(Cell Phone Transmission Towers & Antennas)

General Requirements (720-18)

This section of the zoning code provides general requirements for cell phone transmission towers and antennas. The regulations reflect State requirements for permit review and approval for collocation. The application and filing instructions for a MOBILE SERVICE ZONING PERMIT for collocation is available in a fillable pdf document on the Planning & Zoning page of the City's website.

Special Use Permit Requirements (720-72)

All new towers require approval of a special use permit. The regulations of this section of the zoning code specify the process for review and approval. The application for a SPECIAL USE PERMIT is available in a fillable pdf document on the Planning & Zoning page of the City's website.
