

The City of Fond du Lac GIS Data Distribution Policy

The City of Fond du Lac provides the following standard digital data products.

Data Formats

The City of Fond du Lac GIS and geospatial data provides data in the format in which it is natively stored, such as ESRI shp/gdb and Autodesk dwg. All datasets may not be available in every format. Unless otherwise noted all data is stored in Fond du Lac County, WISCRS (Wisconsin Coordinate Reference System). Any requests for the modification and/conversion of data maintained by the City of Fond du Lac will be evaluated on a case by case basis

Fee Structure

Digital Data

No Charge	Data which can be sent in a single e-mail without any modification or conversion. Limit of 4 annual requests. <i>Approximately 7MB or less</i>
\$75	Data which can be stored on up to two disks (CD or DVD) <i>Approximately 8GB or less</i>
\$200	Data between 8 and 100GB will be delivered on an external hard drive which does not need to be returned.

Custom Data Requests

\$40/hour	Custom digital data requests are charged the base delivery fee listed above, excluding e-mail delivery, plus this hourly rate. Custom map requests are charged this hourly rate plus the hard copy fee listed below. The City of Fond du Lac reserves the right to deny such request. <i>Minimum one hour</i>
-----------	--

Hard Copy Documents

\$.25	Letter size
\$.50	Letter size non-line/text prints (i.e. photos)
\$.35	Legal size
\$.70	Legal size non-line/text prints (i.e. photos)
\$.50	Ledger size
\$1.00	Ledger size non-line/text prints (i.e. photos)
\$.50/sq.ft.	Large format black and white prints
\$1.00/sq.ft.	Large format color line prints
\$2.00/sq.ft.	Large format color non-line/text prints (i.e. photos)

DVD/CDs can be picked up during normal business hours or shipped via standard USPS. Shipping by this method is included in the price. Fees are automatically waived, excluding hard drive cost, for federal, state, regional, and local governments as well as educational institutions. Requests must come directly from the government or educational institution. The City of Fond du Lac reserves the right to waive fees for other entities at the discretion of the Department/Division manager as part of a trade or other arrangement.

Use Restriction

The City of Fond du Lac authored or produced data and information which has no explicit privacy or distribution restrictions are considered to be in the public domain. We strongly recommend that City of Fond du Lac data be acquired directly from the City of Fond du Lac and not through other sources that may change the data in some way. When using data and information from the City of Fond du Lac we ask that proper credit be given. Credit can be provided by including a citation such as the following.
