2016 3:51 PM
152	I	6/6/2016 3:36 PM
153	Fond du Lac taxpayers currently pay for dog parks in the city. I would not let my children play in these parks.	6/6/2016 3:24 PM
154	Not everyone loves or even likes dogs, but we all look forward to visiting our beautiful parks. Since, some people in the world today do not take responsibility for their children, much less their animals, allowing dogs in the parks is not acceptable. People don't obey restrictions when they are driving, why would they monitor their animals.	6/6/2016 3:12 PM
155	We already pay a licensing fee for the dog, we should not have to pay an additional fee to bring him to the park with us	6/6/2016 2:45 PM
156	If dogs are allowed in parks and only a few irresponsible people do not clean up after their pet, you can be certain I'm the one who will step in the poop. Plus, I don't want my grandchildren subject to dealing with urine from dogs lifting their legs on playground equipment, etc. that my grandchildren climb and play on. And the urine damages the grass as well. Dog parks are for dogs, parks are for PEOPLE!	6/6/2016 2:24 PM
157	I don't care one way or the other what gets done. Either enforce the law or take down the signs and repeal it. Allowing people to disregard the city ordinance without repercussion of any kind allows them to teach their children that they don't have to follow the law unless they get caught. There is enough of that mentality out there already.	6/6/2016 2:22 PM

2016 Dogs in City Parks Survey

158	I think a park permit fee is excessive and would be difficult to enforce. Stiff fines for those who do not keep dogs on leases or under control or for not picking up animal waste should be all that is required.	6/6/2016 2:18 PM
159	my tax dollars already pay for the parks. parents arent charged for their kids using the parks why should i be charged to walk my dog in the park.	6/6/2016 2:07 PM
160	Why would I allow dogs in the park? Owners can't even clean up after their dogs on city sidewalks and private properties. We mow, and we find dog leavings. I don't want to step in it in a park either.	6/6/2016 1:57 PM
161	i was bitten badly by a dog years ago and would not frequent the parks if dogs are allowed.	6/6/2016 1:12 PM
162	Regarding #8, I'm not sure there should be a permit where anyone has to pay. It opens up another issue of those who don't have a permit but bring their dog to the park anyway. Then what??	6/6/2016 1:07 PM
163	People will not pay for an annual permit; there are numerous dogs in this community that aren't even licensed--that should be one place to start! If people do not license their pet, how can we make sure they have their rabies vaccination. Allowing dogs into the parks no matter what guidelines are set will cause issues; responsible individuals will clean up after their dogs and follow the guidelines, but those who are uneducated in the matter won't care and ruin for everyone. I'm for allowing people to walk through the parks on the path with their dog on a leash, but even with that other communities still have issues of people allowing their dogs off a leash. Its going to be to big of a problem to police it correctly.	6/6/2016 1:05 PM
164	I JUST THINK THERE ARE ENOUGH PLACES TO WALK AND PLAY WITH YOUR DOGS.. KEEP THEM OUT OF THE CITY PARKS.	6/6/2016 1:04 PM
165	If there is a fee, it should be included with dog license. A smaller nominal fee (included with license) should be considered after the burden and expense of allowing dogs has been identified by the Parks Department following a year or two year trial period. If the city considers charging a fee to dog walkers, then the City may also consider a user fee of the playground equipment and fields. Most dog walkers are already paying taxes to maintain the parks. I am unsure of the additional expense required just for allowing a dog access?	6/6/2016 12:48 PM
166	Great idea to revisit this issue.	6/6/2016 12:40 PM
167	Dogs do not belong in parks and also at PARADES! We see so many dogs at parades jumping barking etc. Why do these pet owners think they need to go to parades. Parades are for kids and people period.	6/6/2016 12:29 PM
168	It isn't the dog causing the problem, it is the dog owner and the lack of knowledge they have to control a dogs behavior.	6/6/2016 12:24 PM
169	If Geese can leave droppings and a dog is leashed and owner picks up afterdog why not leave dogs in park?	6/6/2016 12:22 PM
170	Like the stupid fire pit ordinance that allows city residents to burn, the dog ordinance will open the door for abuse by dog owners.	6/6/2016 12:16 PM
171	Pets should not be allowed in the park. Unfortunately, there are too many irresponsible pet owner today. I am also afraid of large dogs, leashed or unleashed. Thank you.	6/6/2016 11:58 AM
172	Very bad idea	6/6/2016 11:53 AM
173	the city already has a dog park. why are more necessary? this will,without a doubt, ruin lakeside park. people do not want to lay down on fresh dog pee. the pretty green grass of the parks will eventually become stained brown....is that what we want for our parks?	6/6/2016 11:46 AM
174	I do not agree with having to pay for an annual permit to take my dogs into the park. I already pay for both of my dogs to be registered with the city, that should be more than enough to include part of an annual permit. Maybe have a permit for park use for non city residents?	6/6/2016 11:43 AM
175	none	6/6/2016 11:24 AM
176	We had a bad problem with a dog on a leash on the walking trail by rolling meadows when we had a bike ride with our Grand daughter went down on her bike because a person let their dog run out at her and she went down. They never even asked if she was hurt or said they were sorry. They are the kind of people that shouldn't have a dog at all.	6/6/2016 11:21 AM
177	Start fining now and get some of the bad dog owners on the job	6/6/2016 11:20 AM
178	The parks are beautiful and clean,let's keep then that way.	6/6/2016 11:02 AM
179	I think having a dog license should be enough of a charge for bringing dogs to the park. Additional charged are excessive	6/6/2016 10:58 AM
180	stop rocking the boat	6/6/2016 10:54 AM

2016 Dogs in City Parks Survey

181	There are a lot of individuals who are very good about keeping their dogs on a leash and keeping them under control, but there will be those who do not abide by the rules and will ruin it for others. Bottom line, in a park like Lakeside, there should be designated areas for dogs.	6/6/2016 10:49 AM
182	This must be enforced but not only the public but law enforcement as well.	6/6/2016 10:48 AM
183	Children becoming frightened by animals Damage to trees and shrubs Monitoring animal waste not being picked up	6/6/2016 10:44 AM
184	I live near Jefferson Park on 9th Street. Every Spring there is LOTS of dog poop for the park people to deal with. People are very disrespectful and don't pick up after their dogs, they should not be allowed any further privileges. I walk my dog in that area all the time, and pick up after her. I will not pick up after anyone else's dogs!	6/6/2016 10:42 AM
185	We already have dog parks. This is not necessary.	6/6/2016 10:33 AM
186	I am very leery about agreeing to lease walking in park because some will ruin it for the ones that obey the rules. A walk in the park with a good dog would be nice. We have beautiful parks. I am very proud of FDL parks!!!!!!	6/6/2016 10:14 AM
187	Why would you want to allow the dogs in the city parks.? The city already has two parks for dogs and those areas are very nice. Keep the dogs in the "dog parks", not the people parks	6/6/2016 10:12 AM
188	This should be done as a trial basis before changing the law.	6/6/2016 10:10 AM
189	none	6/6/2016 10:10 AM
190	No pets in parks.	6/6/2016 10:03 AM
191	Put people and children FIRST. People pay taxes to support the parks. A person can still go to the park WITHOUT there dog but someone with a fear or allergy to dogs can NOT go to the park if dogs are present.	6/6/2016 9:58 AM
192	Dogs have no place in our parks,esp. Lakeside park	6/6/2016 9:49 AM
193	It should start on a trial. Perhaps one month, to see how it goes. Park employees will know if they are cleaning up after their dogs. For sure I wouldn't want them in the children's area or zoo area.	6/6/2016 9:47 AM
194	Keep the pets out of the parks!!!!!!!!!!!!!!!!!!!!!!	6/6/2016 9:47 AM
195	Dogs are either allowed in certain areas or not. There shouldn't be a permit for that privilege. Some people couldn't afford the permit. Dogs should be registered with the city though. People should be required to pooper scooper after their pets also.	6/6/2016 9:45 AM
196	As a multi-pet owner with in the city why should I have to pay more money then the current registration fees. If anything I'll pay the additional \$30.00 one time, but certainly not per pet. I have no problem paying my portion but all of these registration fees should be put back into the existing or new dog parks. How hard is it to put down new wood chips on the walking trail of the current dog parks. Give us more bag dispensers and more garbage cans so that us good owners who do pick up after our dog have a place to put the poop. Then everyone can be happy.	6/6/2016 9:39 AM
197	I have seen so many badly mannered dogs on the sidewalks, walking their owners or otherwise misbehaving. Dog owners are no better - allowing them to destroy private property by letting them urinate and defecate on private property, killing plants and spreading disease (feces). If they don't pick up their dog's poop in the City, what makes you think they will do so in a park? NO DOGS IN CITY PARKS.	6/6/2016 9:39 AM
198	keep dogs out of parks...and increase current fines.	6/6/2016 9:37 AM
199	People can take their dogs to the dog parks. It not worth the public safety risk to allow people to bring dogs to the park. They were aware of the restrictions when they decided to own a dog. It's not the responsibility of the other residents to ensure they have a convenient place to take their dogs.	6/6/2016 9:33 AM
200	I prefer not to have dogs in the park, but could look at this on a trial basis to see how it goes. Dogs must be leashed as there are many people with fears of dogs.	6/6/2016 9:28 AM
201	I strongly against animals in parks! Parks are for people! There are so many people that are allergic to animals.	6/6/2016 9:28 AM
202	dogs are animals and needed to be treated with love and kindness but not over the rights of the public.	6/6/2016 9:27 AM
203	keep the parks for the people so that no one has any unwanted troubles due to bites, allergies, disease, fear of dogs, etc...	6/6/2016 9:24 AM
204	Keep dogs out of city parks.	6/6/2016 9:22 AM
205	I think the fine for having a dog attack someone should be triple what it is now, and the dog is euthanized. That coupled with the civil liabilities a person would face, should be severe enough to keep the vicious dog attacks down.	6/6/2016 9:15 AM
206	Why do you want to change something that's not broke. I don't want to or my children have to go for a walk and have to watch where to step because of someone who doesn't care.	6/6/2016 9:15 AM

2016 Dogs in City Parks Survey

207	They do not enforce the ordinance now!	6/6/2016 9:08 AM
208	people do not have to pay an annual fee to take their children to a park. Pets should not need an annual fee either. It is called tax dollars	6/6/2016 9:04 AM
209	People can never tell what their dog will do in any situation. Like ALL animals they are unpredictable. If my child ever got bit, I would raise hell.	6/6/2016 9:03 AM
210	I already pay city taxes. Why should I pay an annual permit fee for walking my dog in city parks? Are we going to adopt fees for picnicking in park? Skateboarding? Riding a bicycle? Playing a pick up game of soccer? No annual permits for bringing dogs to city parks and trails.	6/6/2016 8:46 AM
211	Don't even start it.	6/6/2016 8:45 AM
212	Provide poop bags and trash bins to properly dispose of waste. Although i do not support an annual fee i do support a one time fee for a permit to cover cost to provide bag posts. I would also support and attend a fundraiser event downtown or at a park geared toward dog owners to raise money for the project.	6/6/2016 8:36 AM
213	For the safety of our children and older adults I believe dogs should not be allowed in the parks. Most dog owners will follow the rules but there will always be someone that wants to see just how much they can get away with and the next thing you know a child or older adult is getting hurt by an out of control dog.	6/6/2016 8:35 AM
214	Should be able to use parks without the barking, dog mess, children and strange dogs mixing.	6/6/2016 8:33 AM
215	I think it should be a trial for about 6 months ...most dog owners are responsible..unfortunately its the small minority that might ruin it for all	6/6/2016 8:30 AM
216	I think designated and fenced dog parks are the only appropriate areas, other than leashed dogs on walking paths at park perimeters.	6/6/2016 8:27 AM
217	Dog owners do not take into consideration the absolute fear or terror that is present when a small, child, or any person for that matter, has had a traumatic experience with a dog...witnessed a dog attack on a loved one or even being the victim of a dog bite. I have two children who have been bit by 3 separate dogs. These children did nothing to provoke or threaten these dogs to explain the attacks...two of them were participating in other activities. These incidents were the result of dogs who "are friendly and great with people". My children feared dogs for many many years. Even now, they are still hesitant. It makes me cringe when I see people use the retractable leashes and do not have direct control of their dog. It also irritates me to see the dogs brought to the Farmer's Market, where, a few years ago, it was published that dogs were not allowed. Some people do not attend events such as this due to allergies or traumatic memories. Please consider this in making your decision. And it would be great to have these situations aggressively enforced.	6/6/2016 8:25 AM
218	re: question #3, I would support reasonable fines, not "severe" fines.	6/6/2016 8:13 AM
219	I did have dogs, but I see many people who do not clean up after their animal. What do you think the park will bring?	6/6/2016 8:12 AM
220	Our taxes pay for the parks already. Another "fee" permit to bring the dog into the park our property tax dollars already pay for??? That's just another tax. Why not just ban people from the parks for a while, then let them in after paying a fee for entry. WE ALREADY PAY FOR THE PARK WITH OUR TAXES!!! Let us bring our pets to the parks. No tax, No Permits.	6/6/2016 8:08 AM
221	Please don't make this move to allow dogs in the only place I have left to walk in peace without fear.	6/6/2016 8:04 AM
222	I love walking in the park, and I would love to take my dog with me. I would pick up after her, and not let her run free.	6/6/2016 8:03 AM
223	I believe that stiff fines should be in forced for any and all violations. Bad owners always ruin it for the good owners.	6/6/2016 8:01 AM
224	I think it's a great idea to be able to let dogs in parks	6/6/2016 7:59 AM
225	Its hard now a days to find families who don't have a dog, I believe that it would be beneficial in that then owners would not leave them in hot cars. The dog park that already exists is great but I as a dog owner can only walk that rectangle so many times. It would be nice to be by the lake.	6/6/2016 7:54 AM
226	Stay away from any special permit or fee to take dig into a park.	6/6/2016 7:53 AM
227	Leave it as is.	6/6/2016 7:53 AM
228	Dogs should allow to be in the park, but only on leash.	6/6/2016 7:40 AM
229	We owned a dog in the past. My concern is people not being responsible for their dogs. Some owners don't realize that not all people are comfortable around dogs; some don't pick up after their dogs. The goose droppings are bad enough, I'd hate to see dog droppings as well.	6/6/2016 7:37 AM
230	DOGS SHOULD BE ON A LEASH BUT NOT RESTRICTED TO 6 FEET LONG.	6/6/2016 7:37 AM

2016 Dogs in City Parks Survey

231	There are a lot of underutilized green spaces that would allow for dog owners to let their dogs run off the leash to play fetch. Some specific areas that come to mind. Strong property at Lakeside Park (The far east part of the park between the boat launch and Denevue Creek), Buttermilk Creek Park when there is not events or sporting events going on, and Danbury (Butson) Park.	6/6/2016 7:35 AM
232	For the comfort of everyone who uses the parks, dogs should remain on a leash at all times. Once it is seen where dogs are being brought most frequently, small stations for bags and disposal of waste to make it convenient for owners to clean up after their pets would be a nice amenity. Perhaps local organizations could sponsor?	6/6/2016 7:35 AM
233	It is ridiculous to charge a fee. What will you do with the money? Just another way to get money from tax payers.	6/6/2016 7:32 AM
234	Leashed dogs should be allowed at parks. Owners should be responsible for their dogs including picking up after them. As a dog owner, I would not want dogs to run free in parks because it may cause issues with other people using the public areas and/or other dogs.	6/6/2016 7:21 AM
235	Please leave the current ordinance in place	6/6/2016 7:08 AM
236	People that are responsible pet owners train & keep their dog in control, walk their dogs on 6 foot leaches, carry doggie bags for their dog poop & pick up immediately are fantastic!!	6/6/2016 7:05 AM
237	We have nice areas where dogs can go already.	6/6/2016 6:55 AM
238	Waste disposal. People should take their waste with them.	6/6/2016 6:49 AM
239	Parks are not built for dogs,they are built for people. We have dog parks.	6/6/2016 6:44 AM
240	What ever is decided will need to be enforced and who is going to do that A lot of parks are out there. Maybe a trial period. If the dogs owners respect the parks it will work. Maybe the ruler is I will clean up after my dog but I will also clean up after yours to keep the privilege of using the park We live next to the fair grounds and frequently do this. We see the dogs enjoying their run doing their thing as the owner walks away The dog show people are some of the worse offenders.	6/6/2016 6:39 AM
241	Dogs should also not be allowed at farmer markets on main street	6/6/2016 6:33 AM
242	I believe large and/or aggressive dogs would be intimidating to those trying to enjoy a leisurely walk in the park	6/6/2016 6:17 AM
243	Great idea-thank you for giving us the opportunity to voice our opinion.	6/6/2016 6:05 AM
244	no dogs allowed, period.	6/6/2016 6:02 AM
245	We live within blocks of Lakeside and never go. Whe. We are outside it is with our dogs. The park is underutilized and this would really help that.	6/6/2016 5:56 AM
246	Strict fines for dogs offleash or harassing pedestrians	6/6/2016 5:54 AM
247	We have been in many areas where dogs are family here in the US. No issues especially when there are plenty of dog clean up stations available.	6/6/2016 5:43 AM
248	I see people at county campgrounds that do not pick up after their dogs	6/6/2016 5:28 AM
249	SPECIAL CONTAINERS SHOULD BE PROVIDED FOR DOG WASTE.	6/6/2016 5:10 AM
250	I already pay for a pet license, why would I pay again to own a pet? I don't see the point of a fee to be privileged to walk my dog in certain areas.	6/6/2016 2:30 AM
251	Will the \$30 annual permit be per dog? Or, per resident? Annual permit fees could be mitigated with documented completion of "Dog Citizen" training. (see comment at the end of the survey) Parks allowing dogs will need to have adequate places to dispose of the waste collected by owners. Signage and possible empty bag containers, too. Also, a curfew on when dogs must be out of the parks might be an option...perhaps after dark.	6/6/2016 12:27 AM
252	Charging folks to let a dog in a park is discussing. Why isn't the city focused on the population moving north from MKE and Chicago? Dogs are not FdL's biggest problem folks. Shame on you for wasting time and money on this.	6/6/2016 12:20 AM
253	I pay enough in taxes every year for this city I should be allowed to take my dog anywhere I want to.	6/5/2016 11:45 PM
254	Many kids & people are afraid of dogs or just don't like them. Dog rights should not interfere with people's rights. I don't like stepping in dog poop!	6/5/2016 11:43 PM
255	No dogs in public parks	6/5/2016 11:41 PM
256	This should only be allowed for dogs on a leash specifically so that some dogs don't ruin it for others. They might get scared or nervous and bite even when that isn't how they usually are. Dogs are very unpredictable in certain circumstances there for should always be on a leash (unless in specified dog parks)	6/5/2016 10:57 PM

2016 Dogs in City Parks Survey

257	If people are worried about "dangerous dogs," owners can use the red, yellow, green rule. Dogs that are friendly and need no caution wear a green collar/bandana/tag. Dogs that are friendly but want people to approach them with caution so the animal isn't intimidated wear something yellow. Dogs that may not do well with strangers or other dogs approaching them and need caution wear red. This has been practiced in other communities and has really helped. It's a clear indicator to leave a dog alone that is wearing red.	6/5/2016 10:48 PM
258	there are already dogs in most of the parks...Fond du lac is one of the most dog unfriendly cities I've ever lived in!	6/5/2016 10:33 PM
259	I feel that too many people will not be responsible having their dog in the parks and it will casue issues.	6/5/2016 10:29 PM
260	It should not cost money to bring part of your family to the park !	6/5/2016 10:26 PM
261	If waste stations were strategically placed, to dispose of waste properly	6/5/2016 10:20 PM
262	Many parks I have visited have doggy waste bags available with garbage bins available in parks	6/5/2016 10:17 PM
263	People are already violating the ordinances. It will be a free for all if the are lossened.	6/5/2016 9:55 PM
264	Keep dogs on leashes with the exception of the dog parks. A \$30 permit is ridiculous. I'll just walk the trail. I walk my dog daily. I do enjoy lakeside park but can't even utilize the walking paths due to the fact dogs are banned. I live one block away. We Have great well behaved dog, and always clean up after him. Allowing dogs is one step in the right direction for lakeside. Problem dogs should be dealt with. Try visiting a city in Europe. The parks a gathering spots for the community. Dogs are allowed, festivals on a weekly basis, music and food in a welcoming area. Fond du lac needs to be a more open, friendly place.	6/5/2016 9:46 PM
265	I think the biggest problem I noticed when I lived in fond du lac was that people never picked up after their dogs. It's gross and I wish it was enforced more. I also believe that most people think their dogs are ok off of a leash. However, they don't take into account that their dogs will always run up to other dogs who aren't as excited to meet them. Leash laws MUST be enforced more than they actually are in fond du lac. Both my dog and I have been bitten by other dogs whose owners thought their dogs didn't need leashes, which is why my dog doesn't like other dogs.	6/5/2016 9:38 PM
266	I hope this is not another way for the city to collect revenue from the citizens. If I had a dog, I personally would not walk in the parks if I felt I was being targeted for discrimination by other park users or by law enforcement.	6/5/2016 9:19 PM
267	\$30 is a bit high I think \$10-15 is more reasonable and would be willing to pay that.	6/5/2016 9:12 PM
268	They have the dog parks, they should not be allowed in the city parks.	6/5/2016 8:53 PM
269	We need to make fdl a more pet friendly city. But enforcement of unlicensed dogs and viscous dogs need to be addressed	6/5/2016 8:50 PM
270	Dogs should not be allowed other than dedicated dog parks/areas.	6/5/2016 8:38 PM
271	None	6/5/2016 8:26 PM
272	Believe a license is not enforceable.	6/5/2016 8:19 PM
273	N/A	6/5/2016 7:58 PM
274	there are lots of other places ppl can take their pets, where the general public doesn't haveta deal with the IDIOTS who cant control their pets..	6/5/2016 7:49 PM
275	I would only pay \$30 if I thought I was provided with a safe area for my dog to play. Turf grass and toys. Gated area for off leash dogs to run. Complimentary poo bag stations with disposal area conveniently located throughout park. \$30 is pretty extreme especially when the park is paid for by myself already. I would need to see the \$30 is worth it. Otherwise all park users should pay \$30. Humans can be more disgusting than dogs. It's the owner of the dog not the dog itself.	6/5/2016 7:44 PM
276	Why would we pay to take our dogs to a park our tax dollars support	6/5/2016 7:44 PM
277	Should not have a cost for it just fines for owners that don't follow laws and clean up.	6/5/2016 7:43 PM
278	As long as the dog is leashed and owner picks up after it I don't think paying a permit is necessary.	6/5/2016 7:37 PM
279	I believe this should be on a trial bases and evaluated after a period of time.	6/5/2016 7:29 PM
280	Allowing dogs in parks would I mean I would actually use some parks; it would make Fond du Lac a friendlier place.	6/5/2016 7:07 PM
281	If you need to get a license for your dog why would it be necessary to get an additional permit	6/5/2016 7:05 PM

2016 Dogs in City Parks Survey

282	I do not like dogs approaching me or children. Many children and adults are allergic to dogs and do not want to come in contact with them. Not all dogs get along and therefore dogs would be barking at each other and possibly attacking other dogs. People like to go to parks to enjoy the quiet and the freedom to play, read, have a picnic, etc. Dogs can be very disruptive. I do not like the idea of a dog approaching my grandchild. If people go to a dog park they will notice how dogs attack other dogs and they are barking at one another. It is very annoying. The city or police will have to respond to complaints of problems with the dogs in the park. I would not like to see little children hurt by the dogs. Would there be restrictions as to the size of the dogs allowed in the park?	6/5/2016 7:03 PM
283	Generally I believe that parks are for people, homes and yards are for dogs. We have parks with dog access but I could see expanding a couple more places in parks for dogs on leashes. Just don't want to deal with dogs in areas with crowds of people.	6/5/2016 7:00 PM
284	I live within 2 blocks of lakeside park and never use it due to the fact I am not even able to walk my dog in it. If the police actually enforce the laws and don't turn a blind eye I'm sure that having leashed dogs won't be a problem. But if we don't think it is worth our time to enforce laws such as we have done with bicycles (not using stop signs, driving on the wrong side, no lights) than people will take advantage of the situation.	6/5/2016 6:43 PM
285	Dogs are part of the family, and love being in nature with us.	6/5/2016 6:43 PM
286	Enforce the law that is on the books	6/5/2016 6:40 PM
287	Everyone with a dog is not responsible, why take any chances with irresponsible dog owners. There is a dog park, sidewalks in the city, and their own yards.	6/5/2016 6:23 PM
288	Keep the restrictions as they are today. It's working fine.	6/5/2016 5:20 PM
289	You're really going to offer this as some sort of possibility then make money off of it in the process?	6/5/2016 5:07 PM
290	There should be a two dog per person limit.	6/5/2016 4:05 PM
291	The current lack of dogs in our parks is extremely pleasant and relaxing. I personally live in a neighborhood with lots of loud barking dogs, and I want to have the option to go to a park to escape the unnecessary noise.	6/5/2016 3:55 PM
292	\$30 is very excessive, I doubt many people would pay that much if anything. I feel the city already levies too many small fees similar to this already.	6/5/2016 3:42 PM
293	Dogs should be allowed in parks especially for family functions. It's unfair to leave your furry family member at home during Susie's birthday party	6/5/2016 3:21 PM
294	In Milwaukee, dogs are allowed in many parks. In the park across from daughters home there is a machine to buy a dog waste bag. I don't recall the cost but the park was clean with no signs of waste left behind.	6/5/2016 2:49 PM
295	Door county is very dog friendly. Sister Bay provides doggy bags and could probably be a good model for Fond du Lac	6/5/2016 2:46 PM
296	What a crappy way to earn money for the city, permits! And we have enough goose poop to step in already!!! Don't impose dogs into everyone lives in a park. We have enough dogs in our neighborhoods!	6/5/2016 2:42 PM
297	only service should be allowed in any park	6/5/2016 2:18 PM
298	The two dog parks provide ample opportunity for off leash exercise. As for the city parks all dogs should be leashed at all times as a safety measure for all involved. It would prevent animals running into water or roads, or ruining someone's picnic. It's also hard to miss a dog mess(poop) if the dog is right next to you, but some kind of clean bag stations would be a good idea.	6/5/2016 1:25 PM
299	We are taxed and have to pay enough fee's... why (OTHER THAN MAKING EVEN MORE MONEY) would a 30\$ fee be imposed. What is this money for? Park officials already take care of the lawns if your worried about having to pick up after a careless dog owner that allows their dog to defecate and not pick up the mess... Our tax dollars already support the parks do they not?	6/5/2016 1:20 PM
300	In general, people don't know how to properly care for dogs, as pets.	6/5/2016 1:09 PM
301	I think allowing leashed, licensed dogs in parks would encourage dog owners and their families to be more active in the community. I also think there need to be clearly defined rules to be followed (i.e., licensing, leashing and picking up after) and substantial consequences to be had if they are not followed to instill this opportunity is a privilege, not a right.	6/5/2016 1:00 PM
302	Our parks are beautiful as it is, my family and I use them frequently with our children and friends, to allow dogs in the parks would only bring negative consequences to the areas that our community view as safe and clean.	6/5/2016 12:55 PM
303	permits will only take police away from their duties, requiring them to stop any and every pet owner to inspect for a permit is ridiculous.	6/5/2016 12:54 PM
304	I feel that we have already spent money for the dog park and allowing dogs into public parks will only cause problems.	6/5/2016 12:47 PM
305	I do not agree with charging pet owners or requiring a permit.	6/5/2016 12:40 PM

2016 Dogs in City Parks Survey

306	I think that one consideration is the availability of trash cans in the park. As my memory serves I think most have plenty available. Additionally in other pet friendly towns, I've seen random bag dispensers with trash cans set up along their trails to help encourage proper feces disposal. Some of the veterinarian clinics and such help sponsor them. I don't know if there are some people who are interested in supporting that idea who have deeper pockets than mine. I just think it's a nice idea.	6/5/2016 12:25 PM
307	While I like dogs, I strongly oppose allowing them in city parks. There are plenty of places for dogs to go in the city. It is not worth the risk to children, or anyone for that matter, nor the extra resources needed to regulate it.	6/5/2016 12:22 PM
308	I like the permit idea, it may help keep irresponsible dog owners out of the parks, and will encourage permit owners to obey laws and restrictions.	6/5/2016 12:21 PM
309	I do not feel this is a good idea. It will bring out most people who have little to no control over their pets. And most don't clean up after them.	6/5/2016 12:09 PM
310	Please do not change the current ordinances. We have great parks that are clean. Who wants to worry about you or your kids stepping in dog poop in the park? There will undoubtedly be irresponsible dog owners. Please do not do this to us. Further, we should not have to worry about being bitten by a dog in our public parks.	6/5/2016 12:00 PM
311	The owners already pay a licensing fee every year for their dogs. They shouldn't have to pay more in order to use public park areas. This area should be free to be enjoyed by all people and animals.	6/5/2016 11:49 AM
312	I like dogs. I like my dogs. I like well trained dogs and responsible pet owners. With that said I do not like most other people's dogs because they are typically poorly trained. I do not want to bring my dogs to the park and I do not want to see other peoples dogs there either. There are dog parks for this. If another dog park is needed, then I suggest efforts go towards that, rather than creating another problem for our already stressed police officer officers to deal with.	6/5/2016 11:40 AM
313	Allowing dogs in city parks other than the designated dog parks that the city already has is a big mistake. There are unfortunately too many irresponsible dog owners that do not clean up after there dogs. I would not want to step in dog waste of have my child step in dog waste. Parks are designed to be a place for people to relax and enjoy time with friends and family. There are many people that do not want to have to worry about encountering dog waste or listen to dogs barking. There are also people who fear dogs, especially larger dogs. No one should feel intimidated or threatened for their safety by dogs in a city park.	6/5/2016 11:39 AM
314	In all honesty, I too love dogs. However, I do not love other people's dogs, just as they do not love mine. Therefore, I should not have to be subjected to walking around them and having them sniff my leg at Parks, Farmer's markets. and Parades. I leave my dog at home. I wish others would too. In addition, dogs do not always interact well with other dogs in the vicinity. Realistically, "FIDO" doesn't have a clue as to what is going on at these events and locations, and neither do their owners!!!	6/5/2016 11:26 AM
315	Put dog bag stations throughout Lakeside Park	6/5/2016 11:20 AM
316	Most dogs are better behaved then our local citizens. It isn't the dogs it is the people.	6/5/2016 11:05 AM
317	As long as a dog is on leash and under control they should be allowed in any park.	6/5/2016 11:01 AM
318	I already pay for a dog license yearly for each pet, I do not think we should be "charged" more to bring them into the parks if following the rules.	6/5/2016 10:59 AM
319	Do not allow dogs in the park leashed or otherwise. I know many people who are afraid of dog no matter the size. My child was injured by a dog, and children/families should always feel safe when using local parks or recreational facilities.	6/5/2016 10:43 AM
320	Fine people for breaking the rules. It will end the current lack of following the laws.	6/5/2016 10:32 AM
321	In Florida there is a limitation of hours/times dogs can be on the beach. Believe it is before 9am and after 6pm. I would very much be in favor of such a restriction if dogs were allowed into the parks.	6/5/2016 10:31 AM
322	Let people have their dogs on leashes but fine the ones that don't follow the rules.	6/5/2016 10:24 AM
323	As not all people are pet owners, I feel ALL the parks should not be available for dogs. Why not just a few parks spaced within the city? What about people with allergies . . .or fear of dogs?	6/5/2016 10:23 AM
324	No, if Im required to pay an annual fee to bring my dog to the park then I feel that parents should have to pay a fee to bring their children to the park. I shouldn't be penalized and charge a fee because my "child" has 4 feet. I pay property taxes for this city that support the playgrounds, don't I?	6/5/2016 10:13 AM
325	It would be a terrible decision to allow dogs in our city parks.	6/5/2016 10:12 AM
326	Parks are for people, not pets. If one chooses to have a pet, have private exercise areas or don't get the kind of pet that needs such an area. Why is this issue even being raised. We already have too many problems despite dog restrictions in residential areas.	6/5/2016 10:11 AM

2016 Dogs in City Parks Survey

327	Bad idea. People aren't responsible enough. We got some real idiots in this city	6/5/2016 10:07 AM
328	Do not allow pets in any city parks where people may come into unwanted contact.	6/5/2016 10:07 AM
329	Why should I have to pay for a permit. I already have him licensed, vet checked and annual shots. I pick up after my dog, you don't. So why should I pay extra. Our dog is our family member. Then people with children should need a permit. Sounds silly doesn't it.	6/5/2016 9:59 AM
330	As a taxpayer I believe I should have the right to take my well trained dog to the park. I believe that people who are irresponsible with their dogs should be fined.	6/5/2016 9:57 AM
331	Why bother if you have to pay? I don't have to pay to walk through, why should a person with a dog, their family member, have to pay to walk through a park?	6/5/2016 9:48 AM
332	Leash laws, etc need to be enforced. Without enforcement, some owners will continue to be inconsiderate, ruining it for the rest of the decent dog owners. Personally I have no issues with dogs, but I also do not want to be subjected to someone's animal if I want to enjoy a park. Dogs are animals and need to be treated as such, they can attack and kill. The city does not need to be liable for injury or death lawsuits as a result.	6/5/2016 9:46 AM
333	Will need to offer potty bag locations.	6/5/2016 9:46 AM
334	I live by Kiekhafer park, lots of people let their dogs run loose and I have been approached numerous time by aggressive dogs only to be told he won't hurt you. I would hate that to happen to a child and also poop bags are offered free there and people still don't use them. I actually pointed out to people the bags are there for free please pick up and I have been told you don't have to do that here.	6/5/2016 9:43 AM
335	Leave rules the way the are! Keep our tax paid parks clean! We have problems with humans picking up after themselves much less animals	6/5/2016 9:39 AM
336	Dogs off leashes are unpredictable....	6/5/2016 9:37 AM
337	I wouldn't even consider allowing dogs in parks. Studies show it is not safe for children. Why create the problem.	6/5/2016 9:37 AM
338	Dogs should be allowed. For Pete's sake, someone called the police on us walked our leashed dog in Lakeside Park in the middle of January. I was not aware there was a ban. Also, does it make sense that you can bring your dog to any State Park in Wisconsin, but not to city parks?	6/5/2016 9:33 AM
339	Provide poop bag dispensers in strategic locations, near trash bins. Have clear signage regarding rules and regs re: dogs/pets in parks at entrances and other strategic locations. Strictest possible enforcement and severe fines, including revocation of privileges for repeated violators.	6/5/2016 9:29 AM
340	There are already dog parks available to citizens and dogs can be walked down any city street. My concerns are dogs running loose, not being picked up after, threatening safety of young children and families enjoying the park and who the parks are intended for.	6/5/2016 9:25 AM
341	Make sure there are plenty of waste stations to deposit waste.	6/5/2016 9:23 AM
342	The city park is meant for Everyone to enjoy as a family. People with dogs should be able to enjoy the park as a family too. Opening up the park for people to walk there dogs on the sidewalks would be w great solution. Also if a family had rented a facility for a party it would be nice if they are allowed to bring dogs to the party and that the dogs be allowed in the party zone and surrounding area.	6/5/2016 9:23 AM
343	Most People are not responsible and will leave product behind. They won't pick up after their dog.	6/5/2016 9:20 AM
344	I don't think people should have to pay an annual fee to bring their dogs out in public...people don't have to pay a fee to bring their children out in public (and I've seen kids who are worse behaved than most dogs I've come across).	6/5/2016 9:17 AM
345	Dogs need access to parks.	6/5/2016 9:13 AM
346	Please provide some waste stations as well for dog waste removal and stiff fines for those who don't follow the rules. People need to clean up after their dogs and keep them on leash to make sure they don't disturb others.	6/5/2016 9:04 AM
347	A fee will only punish the most responsible owners as the 'bad' owners will be least likely to pay it.	6/5/2016 9:02 AM
348	I don't want to see dogs in parks or festivals.	6/5/2016 8:59 AM
349	Having to pay a fee is ridiculous. Also, the requirement to "license" a dog is also ridiculous. Do I have to license my bird? Tropical fish? Snake? Rabbit?	6/5/2016 8:55 AM
350	I've only lived in Fond du Lac for 1 year and I see Lakeside Park as the biggest asset to the city. That park should never allow dogs. It will not be worth all the policing to set up different rules for different parks. Our dog parks really are adequate.	6/5/2016 8:52 AM
351	if they charge the fee, how will it get enforced...not sure the city even enforces the pet licenses?	6/5/2016 8:50 AM

2016 Dogs in City Parks Survey

352	Some people are allergic to dogs and they should not have to move off the path so a dog doesn't brush up against them or start licking them and dog owners allow this and think it is cute.	6/5/2016 8:44 AM
353	People love their dogs so being able to bring another part of your family to an outing is great for them	6/5/2016 8:41 AM
354	My daughter is very scared of dogs. She would not want to go to parks if dogs were allowed.	6/5/2016 8:35 AM
355	It is time to give this issue a chance and for this city to move forward not backwards.	6/5/2016 8:03 AM
356	People should be the primary users of the parks. We should be able to go there without fearing for our safety. We already have a pretty good dog park, keep the dogs over there.	6/5/2016 7:28 AM
357	This will NOT bring extra people or visitors to the city. We can't afford to have our PD responding to calls about dog owners not picking up or having dogs run free in the park.	6/5/2016 7:00 AM
358	Poop bag station (one on a roll and one where residents can bring bags for others to use) at lake side park.	6/5/2016 6:50 AM
359	I do like dogs. The question I have is: How many dog owners would take advantage of new rules? Would this be very disruptive or really be no problem. No one can really answer that without giving it a try.	6/5/2016 5:50 AM
360	We have parks for dogs. Allowing them in the park does nothing but create problems that do not currently exist. We don't have the resources to police or monitor this proposed change.	6/5/2016 3:30 AM
361	Dogs on leash only, for now. I just want to be able to walk my dog through the park. I'd understand that on certain days, when events are being held and the park is being heavily used/trafficked, dogs wouldn't be allowed.	6/5/2016 2:26 AM
362	Only dogs that have a City of Fond du Lac pet licence, issued by the city clerk should be allowed.	6/5/2016 12:08 AM
363	I don't have a dog but if I did that I would think it's worth a fee to bring my dog to parks. Though I'm not sure the reason for it. I think teenagers do more damage then animals, do we charge them ?	6/4/2016 11:44 PM
364	We've got a dog park already and they can go to county parks so no need for them in the city parks	6/4/2016 11:37 PM
365	Don't try to initiate permits, if you need additional funds, build it into dog license. Don't penalize dog owners with usage fees. Same with out of town guests.	6/4/2016 10:57 PM
366	Start fining owners who need it and people will get more responsible	6/4/2016 10:29 PM
367	When I lived in Washington, dogs were allowed in Parks. In comparison, I think the parks were much more busy. People were always walking their dogs. I am sure there would be offenders-people that don't pick up after their dogs, etc. I have also seen strays in the parks running loose now. I think many more people would use Lakeside Park to walk their dogs.	6/4/2016 10:18 PM
368	Keep the policy as it is. The ramifications far outweigh any potential benefits perceived by this. This would certainly limit my family's involvement in our parks if allowed	6/4/2016 10:18 PM
369	There is no reason for the city to charge for a permit to use parks we already pay taxes for!!!	6/4/2016 10:12 PM
370	It would be awesome to have a dog day at Taylor Park to raise money for the K9 unit. The last day of swimming-just for the dogs in the splash pool? Some larger communities do this. Madison is one.	6/4/2016 10:12 PM
371	Who thought up this cra cra idea?	6/4/2016 10:06 PM
372	I keep my dog at home safe from wild dogs in fondy	6/4/2016 10:02 PM
373	There should be no allowance for off leash dogs in any park.	6/4/2016 9:40 PM
374	As a pet owner, we often avoid current parks for exercise due to the numerous irresponsible pet owners.	6/4/2016 9:37 PM
375	1. Opens up HUGE liability issues. 2. Some people don't "clean up" after their dogs; what makes one think they will obey any other laws or rules? 3. How will minors/children be held responsible for their actions or inactions? I AM A DOG OWNER. PLEASE DO NOT ALLOW PETS IN OUR PARKS!!! Additional patrolling and enforcement. Will this really be a priority BEFORE someone is attacked/malled?	6/4/2016 9:32 PM
376	People should be able to walk dogs through any park. Off leash activities should be kept to the dog park. All dog waste must be picked up by owners.	6/4/2016 9:13 PM
377	This is the absolute worst idea the city could support. Insurance issues, cleanup, policing this etc. Vote NO.	6/4/2016 8:50 PM
378	People dont license dogs now and wont pay a fee	6/4/2016 8:49 PM

2016 Dogs in City Parks Survey

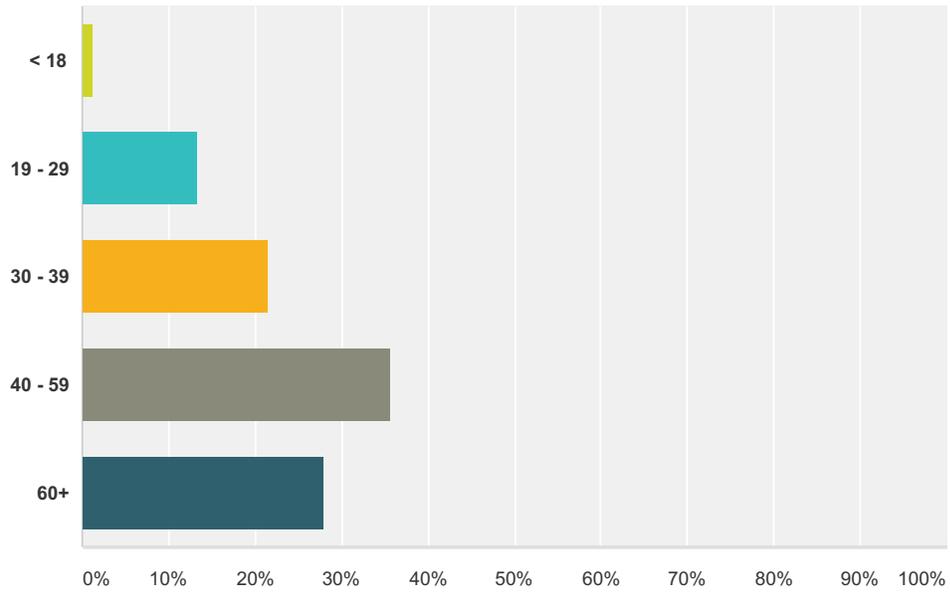

379	Lakeside park is a peaceful park where I go with my family to fish, walk, and picnic. It's nice to enjoy the wildlife and animals and not be bothered by dogs barking, running around and chasing ducks and birds and disturbing the natural surroundings. People with dogs think everyone wants dogs around when that is not the case for everyone. There are dog owners who are inconsiderate and do not pick up dog poop. I would like to continue to use the park without having to deal with dogs and would probably spend less time there if they were allowed.	6/4/2016 8:46 PM
380	Who would be having to enforce this permit idea. Park workers or city police? I feel this is unenforceable.	6/4/2016 8:42 PM
381	I think fines should be set to deter people from not being a responsible pet owner while they are in the parks. The fine amount should be high enough to cover the additional work that may need to be done once this ordinance is in place. I don't think a permit is necessary, or feasible. Once a dog is licensed, that should allow the owner to take it wherever it is legal to have a leashed dog.	6/4/2016 8:29 PM
382	Maybe it's worth a try and hopefully a few irresponsible people will not spoil it for the rest. Most pet owners seem to pick up after their dogs at the Farmer's Market and there are a lot of dogs that go along there.	6/4/2016 8:21 PM
383	Parks must remain clean and safe for even non dog lovers.	6/4/2016 8:19 PM
384	Animal behavior around children and frightened/allergic adults is UNPREDICTABLE AT BEST.	6/4/2016 8:19 PM
385	I think "dangerous" dog breeds should exclusively pay the fee- pit bulls, Rottweilers, etc....	6/4/2016 8:18 PM
386	I think that question 3 is very badly worded. Why "severe"? and define what you consider "severe". Question is too vague and too leading but one is forced to answer it if one supports dogs being allowed in parks. Person who wrote this out obviously doesn't want dogs anywhere near a park. Shame on them for a dishonest survey.	6/4/2016 8:09 PM
387	I would love to go to the meeting but will be out of state that day. We live across the street from lakeside park and own a pit. There's so many loose dogs in the area and we don't feel it as a safe area to walk a dog.	6/4/2016 8:07 PM
388	It is unfortunate that I live in this beautiful community and cannot take my dog with me to the park. I have never seen anyone not pick up after their animals. Nor have I ever seen "dangerous" dogs being walked in my community. Let the dogs run free!	6/4/2016 7:57 PM
389	No dogs in Parks.	6/4/2016 7:53 PM
390	There should not be an additional permit cost. Any enforcement or maintenance costs should be funded through mandatory licensing fees, which could be increased from the current amount, if necessary. This would ensure that more owners understand the importance of licensing their dogs and maintaining up-to-date vaccinations.	6/4/2016 7:19 PM
391	Probably asking for trouble allowing dogs in any parks. Love dogs and have always owned one but everyone doesn't train or control their dog like I do!	6/4/2016 9:03 AM
392	people should be able to enjoy the city parks without pets..you never know when a dog will attack	6/4/2016 7:58 AM
393	Keep ALL pets out of parks	6/4/2016 5:51 AM
394	I would just like to be allowed to include my dogs in all family gatherings and walk through a park now and then. I do believe that FdL should get all their signs updated if nothing else. You can not exclude all dogs. You have to allow service dogs like it of not. It's the law.	6/3/2016 11:38 PM
395	I think this is a bad idea not only the dog mess left behind but the children in parks that are affected , dogs need to be on a leash for safety of the children at the parks	6/3/2016 10:22 PM
396	If you create pocket off leash dog parks within current parks I would buy a park pass	6/3/2016 10:12 PM
397	Dogs should be on a leash at all times. But I feel they should be allowed in all public parks and playgrounds.	6/3/2016 9:33 PM
398	I believe that allowing dogs in city parks is invasive to the tax payers that border the park	6/3/2016 8:19 PM
399	Waste bag stations	6/3/2016 8:02 PM
400	I feel like \$30.00is a lot cuz I am only a teenager but I am a huge dog supporter but I don't the money to pay that. So maybe we could lower the price or just keep it legal to bring dogs to parks.	6/3/2016 7:55 PM
401	Why is everyone out to change our parks? Not everyone likes dogs. People are allergic to dogs. Dogs bite. Shouldn't people/taxpayers have a right to go to park and not have their time ruined by someone who doesn't care about dog laws?	6/3/2016 7:09 PM
402	I am an animal lover and pet owner, I just don't feel there are enough responsible owners to allow dogs in our parks. It may be worth having a trial period to see what happens.	6/3/2016 5:55 PM
403	Allow dogs in parks. It is ridiculous that they are not. Even Central Park in NY allows dogs. Also, our state tourism has ads about this, and if we want to be true to the advertising, we should allow dogs.	6/3/2016 5:43 PM

2016 Dogs in City Parks Survey

404	I already pay to have a licensewhat does that money go for? I should be able to walk my dog in the park without paying an extra fee.	6/3/2016 5:18 PM
405	People have plenty of space in this city for dogs. They can walk them on ANY city sidewalk and there are TWO DOG PARKS. Plus their own backyard and if they don't have a backyard, then they shouldn't own a dog. If dog owners can't take care of the designated DOG PARKS then how are they going to take care of the rest of the city parks. This is a ridiculous idea since the current ordinance is not even enforced. You can go out to Lakeside park any day of the week and find someone violating the ordinance. If you are not satisfied with the current DOG PARKS then make some improvements to them.	6/3/2016 5:10 PM
406	Education is the most important thing. There are a lot of good pet owners who are very responsible. I would hope that folks who know their pets are not "good" in public would avoid the public parks.	6/3/2016 4:59 PM
407	It would be nice to be able to enjoy the wonderful city parks and not have to worry about leaving your pet behind. As long as the dog is secured on a leash and the dog owner is respectful of the surroundings (including other people and pets), there should not be a ban on dogs in city parks.	6/3/2016 4:59 PM
408	Have a permit is going to push people away from using the park. Not allowing dogs also turns people away. We need to welcome all walks of life and some of them enjoy life with their dog by their side.	6/3/2016 4:59 PM
409	I live near Rosenow school. I walked over w/my grandsons last week & my grandson said grandma look at all the dog poop. I don't want to see that at Lakeside park. Have to worry where to step or if the grandkids will step into something. It only takes a few uncaring dog owners to create a mess. I think a fee is a help but there can't be dog police to enforce cleaning up your dog's mess.	6/3/2016 4:38 PM
410	I think there are more responsible owners than not, but no one complains about the responsible owners so there is too much emphasis on bad owners than good owners.	6/3/2016 4:37 PM
411	Lakeside Park in particular is a wildlife sanctuary and no dogs should be there. It would upset the delicate balance of the ecosystem more than already with all the groomed areas.	6/3/2016 4:14 PM
412	I realize that you want to satisfy everyone with this but that is not possible. If you allow dogs with restrictions who will monitor it?? I feel our police is busy enough and this should not be a priority for it.	6/3/2016 4:08 PM
413	Walking a dog through a park should be free. I license the dog and pay taxes. It should not cost anything to allow me to walk the dog through a park.	6/3/2016 4:05 PM
414	I will lose my mind if I have to pay for another permit. This type of permit in particular would be an annoyance for newcomers, younger people, etc-the same people this town needs to attract in order to survive. Make it inviting.	6/3/2016 3:29 PM

2	don't use dog parks, owners not responsible for pick ups & large dogs there intimidate my small one	6/23/2016 9:42 AM
3	I observe plenty of dogs at the farmer's market. I have witnessed dogs lifting their lets to urinate on flowers and posts. additionally people don't completely pick up dog droppings from the street and then other people get this on their shoes.	6/23/2016 9:40 AM
4	leave it the way it is Oshkosh has beautiful parks no animals allowed	6/23/2016 9:30 AM
5	any new building should be put at the end of doty st. no trees to cut down and plenty of parking. don't take away the parking for the people that use the park everyday for the children and the fisherman. those people are there everyday. parking is full everyday I go threw the park	6/23/2016 9:29 AM
6	more picnic tables along the lake shore all long by the shore line all the ways from light house to river across from the west side of park	6/23/2016 9:26 AM
7	dangerous dogs that could frighten or hurt little ones, elderly. no one should have to walk around dogs	6/23/2016 9:24 AM
8	we currently have 2 dog parks in fdl	6/23/2016 9:17 AM
9	when making the final decision on this please put people first	6/23/2016 8:43 AM
10	PARKS ARE FOR PEOPLE, WHAT IS NEXT PET PIGS, SNAKES, HORSES, LAMAS. PARKS SHOULD BE KEPT CLEAN FOR PEOPLE & FAMILIES.	6/23/2016 8:39 AM
11	I have lived in my house for 54 years and on both sides of my house I have listened to dogs bark, bark, bark. I have had to live with dogs & in the park no dogs.	6/23/2016 8:35 AM
12	SAFETY OF CITIZENS IS OF UTMOST IMPORTANCE	6/23/2016 8:31 AM
13	I think it is a bad idea. There are lots of areas people can walk their dogs, the park system should remain a place for all to come and visit without the worry of pets and poop!	6/22/2016 4:26 PM
14	The chief of Police is not in favor of dogs in any park and I agree 100%. Thank you	6/22/2016 8:21 AM
15	We feel that is a horrible idea!!!	6/21/2016 6:45 PM
16	I do feel dogs should be on leash except in water. I trust my dog but I can't trust other dogs. Maybe you can have vet clinics hand out tags (like they do rabies)showing they have been through obedience classes. No class/no privilege (instead of the \$30 fee) this way you can ween out the dogs without training.	6/21/2016 1:28 PM
17	Questions two - 8 unnecessary after answering continue not to allow dogs in parks.	6/20/2016 9:02 PM
18	I have worked in FDL my entire life, am very active in the FDL community and events. I and another Aunt spend much time with my Grandchildren at Lakeside park, and think the dog thing is a terrible idea. As for neighborhood parks, I would not even feel comfortable with the 13 year old taking younger siblings, if I knew dogs were present. this is not a good idea. Designate a separate park for dog families. maybe Supple's; but not normal city parks.	6/20/2016 6:55 PM
19	Question 14 should read, How close to a park do you live? my answer is 3 blocks. Did a monkey write the questions to this survey?	6/20/2016 12:35 PM
20	Every other major city allows dogs in parks- ie: chicago dogs are off leash and no major issues occur. Poop stations like the dog parks will be helpful in encouraging owners to pick up after dogs. I'm certain People would be willing to donate plastic bags to fill the bins if a location was available to drop them off.	6/20/2016 10:07 AM
21	I'll stop taking my kids to the park	6/20/2016 8:50 AM
22	I fish out of the park	6/19/2016 10:27 AM
23	Isn't this city bad enough for kids with a drug dealer on every street and now you want to give their parks away to pitbulls	6/19/2016 9:45 AM

2016 Dogs in City Parks Survey

24	Major concerns on this survey construction. This does not serve the tax paying citizens of this community. Please employ a 3rd party who is unbiased and has survey knowledge background.	6/18/2016 9:44 PM
25	People do NOT obey current dog laws and they won't obey park rules either!	6/18/2016 6:38 PM
26	Super Duper Very Very Very Bad Idea!!!! My kids are scared to death of dogs!!!!	6/18/2016 11:34 AM
27	If you pass this - I will always vote for your opponent.	6/17/2016 7:51 AM
28	fondly already has a huge dog problem so what make it worse?	6/16/2016 5:28 PM
29	A bunch of presponsible dog owners want to take their dogs in the park but all the not responsible dog owners will be there too and when their dog bites my kid I won't even know whose dog (and if it had vaccines) it is	6/16/2016 5:26 PM
30	Most dogs in FDL aren't even licensed or up to date on shots so that makes this a really really really dumb idea	6/16/2016 5:15 PM
31	opposed to this	6/15/2016 10:26 PM
32	Now this has mainly been about dogs, what would the rules be for walking a rabbit, Guinea pig, cat or other animals that could be walked. Cats are registered, but caged animals are not. Also, people are more inclined to pick up after an animal if there are receptacles and stations provided. (this is the part where if everybody paid \$10 extra on annual registration, it would help offset the cost of these extra things; whereas if you buy a special permit. The option to purchase it is up to the owner. EX: So you get 100 permits, the first year. \$3000 vs. over \$10000 the first year. Plus, less hassle with different licenses and showing permits. I thank you for your time.	6/15/2016 10:28 AM
33	It has been known for sometime from surveys that I have participated in that many people especially women only walk if they have a dog. We should try to accommodate a segment of our population (dog walkers) that is at least 40%.	6/14/2016 11:38 AM
34	As long as the dogs are with someone and are cleaned up after and not a noise issue I think letting dogs in the park is a good idea.	6/14/2016 7:21 AM
35	Not fond of paying \$30.00 to walk my dog!! I'm already paying taxes on the park!!! BUT I would if that's what your decide!!!	6/13/2016 10:19 PM
36	NONE	6/13/2016 2:58 PM
37	I grew up on a farm---- do not hate animals--- have 2 grand dogs---would never hurt an animal---- just need to vent--- animals really are not human! Their rights and their owner's rights should not supersede mine! Amen!	6/13/2016 1:57 PM
38	How can their be fines to people not respecting the rules and guidelines if the police are overwhelmed with citizen calls and other unlawful issues?	6/12/2016 11:14 PM
39	What is recommended when we see violations? If dogs are allowed in the parks, would the city provide poop bags? Who would pay for that? Would waste containers be provided? How would you determine how many you need and where they would be located? We stopped going to the local dog parks because of irresponsible owners who don't watch their pet and people who don't know dog body language and, although there were bags and receptacles provided people still wouldn't pick up behind their dog. Grrrr	6/12/2016 9:07 PM
40	Special "Park Tag" should be worn on dog collar at all times, No tag, no park usage, big fine. You already have more than one dog park for dogs to use built just for them, they should not be allowed within the city limits parks. Just sayin'. All it takes is ONE person who will let their dog use the park as a bathroom to ruin it for everyone and we all know that those kind of people will be the ones to let their pooch poop in the park	6/12/2016 4:25 PM
41	Thank you very much for considering this topic.	6/12/2016 3:15 PM
42	Please take into consideration those of us who have anxiety with dogs from being attacked in the past.	6/12/2016 12:36 PM
43	I feel this should included pet birds and reptiles not to be in any parks. Special events, shows, and contest pets or animals that are apart of like dog shows, performances, parades, ect. Yes all pets are family but, not all owners are respectful. Serves pets (animals) show of permitted only aloud. I love my pets very much, they still don't belong in parks. Idon't want kids being mean and poking at my pets. NO DOGS CATS or OTHER PETS in parks PLEASE. PLEASE keep this current ordinance. Thank you	6/12/2016 8:03 AM
44	I love dogs , but there are too many irresponsible people who do not clean up after their dogs	6/11/2016 11:45 PM
45	Please don't ruin our beautiful park. Families will no longer be able to bring their children to enjoy the park due to fear of being bitten by dogs running loose and we all know there will be dog crap all over the park.	6/11/2016 11:06 PM
46	Are visitors to town going to be turned away if they don't have 30\$ park fee pd or Have a dog license? Or will you be able to charge them on the spot... ? My opinion is this will never work unless Educated...Implemented... Monitoring in place.	6/11/2016 1:35 PM
47	Like dogs, but don't want to see them in our parks.	6/11/2016 8:15 AM

2016 Dogs in City Parks Survey

48	Dogs are unpredictable (even the best trained ones) and I think children's safety should be Fond du Lac's first priority.	6/10/2016 4:35 PM
49	I feel that if dogs are allowed in our parks People will always be "testing" the rules. There ARE dog parks. Who will be enforcing the rules?..the police have enough to do without introducing more unnecessary patrolling for dogs in the parks. There are people that I see walking their dogs in the city now and They do NOT pick up the dog poop--- now we want to have dogs in the parks????----guess I want to know WHY??? I DON'T	6/10/2016 4:12 PM
50	Dog owners should be aware that not all people support the notion that dogs should be allowed in certain public areas such as the Farmers Market or other similar events and certainly not in any city park not already designated for such purposes	6/10/2016 2:13 PM
51	I think allowing dogs in parks would increase the utilization of parks. Dogs bring a welcoming and friendly presence to the community. They're a conversation starter. People that normally wouldn't stop and talk to each other will say "What a cute dog! What kind is it?"	6/10/2016 9:03 AM
52	I realize a few can make it bad for the many good pet owners but certain parks need to be for everyone to enjoy.	6/9/2016 7:26 PM
53	I have children residing in Minneapolis and visit several times a year. It is a dog friendly city which includes dog friendly businesses. Water bowls placed outside business on sidewalk. I've never witnessed problems or feces. The city has a very family friendly atmosphere.	6/9/2016 3:09 PM
54	live within 2 blocks of city park	6/9/2016 12:45 PM
55	concern of mean dogs	6/9/2016 9:08 AM
56	I currently enjoy the trails and state parks where my dogs are allowed, and use them often. I am annoyed by people who abuse this privilege with their own untrained dogs, and make it difficult for me to simply enjoy the parks.	6/9/2016 7:53 AM
57	If it ain't broke, don't fix it!	6/8/2016 7:33 PM
58	Let's give it a try and see if more folks utilize our beautiful parks and care enough to keep them clean!	6/8/2016 4:59 PM
59	-	6/8/2016 1:49 PM
60	This is bad idea	6/8/2016 10:57 AM
61	I would love to be able to take my dog into a city park. But I know that my dog will always be on a leash, under my supervision and that I do clean up after my dog. It is unfortunate that some people don't care. It also seems as though this may be difficult to enforce but where there is a will there is a way. I hope the City will allow dogs in the parks and without a fee. I assume the fee would be to cover costs incurred to monitor that rules about dogs in the park are followed. That being the case "a fee" would make responsible dog owners pay for the "few bad apples". Not really fair but as my grandchildren tell me "life isn't always fair grandma". Good Luck!!!	6/8/2016 2:51 AM
62	I belong to several dog clubs and have trained dogs for many years and I know that no dog can be trusted off leash.	6/7/2016 9:54 PM
63	FdL is my hometown and I was surprised and disappointed to find out from a police officer while jogging through Lakeside Park that dogs aren't allowed	6/7/2016 9:45 PM
64	A survey was done & paid for asking about what citizens wanted in Lakeside Park specifically. This proposal was not on the top 20 list for a reason, even as a 'write in' comment.	6/7/2016 9:18 PM
65	It would be difficult to police dog owners. There's too many careless pet owners.	6/7/2016 4:37 PM
66	I would be in favor of designating specific areas within larger city parks for owners to exercise their pets. However, am against allowing dogs in the smaller neighborhood parks like Jefferson, McKinley or Butzen parks.	6/7/2016 2:22 PM
67	I'd support this if you hired 10 new cops to enforce it and in their spare time they could help get a handle on the drug problem in our city!!!!	6/7/2016 1:13 PM
68	If dogs are allowed, our family will lose the use of the parks due to a previous dog bite incident which has left us all "dog shy". In that incident the owner did not even receive a citation, so we have little faith in the police enforcing any new dog laws.	6/7/2016 1:09 PM
69	I lived in the city for 55 years, paid taxes as a home owner for 35 years. I am in the park most every day. There is lots of room in city to walk dogs lets keep them out of parks please.	6/7/2016 1:06 PM
70	We should always put the emphasis on the safety of our community's children.	6/7/2016 12:51 PM
71	Parks are for kids and families, not for dogs running around and scaring us!	6/7/2016 12:17 PM
72	I just wonder who would be responsible if someone would be bit or heaven forbid mauled by a dog who was unleashed and the owner takes off because they don't want to get caught? Would the lawsuit then fall on the city of Fond du Lac??	6/7/2016 11:59 AM

2016 Dogs in City Parks Survey

73	I own 3 dogs and even though I don't think that my dogs would ever bite, I realize any dog is unpredictable. That's just the way any animal is when circumstances scare the animal, or the dog think it's protecting it's owner	6/7/2016 11:32 AM
74	There are responsible pet owners in Fond du Lac. Unfortunately, I believe that this will open up a huge can of worms and the irresponsible owners will ruin it for everyone. I don't want to find dog poop around where my children play or where I lay a blanket down to sit and have lunch with them. Fines are definitely a great idea, but how will it be enforced? Who will enforce it? Police and DNR officials can't spend their entire day making sure that owners follow the rules. I don't believe that city parks are the place for dogs. That's why there is a dog park in town or miles and miles of trails and sidewalks.	6/7/2016 11:21 AM
75	Leashed dogs that are controlled by their owners are no threat to anyone. Rarely, a dog will get away, but steep fines for this rare occurrence seems over the top. Dog owners are generally aware of their dogs temperament, and I've never experienced anyone losing control of their dog.	6/7/2016 10:35 AM
76	I am an avid bike rider. I have had numerous incidents where loose dogs or dogs on a leash have veered into my path causing me to brake suddenly or to hop off my bike. Dogs do not have "rights" to public spaces! Lakeside Park West already has a dog park, which is fine, but that space could be developed for people usage!	6/7/2016 9:56 AM
77	Would like to see some public education regarding dog safety behavior for the public - not letting kids run up and pet strange dogs, etc.	6/7/2016 8:57 AM
78	Please DO NOT open this can of worms. Counting on enforcement of restrictions NEVER works - an example...enforcement of the speed limit ANYWHERE.	6/7/2016 8:57 AM
79	Please let it be known who initiated this change.	6/7/2016 8:39 AM
80	If you give full access, we all know there will be people who let the dogs run. Not everyone likes dogs. Small children (who some park areas are created for) are often afraid of them. Having one charge up to them off leash can be traumatizing. There are also plenty of adults who are also intimidated, especially by larger dogs. We need to keep parks as places where people go to enjoy their free time. I certainly wouldn't want an invited guest at my next family barbeque at a park.	6/7/2016 8:13 AM
81	I am a dog lover but don't believe dogs should be allowed in parks because some owners do not respect and obey ordinances.	6/7/2016 7:42 AM
82	Dogs should not be allowed at any parks besides dog parks. It is nice to know the kids won't be bitten and you won't be stepping in crap in our beautiful parks.	6/7/2016 1:19 AM
83	There's no reason to start this - it's been fine without dogs in the parks. Some are not going to pick up after their dogs, and will give kids the urge to pet the dogs...some are not so "kid friendly". PLEASE....don't allow this. The dogs shouldn't be allowed downtown either during Festivals. It's cruel to bring a dog onto hot blacktop, panting, and smothered with people all around. Why do people feel the need to take their dogs there? Cruel....	6/6/2016 10:03 PM
84	Home owner. Retired. Prior dog owner for several years.	6/6/2016 9:39 PM
85	Although I do not own a dog, I have been to both dog parks with my visitors' dog and appreciate the need for designated, appropriate areas for dogs to run and play.	6/6/2016 8:45 PM
86	Thank you for the survey. We used to have a dog and loved her dearly but kept her close on leash when around others being respectful of their concerns. At the Saturday morning markets SOME people are not respectful of their dogs and they are approaching others who don't appreciate a dog bothering them. Just an observation. It may deter people from coming downtown on Saturday mornings.	6/6/2016 8:06 PM
87	keep the dogs in the dog park,that is what it is for TOOOOOOOOOO many people that are not good pet owners ,,don pick up the mess.	6/6/2016 8:03 PM
88	I like to walk in town on city streets as well as through the park. Go to lots of grandchildren's sporting events and see others who are not comfortable around pets.	6/6/2016 7:28 PM
89	Keep dogs out of our parks. Find ways to lower our extremely high taxes.	6/6/2016 6:33 PM
90	If you are going to allow dogs, the \$30 fee should be higher. Dogs should not be allowed on the docks in lakeside park.	6/6/2016 5:33 PM
91	Have police officers more strict with handling complaints. I think more fines should be given. Especially if the same owner has a history of complaints from others.	6/6/2016 3:51 PM
92	Mother of 2 young children who visit the park 3-4 times a week. My biggest concern is a child getting hurt and consequences not being strong enough. (I am unaware of current consequences)	6/6/2016 3:36 PM
93	All who vote to have dogs in parks should be held liable if a child is bitten or hurt.	6/6/2016 3:24 PM

2016 Dogs in City Parks Survey

94	I have owned several dogs over the years and trained them well, but would not impose my dogs on park visitors. I baby sit for my daughter's large dog 3 days a week. I don't care who has the dog, they are unpredictable in certain circumstances.	6/6/2016 1:12 PM
95	I have always been a dog owner until December 2014 when our dog died. I always wished I could walk her through Lakeside park. Also, did you know that most of the state of Florida allows leashed dogs in not only parks, but also public places including stores and restaurants - no problems there :)	6/6/2016 1:07 PM
96	I WAS A DOG OWNER YEARS AGO AND NEVER THOUGH TO WALK HER IN THE PARK.	6/6/2016 1:04 PM
97	It seems to make sense to start with a leashed option only. If dogs are not allowed in all areas, then along pathways would be a good place to start (with leashed dogs). We often miss out on the option to cut through a park, and enjoy their beauty, because we normally walk with our dog.	6/6/2016 12:48 PM
98	I love dogs but do not believe they should be in parks. I owned several dogs though out the years but believe that's where they belong at home with there family.	6/6/2016 12:29 PM
99	The city council should this subject some serious consideration by those enjoying the parks in it's current status. Once opened up to dogs, people will be bitten and dogs quarantined, not making the experience to the park enjoyable.	6/6/2016 12:24 PM
100	Dogs should not be allowed off leash anywhere in the city, even in their own yards unless fenced in!	6/6/2016 12:16 PM
101	The cops can't control the people in the parks, much less enforce dog rules	6/6/2016 12:03 PM
102	I have grandchildren living with me that use the parks frequently.	6/6/2016 11:50 AM
103	if dog owners are wanting more space, then turn over other property for this issue...why ruin fond du lacs pride and joy? dog owners already soil the city and dont seem to care about unenforceable rules, why allow them to break the rules elsewhere?	6/6/2016 11:46 AM
104	I am concerned about stepping in dog do. I've observed plenty of dog-walkers who allow their dog to poop on the terraces or even residential lawns and they do not pick it up.	6/6/2016 11:43 AM
105	I am a teacher and have lots of students who are afraid of dogs and one who just had a dog bite him as he was riding his bike. Please do NOT allow this!!!!	6/6/2016 11:29 AM
106	none	6/6/2016 11:24 AM
107	We did have a dog when our kids were young. We love animals and they are not the problem. The person that owns them are, just common sense would take care of this problem. But a few dog owners just can't read the signs and obey them. It is time to stop this behavior for the good of all.	6/6/2016 11:21 AM
108	Dogs, and other pets, do not belong in public parks.	6/6/2016 11:20 AM
109	I feel responsible dog owners should be allowed to use the parks. If there are those that are allowing their dogs to be nuisance by physically disturbing wildlife or other park goers, or destroying property or leaving a mess, they should be fined.	6/6/2016 11:15 AM
110	I am a boat owner and would like to be able to exercise my dog prior to and after a boat outing even on a leash if needed.	6/6/2016 11:04 AM
111	Park dept don't have time to clean up after dogs!	6/6/2016 11:02 AM
112	parks today, schoolgrounds tomorrow	6/6/2016 10:54 AM
113	Most dogs are very friendly and wouldn't appose a problem but there are a few breeds that really shouldn't be allowed in a park at all. Pit bull being one and a few others, owners are responsible for any bits (must have a home or renters policy) which carries personal liability and covers dogs.	6/6/2016 10:48 AM
114	Park users need not put up with dogs. Dog owners can find other ways to entertain their dogs (and themselves).	6/6/2016 10:44 AM
115	There are more than a few "bad apples" in this City, and more and more disrespect in general. I own a dog, but do not think it is a good idea to open the parks to dogs.	6/6/2016 10:42 AM
116	I also feel that the restriction of alcoholic beverages should also be looked at. To have a cook out at a park with family or group of friends, alcohol should be allowed as long as everyone is behaving.	6/6/2016 10:35 AM
117	I love dogs. I don't personally own one but have no issues with those who do. I think the city park policy should remain as is. We have dog parks already.	6/6/2016 10:33 AM
118	there should be a quota of the more "violent breeds" allowed in the city. (there are at least 4 "pitbull" on my block alone) 3rd street.	6/6/2016 10:21 AM
119	Thank you all who keep our parks beautiful?????????	6/6/2016 10:14 AM

2016 Dogs in City Parks Survey

120	Police the park now for people who are violating the current dog restriction in lake side park.	6/6/2016 10:12 AM
121	Concerned that dogs perceived as violent will deter families and children from Parks.	6/6/2016 10:10 AM
122	none	6/6/2016 10:10 AM
123	Currently do not use the city parks due to not being able to bring the dog. If we could bring a dog, we would use the parks regularly.	6/6/2016 9:45 AM
124	Problematic dogs need to be documented as such and should have a "new" style of tag for this purpose that other owners can clearly see, stay away from and report if necessary.	6/6/2016 9:39 AM
125	Will the City pay for damages if a dog attacks people in public parks? Or another dog? Who is liable? Too many risks to allow dogs in City parks where children and frail people enjoy going. NOT EVERYONE LOVES DOGS. Many people are frightened of them. They have their own park. Leave the City parks for people.	6/6/2016 9:39 AM
126	dog owners that take their dog out-on or off leash- need to clean up after them. I don't want them urinating on new flowers, shrubs , bushes etc. lets be responsible if you have a dog. take them to the dog parks .If off leash it is unenforceable even so it is difficult to identify and report to police.	6/6/2016 9:27 AM
127	Along with permitting dogs on leashes in parks, require dog owners to pick up after their dogs.	6/6/2016 8:46 AM
128	Rather than hefty fines for breaking rules first time permit could be pulled. I also feel small fines are appropriate for non threatening incidents. Larger fines should be for repeat offenders or problems w violent or dangerous situations. If one event wont cover annual costs i support an annual fundraising event rather than permit fees.	6/6/2016 8:36 AM
129	I may not live in FDL but NFDL has Village Parks and I live a block away. Most people are considerate dog owners but there are a few that are not. We even have people who do not live in the Village that drive out here and walk with their dogs, unleashed and they don't clean up after them.	6/6/2016 8:35 AM
130	I don't own a dog..but we are animal lovers and we have/had just about every other pet	6/6/2016 8:30 AM
131	Although I appreciate the bond between pet owners and their pets, I think it's unrealistic and unfair to expect others to be comfortable around unfamiliar dogs. I hope we can continue the current policy.	6/6/2016 8:27 AM
132	It makes me cringe when I see people use the retractable leashes and do not have direct control of their dog. It also irritates me to see the dogs brought to the Farmer's Market, where, a few years ago, it was published that dogs were not allowed. Some people do not attend events such as this due to allergies or traumatic memories. Please consider this in making your decision. And it would be great to have these situations aggressively enforced.	6/6/2016 8:25 AM
133	First of all, why change what has been successful. And do we expect our police officers to monitor the park for this. They have better things to do. Think about it.	6/6/2016 8:12 AM
134	Why were dogs / pets banned from parks to begin with? That would be helpful for residents to know up front. We address those reasons as well as current issues residents have now, then release the ban. Free the dogs!	6/6/2016 8:08 AM
135	I had dog for 13 years until last. I don't want the hassle for other people from my dog.	6/6/2016 7:59 AM
136	Just enforce what exists.	6/6/2016 7:53 AM
137	We live off of Hwy 151 and walk the paved trail frequently. We often see piles of dog poo on the trail. This is why I am not in favor of having dogs in the parks. Nothing against the dogs, we have a dog ourselves, it is the owners of the dogs who can not be responsible. If everyone could be respectful of the property then we wouldn't have an issue, unfortunately a few bad apples... I also don't want to have my children playing in the grass only to run through a pile of dog poo, they have enough obstacles trying to dodge the goose poo. ;)	6/6/2016 7:41 AM
138	I would love to be able to take my dog into the park right across the street from my house.	6/6/2016 7:21 AM
139	Living across the street from Lakeside Park East, people who walk their dogs on our side of the street let their dogs run all over our property to do their job and do not pick up after their dog(dogs). This is another reason I feel so strongly about this issue	6/6/2016 7:08 AM
140	Include after hours at schools like Evans, Sabish, FDL HS, Theisen, etc.	6/6/2016 6:49 AM
141	We have beautiful parks that are well maintained. Enough is happening in the parks without dogs being there. Too many people do not pick up after their dogs or follow the rules. Don't ruin the parks! Police have enough to do without policing the parks for dogs. This will not work.. Get real!	6/6/2016 6:44 AM
142	I hope this goes through and the dogs owners don't ruin it for themselves.	6/6/2016 6:39 AM
143	there are plenty of places dogs can go already without having them doo-doo and bark in the parks.	6/6/2016 6:02 AM
144	I think dog owners have enough space to run their dogs	6/6/2016 5:28 AM
145	I LIVE IN N. FONDY, BUT FEEL I QUALIFY TO JUDGE IN THIS.	6/6/2016 5:10 AM

2016 Dogs in City Parks Survey

146	Making sure there is a trash to dispose of the animal feces will help ensure people don't leave it on the ground. Providing justification and reasons behind a fee other than just to charge a fee for a privilege is important.	6/6/2016 2:30 AM
147	For most dog owners, their animals are an important part of their daily lives. Allowing their animals to be with them while enjoying the parks would be a positive thing for most people/animals. Owners need to understand their responsibility when their dogs are in public. Socialization and training are critical for good "dog citizens". The city might want to consider partnering with organizations to promote good "dog citizenship" through training opportunities for puppies and adult dogs. Owners can be educated on the rules for dogs in the City's parks, too. The FDL Kennel Club might be a great way to reach out. 15+ years ago the kennel club used to run group training sessions at the Cow Palace. Successful completion of a "Dog Citizen" class(es) could reduce annual permit fees for the owners.	6/6/2016 12:27 AM
148	Nothing says welcome to our community like this spiteful ordinance. One last time, shame on whomever is behind no dogs in parks in FdL. This survey was so horribly slanted anti dog, what is the point?	6/6/2016 12:20 AM
149	I lived in Fond du Lac for several years. I moved further to the country so my dog had more options to move about - on a leash. Had parks been open to dogs, I'd have stayed. I'm a responsible pet owner, clean up after my dog, keep them up to date on shots and keep my dog very socialized and friendly to others. There are so many people in FDL who are the same.	6/5/2016 10:48 PM
150	People come in contact with a variety of dogs in a variety of places, allowing them at the parks leashed is safer than walking down the street and having an off leashed dog defending its property meet you. As long as all dogs are kept leashed and controlled (no retractable leashes) it shouldn't matter if dogs are allowed in park area.	6/5/2016 10:20 PM
151	I use lakeside park trails and have had recent issues with dogs on long leashes or no leashes at all. Relaxing these restrictions will makes these issues worse. I pay taxes to use the parks animals do not.	6/5/2016 9:55 PM
152	Adding doggie pick up stations around the parks would help with clean up! Pet owners need to exercise there dogs, the dog park is not for every day and the freedom to walk them through the park would be nice!	6/5/2016 9:33 PM
153	There is a movement within pet communities where people with dogs who need space can wear a yellow caution sleeve on the leash. It visually reminds people to respect that animals space. It is not enough for dog owners to be responsible. Everyone has to be responsible around animals. Joggers, bicyclists, kids, everyone.	6/5/2016 9:19 PM
154	I am afraid of big dogs. I am happy dogs are not allowed in City Parks.	6/5/2016 8:53 PM
155	I do believe in voice command instead of leash. Very few dogs would be included in that. Maybe have a test for these dogs	6/5/2016 8:35 PM
156	None	6/5/2016 8:26 PM
157	N/A	6/5/2016 7:58 PM
158	if they allow dogs in the parks,, it will turn into a dog park, and families wont want to take their kids there... we have a beautiful park system in fdl, and i'd like to keep it that way. i have had dogs all my life and never felt the need to take them to a park.. not everyone wants to be bothered by a dog. dont open this pandora's box	6/5/2016 7:49 PM
159	Fine them now for all the running loose and chasing kids and attacking other dogs.	6/5/2016 7:45 PM
160	What about the yachts and large boats, these people already have the right to have their dogs in the Park. Is this fair?	6/5/2016 7:29 PM
161	Insane idea	6/5/2016 7:05 PM
162	Parks are for people not dogs.	6/5/2016 7:03 PM
163	Barking dogs outside of houses in residential areas are already a big pet peeve of mine. If I was outside shouting as loud as some dogs are barking, someone would call the cops and file a complaint. Why add this problem to parks too?	6/5/2016 7:00 PM
164	There are already dog parks and I do not feel dogs should be allowed in the other city parks. The bike paths already add congestion to the walking paths. Lakeside Park is a wonderful place to go for a walk and the added benefit of the fitness equipment is a bonus.	6/5/2016 6:58 PM
165	I have 2 well trained boxers, we take them on 3-4 mile walks every night. Most weekend they are off leash and are in the kettle moraine.	6/5/2016 6:43 PM
166	Thank you for considering this good move!	6/5/2016 6:43 PM
167	Parks are for people not dogs	6/5/2016 6:40 PM
168	I do not believe that dogs should be at the farmers market. I end up dodging leashes and dogs who want to sniff all for th love of an owner who thinks they are socializing their dog.	6/5/2016 6:23 PM
169	I am not a dog hater, I am a dog lover. I think that dogs should be exercised in dog parks and on sidewalks in town...not in the parks.	6/5/2016 5:46 PM

2016 Dogs in City Parks Survey

170	Lakeside Park is a Fond du Lac treasure. Don't mess it up by allowing dogs, leashed or unleashed, in the park. The geese make enough mess as it is.	6/5/2016 5:20 PM
171	Live on the southwest side of winnebago county but Work in Fond du lac. I walk the pond trail off of camelot on my breaks from work. People hardly ever clean up after their dogs there and you don't see me complaining.	6/5/2016 5:07 PM
172	It could be introduced as a one year test. Rules could be changed, tweeted as needed.	6/5/2016 4:05 PM
173	I feel that there are plenty of areas (trails, sidewalks, etc.) where people can walk their dogs, and there's no need for any more. I love that non pet owners can enjoy the peace and quiet in our parks.	6/5/2016 3:55 PM
174	Also keep dogs away from the Farmers Market	6/5/2016 3:53 PM
175	I don't think there should be a fine against unlicensed dogs but fully support the leash fine and poop fine	6/5/2016 3:21 PM
176	We often leave our community to picnic or spend time at the water. There are many dog friendly setting outside of Fond du Lac. Unfortunatley, that also means we are taking our business to other communities on most weekends during the summer.	6/5/2016 2:49 PM
177	I wish I knew more where all of this was coming from. Have there been incidents of dogs attacking children, the petting zoo pets, etc? I honestly have not even experienced crossing paths with that many dogs even on leashes, though I usually go to Lakeside Park. I kind of think things like keeping dogs away from exercise areas and such should be common sense and I'm not sure that people would know there were laws around particular restrictions.	6/5/2016 1:52 PM
178	I know I personally would visit more parks more often if I could bring my dog along with me for picnics or just walking.	6/5/2016 1:25 PM
179	Have owned and been around dogs all of my life. Various breeds and talents. I understand the time and commitment required to properly care for a dog. How to keep the dog happy, social and safe within their environment.	6/5/2016 1:09 PM
180	I would like local restaurants to consider dog friendly eating areas. I think dogs should be allowed in all areas of parks, but would like to see dog friendly areas (only) in restaurants. I am just excited to have had the opportunity to complete a survey on my thoughts regarding this topic and hope a positive change comes of the feedback you receive. Thank you	6/5/2016 1:00 PM
181	This is a bad idea, most owners that have dogs will most likely be responsible and follow all rules and restrictions. However, there WILL be those who will abuse this policy and not clean up or monitor their dogs; and the rest of us in the community will suffer for it. We already have two dog parks provided in the city as well as small rural parks not far from the city that do allow dogs....dog owners can simply comply with the rules and resources that are already available to them in the city and not be given the chance to damage our well maintained and beautiful parks.	6/5/2016 12:55 PM
182	I'm in favor of leashed dogs anywhere within any park and only off leash in designated dog parks or dog exercise areas (would need to be made) and all on a trial basis.	6/5/2016 12:54 PM
183	Not within One block of a park but within easy walking distance of lakeside park. Parks all over allow dogs on leashes without issues. The farmers market has lots of dogs coming along and there are no problems.	6/5/2016 12:40 PM
184	Please do not allow dogs in our city parks. We need to keep our parks clean of dog poop, free of barking, and safe from dog bites.	6/5/2016 12:00 PM
185	I Have owned dogs in the past and never felt the need to take them to a park.	6/5/2016 11:53 AM
186	Please consider this decision to allow dogs in city parks very seriously.	6/5/2016 11:39 AM
187	I have lived in Fond du lac for 61 years but have moved to North Fond du Lac, but Fond du lac is still considered home.	6/5/2016 11:26 AM
188	We love taking our dog to other cities in Wisconsin that allow dogs in the park. In Minnesota dogs are everywhere at the parks. People use the parks more because of this.	6/5/2016 11:20 AM
189	I think you would get a lot more usage and families in the park if you could bring your pet. You could even do programming specifically for pets. Adoption days, education, trainings, etc. Many cities already have this, but FDL, as usual, is behind the times.	6/5/2016 11:05 AM
190	it should be allowed or not allowed. don't make it difficult.	6/5/2016 10:51 AM
191	The idea is OK, but reality is different. Approximately 10% of the dog owners will continue to ruin it for everyone. I don't want to walk in dog poop at the park or (worse yet) get bit by a dog in which the owners have no control.	6/5/2016 10:32 AM
192	If dogs are going to be allowed into the parks, I did not see any information on how/who will monitor and enforce restrictions. Please do not expect the police department to take on this duty, they are busy enough with other priority calls.	6/5/2016 10:31 AM
193	Let's put people first in FdL!	6/5/2016 10:11 AM

2016 Dogs in City Parks Survey

194	Fines should be extreme and enforcement easier for violators of leash and excrement laws. Dog owners should be required to supply DNA sample at time of licensing to make prosecuting violators easier.	6/5/2016 10:07 AM
195	Why is the "Gender" question binary? Would it really hurt to add "Other"?	6/5/2016 9:55 AM
196	Dogs must be harnessed. Do not want to see dogs suffer on choke collars. If they need a choke collar they should not be at a park.	6/5/2016 9:46 AM
197	It is becoming increasingly common for dog owners to bring their dogs EVERYWHERE! I find it very annoying when people bring their dogs to crowded events and many of these people feel that they have a right to subject others to this forced contact with their animals. A prime example of this is farmers markets where all pets should be banned.	6/5/2016 9:46 AM
198	You give the term, "severe fine" but do not clarify. What does that mean?? \$100? \$1000? I think a stiff fine well published would deter irresponsible pet owners. I am not one of them, but they are out there.	6/5/2016 9:33 AM
199	\$30 permit fee is way too much. I would pay a \$10 annual permit fee, this should easily cover the administrative costs for the clerk's office and for the poop bags. City of Fond du Lac property taxes and water fees are outrageously high, not to mention all the fees for municipal services that should be provided from the property tax collections.	6/5/2016 9:29 AM
200	I won't even take my dog to a dog park because people are too lazy to pick up after their dogs. Disgusting. Go visit a dog park. See how much dog poop is around. Sit and watch how many people just look the other way when their dog is going their business. There are signs telling people to pick up after their dogs, but people don't do it. Lazy.	6/5/2016 9:26 AM
201	Question to consider; often in the past the City of FdL has surveyed what other City's policies are on subjects like this. What is the park policy related to dogs in Oshkosh, Appleton, Waupun, Sheboygan, Green Lake, etc?	6/5/2016 9:25 AM
202	People in this city need to stop being so uptight about everything. Having my dog, leashed in public shouldn't be an issue. Like I said, I've seen kids who are much worse than my dog and they can run around being little nightmares free of charge.	6/5/2016 9:17 AM
203	Put up sites where the dog owner can get waste bags and also dispose of it.	6/5/2016 8:55 AM
204	People don't pick up after themselves.. They will ruin the parks that families enjoy.	6/5/2016 8:52 AM
205	It is nice to go to the park and not worry about dogs getting off lease, (which they do) getting away from an owner, (which they do) and scaring the park animals by barking and running around by them (which they do). NO dogs in the park please.	6/5/2016 8:44 AM
206	If this is allowed, pit some excessively high fines in place for breaking the rules to help keep the dogs under control.	6/5/2016 7:28 AM
207	Fine should be issued for pet owners that just plain refuse to pick up after dogs ANYWHERE, not just parks.	6/5/2016 7:19 AM
208	Many other cities have taken the initiative to allow dogs in city parks. I'm excited to see fond du lac following suit. Way to be a leader. Sincere thank you	6/5/2016 6:50 AM
209	"Severe fine" is a relative term. Something over \$100 would be excessive.	6/5/2016 2:26 AM
210	Lousy idea all around	6/4/2016 11:33 PM
211	Allow dogs in all parkis leased....must pick up or fine. Be a pet friendly city	6/4/2016 11:24 PM
212	In favor of dogs in parks, on leashes with potential to have off leash area fenced in. Consider erecting disposable waste bags in different areas to facilitate clean up. Do more than just allow it, welcome and encourage it.	6/4/2016 10:57 PM
213	I take my grand twins to the park after school and they are scared of dogs so we would lose that pleasure if this happens. Parks are for people not dogs.	6/4/2016 10:37 PM
214	Should not need to carry concealed to protect my kids from dogs at Lakeside Park.	6/4/2016 10:34 PM
215	Please include residents that live outside of Fond du lac and Fond du lac county on the permits if this goes thru.	6/4/2016 10:12 PM
216	I got bit by a dog once and I do not want them by me and my mom said to do the survey.	6/4/2016 10:10 PM
217	People do need to be responsible for cleaning up after their dogs...with the fee, you could institute a "poop patrol".	6/4/2016 10:09 PM
218	We have enough problems in Fond du Lac without this one	6/4/2016 10:06 PM
219	How the heck can you enforce those restrictions?	6/4/2016 9:12 PM
220	This is idiotic when the the city has big problems to fix	6/4/2016 8:49 PM
221	I walk frequently through Lakeside Park. I love dogs, but don't feel that they need to be walked there. Let the other wildlife that is there be undisturbed.	6/4/2016 8:42 PM
222	I would love to take my dogs for a walk in the park!	6/4/2016 8:33 PM

2016 Dogs in City Parks Survey

223	I live within 4 blocks of a city park, and I would take my dog on his leash for a walk there if I could. Especially if it means that I could spend time watching my kids play, and the dog is with us.	6/4/2016 8:29 PM
224	Let's not go all crazy here and then need to retract to fix things when they go too far, like is usually the case.	6/4/2016 8:19 PM
225	There are dog parks for dogs. Not everyone likes dogs. Often young children get anxious by dogs they don't know. If walking through the park and a dog were there I would go a different way. I shouldn't have to though.	6/4/2016 1:09 PM
226	In my experience it's the dog owner, not the dog that can be the problem.	6/4/2016 10:39 AM
227	I was attacked by a dog about 11 years ago in lakeside park. the dog was on a leash and the man was drunk..i had to go to ER to be checked..2 policeman came to my rescue..officer olson and sabel...went to court for this and the dog was put down.	6/4/2016 7:58 AM
228	I have 173 feet that borders Buttermilk creek park. Irresponsible pet owners bring their pets into the park causing my dogs & my neighbors dogs to bark constantly. I don't think it is fair to those who live near parks!	6/3/2016 8:19 PM
229	I value human safety over any pet at any time. If dog rights take over my city parks, I will be very upset.	6/3/2016 7:55 PM
230	I can see lakeside park from my house. It would be nice to go on one walk with my dogs and my kids! Now I have to take two, one for my dog another for my kids. Sometimes there is not enough time in the day.	6/3/2016 5:18 PM
231	We visit Lakeside park several times per week, all year long.	6/3/2016 5:10 PM
232	Living in the city it is a shame I have to travel to town parks in the area to walk my dog on a leash. I think it also offends visitors that travel through our city and can't stop to enjoy our parks because they would have to leave their dog in a hot car.	6/3/2016 4:59 PM
233	I see dogs at the Farmer's Market all the time for several years and there doesn't seem to be a problem. They are leashed and picked up after. I'm too busy shopping to bring mine. How is that working and can those statistics be brought into dogs being in parks if there are any?	6/3/2016 4:37 PM
234	I think all animals must be leashed to be in parks no matter how well behaved or trained an animal is in an open environment they pose to big of a risk. I have a little purse dog that I love to take everywhere but she is always firmly held in my arms or on a leash. She is an animal!	6/3/2016 4:33 PM
235	Simple Definition of park : a piece of public land in or near a city that is kept free of houses and other buildings and can be used for pleasure and exercise : a large area of public land kept in its natural state to protect plants and animals sports : a field or stadium where a sport (especially baseball) is played http://www.merriam-webster.com/dictionary/park It doesn't say anything about dogs...	6/3/2016 4:14 PM
236	Make rules rare and easy to follow; it makes life much more enjoyable for everyone.	6/3/2016 3:29 PM
