02-20-118383 QUICFREZ – LGU SL

105 Oak Place, Fond du Lac, WI

Start: 02/13/1997

OPEN SITE

Site History: First developed in 1884. Several former industrial/commercial uses, formerly occupied by furniture manufacturing company, Sanitary Refrigerator Company (paint booths), Quic Frez (paint booths/solvents), Kiekhaefer Mercury Sign factory/warehouse (paint booth), Mercury Marine Corp, Hayward Tires and a paint and body shop.

Contaminants: Chlorinated solvents (TCE) and other volatile organic compounds (VOCs)

Current site status: Open site, most recent report is a Superfund Site Reassessment report submitted in June 2021. Site has undergone in-situ electrokinetic (Lasagna™) remediation, but residual CVOC concentrations remain high (TCE at 69,000 ug/L in shallow source area well MW-4R). Plume does not appear to be expanding and does not appear to pose a significant subsurface intrusion threat to nearby neighborhoods. Remedial system was decommissioned in 2009. Chain link fence surrounds 3,000-square yard remediation area on the north-central portion of the site.

Depth to groundwater: 4-13 feet bgs in shallow wells, 48 feet bgs in piezometer well

Flow direction: west/northwest

Conclusion: A large amount of contaminated surface soil was removed to a depth of four feet bgs by USEPA in 2002 during a time-critical removal action, reducing the direct contact threat at the site. Residual VOC contamination remains at greater depths and remains a potential source of vapors if construction were to occur over the source area. If soils were to be removed from outside of the excavation area or deeper than four feet bgs, they would require screening and approved management. If any subsurface excavation were to occur, it appears that relatively shallow groundwater could be encountered in the area which would require management.

FIGURE 3. Monitoring Well Sampling Locations - Quic Frez Site

02-20-550715 RUEPING LEATHER – LOTS 2&5 - LGU

93 Doty St (Lots 2 & 5), Fond du Lac, WI

Start: 3/14/1990

Closed: 9/8/2011

Site History: Former Rueping Leather leather tanning facility from 1854 to 1985. Closed in 1985 due to bankruptcy.

Contaminants: Low-level concentrations of VOCs, SVOCs and metals. Contaminants exceeding the RCL included arsenic, lead and benzo(g,h,i)perylene. Contaminants in groundwater exceeding ESs included arsenic and chromium. Naphthalene detected above the PAL.

Current site status: Most recent document in the BRRTS file is a WDNR letter for conditional grant of exemption for development of a property where solid waste was disposed. Report indicates that the southern portion of the site (Lot 2) is capped with clay ranging from 6 to 11 feet thick. Northeastern portion of the site (Lot 5) covered with 2 to 4 feet of clay. Clay cap overlays 1 to 2 feet of gravelly

sand/building debris. Other buried wastes include trees, brush, animal hides and fill soils of unknown origin. Estimated 12,638 CY of waste materials removed as part of development of site into stormwater pond. Excavated wastes hauled to landfill for disposal.

Not a lot of information in the BRRTS file for this site, would need to contact WDNR for more information/maps of sampling locations. It is not clear if land use restrictions are in place (i.e. land use limited to industrial, etc.); additional information would need to be requested from WDNR.

Conclusion: Based on the closed status of the leak site and previous exemption granted by WDNR, development at this site appears to be the most feasible. A Post-Closure Modification with fees for WDNR review would be recommended. Depending on what work was planned at the site, landfill soil screening/disposal may be necessary. Depth to groundwater was not noted in the report available on BRRTS, but it is possible that groundwater management may be required if encountered during excavation activities.

02-20-001303 W P & L COAL GAS SITE MGP

270 W Johnson Street, Fond du Lac, WI (address changed to 184 Setterlee Street in 2001)

Start: 4/23/1991

OPEN SITE

Site History: Manufactured gas plant (MGP) from mid-1800s through 1950s. Dog park operated by City of Fond Du Lac has occupied eastern portion of site since 2008 and remaining portion is fenced active phytoremediation area.

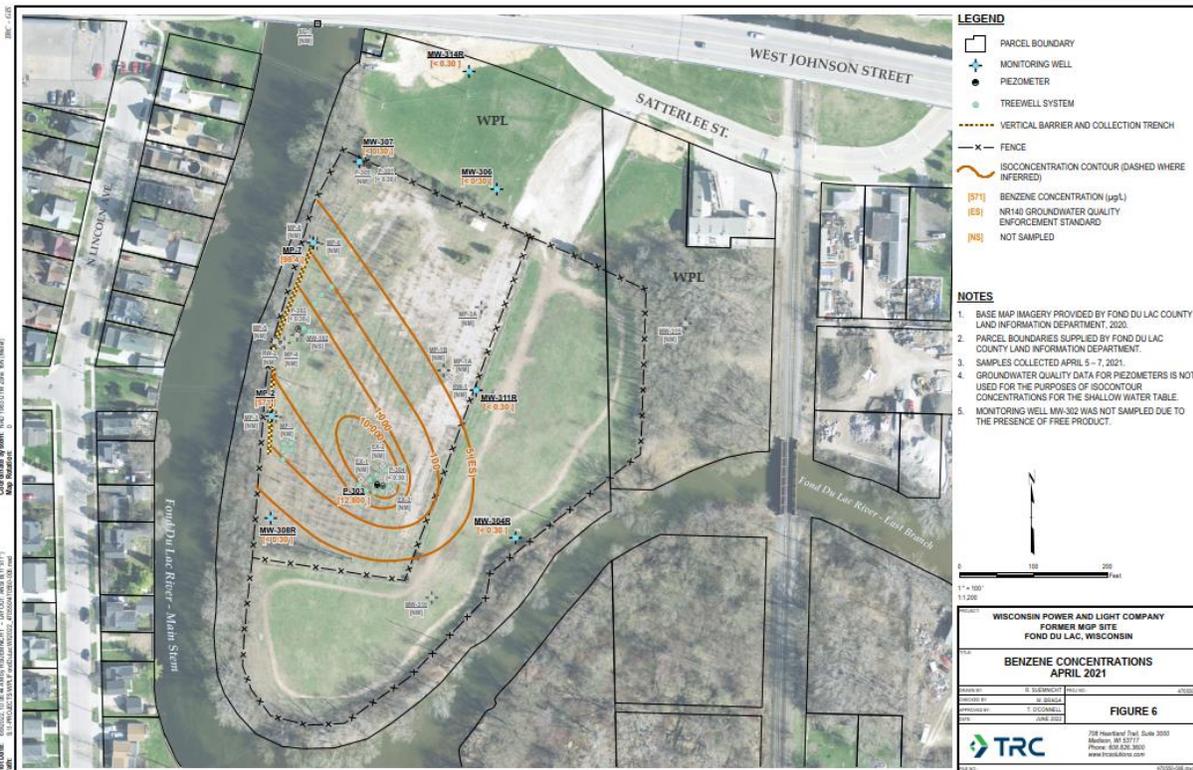

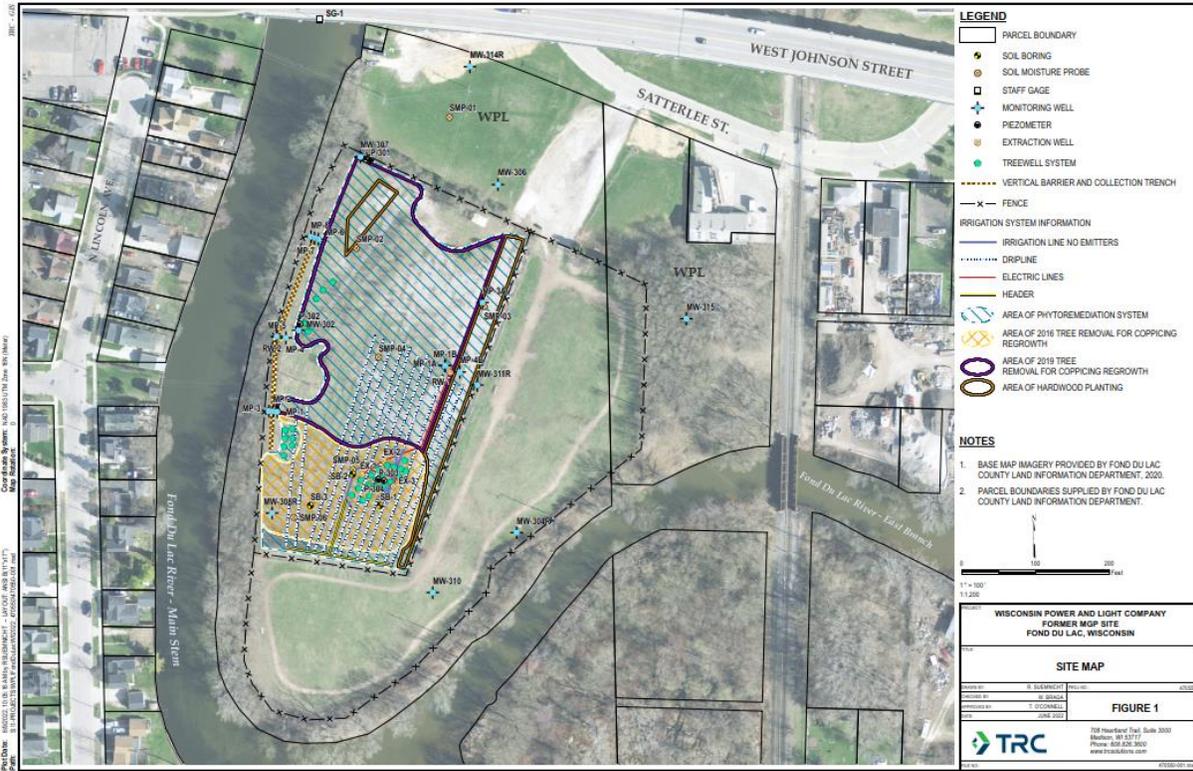

Contaminants: NAPL (including LNAPL and DNAPL) present in the area of MW-302. BTEX routinely exceed ES in samples from P-303, MP-2 and MP-7. Layer of coal tar 2 to 4 feet bgs at the site.

Current site status: Site currently undergoing active remedial groundwater activities including a Groundwater Extraction and Phytoremediation Irrigation System (GEPIS). The system has three extraction wells to 15 feet bgs. Water pumped from wells is filtered and distributed to approximately 2,100 feet of drip line irrigation tubing over a one-acre area of land. Irrigation lines buried 12 to 18" bgs. Max. of 400,000 gallons of groundwater drip-irrigated during growing season annually (6-7 months). Approx. 336,592 gals irrigated in 2021. Vertical barrier/collection trench also installed along western portion of site along Fond du Lac River.

Depth to groundwater: ~3-7 feet bgs

Flow direction: northwest

Conclusion: Based on the active remediation (including groundwater extraction/drip line irrigation) currently taking place at this site, development for a majority of the property would be restricted. The majority of the site is currently fenced off to prevent public access as the site is remediated.

APPENDIX 2

COMMUNITY ENGAGEMENT

July 28, 2022 PIM Activity Responses (FDL Riverfront Plan)

Activity #1: Character Imagery Voting w/Dots

<u>Amenity</u>	<u>Votes</u>
River Kayak Launch	4
Shaded Picnic Area	14
Riverfront Trail Seating Area	13
River Overlook & Fishing Area	10
Informal Ampitheater	8
Playground Area	3
Farmer's Market Pavilion	19
ADA River Kayak Launch	13
Riverfront Café Seating	27
Mural Retaining Wall	8

Riverfront Park Lit Overlook	13
Riverfront Café Dining	28
Natural Retaining Wall	3
River Stone Fishing Access	7

Activity #2: Strengths & Weaknesses Sticky Notes

<u>Strengths:</u>	<u># if Multiple</u>
Story walk @ Hamilton Park	
Existing walking & biking path	6
The city has been more intentional about bringing events to the area	2
Light traffic along existing path (both foot & car)	3
Natural beauty	
Dog park	2
Open to many possibilities--lots of potential	5
Hamilton Park looks very inviting & has lots of open green space	2
Farmer & night markets	2
Easy access & close proximity to downtown amenities/parks	4

Potential partners to support spaces	
Downtown growth--people <i>want</i> to gather/shop/eat downtown	5
The city is doing a great job of keeping the area looking nice (well-kept)	2
Open space with lots of sunlight	
Lots of beautiful bridges--we should celebrate them more	2
Lots of things to do here already	
Good fishing spots	
Water feature	
Hamilton Park is already beautiful, but has potential to be better	2
<u>Weaknesses:</u>	<u># if Multiple</u>
River is dirty/ugly/low	10
Retaining walls on river are ugly	
Lack of seating	3
Flooding	9
Existing paths don't seem to lead to any destinations	
Lacking in activities/amenities	3
Safety concerns--area is not inviting and does not feel safe	3
Negative perceptions of the area	
Poor lighting at night	
Underutilized/wasted space--no purpose/reason for people to come here	4
There is no microbrewery along the river	2
Public may not want to support projects after Lakeside Park controversy	
Access to the river lacking--no steps down to water, fishing spots, kayak launch	3
Space is limited downtown due to Macy Street & existing buildings	2
People don't know that amenities already exist here	3
Target area too small--should extend down to 9th St.	
No free parking	3
Surrounding bridges & buildings are not appealing/ruin the riverfront aesthetic	5
Lack of cafes/places to get food/drinks that aren't bars or restaurants	
None of the people in city leadership actually live in Fond du Lac	
Litter	2
Area often looks "dead" due to not ever being busy--not inviting	2
No picnic tables at Hamilton Park	
The area is "hidden"	
No amenities that don't already exist in a different part of town	
New plans may negatively affect residential streets nearby	
Hamilton Park is lacking restrooms & connection to downtown	
Poor place to live	
No water fountains	
Forest Ave needs to be cleaned up	
No access to businesses near the river in the winter for ATV riders	

FDL Intercept Interviews - 6.27.2022

What brought you to the downtown riverfront area today?	What do you like most about the downtown riverfront area? What are your favorite activities and/or amenities?	What would you change about the downtown riverfront area? (e.g.: shoreline, shelter, recreational amenities, etc.)	How many times a year do you visit this area? During which season(s) do you visit this area the most?	What other public places and activities draw you to this area?	Do you feel that this area is a safe and welcoming space for everyone? Why or why not?	Is there anything else that you would like to add?	What is your age?	Do you identify as a person with a disability?
Catching the bus	Nothing stands out to them	Nothing	Once a week during all seasons	Sometimes goes to Main St	Feels safe in park because it is close to home.	n/a	67	Y
Taking the dog for a walk	Grew up in the area so this place feels like home. Goes to stores down Main Street.	Need to bring some life into the park. Likes the artwork/murals downtown and would like to see some in the riverfront such as on the concrete sea walls. Add biking trails.	Visits once a week close to the whole year.	Not a whole lot. Main Street.	Feels safe because it's close to home.	n/a	45	N
Walking along the water front	Nice to get breeze off of the river. Mostly uses space for walks.	No changes needed	Visits a couple times a week during the summer.	No other public places visited	Generally feels pretty safe. Fond Du Lac is a safe place, not too much crime.	n/a	66	N
Enjoying the view. Meeting with friends.	Enjoys the calm environment. Likes to relax with friends in the park.	Would like to see less violence and noise in the park. Some type of security system needs to be developed. Sometimes there are gun shots in the park. Also, would like to see the river get cleaned up.	Comes to park every couple of months mostly during the summer	Farmers Market, food trucks	It is 50/50. If there is lots of people in the park then he doesn't feel safe. There are lots of fights when there are large groups.	Make this area safer. Violence is getting worse. People deserve to enjoy this area.	15	N
Lives next store to park.	Good place to relax. Activities include walking the dog, sitting on the bench or heading to the bus.	Slanted riverwalk needs to be fixed. Many people have fallen into the water. Fence could be installed to prevent people from falling in.	Pretty much everyday	Kwi Trip, Farmers Market, Fondy Fest	Safe for the most part. Can be loud at night with people staying there after dark with alcohol and loud music.	Safety along river is a top concern.	59	Y

	Meeting with friends.	Hamilton Park is the best part. Enjoys playing basketball.	Sidewalks need to be fixed. Too many bumps and cracks.	Pretty much everyday	Not really.	Mostly safe because home is close by	n/a		14 N

General Observations

I walked to Hamilton Park and sat on a bench near the playground from 6:40 PM-7:20 PM. Most users of Hamilton Park during the time I was there appeared to be part of a group of unsupervised children from the neighborhood directly adjacent to the park. Although there were a few kids (4) that stayed to play at the park, most used the sidewalk path within the park to walk back and forth between their neighborhood and the next street over.

Due to the park's main path connecting two streets, most people using the park during the time I was there did not use any amenities or stay in the park, they just used the path as a shortcut to get to another street. Honestly, I felt as though Hamilton Park is hidden from the rest of downtown and doesn't really feel like it's part of the downtown/riverfront area, as it is in an awkward location and felt quite deserted while I was there besides the people using it as a through street. The park has many nice amenities: a war memorial, newer playground, benches, open green space, and a paved path, yet people still don't seem to be using them often.

The last group of adults who were passing through the park before I left stopped to talk to me, curious about what I was doing. They made a few comments regarding the current state of the park: they expressed concerns that seedy adults and unwelcoming children tend to hang out in the park often, making it unsafe for their children to use the park unsupervised and awkward to use the park in general. Additionally, they said that there is poor lighting in the park, so using it after dark is unsafe. They also expressed that the neighborhood adjacent to the park is known as the "bad" part of town, giving the park a negative reputation, therefore deterring a lot of people from coming to the park.

The biggest takeaway from my observations is that Hamilton Park is a great, beautiful space, but severely underutilized. People don't see a "purpose" to Hamilton Park, they only see this park as a transition space between streets or as an unsafe neighborhood park, yet the park has so much potential to be a downtown destination park.

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	November 3, 2022
Meeting Organizer:		Time:	11:00am-12:00 pm
Meeting Purpose:	Stakeholder Meetings		

Attendees:

JJ Raflik, Executive Director, CEO of YMCA
Dan Williams: MSA, Senior Landscape Architect, Project Manager
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. Worked with Fond du Lac Family YMCA 20 years
 - b. CEO for 4 years
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. No
3. How long have you lived/worked in the area?
 - i. 20 years for YMCA
4. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Background: YMCA has been located here since 1963, east side of facility is on the river
 - i. 2010, re-opened renovated facility with Boys and Girls Club
 - ii. B&G Club does after-school programming
 - iii. Vision for making downtown place to serve more people
5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. Flooding:
 - i. 2008 Flood
 - ii. 2019 River thaw dammed ice at bridges and Roof drains flooded building due to not being able to drain out.
 1. How can upgrades to river help flooding as a City.
 - iii. Problem should be taken care of at this point at YMCA (flooding issue solved)
6. What are you most wanting to see improve?
 - a. Downtown has made strides since 2010. Revitalization is reason the YMCA stayed downtown.
 - b. Ways to bring people downtown and make walkable and bikeable. Giving a reason to come downtown. **“Creating a place”**

7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. Currently pretty poor experience. Added bike trail was a good addition but cosmetically it is rough.
 - b. Aesthetics:
 - i. Rundown river walls
 - ii. Trails, buildings, river water, overgrown trees
 - iii. Would like to see a concert venue
 - c. Upgrade the riverfront to a destination will bring people who will come to the riverfront and promote usage.
 - d. Add café, amphitheater etc. to add to the experience.
8. Which street would you expect most pedestrians to use to get from downtown to the Riverfront Trail or Hamilton Park?
9. What enhancements can be made to Hamilton park to promote the use of the Riverfront Trail?
 - a. Appreciates what has been done recently with all the upgrades.
 - i. Existing huge green space
 - ii. New playground and good upkeep
 - iii. Y helps with the community garden
 - b. YMCA and Boys and Girls club both utilize the space with their programs
 - c. The more we can bring to the park the more opportunity it has to succeed
 - i. Hamilton Park enhancement – closed shelter...for picnics and events, family destinations
 - ii. Pickle ball courts...not enough space for them in the City
10. What condition is the Quic Frez Park area? And how do people use the site?
 - a. Didn't know the space was there
 - b. spot for music venue, amphitheater, park space
11. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. visually the poor condition of the shoreline protection.
 - b. Add seating and benches.
 - c. Outdoor seating for any cafes or shops?
12. How do you perceive existing wayfinding and downtown branding – is it enough?
 - a. Wayfinding has improved over the last few years.
 - i. downtown fond du Lac partnership
 - b. Events:
 - i. Farmers Market has grow last 5-6 years
 1. Current marking is focused on Main St/downtown. Not so much for the river. Enhance marketing river with future improvements
 2. As the river improves, the marketing of the river can improve
 - ii. Night Market
 - iii. Thema Center of Arts
 - iv. Thursday night concerts
13. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 - a. The number of business coming back in the last 10-12 years.

- b. Growth is good downtown so the Riverwalk is an enhancement not needed as an enticement to bet businesses downtown.
 - c. Opportunity for: Local brewery downtown, more cafes, shops, art etc...
14. What is your opinion on parking availability and accessibility within the river corridor?
- a. Parking is terrible
 - i. YMCA parking is used for Riverwalk
 - ii. Difficult currently downtown.
15. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
- a. Safe environment.
 - b. Hamilton Park has a stigma and the lower-income surrounding area but it is a great park.
 - c. Lighting – people don't use the trail when it's dark, lighting could help
16. What do you think about the water quality?
- a. Getting down to river – kayak/canoe opportunities. Some people fish...not sure due to water quality.
 - b. Terrible – dirty, dark, grungy, garbage floating
17. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
- a. No strong opinion, cosmetically synergy for the length of the riverfront
18. Discussion
- a. Timeline, money, budget?
 - i. Concepts in Jan with public meeting in Feb/March
 - ii. Masterplan in May/June with Cost Estimates for City to Fund and Apply for grants
 - iii. Mid/end of Summer 2023 City will be looking for Partners
 - b. Biggest fear:
 - i. Fond du Lac is resistant to change
 - ii. Lakeside part enhancements “civil war”
 - iii. You need this improvement for quality of life

Prepared By: Emma Wenman

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	November 4, 2022
Meeting Organizer:		Time:	10:00am-11:00 am
Meeting Purpose:	Stakeholder Meetings		

Attendees:

Dan, Boys and Girls Club of Fond du Lac
Dan Williams: MSA, Senior Landscape Architect, Project Manager
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. Dan from the Boys and Girls Club - Front door faces the river, directly across from city office building
 - i. Is interested in aesthetic and function side, currently sees the river as an eye sore
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. No
3. How long have you lived/worked in the area?
 - a. Born and raised in Fond du Lac (40 years)
 - b. Been with B&G for 18 years, 12 years at this location (when they joined with the YMCA)
4. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Dan is “a realist”, but wants to see the community thrive and grow as it has in the last decade, the river corridor can be a way to do this
 - b. Areas of poverty align with this river – what neighborhoods are we affecting/moving into
 - c. COVID made businesses create more outdoor space
 - i. Continuing this: art, restaurants, music
 1. “we are a food-driven society”
 2. Division to Forest Ave Block – most potential on either side of the river
 - a. Triangle green space, between parking garage and river
 - b. Hamilton Park
 - d. People want more outdoor spaces and entertainment.
 - i. Gatherings.
 - ii. Food connections.
 1. Good food at a cool space... Fat Joe’s rooftop is packed all the time.
 - iii. Division St best location for development

5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. Aesthetics!!
 - i. It's ugly, water quality
 1. If the city is going to invest around the river, they have to make it attractive
 2. Would like to see wildlife
 - ii. Making the river an asset even during inclement weather
 - iii. Currently a different shoreline treatment every block
 - b. Flooding – the river is only a topic of conversation when it's causing an issue
6. What are you most wanting to see improve?
 - a. Opportunities for entertainment venue, all weather structure
 - i. Hamilton Park or across the street
 - ii. Amphitheatre type venue could hold 100-250, 4-season shelter ~ 300
 - iii. Eat, Drink, Be Entertained
 - iv. There is only one place you can hold 300 person event in Fond du Lac (not downtown – The Radisson)
 1. Something like this would be rented out weekly
 2. Indoor/outdoor
 - v. People would rather have a place to gather than walk-through
7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. Pretty good
 - i. walking path helps reduce pedestrian interaction with traffic
 - ii. It's not a destination walk – but functional
 1. Lakeside park is a destination
8. Which street would you expect most pedestrians to use to get from downtown to the Riverfront Trail or Hamilton Park?
9. What enhancements can be made to Hamilton park to promote the use of the Riverfront Trail?
 - a. Hamilton park was original home of B&G club
 - b. Hamilton Park is located next to the most high-crime neighborhood on the city
 - i. City would have to do work to improve the neighborhood to help
 - ii. Basketball games get rough/noisy, fights
 - iii. Creepy people hang out there
 - iv. Park is almost a blank canvas
10. What condition is the Quic Frez Park area? And how do people use the site?
 - a. Didn't know of the space
 - b. The neighborhood around there are very rough/dangerous, especially near sports field
 - c. Sex offender residences??
 - d. Make access from north and west for safer users.
11. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. Places to gather/rest
 - i. Community history
 - ii. Art
 - iii. Venue

12. How do you perceive existing wayfinding and downtown branding – is it enough?
 - a. Good wayfinding
 - i. Envision Greater Fond du Lac, Downtown Fond du Lac
 - ii. Aesthetic Improvements – Murals
 - b. Along the riverfront it could improve for visitors
 - c. Restaurant development has created more options at Macy Street, not further west
13. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 - a. Division Street Corridor
 - i. Cellar District, 18 hands, Fat Joe’s Rooftop
 - b. Everything ends at Macy/Main Streets
 - c. Corner of forest and Macy – green space potential
 - d. Driefest Moving Company – potential for redevelopment as entertainment space
14. What is your opinion on parking availability and accessibility within the river corridor?
 - a. Parking on second street is free (YMCA pays for that)
 - b. On weekends
 - i. Post office Parking lot
 - ii. City/Government Lots
 - iii. YMCA/B&G Club Lot
 - c. Parking ramp
 - d. Parking not an issue to Dan, most business have small lots. Parking away a block or two is the furthest you’d have to walk
 - e. Considers parking availability a non-issue, even during events
15. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
 - a. East side – Riverwalk
 - i. Creates natural separation from lower-income neighborhoods
 - ii. Field Area – crap shoot in terms of safety, especially in the evenings/dark
 - b. West side north and east on south end are not as safe
 - c. Lighting
 - i. Not on the trail at not, Block of B&G is well-lit
 1. parking lots are well lit and spills over
 - ii. Not sure on Division/Forest block
 - iii. Has not heard anyone say “if it was well-lit I’d use it more”
 - iv. Most people would walk on Main
16. What do you think about the water quality?
 - a. 1/10 stars
 - b. Kayak launch is a possibility – but not sure why people want to kayak in the river
17. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
 - a. Shoreline treatments are non-consistent, containment needs to be improved
 - b. Combination
 - i. Balance is key
 - ii. Keeping some natural area
 - iii. Capitalize on existing assets
 - iv. It can look man-made
18. Discussion

- a. Is there an identified timeline?
 - i. Masterplan through next summer
 - ii. City to start determining phasing/construction and funding
- b. Do you think the city would reach out to the Y and B&G to change our shoreline?
 - i. Yes
 - ii. If there's a need want/ B&G club would be on board
 - 1. Outdoor classroom on the river front. Can they develop their parcel?

Prepared By: Emma Wenman

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	December 9th, 2022
Meeting Organizer:		Time:	1:00pm-2:00pm
Meeting Purpose:	Stakeholder Meetings		

Attendees:

Alicia Hans, Plan Commission Member
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. Alicia Hans, Plan Commission member, former City Council person that authorized funding for plan; Young Professional, mental health advocate; community advocate
 - b. Lives downtown, owns business in North Fond du Lac
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. No
3. How long have you lived/worked in the area?
 - a. 5.5 years
4. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Optimistic for growth and development
 - b. Putting Fond du lac into a category of attractiveness to visitors, economic/tourist opportunity
 - c. Maybe traffic and parking concerns, pedestrian access
5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. Not very accessible to pedestrians, better crossings and designated paths
6. What are you most wanting to see improve?
 - a. Water quality/flooding – if the river isn't pretty no one wants to be there
7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. 3/10 except part that's connected with loop
 - b. Not well-lit
8. What enhancements can be made to Hamilton Park to promote the use of the Riverfront Trail?
 - a. It's a nice little park, issue with nighttime stigma – homeless population, others hanging around, "doesn't feel safe"
 - b. Aesthetics, lighting
 - c. Shelter and restrooms – needs to be well-kept

- d. Access to the water, kayak/canoe launch, waterfront, restaurant, kiosk, food truck area
- 9. What condition is the Quic Frez Park area? And how do people use the site?
 - a. How could you see the site being used: Green space, improving lighting and surrounding infrastructure
- 10. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. Condition of the river itself is off-putting, not great to look at, not clean
 - i. People don't want to sit there
 - ii. Focus on water quality, flooding
- 11. How do you perceive existing wayfinding and downtown branding – is it enough?
 - a. No wayfinding at the riverfront, could be an asset if it looks nice
 - b. Placemaking !!
 - i. Make the river look nice
 - ii. Direct people to the river
 - 1. Provide parking
- 12. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 - a. Fond du Lac Loop – connecting city and getting more people out
 - b. Hamilton Park improvements
- 13. What is your opinion on parking availability and accessibility within the river corridor?
 - a. Its not great, not a lot of parking available for visitors because business staff use street parking
 - b. More parking on weekends with permit lots opening up
 - c. Better lit residential neighborhoods for parking safety will allow more people to park in neighborhoods
- 14. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
 - a. Strong stigma associated with neighborhoods, homeless presence
 - i. No threats to safety, but the stigma is there
 - b. Police presence could help along river to make the area more navigable and welcoming
 - c. Better infrastructure – roads, sidewalks, buildings that look nice to better image of the area
 - i. Art, outside aesthetics
- 15. What do you think about the water quality?
 - a. Priority !!
 - b. People don't want to live in the area because of the flooding risk
- 16. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
 - a. Whatever could help with sustainability, water quality, aesthetics
- 17. Discussion
 - a. Timeline?
 - i. January survey
 - ii. May plan for adoption

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	December 7th, 2022
Meeting Organizer:		Time:	2:00pm-3:00pm
Meeting Purpose:	Stakeholder Meetings		

Attendees:

Antonio Godfrey, FDL School Board Member
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. Antonio Godfrey, FDL School Board Member, Plan Commission member involved with Ebony vision (local nonprofit); community advocate
 - b. Stake: see growth, better use of natural resources
 - c. Area is financially challenged, doesn't get tapped into
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. No
3. How long have you lived/worked in the area?
 - a. Moved back in 1992 after moving away for 10 years, 30 years since
4. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Lives near Main Street
 - b. He would use the Riverfront a lot more, right now its an eyesore, “untapped” area with financial opportunity
 - c. Old rec center and grocery store that were moved/taken down were bad changes
5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. Doesn't want to see basketball court or Memorial go away (In Hamilton Park)
 - b. Don't want to see people losing homes for redevelopment
6. What are you most wanting to see improve?
 - a. Apartment complex off of forest ave is a “dump, hazard”, owners need to take more responsibility
 - b. Usage (amenities, programs), views, more picnic areas/tables
 - c. Nothing invites people into the River corridor
 - d. Fishing bridge off division/macy, something to not have fishermen block sidewalk
7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. 7-8/10, sidewalks need to be widened

8. Would you say there is a nighttime crowd/and potential to expand this to the Riverfront?
 - a. More events would bring people downtown
 - i. Heritage celebration – melting pot of backgrounds in the neighborhoods
 - ii. 4th of July
 - iii. Concerts
9. What enhancements can be made to Hamilton park to promote the use of the Riverfront Trail?
 - a. Took resources of rec center away
 - i. Put it back! Something similar to lakeside park, rentable!!
 - b. Keep memorial, basketball court, playground
10. What condition is the Quic Frez Park area? And how do people use the site?
 - a. Small park, some type of activity – connect to the field?
 - b. Walking trail
11. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. Needs to be something to draw people to the area
 - i. Grills?
 - ii. More picnic/seating areas
12. How do you perceive existing wayfinding and downtown branding – is it enough?
 - a. Could be a lot more, there’s no signage to draw people down to the river
 - i. Throughout the city it needs to be better
 - ii. Said Oshkosh has a lot of signage directing people downtown and to the riverfront
13. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 - a. Nothing –
 - b. Bad change – tearing down the recreation center at Hamilton Park
14. What is your opinion on parking availability and accessibility within the river corridor?
 - a. There’s so much parking; “parking lots on top of parking lots”
 - b. Visitors can easily find parking
15. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
 - a. Disconnect of the residents to the rest of the city
 - i. Police calls have been up in the area, high transient, high homeless
 - b. Lighting would help, development of resources for those there
 - c. Police do patrol the area
16. What do you think about the water quality?
 - a. Water quality is poor, “mud pit”
 - b. Antonio doesn’t use the city water
17. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
 - a. Mix of both, needs to clean up overgrowth !!
18. Discussion
 - a. Timeline

Prepared By: Emma Wenman

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	November 4, 2022
Meeting Organizer:		Time:	1:00pm-2:00 pm
Meeting Purpose:	Stakeholder Meetings		

Attendees:

Julie, Owner of Gallery and Frame Shop
Dan Williams: MSA, Senior Landscape Architect, Project Manager
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. Julie B, Owner of gallery and frame shop, 1.5 blocks off the river
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. No
3. How long have you lived/worked in the area?
 - a. 1980, 50+ years
4. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Can only see positive effects, utilization of trail, more exposure
 - b. Construction my effect initially
5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. Uses the trail often
 - b. Asked other people who used the trail
 - c. Only sees improvements, with improvements to trail
 - d. Only had flooding issues in 2008, come cross one-way behind shop, had backup issues, 20" in basement
 - e. Spring 2019 – didn't have flooding issues
6. What are you most wanting to see improve?
 - a. Bridges may need to be raised, someone navigating water should be able to go under the bridges
 - b. Pop-up business, for watercraft rental
 - c. Fishing bump-outs – lakeside park example
 - d. Staircases to access water safely
 - e. Having pop-up food?
 - f. Activity along the riverfront
 - g. Natural habitat

7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. Bike lanes are a work in process
 - i. Goes to nowhere right now
 - b. Bike path along the river is good
 - c. Lighting down to Quik Frez – needs more exposure
 - i. Hamilton Park is more visible.
 - ii. Wildlife area in that area which can be enhanced.
 - d. The loop trail is part of the Riverwalk. Julie bikes to work
8. Which street would you expect most pedestrians to use to get from downtown to the Riverfront Trail or Hamilton Park?
9. What enhancements can be made to Hamilton park to promote the use of the Riverfront Trail?
 - a. Walking bridge from the trail??
 - b. City is/needs to be working with the neighborhood to improve the community
 - c. Amphitheatre
10. What condition is the Quic Frez Park area? And how do people use the site?
 - a. Great as natural space, wayfinding shelter/bench
 - b. Informational station with bench and map of the city and loop trail.
 - i. Better wayfinding in this area
 - c. Rest area, picnic tables
 - d. Children's play area and interactive uses
 - e. Clean-up needed due to contamination and trash build up
 - f. Lots of potential, green space
 - g. Community Garden
11. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. Could be more inviting public space
 - i. Benches, spot to stop and eat lunch
 - ii. Interactive – hop-scotch, learning nodes
 - iii. Have story books in existing parks spaces elsewhere in Fond du Lac
 - b. Amenities need to be bolted down
12. How do you perceive existing wayfinding and downtown branding – is it enough?
 - a. Out of towners needs more wayfinding
 - b. Room for improvement
 - i. Could this be a QR code for mobile use?
 1. Those who don't have that capability...review information on signs and see what needs to be added
 - ii. "Walk your wheels" in downtown
 - iii. Look for the loop logo
 - c. Keeping branding is important.
13. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 - a. Paved trail and plantings that enhance views
 - b. Improvements to Hamilton Park
 - i. Storybook, Playground Equipment
 - ii. The more lighting, the more safe – but balance needed

14. What is your opinion on parking availability and accessibility within the river corridor?
 - a. No parking lot for business
 - i. Does curb-side pickup
 - ii. 5 parking lots within 3-block radius (not including parking ramps)
 - b. Public parking lot next door
 - c. Parking can be “dicey” but it’s not bad
 - i. Finding solutions instead of complaining
 - d. Along the river – along Macy has weekday metered parking (2-hour limit) until 5pm
 - e. City parking lots through downtown area – some are permitted
 - f. Make it an experience s people don’t mind walking a block
15. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
 - a. Lighting – not too much, but enough
 - b. Walking patrols would be nice to see
 - c. Alarm system
 - i. Could be misused
 - d. Openness – lessen places for people to hide
 - e. Fishing safety is lacking
16. What do you think about the water quality?
 - a. It is dark and dirty, flows to Lake Winnebago
 - b. Walks to post office often and sometimes sees turtles
 - c. It is navigable water for small watercraft
17. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
 - a. Combination
 - i. Merging natural with built shoreline with opportunity for access to the river for fishing and watercraft
18. Discussion
 - a. Any improvement will benefit downtown
 - i. She’s seen the river path already have an improvement on downtown
 - ii. Doggie bags!
 - b. November 28th Public Workshop
 - c. Incorporating Historical References

MEETING NOTES

Project:	Riverfront Trail Development	Location:	Fond du Lac, WI
MSA Project No.:	01878075	Date:	November 3, 2022
Meeting Organizer:		Time:	11:00am-12:00 pm
Meeting Purpose:	Stakeholder Meetings		

Attendees:

John McDowell: Avid Biker, Resident of Fond du Lac
Dan Williams: MSA, Senior Landscape Architect, Project Manager
Emma Wenman: MSA, Landscape Designer

Questions/Responses:

1. Name, Title/Stake in Riverfront project:
 - a. John McDowell, interest in promoting bike and pedestrian safe passage with Fond du Lac bike loop
 - i. Path is currently about 90% complete
 - ii. Popularity of the loop path indicates the importance
2. Have you had any conversation with Becky Binz (former project manager)?
 - a. no
3. How long have you lived/worked in the area?
 - a. Moved here in 2006
 - b. Prior to he lived in Germany and experienced a lot of paths in Munich. Road to alps through lake district.
4. Good example of river/waterfront paths. If you own/work at a business in this corridor, how will you be affected – good or bad – by the development of the riverfront trail?
 - a. Uses the corridor often
5. What is your biggest concern or element you would NOT like to see change with the Riverfront Trail Development?
 - a. If it isn't completed there will not be a full loop, going south the trail ends at a sidewalk, routing is not completed
 - b. Connection to Brookes street
6. What are you most wanting to see improve?
 - a. Path itself needs to be smoother
 - b. Places for people to go to – Picnic tables, rest spots, shade structures
 - c. Shoreline wall reinforcements, they are currently falling in
7. How would you rate the pedestrian experience in the riverfront corridor? From downtown businesses to the river and Hamilton Park.
 - a. The path is useable, but in poor condition
 - b. Several businesses along the river limits the path on the west

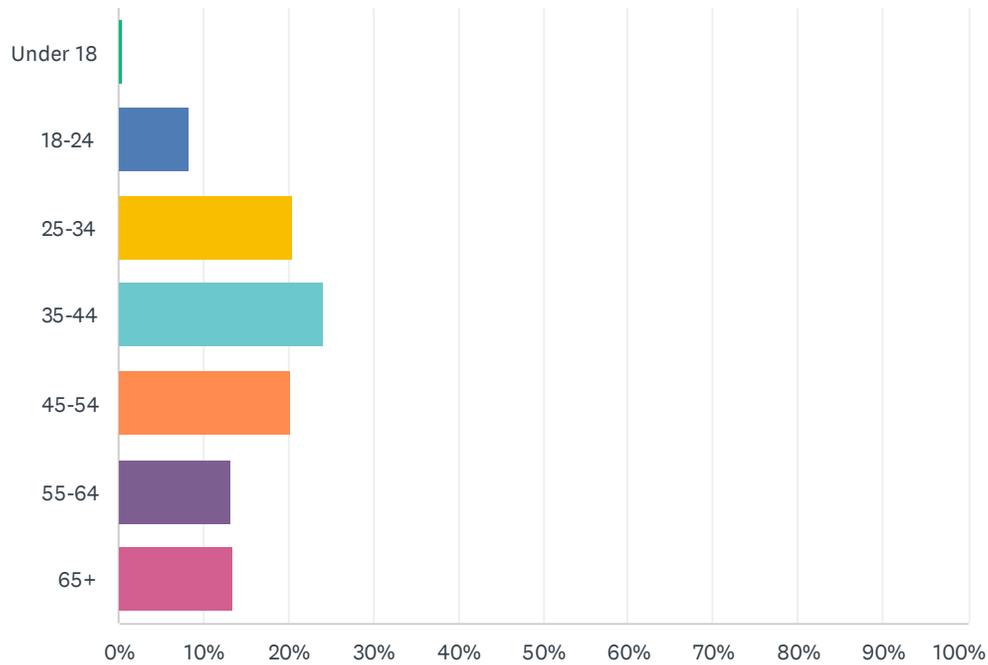

- c. Lunch time is busy
 - i. Macy Street is an important pedestrian route, Brooke Street Path
 - d. People can walk to Hamilton park (forest ave), but the western side does not have a path
 - e. Saturday markets during the summer
 - i. They block off streets to cars
8. Which street would you expect most pedestrians to use to get from downtown to the Riverfront Trail or Hamilton Park?
 9. What enhancements can be made to Hamilton park to promote the use of the Riverfront Trail?
 - a. Doesn't think the park is a priority
 - b. A path could be implemented within Hamilton park between division and forest avenue
 10. What condition is the Quic Frez Park area? And how do people use the site?
 - a. another go to place like Hamilton with parking to provide access from the whole community. More trees and shade for benefitting the community.
 11. What are your opinions on the existing public space along the trail – is there enough, too much, not enough – and the conditions of it
 - a. Triangle parcel/green space existing along forest avenue– possibility for shade structure, benches, trees etc. for downtown lunch users
 - b. Next to City Hall would be a good spot for more benches as lunch crowd uses it for eating and walks the path
 12. How do you perceive existing wayfinding and downtown branding – is it enough?
 13. In the past decade, what development or change has made the biggest difference in the river corridor (new development/business, park, circulation)
 14. What is your opinion on parking availability and accessibility within the river corridor?
 15. What is your opinion on safety in and around the river? How it has been handled, how it should be addressed.
 16. What do you think about the water quality?
 17. How do you think the shoreline should be treated – uniformly, some natural, some built, etc.
 18. What about the evening crowd?
 - a. Night market, concerts, art walks are held downtown and are becoming very popular
 - i. Street lighting may illuminate enough, but additional lighting for safety and viewing purposes don't over do it
 - b. Biggest crowd is the farmers market

Note: The call dropped at question 11

Q15 Do you have any comments on the Concept 1 Overall Plan? (Focus Areas included in next section)

Answered: 253 Skipped: 714

#	RESPONSES	DATE
1	Quic Frez has great potential. I would like to know who would be developing #10 residential area. Would it be apartments, low income, condos? I would like to see where the money is coming from to do all these projects, especially since so much is being borrowed already for the pedestrian bridge connecting Lakeside to Lakeside West.	2/28/2023 6:48 PM
2	public safety in the area around the river. Concerns about the river access and safety of those in the area. Don't like removing a bridge crossing the river	2/28/2023 3:36 PM
3	I love the idea of linking the riverfront trail to the Lakeside Park. I think water access is essential to this plan and I am pleased to see various spots identified along the river for that. The public pavilion space will be essential to adding vibrancy as long as it has programming scheduled (by whom I am not sure - FDL Festivals, DFP, etc.?) for small bands/performances/etc. or rental capabilities for community members. Perhaps this is already part of the plan or will be mentioned later in this survey, but it would be wonderful to have historical photos of 'here on this site' OR 'from this spot in 1887' this was your view, etc. essentially historical kiosks along the entire river walk. As well as environmental information on the river itself, i.e. inform people why the river is the color it is as to address any negativity or misconceptions about the quality of the river water, etc. Lastly, nice lighting the entire way.	2/28/2023 2:29 PM
4	I am very happy to see several water access points, hoping to see kayak launches	2/28/2023 2:24 PM
5	lipstick on a pig	2/28/2023 2:13 PM
6	This is very exciting - thank you for collecting public opinion. This seems like a very large undertaking - if it needs to be scaled back to make it a go - that would be something I would consider acceptable. A few additional notes / questions: 1 - Fido Dog Park has historically been a stinky area of town - anything happening to improve that? Is the bridge at 1st St. being removed and art mural added?	2/28/2023 2:13 PM
7	removal of 1st street bridge may be issue with one way through post office and one way on Macy	2/27/2023 9:23 PM
8	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 7:57 PM
9	Flood mitigation with that curve has to be top priority	2/27/2023 4:50 PM
10	I think this is awesome!	2/27/2023 3:25 PM
11	I think cost should play a huge factor going forward, with the uncertainty of the economy and the creation of the bridge at Lakeside west.	2/27/2023 8:31 AM
12	the less concrete use in any of the areas talked about, the better....fdl needs more green spaces, not less.	2/27/2023 8:16 AM
13	Maybe, hard to see on this map.	2/27/2023 7:40 AM
14	Can the actual river be utilized more for activities like kayaking?	2/26/2023 2:33 PM
15	I like this plan the best. Separation for families and singles	2/26/2023 10:03 AM
16	I like how you took out the bridge.	2/26/2023 8:32 AM
17	Have good lighting for walking in evening. How will the picnic areas be commented to Main Street to connect with festivals and farmers market?	2/26/2023 7:47 AM
18	None	2/25/2023 10:55 PM

Fond du Lac Downtown Riverfront Plan Survey

19	1st and foremost you need to clean the river. No one will spend time on the river as it is. It is horrible.	2/25/2023 7:42 PM
20	Rest rooms! Keep in mind river flooding, and maintenance. Good lighting, parking, bike paths, and possibly security cameras	2/25/2023 1:29 PM
21	I think developing number 14 would be great.	2/25/2023 6:56 AM
22	Not sure about removing 1st street bridge	2/25/2023 6:22 AM
23	Safety that area is petty shady	2/25/2023 6:19 AM
24	Love the incorporation of flowers and nature. Maybe include a public garden :)	2/25/2023 1:38 AM
25	No residential development! This is for the enjoyment of the river walkway and beautification of the city. This is not for some one to make money on. Residential building would take away from the beautification and welcoming environment the city wants.	2/24/2023 11:26 PM
26	The river needs to be cleaned out. The weeds and the same sandbars look terrible.	2/24/2023 8:58 PM
27	no comment	2/24/2023 8:24 PM
28	It would be nice to have a path that could start at the light house, follow the lake front to the mouth of the river. Then have a path following the river to a destination along the river (maybe #14). I also could be nice if you could extend #14 to the other side of the river with some parking to allow easier access	2/24/2023 8:17 PM
29	I love the idea of connecting the trail to the existing dog park. Agree on the removal of First St bridge.	2/24/2023 5:35 PM
30	Sounds cool	2/24/2023 5:27 PM
31	Looks wonderful. Think about easy maintenance for the future.	2/24/2023 4:51 PM
32	No	2/24/2023 3:51 PM
33	None	2/24/2023 2:45 PM
34	The river should be dredged so fish will come up river more .	2/24/2023 11:15 AM
35	Dig the river deeper because the water looks like brown crap even on the nicest days in the summer	2/24/2023 6:40 AM
36	Areas need more lighting, play, and walk areas. Along the water walk should be emergency "panic" buttons like they have through college communities	2/23/2023 11:17 PM
37	Maybe a solid security system or guard to keep people who visit safe	2/23/2023 8:03 PM
38	None	2/23/2023 3:55 PM
39	No	2/23/2023 3:52 PM
40	No	2/23/2023 2:53 PM
41	Focus area 3 should include Fruth Fields plan for after the HS builds the new field and moves games.	2/23/2023 1:36 PM
42	Good to see multiple areas will be improved and encourage engagement along the river.	2/23/2023 10:25 AM
43	Why the removal of the 1st street bridge? Would like to make sure there is water access so that kayaks can get into the river	2/23/2023 8:18 AM
44	Ideally, both endpoints would include a path that looped back onto itself rather than just ending at a fixed point.	2/23/2023 7:28 AM
45	No	2/23/2023 1:58 AM
46	Fishing spots would be nice, with seating spots.	2/22/2023 8:39 PM
47	Removing the 1st street bridge blocks people from getting to the drive up for the post office	2/22/2023 8:16 PM
48	I like it	2/22/2023 6:34 PM
49	The existing riverwalk seems very run-down, isn't a pleasant view. As former kayakers, would	2/22/2023 1:11 PM

Fond du Lac Downtown Riverfront Plan Survey

	love to see kayak launches for safe inputs/outtakes.	
50	Looks great!!	2/22/2023 9:32 AM
51	Lots of water access please.	2/22/2023 8:53 AM
52	It sounds exciting	2/22/2023 7:43 AM
53	None	2/22/2023 7:08 AM
54	Doesn't matter where. But FDL need a brewery.	2/21/2023 9:28 PM
55	Good	2/21/2023 9:21 PM
56	I like that you're going to do something with focus area 3. I think that areas has been need of some attention for a while now.	2/21/2023 8:21 PM
57	I think adding some nature, trees, overall natural scenery is beneficial to the eyes and the mental wellbeing of our citizens.	2/21/2023 8:10 PM
58	No	2/21/2023 7:55 PM
59	I think it's got a lot of good views on different scenic concepts.	2/21/2023 7:29 PM
60	Quite honestly as a runner I enjoy the path and love being close to the water. It would be nice to simply make the bridges and walls look nicer and perhaps some trees and keep the path in better shape	2/21/2023 7:21 PM
61	This will be amazing	2/21/2023 6:23 PM
62	No	2/21/2023 5:46 PM
63	My opinion is to keep things as natural as possible, and even bring back more what the river looked like before the development of fond du lac, such as flowers, and more trees. But doing this with a modern look, and making it more usable to the public with such things as nice paths, rest areas, and river access points for viewing, and fishing. I also believe that more time should be spent cleaning the river itself, working on removal of all trash and garbage floating on top, or sunken to the bottom(such as tires, bicycles, etc). Just to help the quality of the river itself, and the fish that use it.	2/21/2023 5:06 PM
64	Seems it would connect different areas much better	2/21/2023 4:17 PM
65	Not the neighborhood to be doing this in. This area has been a blight for a long time and I can't see the people in this area respecting the improvements. The area would be constantly messed up.	2/21/2023 1:55 PM
66	Yes, since we're looking at improving downtown Fdl (finally!). We need to take advantage of our assets. we have two loops that I feel we could really improve ona help make downtown more attractive, accessible and draw activity. Namely the loop of MArr, Merrill, Macy, and Western Ave.. This could easily be built into a nice bike riding loop, and even morph into a loop to create and host bike races and criterium's. Then, come winter time...why not have a skiting loop around downtown? (i.e such as Quebec, Ontario) We could enhance it with Edison/alternative and colorful lighting and have vendor stands for crepes/hot chocolates/teas/etc.... Also light up the bridges (such as Eau Claire).	2/21/2023 8:48 AM
67	The more natural areas with native plantings the better	2/21/2023 8:34 AM
68	I think it's a great idea. Especially like the river walk connected to the dog park.	2/21/2023 7:12 AM
69	The more new green infrastructure incorporated in this project the better. Also, the existing diverse array of tree species along the river is a valuable part of our urban forest. This project serves as an opportunity to improve on that aspect of the river district along with the other new additions.	2/21/2023 7:11 AM
70	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:50 AM
71	It's great ideas but the neighbor by the downtown area is not the best.	2/21/2023 4:06 AM
72	No	2/21/2023 12:15 AM

Fond du Lac Downtown Riverfront Plan Survey

73	Work with state and federal to extend river walk on west branch all the way to the Township of Fond du Lac Park on Esterbrook. Could be a perfect launch or ending point for kayaking as well	2/20/2023 10:03 PM
74	Glad to hear they are making improvements to this area.	2/20/2023 9:56 PM
75	An absolute great idea of bringing some curb appeal to the city! I love them!!	2/20/2023 9:01 PM
76	I think this is a wonderful project and hope that it will go well for all involved. Looks like a ton of work!	2/20/2023 8:34 PM
77	Several areas are not the nest of neighborhoods. Be a shame to invest time and money into areas people do not want to visit	2/20/2023 5:22 PM
78	if you do art next to the river, make it vibrant !	2/20/2023 5:17 PM
79	I like it I might flip priority of 1 vs 2	2/20/2023 5:03 PM
80	Make sure dog's are allowed	2/20/2023 3:24 PM
81	picnic tables and short "docks" for non boat fishing	2/20/2023 2:27 PM
82	I like adding more connections	2/20/2023 12:25 PM
83	Do a river walk from Rosenow school to the park on the Creek. That area needs tlc. The bank is crumbling in and that's a major drainage for flooding.	2/20/2023 9:20 AM
84	Don't like residential area being added	2/19/2023 10:59 PM
85	Removing the 1st street bridge seems a bit extreme. I also don't think we need more residential buildings, FdL needs places with stuff to do that young adults and teenagers will actually enjoy.	2/19/2023 10:33 PM
86	Thank you for involving the residents to make provide input in how e want the focus area to look.	2/19/2023 10:29 PM
87	Wonderful plan	2/19/2023 9:47 PM
88	Looks like good areas, spread out a little but not too much	2/19/2023 9:18 PM
89	None	2/19/2023 8:51 PM
90	Keep or add more Trees! Love the nature! We all deserve to view natures beauty along walks. It's why we go to the park area!	2/19/2023 8:06 PM
91	Add disc golf	2/19/2023 7:45 PM
92	I think this is all a good thought but unfortunately in a good portion of River walk I would feel safe during certain hours or walking alone. We need to clean up forest Ave and the activity that happens around there.	2/19/2023 7:37 PM
93	Good utilization of Quikfreeze site and connection of walking trail	2/19/2023 7:21 PM
94	How do you get the areas around any of these concepts to clean up their buildings and neighborhood	2/19/2023 4:15 PM
95	I love running the current trail but feel we need more things for families and the community to enjoy. Anything that can bring people back to the downtown riverfront would be amazing. Seating area down by and near the River would be great to see. More trails would be beautiful to have for the community.	2/19/2023 3:49 PM
96	no	2/19/2023 3:12 PM
97	Waste of money	2/19/2023 11:54 AM
98	Restrooms for Hamilton Park? Vending, h2o fill up, food truck space for cyclists and walkers passing through?	2/19/2023 9:14 AM
99	Looks nice	2/19/2023 8:25 AM
100	I like the number of water access spots. Looks like a good area for activities to be done.	2/19/2023 8:18 AM
101	When developing this project please keep in mind all the animals in the river, FDL has many	2/19/2023 7:37 AM

Fond du Lac Downtown Riverfront Plan Survey

turtles and tortoises that live in the area that this new development will take place.

102	Have a place for food trucks to pull up	2/19/2023 5:26 AM
103	The whole river gets high and filled with ice jams on a wet winter. Area number 6 I wouldn't put too much decorative stuff down by the water. Keep it strong and durable.	2/19/2023 12:03 AM
104	Activity for children and families ... but don't forget about aspects that will interest the 12-18 age groups - not a lot for our adolescents in FDL besides school	2/18/2023 8:50 PM
105	Looks good!	2/18/2023 5:25 PM
106	Get rid of the ghetto before building anything or it's a waste of money. Just going to be ruined	2/18/2023 4:22 PM
107	No	2/18/2023 1:23 PM
108	Paint the walls to the river like they painted walls in the city that would look beautiful	2/18/2023 12:36 PM
109	Proposed development and recreation is in a HIGH CRIME area. Address this first, or no one will bother visiting the riverfront area.	2/18/2023 11:53 AM
110	Natural and murals	2/18/2023 11:16 AM
111	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:44 AM
112	None	2/18/2023 8:17 AM
113	Like the trail to lakeside park. Why take out first street? Like the overall plan!	2/18/2023 8:02 AM
114	Looks like a nice improvement	2/18/2023 7:23 AM
115	Wasted mondy	2/18/2023 7:02 AM
116	I think that area could use something but the people that live in general areas make this type of thing less desireable for the amount of money it will cost to make it happen.	2/18/2023 6:45 AM
117	I like the general idea.	2/18/2023 6:39 AM
118	Needs a pavilion or something for more shade	2/18/2023 3:21 AM
119	Love it	2/18/2023 2:24 AM
120	No sculpture park - please make more child friendly. Maybe add in a splash pad.	2/18/2023 2:15 AM
121	Do NOT encourage direct access to the river. There are already too many accidents. Enhance natural elements. Any man made installations should work with nature not detract.	2/18/2023 12:15 AM
122	Make it better but within reason only due to the fact we get very high crime rate and also when we get high waters it will flood and ruin it so don't spend the tax payers dollars without doing it within reason	2/18/2023 12:14 AM
123	Definitely like the plaza space and treed green spaces	2/17/2023 10:02 PM
124	The concept does appear fine overall. It appears much reclamation would need to be done, which is a good change.	2/17/2023 9:14 PM
125	No	2/17/2023 8:36 PM
126	Just looking for something modern, big city feel for all ages	2/17/2023 8:33 PM
127	Can't see half the pictures. Don't know what they are. Why are you showing logs lying on the ground. Please don't put loud ringing chimes there. Oh my!! The more natural it is, the better. It doesn't need fancy statues that no one cares about. Maybe some nature signs or FDL history/animals would be better. Walking path, nature, comfy and separate gathering areas. Paddle boats, pedal boats, kayaks. Splash pad.	2/17/2023 8:20 PM
128	Seems nice	2/17/2023 7:25 PM
129	Should dredge the river soul you would be able to get boats down the river and dock in downtown River area.	2/17/2023 7:13 PM
130	River access by dog park and maybe try to bring brewery or to the area	2/17/2023 7:05 PM

Fond du Lac Downtown Riverfront Plan Survey

131	Drop the dog park idea	2/17/2023 6:42 PM
132	Wheelchair accessibility should be considered in each aspect.	2/17/2023 6:09 PM
133	A sculpture park would be a tremendous waste of taxpayer funding when we lack enough jobs in this city to continue funding or maintaining it.	2/17/2023 6:06 PM
134	You need more/better visuals	2/17/2023 5:33 PM
135	More use of the vacant land by the dog park.	2/17/2023 5:16 PM
136	Low cost maintenance for city tax payers and make it look nice	2/17/2023 5:11 PM
137	NA	2/17/2023 4:47 PM
138	The river needs to be drenched. Too many grass islands popping up.	2/17/2023 4:17 PM
139	As much green space and nature as possible the less cement the better but accessible to all.	2/17/2023 2:50 PM
140	This city has a cultural conflict that is turning people away. Putting a bow tie on a piece of shit doesn't change the product that you're trying to sell. Rather than trying to polish a turd, why not change some public policies and make the community more attractive to a broader demographic, as opposed to just evangelical christians.	2/17/2023 2:38 PM
141	Maintain whatever you build. Example: Maybe "Thompson Waterseal " existing park benches every few years so they don't rot.	2/17/2023 2:32 PM
142	I love the idea of a sculpture park. I would love to see some focus on Native American art from our area. More art, interactive musical equipment for kids (and adults) to play with, encouraging street musicians/theatre would be so cool. A public plaza sounds awesome. Just more seating and places to encourage people to hang out in the Riverfront area would be nice. I really do not like the idea of removing a bridge at 1st Street. This would cut off the Post Office for a lot of people, so that's the only idea I see that I really don't like.	2/17/2023 2:32 PM
143	Looks good	2/17/2023 2:24 PM
144	Yup	2/17/2023 1:14 PM
145	Just do it	2/17/2023 11:03 AM
146	We need lot of perennials along the way to enhance the experience and create more of a natural habitat for birds and bees.	2/17/2023 11:01 AM
147	not enough spots to visit	2/17/2023 10:49 AM
148	I like the idea of performance/lunch areas.	2/17/2023 10:39 AM
149	As much nature as possible	2/17/2023 8:33 AM
150	LOVE IT	2/17/2023 8:32 AM
151	Love the ideas. Dredging the River to remove excess growth would further enhance the beauty of the area.	2/17/2023 7:42 AM
152	No	2/17/2023 7:20 AM
153	Very high crime areas of FDL.	2/17/2023 6:02 AM
154	Any development on the river is a waste of money. It is dirty and nasty. The development at Lakeside Park with the restaurant would have been a better.	2/16/2023 11:40 PM
155	Make FDL a destination. All local businesses will their	2/16/2023 11:38 PM
156	!!!	2/16/2023 10:48 PM
157	It looks quite ambitious! I hope adequate maintenance and "up-keep" will be factored into the planning. It would be nice to have at least some seating with "backs" available for those of us who are seniors....	2/16/2023 10:27 PM
158	I would like to see an area for small family get together. A locker area for valuables while your exploring. Parking. Small amphitheater	2/16/2023 9:50 PM
159	Seems like a nice plane	2/16/2023 9:40 PM

Fond du Lac Downtown Riverfront Plan Survey

160	Looks good. I like the trail will have a variety of options and scenery. Can there be river access on both sides?	2/16/2023 9:22 PM
161	Kayak and canoeing options would be neat and fun to see people active on the water downtown	2/16/2023 9:20 PM
162	I like it	2/16/2023 9:14 PM
163	I do not like the idea of removing the 1st street bridge. When you exit the post office you would be forced to go west to Military. Not a good idea unless PO parking lot goes back to being two way and you can enter and exit from 2nd.	2/16/2023 9:13 PM
164	Need one of the areas to be more modern and industrialized.	2/16/2023 9:08 PM
165	Look to the Highline in NY for inspiration on the pathways.	2/16/2023 9:06 PM
166	None	2/16/2023 9:02 PM
167	I would consider changing the area across from items 1,2,3 and 4	2/16/2023 8:54 PM
168	Waste of time and money. This is a LMI area and people are not going to make this a destination place. It's not a safe area at night. You can do better.	2/16/2023 8:37 PM
169	Like it, lots of improvements	2/16/2023 8:35 PM
170	Think designs on the lights are awesome but we need to have lighting that's bright. One can see when getting in and out of cars on the streets and also on the sidewalk. To many of our side streets don't have lights or enough lights and that's not right kids are on every block and there needs to be more lighting in the city.	2/16/2023 8:23 PM
171	Looks good	2/16/2023 8:19 PM
172	Looks good to me.	2/16/2023 8:17 PM
173	Just curious about #10. What type of residential development? Affordable housing or more of upscale condo style housing?	2/16/2023 8:03 PM
174	I like it.	2/16/2023 8:02 PM
175	I support a natural redevelopment of the river that will make it a resource for the community	2/16/2023 8:02 PM
176	East branch has always been muddy water.Maybe rip rap would help improve the water quality.	2/16/2023 7:35 PM
177	Make it for handicap also	2/16/2023 7:15 PM
178	Is the plan to ignore the historic flooding of the river, the ghetto areas and high crime all along the project area?	2/16/2023 6:58 PM
179	Please consider as much natural/native planting as possible, including ground covering. I want to see plants/trees that offer shade, attract pollinators, create visual interest and reduce the need for mowing/trimming.	2/16/2023 6:20 PM
180	Overall the concept plans should focus on natural forms of bank stabilization along the river and native plantings throughout the proposal. Native plans are less maintenance for city staff, provide forbs for pollinators, reduce soils erosion, and provide a better aesthetic overall compared to sod.	2/16/2023 6:09 PM
181	interesting ideas	2/16/2023 5:48 PM
182	What will be done to address issues of flooding in these areas. Before development so that this isn't money wasted only to have everything damaged by the prevalent flooding. Or will areas south of development bear the brunt of flooding to protect development	2/16/2023 5:43 PM
183	LOVE this very much and would spent a lot of time downtown with this there. Would be nice to incorporate a couple small food/beverage places in the public plaza or food trucks and speakers playing music spread throughout to make it inviting and a cool atmosphere to listen to music playing from speakers while sitting with friends	2/16/2023 5:42 PM
184	Na	2/16/2023 5:35 PM
185	I think it's got potential	2/16/2023 5:29 PM

Fond du Lac Downtown Riverfront Plan Survey

186	Something to think about, but a small area for foods trucks. Otherwise a small area to put kiosks for people to rent to sell food/items from.	2/16/2023 5:25 PM
187	N/A	2/16/2023 4:56 PM
188	Anything less susceptible to vandalism and destruction is best.	2/16/2023 4:56 PM
189	Do the financially best options	2/16/2023 4:48 PM
190	Keep it towards downtown Fond du Lac where the focus has been and has improved over the years. Keep it in a central location within the city. Walking distance for all the festivities.	2/16/2023 4:33 PM
191	Hope Commonwealth isnt taking over the residential development as usual....	2/16/2023 3:46 PM
192	Need more natural flowers for the bees!	2/16/2023 3:43 PM
193	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:38 PM
194	I'm only worried about any paintings on the walls if they would be damaged when river gets high.	2/16/2023 3:36 PM
195	It would be nice if food venders could have an area.	2/16/2023 3:34 PM
196	Not familiar with all areas. Phone map is too small to make a determination.	2/16/2023 3:32 PM
197	I just think it's great you guys are making these changes. Fond du Lac is such a wonderful place we need to upkeep it's aesthetics and maintain public safety	2/16/2023 3:29 PM
198	Difficult to address as I'm not real familiar with all the areas and my phone map is to small to give me a clear picture.	2/16/2023 3:21 PM
199	Excellent idea	2/16/2023 3:03 PM
200	It's a great idea. It should be created with family friendly and healthier lifestyles in mind. I like the artistic concepts but it should be something that won't look ridiculous in a couple years.	2/16/2023 2:31 PM
201	I would love to see natural places with native plants and places to attract pollinators and other animals, birds etc.	2/16/2023 2:17 PM
202	LOVE IT!	2/16/2023 2:04 PM
203	Will the crosswalk by the pump station and the access to the Loop be lit? I don't feel like getting hit by a car again	2/16/2023 2:00 PM
204	Nice.	2/16/2023 1:59 PM
205	Well lit Make people feel safe there even later at night	2/16/2023 1:57 PM
206	No	2/16/2023 1:50 PM
207	Just the idea is excellent.	2/16/2023 1:48 PM
208	Reality is most of the area between the rivers is flood plain, rough and lower income housing or rentals. Would be nice to eliminate the tracks and bridge obstructing boats from driving into downtown.	2/16/2023 1:35 PM
209	No	2/16/2023 1:21 PM
210	Anything to enhance our downtown area and attract more people.	2/16/2023 1:12 PM
211	I'd like to see the areas keep natural, without a lot of vibrant, in your face colorful murals unless the scenes depicted are historical or tied in some way to the community, or depict scenic landscapes or natural features found in the area. Wherever you can avoid steps for handicapped people, it should be a priority. Shade areas along walking paths. Looking for meaningful change.	2/16/2023 1:00 PM
212	Fdl is not milwaukee or the valley. You are trying too hard to make the river a focal point. If you want it to be a gathering area you need yo dredge it out for boaters to come downtown. Stop these stupid assenine ideas. Such a waste of money	2/16/2023 12:55 PM
213	Honestly... this is a location of the city I would not choose to take my kids to explore. Even with the proposed changes to how it looks it doesn't change the safety factor of the location.	2/16/2023 12:48 PM

Fond du Lac Downtown Riverfront Plan Survey

Hamilton park is best known for showing up on the scanner FB pages making it a very unappealing park. I'm unsure making visual upgrades will change anything.

214	This is great to improve the area however the current neighborhood is not safe! The criminal activity around the area makes me not want to be around fond du lac	2/16/2023 12:38 PM
215	No	2/16/2023 12:36 PM
216	No	2/16/2023 12:36 PM
217	The first priority needs to be to fix the flooding problem. Then work on upgrading the area. The flooding needs to be adressed in three ways. 1.) Widen the river channel and bridges 2. Dredge the river and its mouth going into the lake. 3.) Additional Pumps and or larger pumps. Nick Heintz, P.E.	2/16/2023 12:20 PM
218	Great plan, definitely need to utilize these dead spaces. Aka old quick freeze and bums jungle.	2/16/2023 12:09 PM
219	Make it safe. Right now there is too much crime down there	2/16/2023 11:52 AM
220	I love the idea of making fond du Lac look less depressing. Being surrounded by concrete buildings with hardly any greenery is sad	2/16/2023 11:50 AM
221	If we spend money like they did when they had gardens, it will only be used for a short amount of time before it is vandalized. The lighting suggestions would need to be very bright to deter this behavior, and design choices should allow for high visibility from the roads.	2/16/2023 11:44 AM
222	Are kayaks being thought of when speaking to the different river access? Pedestrian bridge by the dog park is a neat idea...	2/16/2023 11:35 AM
223	Do whats nice but is affordable and will last. Don't do pavers in crosswalks. Wont last. Dredge the RIVER! Its filled with silt and muck. Dredging should b done before and improvements. Gonna be a sesspool like always	2/16/2023 11:32 AM
224	Bathrooms.	2/16/2023 11:30 AM
225	No comments, just excited to see it get developed.	2/16/2023 11:26 AM
226	I like the idea of the additional trees and a plaza area. But the area needs to be safer before many people will want to spend time there.	2/16/2023 11:09 AM
227	The areas proposed are not in a good areas of town. What is going to done for our our security? I would not send visitors there from out of town if im afraid of vandalism, theft or unlawful activity is present.	2/16/2023 11:00 AM
228	Thank yopu for taking the residents preferences into consideration	2/16/2023 10:50 AM
229	Place for kayaking, kayak launch	2/16/2023 10:49 AM
230	I really like the idea of having walkways connect everything together so you can walk from space to space easily!	2/16/2023 10:47 AM
231	None at this time	2/16/2023 10:43 AM
232	Hard to figure out the area	2/16/2023 10:42 AM
233	I worry about the neighborhoods that are close to this area. A lot of the bad crimes that happen in Fond du Lac happen in the blocks around this. Hopefully there is a plan to make it safer. As right now I don't feel comfortable walking down there.	2/16/2023 10:31 AM
234	Looks like the West side would be on private property. That part of the city is pretty ghetto so no one wants to go there.	2/16/2023 10:27 AM
235	For either of these concepts to make the areas 7/8/9 useable the city needs to clean up the Forest Ave and Forest Ave Apartments. No matter what your do in this area it won't be highly used with the crime and poor quality of living in that area.	2/16/2023 10:21 AM
236	None	2/16/2023 10:19 AM
237	Please please create a fun destination under the bridge nearest number 5!! I sent 8 x 10 pictures to city parks about creating pickleball courts under the bridge just like the Riverwalk pickleball club (sp.) Under 94 across from the Third ward Public Market. I absolutely do not feel safe biking through the south street area. However under the bridge at brooke street is	2/16/2023 10:19 AM

Fond du Lac Downtown Riverfront Plan Survey

very open which makes me feel safe. A think we could make pickleball courts or flea market or farmers market or pop up sales or something like a center zone for ie. A walking/ biking path event or Hang lots of high swings from there. Please please make this a place that young adults go to take photo opportunities that they proudly post on social media.

238	Beautiful concept and I would love to see something with more native plants for birds and butterflies with a similar walking path feel to Sheboygan's Bookworm Gardens (as shown in some of the poll options). However my concern is that some areas feel unsafe and may end up under utilized or damaged.	2/16/2023 10:11 AM
239	Nice to focus on areas near the dog park.	2/16/2023 9:56 AM
240	The City should clean up these neighborhoods before they invest in this. Unfortunately the river runs through the worst part of Fond du Lac.	2/16/2023 8:04 AM
241	#11, not keen on removing the bridge; if the vehicle bridge is removed it should be replaced with a pedestrian bridge	2/16/2023 7:37 AM
242	I have concerns about development area. If the concept is to remove First Street bridge, not in favor of its removal. Adding a walkway over river sounds very expensive.	2/16/2023 7:37 AM
243	I question how this will differ from our parks? What is the USP, Unique Sales Position? Isn't this the same thing we can find at other Wisconsin cities who have parks or natural water features like rivers or lakes? What is UNIQUE about this that will bring people to this area?	2/16/2023 7:33 AM
244	no	2/16/2023 7:25 AM
245	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:10 AM
246	Anything would be an improvement!	2/16/2023 7:01 AM
247	I really like the removal of the 1st St bridge and might look to remove more. This would allow for more transportation options than just the automobile and the bridges are expensive maintenance and replacement. In addition, like the future connections for all to use	2/16/2023 6:56 AM
248	I have concerns on how these areas will remain undamaged by the societal disrespect that appears to be blossoming in the general area.	2/16/2023 6:37 AM
249	remove 1st street bridge! I believe this bridge had a makeover not too long ago, now we are going to blow it up.	2/16/2023 6:13 AM
250	Hard to tell but doesn't look like it flies from one area to the next	2/16/2023 2:35 AM
251	Keep it as maintenance free as possible	2/15/2023 8:07 PM
252	Nice updates	2/15/2023 6:49 PM
253	No comment	2/15/2023 5:32 PM

Q16 Do you have any comments on the Concept 2 Overall Plan? (Focus Areas Included in next section)

Answered: 161 Skipped: 806

#	RESPONSES	DATE
1	Who would be doing the Commercial development?	2/28/2023 6:51 PM
2	Public safety, concern due to easy access to the river especially at rapid times or those who may have enjoyed themselves a bit too much. I like this plan keeping the 1st street bridge across the river.	2/28/2023 3:39 PM
3	11 - Community Plaza appears to be better placed in Concept 2	2/28/2023 3:15 PM
4	I like the idea of having the commercial development (9) near the community plaza (11). My remarks from Concept 1 apply to Concept 2 as well.	2/28/2023 2:31 PM
5	No	2/28/2023 2:25 PM
6	better than 1	2/27/2023 9:24 PM
7	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 7:58 PM
8	I honestly think you need to have a draw to bring people downtown. A 2500 seat arena for concerts, sporting events, corporate events, etc would be my first priority for the green space at hamilton park and then build the lakefront around that.	2/27/2023 4:51 PM
9	I think it'd be great to have some picnic tables along the path near China Kitchen, CC's Chocolates, Annie's Cafe, etc. where people could purchase food & sit down along river walk to eat it & enjoy nature.	2/27/2023 8:34 AM
10	same as concept #1: more green spaces.	2/27/2023 8:17 AM
11	maybe, hard to see on this map.	2/27/2023 7:41 AM
12	These pictures are quite hard to see and comment on	2/26/2023 2:34 PM
13	Like the multiple murals	2/26/2023 10:04 AM
14	Not interested in using quickfreeze space for a parking lot. There is plenty of parking across the street at the Fruth field lot and I would like to think people come there by bike or foot. Also, what is the future of Fruth? Isn't this a good time to approach the school district and think about repurposing that space? With Quickfreeze it could be a magnificent asset.	2/26/2023 8:37 AM
15	I like the art park and connecting the trail to the fog park	2/26/2023 7:48 AM
16	None	2/25/2023 10:57 PM
17	Same concerns as area 1	2/25/2023 1:30 PM
18	No	2/25/2023 6:58 AM
19	Looks good	2/25/2023 6:22 AM
20	Definitely against commercial development along the river walk way. Maybe an ice cream and cold drink vender. a few small food venders or a place for food trucks. No shops or commercial buildings. This is for enjoyment of the outdoors and spending time with family and friends.	2/24/2023 11:26 PM
21	no comment	2/24/2023 8:25 PM
22	Same comments as concept 1 but I really like the apartments (#11) and the commercial building over there	2/24/2023 8:23 PM
23	No comment	2/24/2023 5:36 PM

Fond du Lac Downtown Riverfront Plan Survey

24	Not as cool	2/24/2023 5:27 PM
25	No	2/24/2023 3:51 PM
26	Dig the river deeper because the water looks like brown crap half of the year	2/24/2023 6:40 AM
27	None	2/23/2023 3:56 PM
28	No	2/23/2023 3:52 PM
29	No	2/23/2023 2:53 PM
30	Expand focus area 3 to include field	2/23/2023 1:36 PM
31	looks good	2/23/2023 8:21 AM
32	Features that would be nice to have on the route: water fountains/water bottle refill stations (drinking fountains) for people and dogs, platforms over the river (similar to the one in there pic choices with picnic tables in the survey) that allow fishing, an area where food trucks could gather, places to lock up a bike, bicycle or electric scooter use/rental, zoning for areas where bars or restaurants could build directly off the trail, designated places where people could easily access the trail to carry kayaks or canoes to river entry/exit points, make an area/route where tubing is permissible, (if river conditions permit) designate area where kids and adults can enter and play in river if shallow enough, perhaps a couple restroom facilities along the trail (expensive, but it would be nice!), trail maps along route with distance and specific point of interest markers to show locations, plenty of garbage cans	2/23/2023 7:42 AM
33	No	2/23/2023 1:58 AM
34	I feel like if there's a path and bridge by the dog park, people will be mugged on the path. It's not close to the road and isn't well lit.	2/22/2023 8:19 PM
35	I think affordable housing is more important for this area then commercial development	2/22/2023 6:36 PM
36	I like the addition of some commercial development to this concept.	2/22/2023 9:33 AM
37	Nope	2/22/2023 7:43 AM
38	None	2/22/2023 7:08 AM
39	Still don't see a Brewery.	2/21/2023 9:29 PM
40	I've noticed on this one you don't demolish 1st street bridge and the parks seems more grand. I don't know how much the community plaza will be used or what it'll be used for. (Development area #11) I like the park in focus area 3. This area seems like a good place to put one because of the trail system.	2/21/2023 8:27 PM
41	I think it all looks nice however I don't know that it will get much use. Things like this don't really attract people to visit here	2/21/2023 7:23 PM
42	Looks good.	2/21/2023 6:24 PM
43	Focus area 1: would try to keep many trees as possible, would also like to have it not overwhelming amount of art work, have it still look natural.	2/21/2023 5:14 PM
44	Love the community plaza and water access	2/21/2023 4:17 PM
45	This area of the river is not pretty to begin with. There is always trash in the river. Who will keep it clean. Parts of the area we don't even go around due to feeling unsafe there.	2/21/2023 1:58 PM
46	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:50 AM
47	Same Comment to extend to township of fdl park	2/20/2023 10:03 PM
48	Water access is nice for kayaking canoeing but that whole east branch of the river has little to no good fishing	2/20/2023 5:24 PM
49	Areas where family and kids can hang out for concerts	2/20/2023 3:25 PM
50	local artist mural	2/20/2023 2:27 PM

Fond du Lac Downtown Riverfront Plan Survey

51	No comment, looks good	2/19/2023 9:20 PM
52	None	2/19/2023 8:52 PM
53	Sensory play ideas are a great addition. And so is a gathering space!	2/19/2023 8:06 PM
54	Add disc golf	2/19/2023 7:46 PM
55	We need it to feel safe. I as a female want nothing to do around forest Ave and other areas for safety concerns.	2/19/2023 7:38 PM
56	Same as 1	2/19/2023 4:15 PM
57	add riverfront view. focus on night life and lights	2/19/2023 3:13 PM
58	Waste of money! You want to build all of this in the ghetto. Waste!	2/19/2023 11:55 AM
59	How do we environmental friendly achieve this? Wouldn't Fdl like to be recognized as we are thriving but also being conscious of our environment. Most major cities go the green route because long it it last longer while have less effect on the city. Talk to our beautiful people in our town who love the environment. They will give you amazing ideas of how to achieve it.	2/19/2023 7:39 AM
60	Add chess tables to one of the tables parks, add spot for food trucks	2/19/2023 5:29 AM
61	Ruined with the ghetto there	2/18/2023 4:22 PM
62	No	2/18/2023 1:24 PM
63	No	2/18/2023 12:36 PM
64	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:44 AM
65	No	2/18/2023 8:56 AM
66	Looks the same as concept 1	2/18/2023 8:18 AM
67	I like the more trees and natural look to concept 1.	2/18/2023 7:23 AM
68	No	2/18/2023 7:03 AM
69	Same concerns as listed in 15.	2/18/2023 6:46 AM
70	Make the gathering area by the river longer	2/18/2023 3:23 AM
71	Love it. Anything is an improvement	2/18/2023 2:24 AM
72	Great idea long overdue	2/18/2023 12:45 AM
73	Are you seriously wanting public access to a superfund site?	2/18/2023 12:16 AM
74	Don't see enough about it to comment. Should put more explanation in these two sections	2/17/2023 10:31 PM
75	Like this concept as well as first one	2/17/2023 9:17 PM
76	.	2/17/2023 8:36 PM
77	Couldn't tell the difference between one and two. See previous comments.	2/17/2023 8:21 PM
78	Like it	2/17/2023 7:26 PM
79	Wheelchair accessibility should considered in each aspect.	2/17/2023 6:10 PM
80	Art walk plaza seems unsustainable in this town	2/17/2023 6:07 PM
81	Clean up the hood and make house look nice. Make it safer stop the drugs	2/17/2023 5:14 PM
82	None at this time	2/17/2023 4:47 PM
83	Cant tell	2/17/2023 4:18 PM
84	Most curious about potential development options in the development area. Happy to see water access points and mural wall.	2/17/2023 3:19 PM
85	This City has turned it's back on inclusivity and is reaping the consequences, no amount of	2/17/2023 2:41 PM

Fond du Lac Downtown Riverfront Plan Survey

polish can make hate an attractive community value to a broad audience of diverse qualities.

86	Try to clear the snow off the "Loop". People still walk and ride bikes after snowstorms. Worst maintained area of the loop is from Walgreens on Pioneer to Hickory including pedestrian crossings at roundabouts.	2/17/2023 2:41 PM
87	It's kind of hard to see what is different here from the other concept? I see there is no sculpture park, so I don't like that change. I like that this seems to keep the 1st Street bridge. I love the idea of an art mural river wall - since the water level changes so often, maybe the art could be inlaid stone or brick to create a mural?	2/17/2023 2:36 PM
88	Looks good	2/17/2023 2:24 PM
89	Meh.	2/17/2023 1:14 PM
90	Just do it	2/17/2023 11:03 AM
91	I would like to see development around Brooke St	2/17/2023 10:50 AM
92	Better - no bridge removal	2/17/2023 10:40 AM
93	As much nature as possible	2/17/2023 8:34 AM
94	ALSO LOVE IT	2/17/2023 8:32 AM
95	No	2/17/2023 7:21 AM
96	No	2/17/2023 5:20 AM
97	The river is nasty dirty. Don't spend money on an eye sore.	2/16/2023 11:41 PM
98	As I said already, it looks quite ambitious and should certainly make the best of a natural feature.	2/16/2023 10:28 PM
99	I like this a bit more then concept 1	2/16/2023 9:41 PM
100	Still looks good	2/16/2023 9:28 PM
101	prefer the sculpture park that is now listed as an Art Walk/Plaza	2/16/2023 9:16 PM
102	I don't like the location of focus area 13	2/16/2023 9:14 PM
103	Have water access on the east side of river in focus area 2 or one in the development area by parking. Easier access for kayaks and canoes and such.	2/16/2023 8:57 PM
104	Same. Waste of money. People will not use this area.	2/16/2023 8:37 PM
105	Doesn't seem much different than concept one	2/16/2023 8:35 PM
106	Like it more than #1	2/16/2023 8:17 PM
107	#9, #11 What type of commercial development project? Also, more information about development and plaza	2/16/2023 8:05 PM
108	I like option 1 more.	2/16/2023 8:03 PM
109	Make for handicap also	2/16/2023 7:15 PM
110	#1 instead of a bridge I'd like to see a kayak launch area at that spot.	2/16/2023 5:51 PM
111	Flooding concerns	2/16/2023 5:44 PM
112	Like the idea of a bigger public outdoor plaza	2/16/2023 5:42 PM
113	Not for me	2/16/2023 5:35 PM
114	This sounds like a great venture and improvement adding attractive value to the city	2/16/2023 5:07 PM
115	N/A	2/16/2023 4:56 PM
116	Do the financially best thing	2/16/2023 4:48 PM
117	Looks better than plan 1	2/16/2023 3:49 PM
118	More natural plant areas for the bees!	2/16/2023 3:44 PM

Fond du Lac Downtown Riverfront Plan Survey

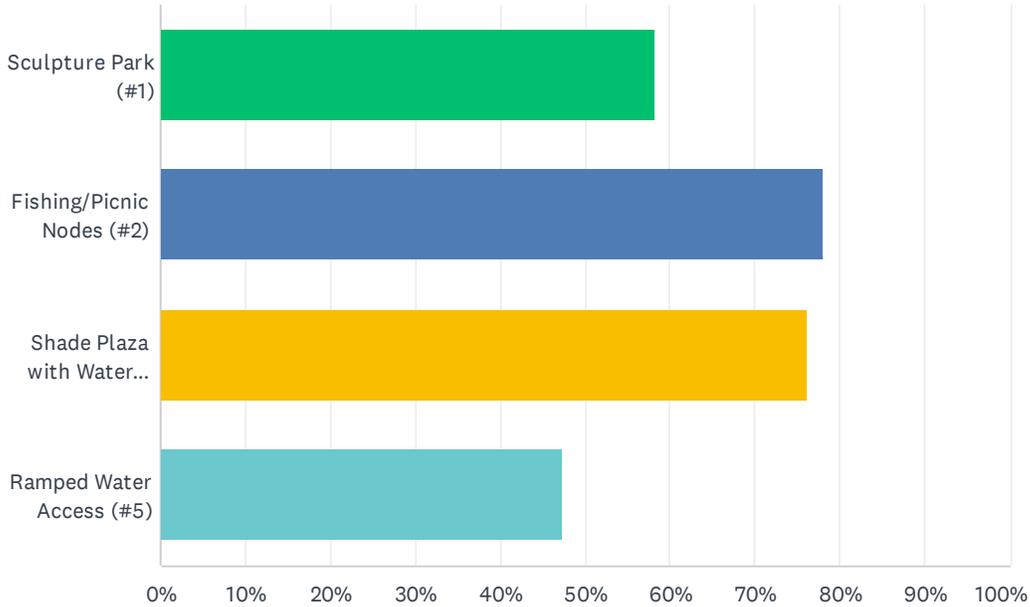

119	If this is across from Hamilton Park, I guess I would ask why? It's gonna be destroyed in weeks if there	2/16/2023 3:39 PM
120	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:38 PM
121	Same as #1	2/16/2023 3:32 PM
122	Same issue as #1	2/16/2023 3:21 PM
123	Long over due	2/16/2023 3:04 PM
124	Would be nice to make the River a little deeper to eliminate the dirty look to it. Concept looks nice.	2/16/2023 2:20 PM
125	Same as above	2/16/2023 2:17 PM
126	LOVE IT!!	2/16/2023 2:04 PM
127	Commercial development is interesting, not sure what focus would be....	2/16/2023 2:00 PM
128	No	2/16/2023 1:51 PM
129	I don't see much difference between 1 & 2.	2/16/2023 1:48 PM
130	The community plaza seems like a good idea.	2/16/2023 1:33 PM
131	N9	2/16/2023 1:22 PM
132	Anything would be an improvement	2/16/2023 1:12 PM
133	I like this plan better with access to river. What about serious river cleanup before plans move forward to improve the area. It's pretty gross.	2/16/2023 1:02 PM
134	Waste of my tax payer money.	2/16/2023 12:56 PM
135	Same comments as before unsafe neighborhood	2/16/2023 12:38 PM
136	No	2/16/2023 12:36 PM
137	No	2/16/2023 12:21 PM
138	Same as previous comments	2/16/2023 12:21 PM
139	No	2/16/2023 12:17 PM
140	How about a bridge over focus area #1?	2/16/2023 12:11 PM
141	I like how this is more expanded for more green areas compared to the last	2/16/2023 11:50 AM
142	Why were we considering the removal of the 1st Street bridge in Concept 1?	2/16/2023 11:36 AM
143	Dredging of river first	2/16/2023 11:32 AM
144	Needs more water access	2/16/2023 11:11 AM
145	None at this time	2/16/2023 10:44 AM
146	No	2/16/2023 10:42 AM
147	Looks good.	2/16/2023 10:28 AM
148	For either of these concepts to make the areas 7/8/9 useable the city needs to clean up the Forest Ave and Forest Ave Apartments. No matter what your do in this area it won't be highly used with the crime and poor quality of living in that area.	2/16/2023 10:22 AM
149	None	2/16/2023 10:19 AM
150	N/a	2/16/2023 10:11 AM
151	Footbridge #1 over the river is not necessary.	2/16/2023 8:42 AM
152	The City should clean up these neighborhoods before they invest in this. Unfortunately the river runs through the worst part of Fond du Lac.	2/16/2023 8:04 AM

Fond du Lac Downtown Riverfront Plan Survey

153	Neighborhoods to the west of the focus areas need to be revitalized. Will families want to park, walk, etc., in these neighborhoods which are so close to the focus areas? There is so much blight, unkempt areas, homes in bad repair. Lighting it up like a landing strip, visible from Mars, like our downtown, will really benefit the lighting manufacturers. What about maintenance? How expensive will this be to maintain and will you be able to find people to do the work?	2/16/2023 7:42 AM
154	no	2/16/2023 7:26 AM
155	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:11 AM
156	Its hard to see what really being proposed.	2/16/2023 7:02 AM
157	It looks like a parking lot at 11, if it is that is important to think about parking especially if people only want to go to a specific area.	2/16/2023 6:45 AM
158	I would recommend adding a bridge to the junction of where the two rivers meet. Maybe you are not aware this parcel is somewhat vacant with old growth trees and is the 1st settlement of the community. I think it would be wonderful to recognize this spot and create sort of special hideaway only accessible by a bridge or canoe.	2/16/2023 6:17 AM
159	Like the idea of commercial development we be nice to have shopping and dinning	2/16/2023 2:37 AM
160	None	2/15/2023 8:08 PM
161	Like concept 1	2/15/2023 5:34 PM

Q17 Referring to Concept 1, which of the following elements do you support? Check all that apply.

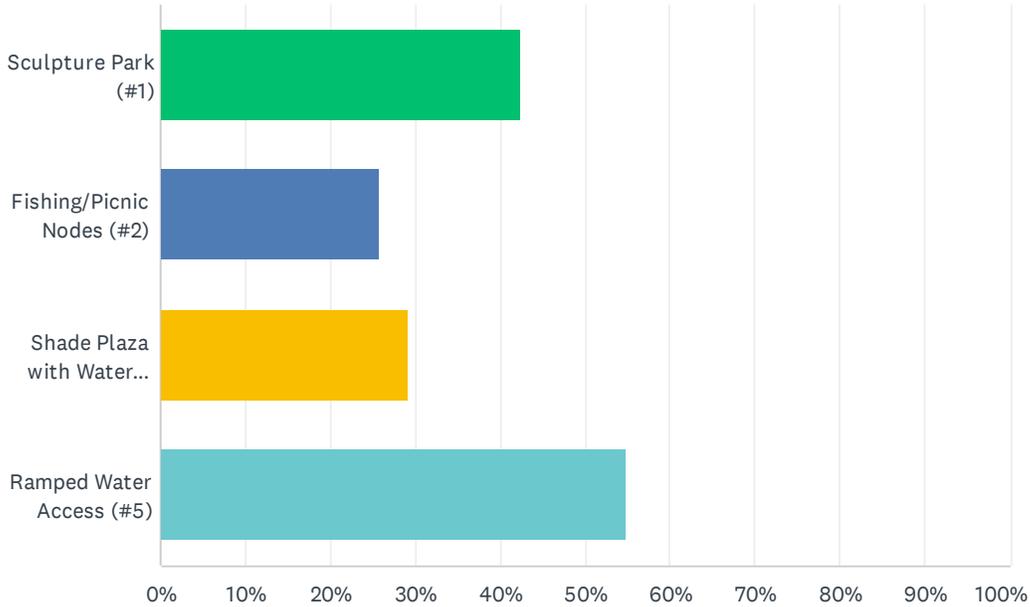

Answered: 707 Skipped: 260

ANSWER CHOICES	RESPONSES	
Sculpture Park (#1)	58.27%	412
Fishing/Picnic Nodes (#2)	77.93%	551
Shade Plaza with Water Access (#3)	76.10%	538
Ramped Water Access (#5)	47.24%	334
Total Respondents: 707		

Q18 Referring to Concept 1, which of the following elements do you oppose? Check all that apply.

Answered: 442 Skipped: 525

ANSWER CHOICES	RESPONSES	
Sculpture Park (#1)	42.53%	188
Fishing/Picnic Nodes (#2)	25.79%	114
Shade Plaza with Water Access (#3)	29.19%	129
Ramped Water Access (#5)	54.75%	242
Total Respondents: 442		

Q19 Please use this space to share any comments, ideas, or concerns you may have for Concept 1 for Focus Area #1.

Answered: 135 Skipped: 832

#	RESPONSES	DATE
1	I would rather see beautiful flowers & trees than sculptures.	2/28/2023 6:55 PM
2	I don't know that the investment on a sculpture park in that specific area would would bring the desired ROI that the city is looking for.	2/28/2023 3:17 PM
3	It would be great to have a couple picnic spots along the way in the sculpture park, if space allows	2/28/2023 2:27 PM
4	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:02 PM
5	Don't feel direct access to river is necessary. Especially on the bend of the river, constant force of water will deteriorate steps/ramp quickly	2/27/2023 2:14 PM
6	I like the looped trail within the sculpture park.	2/27/2023 8:45 AM
7	I don't think the river is deep enough to allow boats that would require a ramp to put in. I think it'd be great to have access for stand up paddle boards, kayaks & canoes.	2/27/2023 8:38 AM
8	Keep things geared toward less maintenance and more natural features with access to natural resources i.e. green space and water.	2/27/2023 7:45 AM
9	What is the purpose of the water access? Fishing? Other recreation? If no purpose, I don't support the water access	2/26/2023 2:36 PM
10	Love the sculpture walk in #1, it makes you want to wander and enjoy the art in a separate space.	2/26/2023 8:39 AM
11	I am not sure about access to the River. Are there safety concerns with that?	2/26/2023 7:50 AM
12	Clean up the river	2/25/2023 7:43 PM
13	Would prefer stepped access to the water.	2/25/2023 7:35 PM
14	I am not really sure there is a need for water access given the poor water quality and the possibility of injury with the fast moving water during wet times of the year.	2/25/2023 3:29 PM
15	I would rather see a play area, or sculptures kids could climb on.	2/25/2023 1:33 PM
16	Great ideas	2/25/2023 6:24 AM
17	Sculpture park is a waste of an area. Bring in nature and trees for fdl	2/25/2023 1:39 AM
18	no comment	2/24/2023 8:26 PM
19	Really like the walking path in sculpture garden	2/24/2023 6:20 PM
20	Does it need ramp water access?	2/24/2023 3:06 PM
21	Anything with water access I think is unnecessary for the location.	2/24/2023 1:08 AM
22	I feel like ramped water accesses are unsafe for kids and elderly	2/23/2023 3:57 PM
23	Must be maintained	2/23/2023 2:54 PM
24	Walking area	2/23/2023 1:37 PM
25	I like the ramped water access, primarily for kayak access. And the Sculpture Park has it's own identity away from the main path.	2/23/2023 10:32 AM
26	water access is shown, consideration needs to be given to parking for vehicles that will bring in	2/23/2023 8:23 AM

Fond du Lac Downtown Riverfront Plan Survey

kayaks and how far someone has to carry a kayak to access the water. Closer to the bridges is better for the water access

27	2, 3 and 4 are great ideas. Idea 1's money could be better spent. I don't think statues return much 'bang for the buck' in projects like this unless they're things like dinosaurs or animals that kids are allowed to climb on.	2/23/2023 7:47 AM
28	I would be concerned about civilians having water access	2/22/2023 7:11 PM
29	I LOVE the ramped water access!!!!!!	2/22/2023 6:38 PM
30	Like this idea	2/22/2023 6:35 PM
31	I'm not sure what the point of water access is. Can it be a good thing?	2/22/2023 11:00 AM
32	Not sure about water access. The water in the river is usually brown from runoff. Access for kayakers might be ok, but they will need to have access to parking nearby.	2/22/2023 10:24 AM
33	Micro Brewery. You people have no clue. FDL will never succeed till you get out of the box.	2/21/2023 9:30 PM
34	I think the ramp access seems like a really good idea. Maybe people would kayak or use their boats on the river. People fish so anything to accommodate them I'm sure will be appreciated.	2/21/2023 8:30 PM
35	Not so overwhelming, still looks natural. A ramped access point is a good idea for fisherman and kayakers.	2/21/2023 5:18 PM
36	Who would want to go into the water here. It is always trashy and dirty.	2/21/2023 2:00 PM
37	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:50 AM
38	Water is too dirty, so no point of water access.	2/21/2023 4:09 AM
39	Instead of Sculpture park, we could also have Fond du Lac history exhibits. FDL is one of the oldest cities in WI, was an important rail head and is a major indian and geological site. Those could be featured as well. Unless major clean up of river is undertaken, water access is not needed.	2/20/2023 12:43 PM
40	That river is not worth beautifying. If you would create a river that wasn't just farm runoff, it may be different.	2/19/2023 11:14 PM
41	i like the idea behind having water access, but the river is so mucked up that no one will use it until it's clean	2/19/2023 10:35 PM
42	There is already ramp access in other locations that can accommodate heavier traffic.	2/19/2023 10:30 PM
43	No one should be going in that water. It's disgusting.	2/19/2023 7:38 PM
44	best concept	2/19/2023 3:14 PM
45	I don't know that sculptures are necessary, I prefer nature in my parks but sensory areas for kids would be great. We need more native fauna along the river and designated picnic areas would be great as well.	2/19/2023 12:39 PM
46	The water in the river is absolutely disgusting and I think having access to it is going to cause more harm than good	2/19/2023 10:56 AM
47	Parking for water access. I'm assuming it's for small things like kayaks?	2/19/2023 9:18 AM
48	How I we going to make the water more visually appealing?????	2/19/2023 8:28 AM
49	Add chess table	2/19/2023 5:33 AM
50	There isn't any public parking in this area. If access to water is for kayaks how far do you expect them to walk? If access is for swimming this was all contaminated ground 30 years ago probably not a good place to swim.	2/19/2023 12:22 AM
51	What is the idea and thought process with the current water state? How will that improve with the current updates?	2/18/2023 6:09 PM
52	I love the idea of a sculpture park, but again, this is a HIGH CRIME area and if not addressed	2/18/2023 11:57 AM

Fond du Lac Downtown Riverfront Plan Survey

would result in a high rate of vandalism.

53	Swings and murals from locals across along the river wall	2/18/2023 10:24 AM
54	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:45 AM
55	Don't put any stupid sculptures up	2/18/2023 8:44 AM
56	I'm not understanding water access since there is a strong current in the river and shouldn't encourage going in water. I do support fishing and picnic ledges with railings	2/18/2023 7:51 AM
57	No concerns	2/18/2023 7:25 AM
58	Both of those areas will get dirty fast when the river floods. Maybe consider a pedestrian bridge instead. (Or overhang)	2/18/2023 3:25 AM
59	I don't understand why there would be a ramp/stairway to the water. Is this for people to put canoes/kayaks in or to fish? It seems like there are drownings in the Fond du Lac River every year and dangers with the hidden current so giving direct access seems unsafe.	2/18/2023 2:16 AM
60	Get it done!!!	2/18/2023 12:46 AM
61	Water access is a terrible idea. The river is not safe. I like the meandering design for a sculpture park.	2/18/2023 12:18 AM
62	I really like the idea of shade and stairs to the water	2/17/2023 8:43 PM
63	See previous comments	2/17/2023 8:21 PM
64	Port access and tie ups	2/17/2023 7:15 PM
65	wasteful	2/17/2023 6:46 PM
66	Who is going to maintain the waterfront so that people actually want to be near it? I've never seen it clean	2/17/2023 6:09 PM
67	Renovating areas of the town while not enforcing the upkeep of rental properties or business around the town does nothing to attract consumers. Nobody wants to have a drink on the boardwalk while looking at a house/business that's falling apart. We need more childcare. More childcare. More childcare.	2/17/2023 5:37 PM
68	The safety of kids adults by water. Think about that	2/17/2023 5:16 PM
69	It's hard to comment on either concept, because it's difficult to determine exactly where they are. Either concept will be a good addition to Fond du Lac.	2/17/2023 4:46 PM
70	Not clear if ramped access means for cars with boats or not. I would not be In favor of cars with boat access	2/17/2023 2:53 PM
71	Maybe create a simple and inexpensive water feature. Like a spillway. My suggestion is to get The Corp of Engineers involved.	2/17/2023 2:46 PM
72	Fond du Lac needs to invest in diversity before it'll begin to be taken seriously as an attractive community.	2/17/2023 2:43 PM
73	I definitely think a shaded plaza would be ideal. Love love love a sculpture park. More art!!!	2/17/2023 2:37 PM
74	The area currently is not great. Anything you do would be nice.	2/17/2023 1:17 PM
75	The river is too gross to consider water access.	2/17/2023 12:51 PM
76	Nature and art features	2/17/2023 8:35 AM
77	I worry that the ramped water access being so far away from general water access will create separation between people with disabilities and people without disabilities.	2/17/2023 8:34 AM
78	Love concept 1	2/17/2023 7:42 AM
79	Fishing and picnic nodes are first priority	2/17/2023 7:24 AM
80	Sculpture park is going to get graffiti and be a large waste of investment. This is not being placed in a great part of town. Crime is extremely high here.	2/17/2023 6:05 AM

Fond du Lac Downtown Riverfront Plan Survey

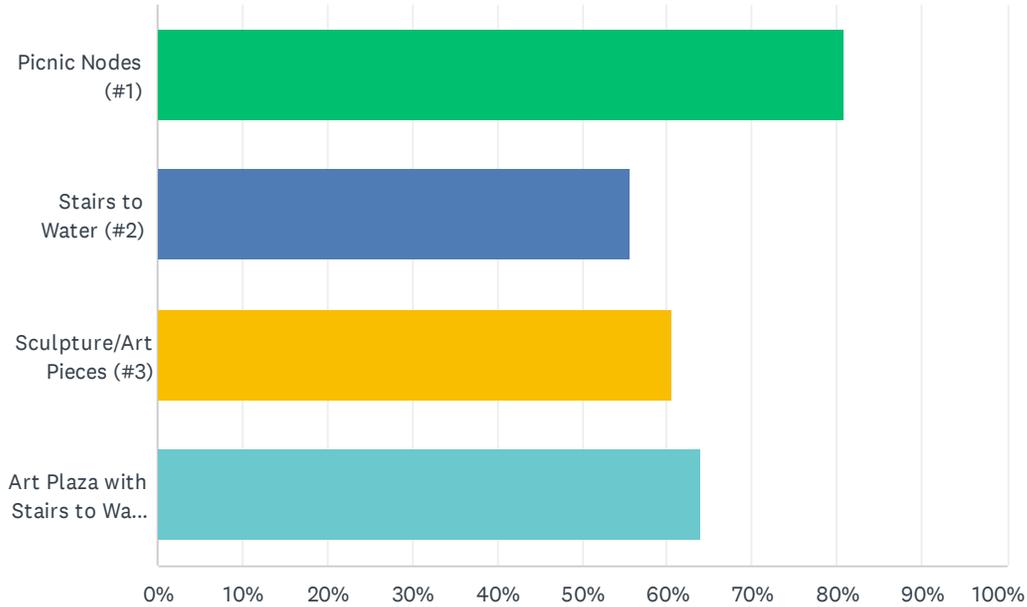

81	Congestion	2/17/2023 4:35 AM
82	All bad ideas	2/16/2023 11:41 PM
83	Love the plan for sculpture Park from concept 1. All other aspects I prefer concept 2	2/16/2023 10:57 PM
84	I find the overall design interesting and visually appealing but I have real safety concerns for children when it comes to direct access to the river via steps. The legal concept of an "attractive nuisance" comes to mind, a term I have heard applied to an unfenced, backyard swimming pool.	2/16/2023 10:38 PM
85	I like the sculpture area set up. I worry about water access and children. Would like to see a fountain.	2/16/2023 9:55 PM
86	No other comments	2/16/2023 9:43 PM
87	I have some concern about the water access, would depend on how it is done	2/16/2023 9:18 PM
88	Fond du lac has enough fishing areas already	2/16/2023 9:16 PM
89	Make separate areas for fishing and picnicking. Rarely do they go together	2/16/2023 8:59 PM
90	You do realize that river sucks right??	2/16/2023 8:49 PM
91	We don't need any more of a fishing spot. We need more spots for people to walk and enjoy or let the kids explore the area without having to worry about getting in the way of fishers or getting caught by a hook. We have a nice size lake they can fish let the river area be no fishing area. Nice spot for shade for ones who need it that can sit and still enjoy the view. Or even families to have a picnic without smelling fish.	2/16/2023 8:26 PM
92	Would still be nice to have canoe or kayak opportunities or things you can see from the water	2/16/2023 8:18 PM
93	Concern for children and water accesses. Water quality?.	2/16/2023 7:59 PM
94	I like the ramped access to the water, and I like the additional walking trails in the park	2/16/2023 7:40 PM
95	With proper shoreline improvement water quality could improve. I refer to present work being done in Weet Bend right now. That area is looking beautiful!	2/16/2023 7:39 PM
96	Flooding and crime	2/16/2023 6:58 PM
97	I don't understand the desire to be able to walk into the river?	2/16/2023 5:54 PM
98	Flooding concerns	2/16/2023 5:45 PM
99	I like what appears to be a wall along the water rather than rocks. Rocks grow weeds and gather garbage. While I'm not a huge art guy, it would be a different attraction for the city.	2/16/2023 5:23 PM
100	Don't waste money on sculptures	2/16/2023 5:22 PM
101	N/A	2/16/2023 4:57 PM
102	Who is paying for this	2/16/2023 4:49 PM
103	Unsure what Ramped Water Access would be.	2/16/2023 4:36 PM
104	unless the river is dredged and cleaned up I don't see anyone wanting to access the water. What would be the reason for water access?	2/16/2023 4:05 PM
105	Sculptures seem like an easy target for vandalism	2/16/2023 3:50 PM
106	That water is gross. No access.	2/16/2023 3:45 PM
107	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:38 PM
108	PLEASE DO SOMETHING!! LOVE THE IDEAS	2/16/2023 2:05 PM
109	Make it eco friendly	2/16/2023 2:01 PM
110	Can the steps become ramps?	2/16/2023 1:05 PM
111	No one's going to swim in that river. Moves too fast, rises and falls way too much.	2/16/2023 12:57 PM

Fond du Lac Downtown Riverfront Plan Survey

112	Safety of lakefront guests.	2/16/2023 12:23 PM
113	Oppose all. We don't need to sink money into something that is going to flood.	2/16/2023 12:23 PM
114	Just simply could be a great developed area for fishing, walking, picnicking	2/16/2023 12:13 PM
115	Not a good part of town, statues will get vandalized.	2/16/2023 11:46 AM
116	Kayak access looped in with the water access, nearby parking??	2/16/2023 11:37 AM
117	Theres no fish in the river there anymore. Needs to b dredging!!	2/16/2023 11:35 AM
118	I like more organic scenic areas, like tall grass and wildflowers. Not too much mowed grass, open space, or random art.	2/16/2023 11:20 AM
119	How will these amenities withstand the next flood we get?	2/16/2023 10:51 AM
120	I have concerns about any steps or ramps directly to the water in the downtown area. The river is usually either very low or very high. Either could be a danger.	2/16/2023 10:41 AM
121	I can see people getting too close to the water & falling in	2/16/2023 10:40 AM
122	I'd like to see maybe some cafes with outdoor seating facing the river for the summer.	2/16/2023 10:34 AM
123	There isn't ramped access after Supples landing. A Sculpture Park will be covered with graffiti.	2/16/2023 10:31 AM
124	None	2/16/2023 10:22 AM
125	Would be a great addition for Fond du Lac.	2/16/2023 10:03 AM
126	I like having a path for the Sculpture park. Can use it in the future for local art activities	2/16/2023 9:58 AM
127	None of the options would bring me to this area	2/16/2023 7:44 AM
128	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:12 AM
129	I would prefer a more natural area	2/16/2023 6:46 AM
130	I believe concept one could create an opportunity for art shows or other events that will attract more tourism.	2/16/2023 6:19 AM
131	Like that more area used at #1 does not have to necessarily be sculptures but utilizing more atea	2/16/2023 2:43 AM
132	None	2/15/2023 8:09 PM
133	I worry about safety with the water access	2/15/2023 6:52 PM
134	None	2/15/2023 5:36 PM
135	Does it really matter it's the city of Fond du Lac you'll screw everything up anyway	2/15/2023 4:10 PM

Q20 Referring to Concept 2, which of the following elements do you support? Check all that apply.

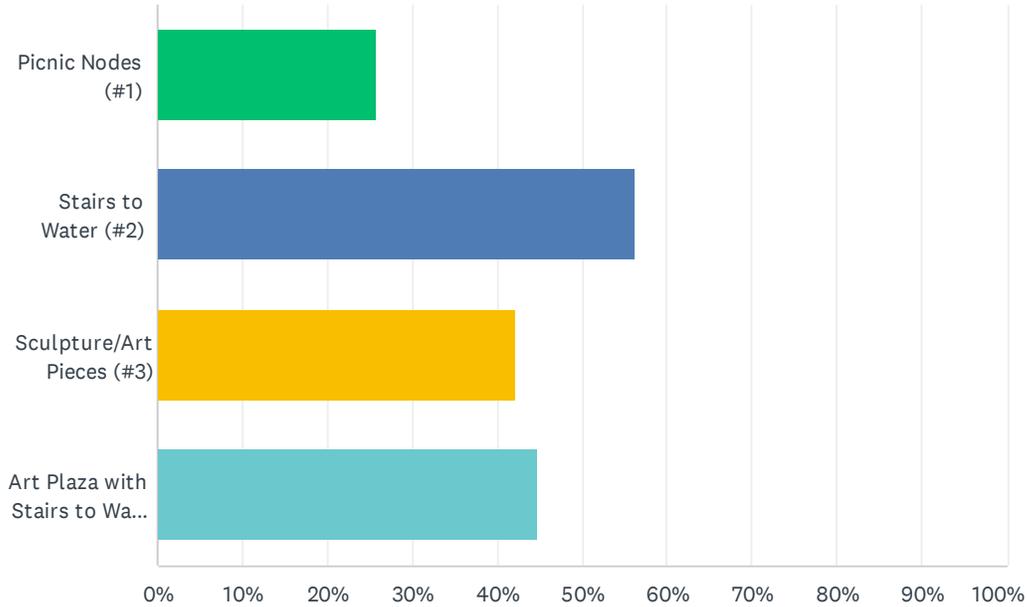

Answered: 659 Skipped: 308

ANSWER CHOICES	RESPONSES	
Picnic Nodes (#1)	80.88%	533
Stairs to Water (#2)	55.69%	367
Sculpture/Art Pieces (#3)	60.55%	399
Art Plaza with Stairs to Water (#4)	64.04%	422
Total Respondents: 659		

Q21 Referring to Concept 2, which of the following elements do you oppose? Check all that apply.

Answered: 108 Skipped: 859

#	RESPONSES	DATE
1	I would prefer playground equipment for children rather than sculptues.	2/28/2023 6:57 PM
2	I don't know why there would need to be two spots with stairs to water right by each other.	2/28/2023 3:19 PM
3	The second set of random stairs to water doesn't seem necessary - instead do a ramp access point for boaters.	2/28/2023 3:14 PM
4	I would prefer a shade plaza over an art plaza	2/28/2023 2:30 PM
5	like sculpture area (not too large)	2/27/2023 9:26 PM
6	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:03 PM
7	same answer as #19	2/27/2023 2:15 PM
8	Support for the art plaza but not stairs to the water.	2/27/2023 2:02 PM
9	I'd be a bit concerned about safety for children by water with Hamilton park being so close.	2/27/2023 8:42 AM
10	you're making park-like areas....make it green, not with crappy art	2/27/2023 8:20 AM
11	before long, artificial objects i.e. art etc, look like shit. Green space is the only way to go in an urban setting where there is too much hardscape and human made structures. People need green in their eyes for their well-being.	2/27/2023 7:48 AM
12	Stairs are not handicap accessible.	2/25/2023 7:44 PM
13	Water and fishing access are great features. Not sure if sculpture is a big draw to visitors.	2/25/2023 1:35 PM
14	It would be nice if these concept maps had reference points so I could tell where along the river walk these things were going to be placed. With no reference points, I really can't tell if I agree or am opposed to either concept.	2/24/2023 11:31 PM
15	Not sure in that area why anyone would want access to the water. It is not really navigable by anything but kayaks and canoes and the river is not very scenic along that area.	2/24/2023 3:50 PM
16	Only need one set of stairs	2/24/2023 3:06 PM
17	Anything with water seems unnecessary/gross for the area and not safe.	2/24/2023 1:09 AM
18	I don't understand the idea to have stairs to the river? If I understood the reasoning more may have more appeal. Do people actually swim in that river?	2/23/2023 11:21 PM
19	Stairs are even more unsafe for kids, and less accessible for the disabled	2/23/2023 3:58 PM
20	Maintenance is critical	2/23/2023 2:55 PM
21	I prefer the art plaza away from the main stairway to the water. Unless they are similar to the 'orange / red' spoon sculptures from the previous options. They would be unique options to offer shade.	2/23/2023 10:35 AM
22	Same as concept 1, parking for vehicles carrying kayaks and distance someone has to carry a kayak to reach the water access is a concern	2/23/2023 8:24 AM
23	See comment about Concept 1 regarding statues/art. Stairs like those shown to the water don't immediately suggest a practical use. You walk down the stairs and then what? They'd also be too narrow for kayak/ canoe entry or exit.	2/23/2023 7:49 AM
24	Again, concerned about civilian access to water	2/22/2023 7:12 PM

Fond du Lac Downtown Riverfront Plan Survey

25	...bring the ramped access back	2/22/2023 6:39 PM
26	What is the purpose of stairs to water?	2/22/2023 10:25 AM
27	Till you guys really get a clue what is up. Nothing will succeed.	2/21/2023 9:32 PM
28	I doubt people would go there to picnic when they could go to lakeside park or buttermilk. Having access to the river I think would be the best thing for this area.	2/21/2023 8:31 PM
29	Just a simple concept idea would look nice, one access point to the water(ramped or using stairs) just for the kayakers and fishermen. Lots of plants(trees, flowers) I think picnic areas, and or rest areas is a good idea, the art should be incorporated on the walkway itself, painted on concrete or a brick designed walkway.	2/21/2023 5:24 PM
30	Not a clean river to go into or around. Sculpture and art would be vandalized all the time.	2/21/2023 2:01 PM
31	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:50 AM
32	Water is too dirty do not need water access	2/21/2023 4:10 AM
33	Instead of Sculpture park, we could also have Fond du Lac history exhibits. FDL is one of the oldest cities in WI, was an important rail head and is a major indian and geological site. Those could be featured as well. Unless you significantly clean up the water, river access not needed.	2/20/2023 12:44 PM
34	I like where the stairs are better in concept 2	2/20/2023 12:27 PM
35	Does anyone use the river? Is it even clean and safe?	2/20/2023 8:49 AM
36	add playground/park to empty space where proposed trees are	2/19/2023 3:15 PM
37	Picnic area is in the middle of nowhere. The large stairs would be better for shade and picnic area	2/19/2023 9:20 AM
38	Add chess table	2/19/2023 5:34 AM
39	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:45 AM
40	Same as previous coments	2/18/2023 7:51 AM
41	Don't think stairs to the water are needed. Do t think people want to swim or be close to this river.	2/18/2023 7:26 AM
42	If there are stairs that lead to the water maybe include a concert pad or pier for people to stand on. Concept one has a better layout for more sculpture exposure.	2/18/2023 3:27 AM
43	I'm not opposed to some art pieces, but please do not go over board. Make it more nature friendly - trees, flowers, etc.	2/18/2023 2:20 AM
44	No water access. Unsafe. This seems easier to achieve from current design but I like the other option better.	2/18/2023 12:19 AM
45	Love this idea	2/17/2023 8:44 PM
46	Art plaza can be scrapped and replaced with the FDL history and nature information/signage...	2/17/2023 8:22 PM
47	Handicap kayak launch would be nice	2/17/2023 7:08 PM
48	C h i l d c a r e	2/17/2023 5:39 PM
49	Safety of kids going in water	2/17/2023 5:18 PM
50	I'm not really opposed to the sculpture plaza. I just like the other ideas better.	2/17/2023 4:47 PM
51	Go for a theme, plant Cherry trees like Wash. DC Or line the river with beautiful Weeping Willows. Keep it simple and don't spend a fortune.	2/17/2023 2:52 PM
52	Fond du Lac has a diverse community that feels that city is not representing them because it is beholden to a more radical religious demographic.	2/17/2023 2:45 PM
53	Not really a big fan of stairs to the water. I worry about safety of children. An art plaza sounds	2/17/2023 2:38 PM

Fond du Lac Downtown Riverfront Plan Survey

	appealing!	
54	The river is too gross to consider water access.	2/17/2023 12:51 PM
55	open to too much vandalism	2/17/2023 10:52 AM
56	Ramped access is very important to ensure access for people with disabilities as well as kayakers/canoers	2/17/2023 8:35 AM
57	I like concept 1 better	2/17/2023 7:43 AM
58	Crime here is high.	2/17/2023 6:05 AM
59	Put sculpture in the art area	2/17/2023 5:23 AM
60	Would prefer taking the sculpture area from concept 1 and adding it to this plan. Disperse picnic nodes through sculpture park	2/16/2023 10:59 PM
61	I like the idea of an Art plaza but am concerned about stairs giving direct access to the river which could be somewhat of a hazard for unsupervised children, or after dark for anyone inebriated. Overall I prefer the design of Option 1	2/16/2023 10:42 PM
62	Worry about water access and children. Seems like the art plaza with stair access to water would be dangerous	2/16/2023 9:57 PM
63	I think ramp access is needed in addition to stairs	2/16/2023 9:44 PM
64	Doesn't flow as well at concept one	2/16/2023 9:44 PM
65	I like the idea of the art plaza but oppose any stairs leading directly to the water. Water access is somewhat dangerous when it comes to younger children. I am concerned that stairs would be something of an open invitation to them to walk down to the water. Unless you are planning safety rails that would prevent direct access I feel stairs are a very bad idea.	2/16/2023 9:21 PM
66	As a fishing area	2/16/2023 8:59 PM
67	Safety water access and children. Quality of water	2/16/2023 8:00 PM
68	I do like the stairs to the water idea, I always think those are so fun! If you do end up pushing back the shoreline, would it be possible to plant a few trees along the trail to replace the ones that will be cut down? The shade that they provide is really nice in the summer.	2/16/2023 7:44 PM
69	Flooding and crime	2/16/2023 6:59 PM
70	Eliminate stairs to water. It creates a safety hazard and will result in a large amount of maintenance by city staff to keep algae off of steps and to keep it in a visually appealing condition. Also, the river is not very clean so I don't think residents will want to 'interact' with it as one might think.	2/16/2023 6:17 PM
71	Flooding concerns	2/16/2023 5:45 PM
72	I prefer concept 1 over 2 for the overall design with the trail for the art providing more room and walking. Plus 2 seems to have rocks along the river which will gather weeds and garbage	2/16/2023 5:26 PM
73	If a child is left unsupervised, possible drowning isn't something we need	2/16/2023 5:00 PM
74	N/A	2/16/2023 4:58 PM
75	Who is paying for this	2/16/2023 4:50 PM
76	Not sure about concept of stairs leading to water. Safety? Use? Reason? Kayak launch areas may be nice.	2/16/2023 4:41 PM
77	No need for stairs unless you have access for canoes, etc.	2/16/2023 4:38 PM
78	Why spend money to access the river?	2/16/2023 4:06 PM
79	No stairs to gross water!	2/16/2023 3:46 PM
80	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
81	Worried when river gets high would the water rise above stairs	2/16/2023 3:38 PM

Fond du Lac Downtown Riverfront Plan Survey

82	I feel both 1and2 if water access is their you will have a lot of problems with falling into the river. Both children and adults. Not a safe option.	2/16/2023 3:37 PM
83	Keep area clean	2/16/2023 3:06 PM
84	No fishing? The park area seems to be wasted versus concept 1.	2/16/2023 2:35 PM
85	I'm not oppose to any of it. I just Don't care for the overall design. Like concept 1 better.	2/16/2023 2:32 PM
86	More natural spaces plant more trees	2/16/2023 2:19 PM
87	Keep it eco friendly	2/16/2023 2:02 PM
88	again an alternative to steps. or parallel ramp.	2/16/2023 1:06 PM
89	Water level varried way too much. It is not a swimming river.	2/16/2023 12:57 PM
90	Unsure why we would want to add stairs to the water. Do we want people to go into the water? This whole upgrade is a surprise considering that river is very unappealing and the potential to flood and cause damage to these upgrades is questionable.	2/16/2023 12:53 PM
91	None	2/16/2023 12:24 PM
92	Same as before	2/16/2023 12:23 PM
93	No Shade Area	2/16/2023 12:17 PM
94	Kayak access and parking for the water access	2/16/2023 11:39 AM
95	Dredging needs b done in river!!	2/16/2023 11:36 AM
96	How will areas be monitored to prevent vandalism ?	2/16/2023 10:52 AM
97	Same as Concept 1 - I don't support direct access to the water at this point of the river.	2/16/2023 10:41 AM
98	None	2/16/2023 10:23 AM
99	Only concern with stairs to water is only if safety concerns for little ones.	2/16/2023 10:04 AM
100	Prefer a pathway for the sculpture/art pieces however having an additional art plaza is nice.	2/16/2023 9:59 AM
101	None of the feature would bring me to this area.	2/16/2023 7:45 AM
102	What is the purpose of stairs (or ramps in concept 1) to the water. Are there safety features planned?	2/16/2023 7:41 AM
103	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:12 AM
104	overall, I like the ideas, however this layout is boring and could not create the ideal climate for entertainment opportunities and residents' personal investment.	2/16/2023 6:20 AM
105	None	2/15/2023 8:10 PM
106	I don't understand the reason to have stairs to the water, it's dirty and unsafe	2/15/2023 6:54 PM
107	No comment	2/15/2023 5:37 PM
108	You will mess this project up just like do the rest	2/15/2023 4:10 PM

Q23 Referring to Concept 1, which of the following elements do you support? Check all that apply.

Answered: 607 Skipped: 360

Q25 Please use this space to share any comments, ideas, or concerns you may have for Concept 1 for Focus Area #2.

Answered: 76 Skipped: 891

#	RESPONSES	DATE
1	I'm not clear what the ramped water access would be for. Kayaks, stand up paddle boards, canoes?	2/28/2023 7:03 PM
2	All existing items and anything additional would be wonderful additions to the park	2/28/2023 3:22 PM
3	The placement of the existing basketball court is not cohesive to the layout of this concept - I like how you have it positioned in concept 2 (which I will indicate on next page). The casual seating area doesn't seem like the best use of the space.	2/28/2023 3:18 PM
4	pedestrian bridge would be costly vs. benefit	2/27/2023 9:29 PM
5	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:08 PM
6	no need to spend money on bridge to span a small pond. People can walk around. Don't need general public easy access to river	2/27/2023 2:17 PM
7	I don't think the river is deep enough for boats that would require a ramp to put in. I would like things as open to nature as possible: flowers, plants lots of green space. Sitting areas for people to slow down & enjoy the natural beauty of life in Fond du Lac.	2/27/2023 8:49 AM
8	Again, low maintenance and accessible, increased green space is key. Existing features, if in good shape, should remain, less cost. Extraneous hardscape is a waste.	2/27/2023 7:57 AM
9	New playground	2/25/2023 9:15 AM
10	I would like to use this park more but security scares me, there's always trouble going on. Maybe get taking basketball courts away would help slightly.	2/24/2023 3:09 PM
11	Must be maintained	2/23/2023 2:57 PM
12	I'm not opposed to the community garden idea but, in my experience, people only WORK in their own gardens and community gardens turn into unsightly weed nurseries. Maybe design it as a butterfly garden instead???	2/23/2023 7:53 AM
13	The area already doesn't feel safe to visit. I've walked through the park before during the middle of the day and felt very uncomfortable. Adding some features will be a waste at best and a danger or new place to vandalize at worst(bathrooms)	2/22/2023 11:02 PM
14	Add Pickleball Courts	2/22/2023 7:20 PM
15	I think repositioning and making a nicer basketball court would be great	2/22/2023 7:16 PM
16	You really have no clue how to make FDL great again. These are terrible options.	2/21/2023 9:33 PM
17	Goif	2/21/2023 9:22 PM
18	I think the plan looks nice. The only thing I question is the bridge over the pond. Is it really necessary? How expensive is it to build? How much is it to maintain?	2/21/2023 8:37 PM
19	No one wants to go to a park in this neighborhood	2/21/2023 7:48 PM
20	I think having a soccer field is gonna be to much gonna be going on, use the area as a walk threw garden instead with some benches	2/21/2023 5:32 PM
21	Again the area is not safe and will be vandalized.	2/21/2023 2:03 PM
22	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the	2/21/2023 5:50 AM

Fond du Lac Downtown Riverfront Plan Survey

	lead pipes and focus on the infrastructure that is failing.	
23	I don't even let my 6 year place in this neighborhood.	2/21/2023 4:12 AM
24	Not sure we really need another soccer field we have the FDL 55 acres of fields already	2/20/2023 8:38 PM
25	That whole neighborhood is a bad area. Wh wants to go there if you don't feel safe	2/20/2023 5:28 PM
26	I feel soccer will defer elderly. Too noisy. No need for bridge over water run off pond	2/19/2023 9:29 PM
27	Add a disc golf course wrapping around with the sidewalk	2/19/2023 7:50 PM
28	revamp,takeout or move playground to add space for a new double basketball court	2/19/2023 3:17 PM
29	There should be additional picnic area/restrooms by the basketball court and soccer area. Lighting for the court as well. It is highly used in nice weather, and people do picnic near it as well. An additional court would even be welcomed!!!!	2/19/2023 9:24 AM
30	I'm concerned any money spent in this particular area will go to waste. They area around this park is not somewhere people will want to hang out out of safety.	2/19/2023 7:36 AM
31	Add chess table	2/19/2023 5:35 AM
32	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:45 AM
33	I agree with river ramp for non - motored boats.	2/18/2023 7:55 AM
34	Concept #2 has a better layout that would promote more foot traffic.	2/18/2023 3:30 AM
35	Plan for seating/picnic areas around soccer field?	2/18/2023 12:22 AM
36	Neighborhood sucks around it	2/17/2023 5:41 PM
37	A spot for music venues!!!	2/17/2023 5:37 PM
38	River needs to be drenched	2/17/2023 4:23 PM
39	Food or beverage options would be nice	2/17/2023 3:21 PM
40	Get input from Corp of Engineers. Don't let the person who decided to use brick pavers at crosswalks, to make anymore major decisions in FDL.	2/17/2023 2:58 PM
41	I would love to see restrooms added to Hamilton Park. All of the ideas sound really interesting. The only thing I don't really care for is a soccer field. I'd prefer to see the open space used for a variety of community events, or maybe even increase the size of the performance shade, or a larger outdoor amphitheater. La Crosse has a gorgeous one with a covering made from trunks of whole trees. I would love to see something like that as part of the project.	2/17/2023 2:46 PM
42	The river is too gross to consider water access.	2/17/2023 12:52 PM
43	We already have soccer fields and basketball courts around the city. This should be an area for walking and relaxing	2/17/2023 11:07 AM
44	Love concept 2	2/17/2023 7:48 AM
45	We already have a soccer complex. Why waste money on another field.	2/17/2023 6:06 AM
46	Congestion	2/17/2023 4:38 AM
47	Both areas watch landscaping around sports courts and garden. More shade for courts, less for gardening	2/16/2023 11:04 PM
48	1.You need some kind of seating area adjacent to any kind of "performance space"2. It looks as though the existing basketball court is too close to the area designated for soccer. 3. Am not in favor of too direct access to the river water. Is it planned the river will be used for boating? 4. the casual seating area looks very oddly placed.	2/16/2023 10:55 PM
49	We have enough soccer space	2/16/2023 9:45 PM
50	The expense of the pedestrian bridge seems a waste. With a trail on the river side and road/sidewalk on the west it's doesn't seem necessary. Ramped water access I would need to	2/16/2023 9:27 PM

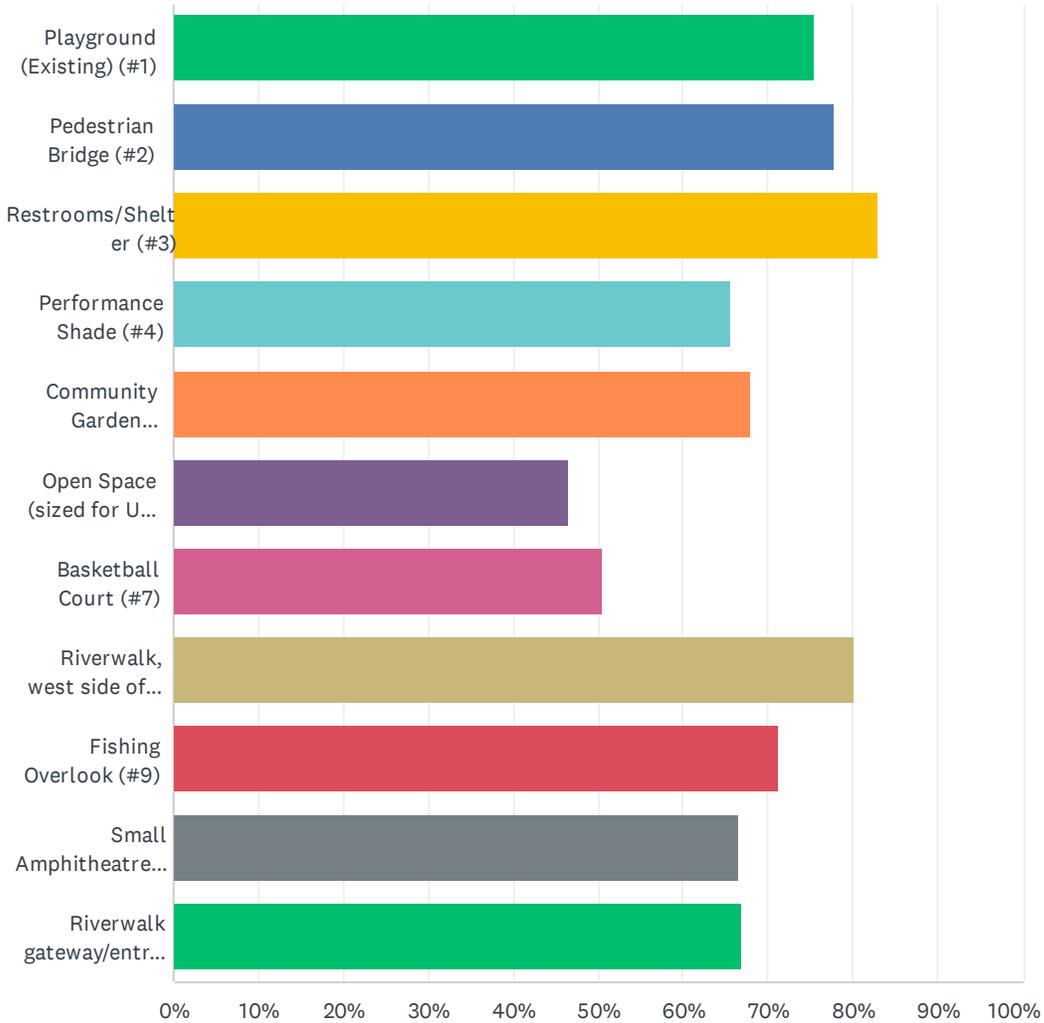

Fond du Lac Downtown Riverfront Plan Survey

see actual plans. Many children play in this park, not always with adult supervision. Would direct access to the water to safe?

51	I would love to see gardens to walk through and less open area	2/16/2023 9:02 PM
52	I like the ramped water access! The community garden is great too, I'm glad you're keeping it	2/16/2023 7:51 PM
53	GHETTO	2/16/2023 7:00 PM
54	Remodel so it flows with the new plaza on the other side better	2/16/2023 5:44 PM
55	N/A	2/16/2023 5:00 PM
56	Im sure more people would enjoy it if the area was cleaned up	2/16/2023 3:54 PM
57	I do not believe sports need to be added to this. They are building new soccer fields and many parks have basketball courts. You are forgetting there are more sports you are not including. le: rugby, tennis, volleyball to name a few	2/16/2023 3:42 PM
58	Again neighborhood is unsafe. This park is vandalized multiple times.	2/16/2023 1:15 PM
59	Stop making all areas of fond du lac "entertainment " areas. You failed at the park. Lick your wounds and stop forcing this crap.	2/16/2023 12:59 PM
60	Worried about kids accidentally going in river on ramped areas	2/16/2023 12:39 PM
61	Fix the flooding problem first.	2/16/2023 12:24 PM
62	A lot of untapped potential in this extremely un utilized area	2/16/2023 12:16 PM
63	When adding benches please remember the homeless population. Seeing anti homeless benches breaks my heart for people who just want to not lay on the grass. Not only is it anti homeless, but it's also more difficult for disabled people to use the benches as well.	2/16/2023 11:57 AM
64	Dredging of river first!	2/16/2023 11:38 AM
65	Sports courts should stay are regular parks, not scenic parks.	2/16/2023 11:21 AM
66	None	2/16/2023 10:27 AM
67	Concept #2 had much better flow in the park, especially if you have young children walking or on foot bikes.	2/16/2023 9:00 AM
68	Nothing entices me. Concerned about safety considering the neighborhoods which but up along the west side of the focus area.	2/16/2023 7:48 AM
69	Can the Riverwalk Gateway be extended to Main street to draw people from the downtown to this park?	2/16/2023 7:43 AM
70	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:13 AM
71	Please don't cut any trees down	2/16/2023 6:48 AM
72	the magical trick is to create a "safe" environment for all residents. Overall, a good idea, but if half the community is afraid to be there you might as well save the money and leave it be.	2/16/2023 6:22 AM
73	None	2/15/2023 8:12 PM
74	How do we need more soccer fields in this town?	2/15/2023 6:56 PM
75	No comment	2/15/2023 5:39 PM
76	Screw it up like you do everything else	2/15/2023 4:11 PM

Answered: 70 Skipped: 897

#	RESPONSES	DATE
1	I do not agree with the placement of a small amphitheater in that location, and I'm not sure what the benefit is of rotating the basketball court.	2/28/2023 3:23 PM
2	Great idea to reposition the basketball court to be more cohesive with the soccer field, better flow. Instead of the fishing overlook, I think a ramped water access (from concept 1) will be used for both boaters and fishermen, so it addresses two concerns at once. :) Small amphitheater would be great! My question is 'who will program it' i.e. DFP, Fond du Lac Festivals, etc.	2/28/2023 3:20 PM
3	pedestrian bridge costly	2/27/2023 9:30 PM
4	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:09 PM
5	Again, bridge not needed. Feel Amphitheatre space would be too small	2/27/2023 2:19 PM
6	Accessible green space and water access is key.	2/27/2023 8:00 AM
7	Walkway flow on concept 1 seems more natural. Does the performance shade have a slight elevation and power so events can be held with people sitting on the green space? If not, that seems to be missing from the plan. I'd rather see a community gathering space vs a soccer field.	2/26/2023 8:46 AM
8	Either one is good. I like the idea of a concert/performance area.	2/25/2023 1:39 PM
9	Concept 2 seems better minus ampitheatre	2/25/2023 9:50 AM
10	New playground	2/25/2023 9:16 AM
11	Love it	2/25/2023 6:31 AM
12	I think the performance shade fits the concept. The amphitheater doesn't.	2/24/2023 11:40 PM
13	Not sure a fishing area is worth the money spent. The only time fishing there is decent is when the white bass run. And otherwise small perch and sheepsheads and an occasional walleye is all one would catch in that are of the river.	2/24/2023 3:55 PM
14	Security and maintenance	2/23/2023 2:59 PM
15	Yes to soccer	2/23/2023 1:40 PM
16	The rotation of the Basketball court is preferred. And it looks like there are berms for folks to sit at as well as prevents some errant balls from either area going into the other. I also like the small amphitheatre, but I would place it in the park itself. Traffic noise may be an issue.	2/23/2023 10:50 AM
17	An amphitheater is likely to be one of the trail's and city's greatest assets. If you allow concerts there, it will exponentially increase the appeal and popularity of the area, especially if you allow people to bring in either their own food and alcohol or those things purchased from nearby vendors (like the ones selling from the food truck area you should put closeby!)	2/23/2023 7:56 AM
18	Same comments as before	2/22/2023 11:03 PM
19	Add Pickleball court	2/22/2023 7:20 PM
20	I like the amphitheater	2/22/2023 7:17 PM
21	Make basketball court at park	2/22/2023 6:39 PM
22	Amphitheater is a great way to get live music and events into town	2/22/2023 9:00 AM

Fond du Lac Downtown Riverfront Plan Survey

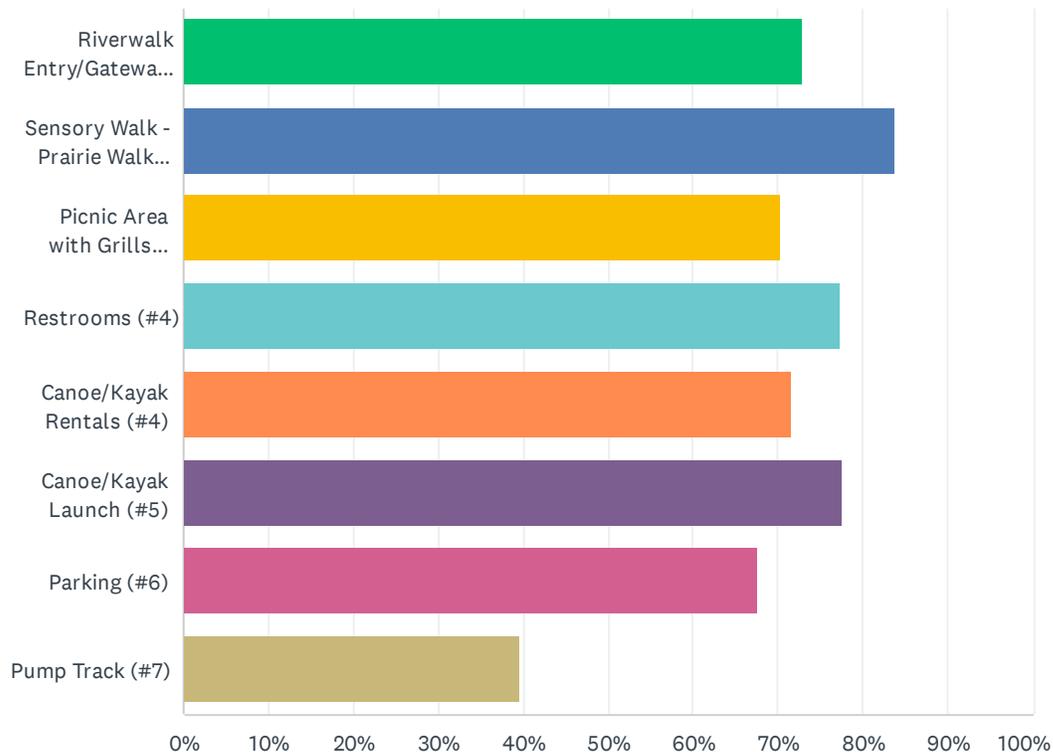

23	All still terrible options. Let's get real FDL.	2/21/2023 9:34 PM
24	I don't see the point in rotating the basketball court. That seems like a waste of money.	2/21/2023 8:39 PM
25	Once again don't like the idea of a field in the middle. A Garden with benches and some art sculptures would be perfect.	2/21/2023 5:34 PM
26	Concept2 is better laid out and has all necessary activity areas. The amphitheater is a great addition.	2/21/2023 9:57 AM
27	Who's going to fix all of the broken and dilapidated rims on the basketball court? We all know that the people who reside in that area of town do not take pride in their living environment...you can see that as you drive through.	2/21/2023 8:52 AM
28	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
29	Bad neighborhood I won't step foot there	2/20/2023 5:29 PM
30	multiple smaller fishing overlooks. maybe with a bench on each	2/20/2023 2:36 PM
31	I visualize this as a quiet restful place, not loud soccer fields	2/19/2023 9:32 PM
32	Add a disc golf course wrapping with the sidewalk	2/19/2023 7:52 PM
33	remove,revamp or move existing playground to make room for new updated double basketball courts	2/19/2023 3:19 PM
34	Like concept 2 better but would like to see a ramp for kayaks	2/19/2023 11:44 AM
35	Additional picnic shelter/restrooms by court would be highly utilized. I think adding soccer would open the park for more use as well. 2nd basketball court would also be wonderful	2/19/2023 9:25 AM
36	Add chess table and place for food trucks	2/19/2023 5:36 AM
37	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:46 AM
38	Same as previous	2/18/2023 7:55 AM
39	Like the amphitheater	2/17/2023 10:37 PM
40	I don't oppose a small amphitheater, but I'm not sure it makes sense to have it at the corner. I feel like traffic noise would impede people's enjoyment of any kinds of performances. Use the open space in the park for something like that, rather than leaving it for a soccer field. I like the idea of some fishing overlooks in this area, so if it would be possible to include some in addition to water access from concept 1, that would be ideal.	2/17/2023 2:48 PM
41	No fishing, soccer or basketball courts. It should be a quiet place for everyone to take advantage of.	2/17/2023 11:10 AM
42	Love concept 2	2/17/2023 7:48 AM
43	Congestion	2/17/2023 4:39 AM
44	1. Same issue as Option 1, some kind of seating is required near a "performance" area. Basketball court better positioned in Option 2	2/16/2023 10:58 PM
45	I like the setup of this better seems to offer moreoptions	2/16/2023 10:02 PM
46	We have enough soccer space	2/16/2023 9:46 PM
47	Again, pedestrian bridge seems a waste of funds. There is a trail planned on the river side and there is a road/sidewalk on the west. No need for the bridge.	2/16/2023 9:29 PM
48	I like how the basketball court and green space for soccer are placed! Also, I do like the idea for an amphitheater, but in my experience they just aren't used as much as you'd like	2/16/2023 7:55 PM
49	Ghetto and flooding	2/16/2023 7:01 PM
50	There should really be ramped access to the water for anyone who has disabilities of any kind. To not include that is ableist.	2/16/2023 5:01 PM

Fond du Lac Downtown Riverfront Plan Survey

51	Same as 1	2/16/2023 3:55 PM
52	Sports area do not belong here	2/16/2023 3:43 PM
53	Prefer this concept over the first one.	2/16/2023 2:35 PM
54	These are not areas that you can improve.	2/16/2023 1:00 PM
55	Fix the flooding first	2/16/2023 12:25 PM
56	I like how it's more accessible to move around the area without trouble. People with wagons, wheelchairs, or something with wheels will also appreciate the added pavement	2/16/2023 12:00 PM
57	Dredging of river needs b done	2/16/2023 11:39 AM
58	Sports courts should stay at regular parks, not scenic areas.	2/16/2023 11:23 AM
59	Should be a relaxing area - no soccer or basketball	2/16/2023 10:52 AM
60	Let's keep the sports out of it. Make it a pretty place.	2/16/2023 10:36 AM
61	None	2/16/2023 10:29 AM
62	i like having an additional amphitheater in the city, prefer fishing overlook rather than access to the river.	2/16/2023 10:01 AM
63	We have enough large open green grass spaces elsewhere in the city.	2/16/2023 9:50 AM
64	Love the amphitheater on this concept	2/16/2023 7:44 AM
65	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:13 AM
66	all good, very inviting, fishing spot will be used since people like to do fishing there already and eat contaminated fish. Again, the city of fond du lac council should make plans on transforming the uninviting environment and stigma before dropping a dime on this area.	2/16/2023 6:25 AM
67	Like the added fishing area and the small amphitheater	2/16/2023 2:51 AM
68	None	2/15/2023 8:14 PM
69	No comment	2/15/2023 5:40 PM
70	You guys mess up Everything You Touch	2/15/2023 4:11 PM

#	RESPONSES	DATE
1	They all seem like wonderful ideas. I would just question the cost of all of it.	2/28/2023 7:08 PM
2	These all seem like great additions	2/28/2023 3:28 PM
3	My fear with the pump track is that it will be a novelty at first and then not get used, becoming wasted space.	2/28/2023 3:23 PM
4	The parking lot seems too far away from everything: picnic/grill area, kayak launch...Making for a long trip with all of your materials	2/28/2023 2:39 PM
5	like kayak area	2/27/2023 9:32 PM
6	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:12 PM
7	Low maintenance is key. Who is going to clean those restrooms? Who is going to rent out the kayaks? Where is the money going to come from to keep things like that going? Seems like a frivolous expense for the city budget.	2/27/2023 8:06 AM
8	I am thrilled to see a pump track!!! And a natural play area and butterfly garden, three things that are missing in our parks. This whole concept is beautiful with the natural theme. Very well done. I love the outdoor exercise area too. I don't think we need grills...somewhere to sit and rest, eat a cold lunch is enough. With the proximity to the city/county building, this will be a popular lunch time destination for hundreds of employees. I also don't think there would be enough business to ever make kayak rentals work. Sorry, until the water quality is improved, it's a no go. For the entry gate, I'm ambivalent, but if it isn't too expensive, this is a good place for it as opposed to further north. Thanks for this design, can't wait to see it happen!	2/26/2023 8:57 AM
9	What is a pump track?	2/25/2023 1:41 PM
10	Love the idea of having kayak rentals	2/24/2023 6:28 PM
11	We already have a skate/bike park.	2/24/2023 3:11 PM
12	Security and maintenance	2/23/2023 3:00 PM
13	Grills and seating	2/23/2023 1:41 PM
14	The parking lot is a good idea, just prefer the lot closer to the picnic area.	2/23/2023 10:55 AM
15	Don't know what a pump track is. I honestly don't know how many people actually use public grills in parks. Their reputation is for being nasty and in bad condition.	2/23/2023 8:00 AM
16	No comment. Terrible options.	2/21/2023 9:35 PM
17	I love the plan overall but I doubt we're big enough to have a kayak rental business in this town. Also I don't know what a pump track is.	2/21/2023 8:45 PM
18	Like the idea of this concept, not as much going on, do not like the idea of a pump track, another natural area/garden would be fine. Also feel like the parking lot is oversized. Little bit smaller would work perfectly.	2/21/2023 5:39 PM
19	Concept 2 is better laid out	2/21/2023 9:59 AM
20	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
21	Again somewhat bad neighborhood over towards Oak st	2/20/2023 5:30 PM

Fond du Lac Downtown Riverfront Plan Survey

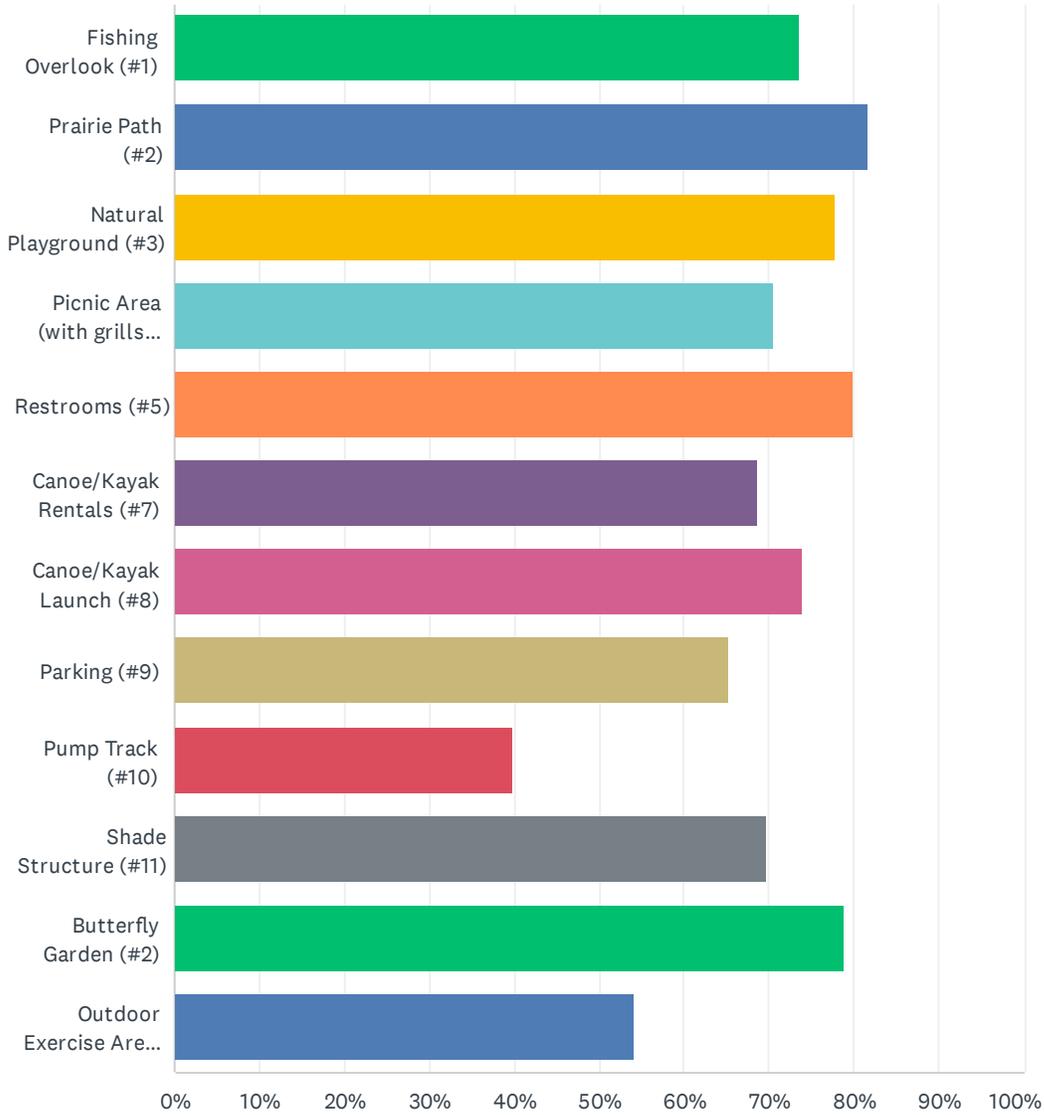

22	fruit trees	2/20/2023 2:38 PM
23	I don't think watercraft rentals at this location make sense.	2/20/2023 12:47 PM
24	good concept	2/19/2023 3:20 PM
25	Parking is too far from picnic area, and there isn't much for smaller children to be safely occupied.	2/19/2023 9:35 AM
26	Add chess table	2/19/2023 5:38 AM
27	This is such a hi crime area, I wouldn't park my car there, much less every go in there unless I carry a gun. A history of gang fights and hi residential crime. don't spend any money here.	2/18/2023 8:19 PM
28	Make the water less dirty if you want more people to kayak in it. Most locals call it the diarrhea canal or sewage river	2/18/2023 10:27 AM
29	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:46 AM
30	There should be no motor vehicle access, so no parking area. Parking should be kept on east side of Macy. I don't know what a pump track is.	2/18/2023 7:58 AM
31	The parking lot being closer seems more inviting.	2/18/2023 3:33 AM
32	Wary of putting people on the river in paddle boats; not sure if picnicking on a hazardous waste site makes sense	2/18/2023 12:25 AM
33	Not sure what a pump track is	2/17/2023 10:39 PM
34	Would love a kayak access!	2/17/2023 10:06 PM
35	Put that track in.	2/17/2023 8:26 PM
36	Don't know what a pump track is?	2/17/2023 5:25 PM
37	The neighborhood in this area is going to need to be cleaned up of crime in order for this to work. Otherwise you won't get people to go here	2/17/2023 3:30 PM
38	All of these ideas are so cool! I'm not as familiar with this neighborhood to picture where everything would go, but I love the ideas.	2/17/2023 2:50 PM
39	The area is pretty much a ghetto - I wouldn't trust people with the restrooms or rentals (\$)	2/17/2023 1:01 PM
40	I see a lot of areas for kids to gather and fight.	2/17/2023 10:59 AM
41	A pump track will be awesome!	2/17/2023 8:37 AM
42	The parking lot it too far from kayak launch. The sensory playground is a wonderful idea!	2/17/2023 7:51 AM
43	What is a pump track?	2/17/2023 6:30 AM
44	Don't much like Option 1 at all!	2/16/2023 11:01 PM
45	The parking is too far from the entry gate	2/16/2023 10:04 PM
46	What is a pump track?	2/16/2023 9:47 PM
47	Assuming a "pump track" is something for skateboards/bikes, we have these in town now and they are seldom used.	2/16/2023 9:32 PM
48	No idea what a pump track is	2/16/2023 8:49 PM
49	Kayak launch on the E Branch is not a good idea. Too often the water level is too low. The kayak launch needs to be in Focus area 1 so that you can go up the W. Branch. Water levels there are always deeper and one can travel much farther up the river and down river to Lake Winnebago.	2/16/2023 8:39 PM
50	I like the parking and placement of the pump track in concept 2 better. Love the prairie walk though!	2/16/2023 8:00 PM
51	Don't know what a pump track is.	2/16/2023 7:43 PM
52	#2 is vital to this focus Area	2/16/2023 6:55 PM

Fond du Lac Downtown Riverfront Plan Survey

53	Some type of beach maybe?	2/16/2023 5:46 PM
54	N/A	2/16/2023 5:03 PM
55	No need for the Pump Track unless it ties to other biking tracks within our community.	2/16/2023 4:41 PM
56	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
57	Leave the river alone.	2/16/2023 1:00 PM
58	Fix the flooding first	2/16/2023 12:26 PM
59	Perfect additional park area!	2/16/2023 12:18 PM
60	I really love that people who do bmx will have a place to enjoy	2/16/2023 12:02 PM
61	I'm not sure how I feel about the commercial part. Ex rentals.	2/16/2023 11:37 AM
62	This area is currently known as a dangerous area of town with fights and other issues occurring often. It'll need to be cleaned up before people will want to enjoy recreation.	2/16/2023 11:24 AM
63	I have concerns about the ability of a rental business thrive. I also have concerns about this neighborhood - will building here improve the area, or will it be vandalized and ruined?	2/16/2023 10:47 AM
64	None	2/16/2023 10:31 AM
65	Kayak rentals and a launch in town would be awesome!	2/16/2023 10:25 AM
66	having more social areas is good, having available kayaks in a location other than the lake could bode well if river is high and clean	2/16/2023 10:03 AM
67	A pump track would be an amazing draw, as the closest track currently is in Madison.	2/16/2023 9:51 AM
68	Sorry, not interested. Nothing unique. Can't you find similar activities elsewhere/at other parks? I don't think residents of Oshkosh will be flocking to this area.	2/16/2023 7:52 AM
69	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:14 AM
70	this is closer to my house, and it would be nice to finally see this area developed the community can use. I would be very excited to see a place for kayak rentals. Which brings up a great point, does the city plan on dredging this river?	2/16/2023 6:28 AM
71	Like both concepts but need parking near grills and picnic maybe I have the scale off though	2/16/2023 2:55 AM
72	None	2/15/2023 8:15 PM
73	What is a pump track?	2/15/2023 6:59 PM
74	No comment	2/15/2023 5:41 PM
75	Not a fan of the parking location for concept 1. What is a pump track?	2/15/2023 2:15 PM

Q32 Referring to Concept 2, which of the following elements do you support? Check all that apply.

#	RESPONSES	DATE
1	all great additions	2/28/2023 3:31 PM
2	I do not think the outdoor exercise area is needed and it feels like 'an extra thing' we trying to jam into the overall space. The equipment at Lakeside Park rarely gets used. Again, it'll be a novelty at first and then not get used and rust away. It's just an outdated concept.. Again, the pump track doesn't seem like it'll have longevity in terms of use. I think the kayak rentals is a fantastic idea for equity and access! The grills are also a great idea to encourage family gatherings in this area.	2/28/2023 3:26 PM
3	I absolutely love this concept! Sounds like a place I would hang out.	2/28/2023 2:40 PM
4	like kayak area even more	2/27/2023 9:32 PM
5	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:13 PM
6	Really like the idea of having a natural playground. Have seen amazing examples of these elsewhere, and my kids always loved them.	2/27/2023 8:51 AM
7	you keep wanting to add cement and hardscape items...over time, that looks like crap	2/27/2023 8:26 AM
8	Stay away from hardscaping.	2/27/2023 8:10 AM
9	Sorry, I got my comments mixed up. I love the extra elements in this plan. Ditch the parking lot and it is perfect.	2/26/2023 8:59 AM
10	Again, what is a pump track?	2/25/2023 1:42 PM
11	I wish the city had a nature center with activities and classes and such. We have to drive quite a long ways to be able to visit a nature center.	2/25/2023 7:01 AM
12	Excellent: parking, canoe/kayaks, butterfly garden	2/24/2023 6:28 PM
13	There are other parks with this option available.	2/24/2023 3:12 PM
14	I don't see people using the exerise areas in lakeside park, Fishing is best at lakeside park	2/23/2023 3:03 PM
15	Not sure if the existing exercise area in Lakeside is used enough to have a second. The natural playground is a wonderful idea, especially next to the prairie trail.	2/23/2023 10:57 AM
16	Do people actually use those things???	2/23/2023 8:01 AM
17	Would the sensory walk be nature or for children? I think either way would be cool, but I know we have a large special needs population (and a population of children in general)	2/22/2023 7:19 PM
18	Overall I like concept 2 better, but I enjoy either	2/22/2023 6:47 PM
19	I think concept 2 is better with the parking lot closer to the kayak launch	2/22/2023 9:42 AM
20	Concept two is way better than concept One	2/22/2023 7:15 AM
21	Still not getting what is going on. Think outside the box. This is terrible.	2/21/2023 9:37 PM
22	Love this concept as well. I like that this plan has a butterfly garden to help our local wildlife thrive. I also like that you have some exercise equipment there. I'm sure joggers and cyclist would enjoy adding a little variety to the middle of their workouts. Maybe throw in a pull up bar or two of different heights? As I said with the other one, I don't think we can support a kayak rental business. Last thing I didn't like was the shade structure. I just don't get it. It looks too far away from everything else. Maybe this map isn't the best way of showcasing what it is.	2/21/2023 8:50 PM

Fond du Lac Downtown Riverfront Plan Survey

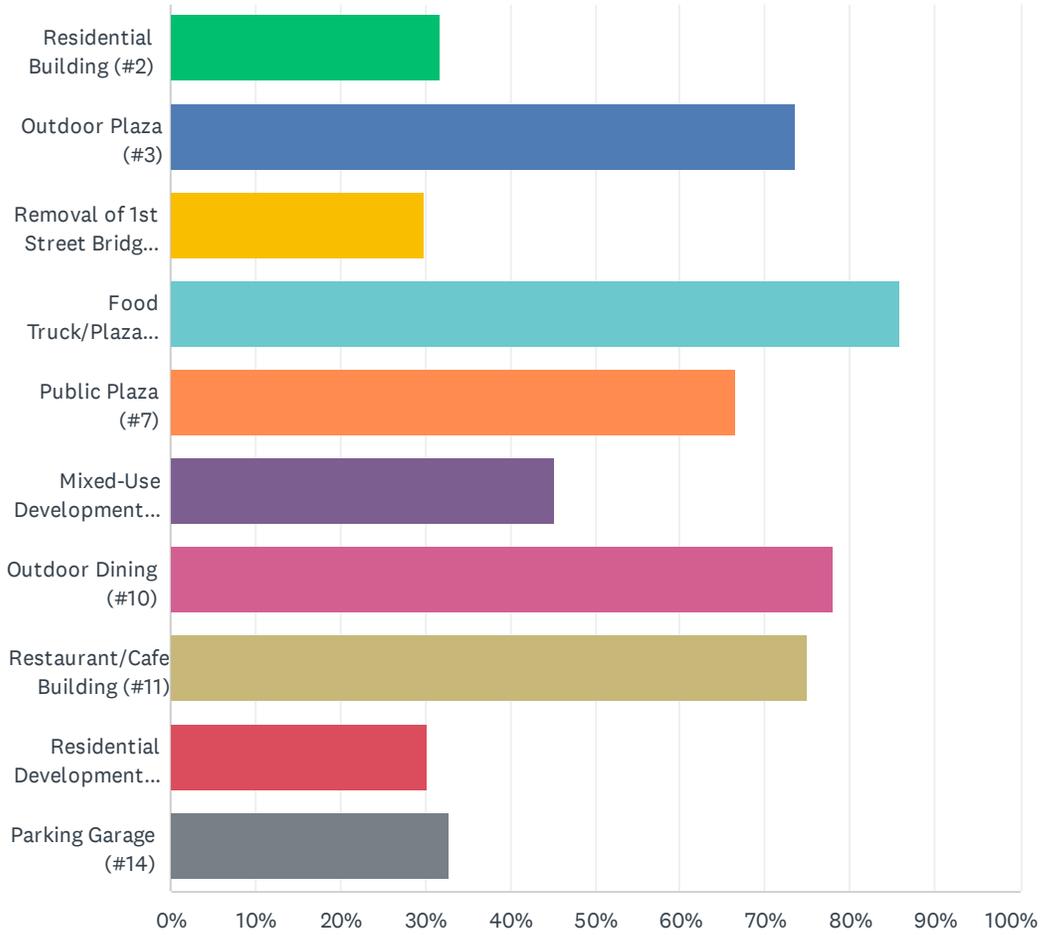

23	Love this concept way better then the first one. Except the pump track. Still think there should be a garden or something else more natural.	2/21/2023 5:45 PM
24	Concept 2 is better laid out with more amenities. Parking is centrally located. Having a shades structure is a waste I believe with enough trees should be enough shade. Unless the shades structure was large enough to rent out for group events	2/21/2023 10:01 AM
25	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
26	Clean up the neighborhood	2/20/2023 5:31 PM
27	do not put parking in the middle of the place that is supposed to be about being in nature. on the outside of it is fine	2/20/2023 2:41 PM
28	no exercise area. instead do a single basketball court or volleyball with sand for summer purposes	2/19/2023 3:21 PM
29	Add a small parking area by the butterfly garden and pump track. The shade area there is a great idea, maybe add something in butterfly area, too. A small water feature(bubbling stone, pondless waterfall) to attract wildlife in the garden and on the walking path.	2/19/2023 9:40 AM
30	hi crime area, won't ever visit this place. Need to carry a gun here.	2/18/2023 8:20 PM
31	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:46 AM
32	Same as previous	2/18/2023 7:58 AM
33	More trees instead	2/18/2023 3:34 AM
34	What is a pump track?	2/18/2023 12:26 AM
35	Put the track in.	2/17/2023 8:28 PM
36	This city could never maintain an outdoor exposed exercise area. It would be trashed in 2 years.	2/17/2023 6:15 PM
37	Again the neighborhood surrounding this is going to need to be cleaned up in order to attract people	2/17/2023 3:31 PM
38	Again, I love these ideas! Especially a butterfly garden! A natural playground sounds so cool. My kids think just climbing around on the rocks in Veterans Park is really fun, so I think kids would love that! So many awesome things!	2/17/2023 2:51 PM
39	clean the river	2/17/2023 2:49 PM
40	Same as Concept 1	2/17/2023 1:01 PM
41	vandalism	2/17/2023 11:00 AM
42	Would like to keep sensory playground	2/17/2023 7:52 AM
43	Much nicer layout than Option 1!	2/16/2023 11:03 PM
44	Not sure where the entry point is but the parking seems more convenient	2/16/2023 10:07 PM
45	What is a pump track?	2/16/2023 9:48 PM
46	I prefer this concept to the first one. Again the pump track, if for skateboards and bikes, would be what already exists in town and is seldom used.	2/16/2023 9:34 PM
47	Less busy, more natural	2/16/2023 9:07 PM
48	Kayak activity here is misplaced. Not sure the exercise equipment makes sense here. Might be better utilized in Focus area #2	2/16/2023 8:41 PM
49	Work out someplace else. We want a natural relaxing setting.	2/16/2023 8:22 PM
50	Love the butterfly garden!	2/16/2023 8:01 PM
51	N/A	2/16/2023 5:03 PM

Fond du Lac Downtown Riverfront Plan Survey

52	Enjoy this concept over 1.	2/16/2023 4:00 PM
53	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
54	Improve other existing parks	2/16/2023 1:00 PM
55	Fix the flooding first	2/16/2023 12:27 PM
56	I love a butterfly garden!!!!	2/16/2023 12:02 PM
57	Like concept 2 better than concept 1	2/16/2023 11:35 AM
58	This area is currently known as a dangerous area of town with fights and other issues occurring often. It'll need to be cleaned up before people will want to enjoy recreation.	2/16/2023 11:25 AM
59	Add more bathrooms overall	2/16/2023 11:13 AM
60	None	2/16/2023 10:33 AM
61	A prairie path would be nice but could look either bare ore overgrown. With the path near the UW school it would be nice to have variety	2/16/2023 10:04 AM
62	A pump track would be an amazing draw, as the closest track currently is in Madison.	2/16/2023 9:52 AM
63	We already have the outdoor exercise area at Lakeside Park - does it get used much?	2/16/2023 8:14 AM
64	Canoe rentals are a unique idea. Not for me but perhaps others. How does this do at Lakeside Park?	2/16/2023 7:53 AM
65	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:15 AM
66	again happy to see the investment here, this concept seems better than one and how it is laid out.	2/16/2023 6:29 AM
67	None	2/15/2023 8:16 PM
68	No comment	2/15/2023 5:42 PM

Q37 Please use this space to share any comments, ideas, or concerns you may have for Concept 1 for the Riverfront Development Area.

Answered: 68 Skipped: 899

#	RESPONSES	DATE
1	a food truck/plaza space in that area will draw people away from Main Street	2/28/2023 3:36 PM
2	I do not think we need another parking garage downtown, there is plenty of onstreet parking within walking distance! I also oppose #5 Bakery Parking shown in the picture but not listed above - don't waste riverfront area with parking lot, save it for green space. LOVE the idea of getting rid of the 1st street bridge! WOW this would truly refine that entire area and be fresh.	2/28/2023 3:36 PM
3	Taking out the bridge is a little much, but I rarely use it. I'm a huge fan of more outdoor dining along the river, but in this location, sounds terrible. Not a very scenic area. The parking garage is a fantastic idea!! We could use more space to park for downtown businesses.	2/28/2023 2:50 PM
4	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:22 PM
5	I love the idea of taking out the bridge. So much of FDL is car focused, this make the area pedestrian focused and uninterrupted. Now to eliminate 4 and 5.....and that parking garage right on the front....that's where we need the uninterrupted green space.	2/26/2023 9:06 AM
6	I don't understand the necessity of a parking garage, and why remove the bridge?	2/25/2023 1:46 PM
7	I don't know enough to have an opinion.	2/24/2023 8:04 PM
8	Our city does not need any more commercialization and parking ramps. Only way I would think an amphitheater would be useful is if we actually had bands play it in the summer on a weekly basis is like water fest in oshkosh	2/23/2023 11:26 PM
9	Maintenance	2/23/2023 3:05 PM
10	Are the existing businesses willing to sell their properties to make these concept a reality? Many more moving parts than any of the previous designs. If Dreifuerst is no longer at the their current location. The bridge could be removed for either Concept.	2/23/2023 11:21 AM
11	I am not in favor of moving the bakery parking in front of the post office	2/23/2023 8:42 AM
12	Yes, yes, yes!!! Mixed use, trendy residential, food trucks, outdoor dining, restaurants/bars are your lynchpins. These would elevate the area FAR beyond what a general improvement to the existing trail would. The other amenities help draw people, but the above both keep them there and become destinations of their own.	2/23/2023 8:05 AM
13	Residential buildings would be great IF AND ONLY IF it isnt low income buildings. Looking forward to more restaurants, bars and cafes	2/22/2023 9:46 AM
14	Concept one is better because it seems more inviting	2/22/2023 7:18 AM
15	Again no clue FDL	2/21/2023 9:38 PM
16	Interesting but I think this area is hard to redesign. I suggested going against making the plaza #7 because I don't think it would be used considering how close Hamilton park is to it. Also I think the food truck idea wouldn't work in this location.	2/21/2023 9:01 PM
17	Don't know what to say about this concept, We don't need another parking garage, the bridge being removed I feel like is a good idea. Anything is better then what is there now in the space.	2/21/2023 5:52 PM
18	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
19	Again terrible neighborhood at forest apartments don't eel safe	2/20/2023 5:36 PM

Fond du Lac Downtown Riverfront Plan Survey

20	removing the bridge is fine but put in a pedestrian bridge if you want more foot traffic in the area	2/20/2023 2:44 PM
21	This would be great if we could do it.	2/20/2023 12:51 PM
22	no residential in that area. also no need for another parking garage. instead make it a hotspot for new bars and restaurants and cafes and a place where people can gather at anytime of day to enjoy things from those new businesses	2/19/2023 3:25 PM
23	People will use the residential parking for #2 to use the park on Forest Ave.	2/19/2023 9:49 AM
24	No low income housing	2/19/2023 8:34 AM
25	Have the residential development look like the new buildings on the river in west bend	2/19/2023 5:44 AM
26	Don't waste my tax dollars on fixing this town. it'll just be ruined by the low life's you keep bringing in.	2/18/2023 9:47 AM
27	This survey has become confusing and over overwhelming.	2/18/2023 8:01 AM
28	Bridge should be turned into a pedestrian crossing bridge.	2/18/2023 7:30 AM
29	Adding a parking garage would be too industrialized for that area.	2/18/2023 3:38 AM
30	I support residential development as long as it's not low income designation	2/18/2023 2:30 AM
31	Maybe add a pedestrian bridge over the river	2/18/2023 12:30 AM
32	When you offset all the people living in scummy landlord houses to these residential units, what will you do with the dozens of half decayed houses around town?	2/17/2023 6:19 PM
33	Keep the fonddulac River beautiful	2/17/2023 6:04 PM
34	Stop putting housing on Main Street Removal of bridge is good idea, waste of space as a culdasic	2/17/2023 5:50 PM
35	I love the addition of the parking garage, plaza, food truck space. Let's make concept #1 happen!	2/17/2023 3:25 PM
36	I do not support removing a bridge on 1st Street. I think people would be upset with the Post Office being right there. I think the possibility of adding more residential or mixed-use space is awesome; young people want to live closer to downtown areas! A plaza for food trucks would be awesome for downtown. I don't think a parking garage right by the river is the best use of space, though.	2/17/2023 2:54 PM
37	clean the river	2/17/2023 2:50 PM
38	If the residential buildings are NOT apartments or low income housing then I support them. I'd like to see nicer owned townhomes and condos.	2/17/2023 1:43 PM
39	We don't need more residential buildings in this space.	2/17/2023 11:16 AM
40	Love the food truck area	2/17/2023 7:54 AM
41	No low income housing. This is already a high crime area, which limits and prevents visitors.	2/17/2023 6:36 AM
42	All horrible ideas. Cost. Taxes are already high.	2/17/2023 6:08 AM
43	1st Street is a major thoroughfare, should not be closed causing traffic congestion.	2/17/2023 4:43 AM
44	Don't like the look of Concept 1 at all!	2/16/2023 11:08 PM
45	Is there a bike path? Or bike parkng	2/16/2023 10:12 PM
46	More focus on use for all, not residential ownership	2/16/2023 9:50 PM
47	It would appear these plans include getting rid of existing buildings/businesses. We have already given over riverfront property to housing along Brook St. I do not believe this area is good for that, especially if you are planning more low income/income assisted housing. No parking ramps should be added along the river. Removing the 1st St. bridge would force everyone leaving the PO to go west to Military. Unless you had already planned going that direction it doesn't work. For everyone living East, or evening planning to go East it takes away	2/16/2023 9:42 PM

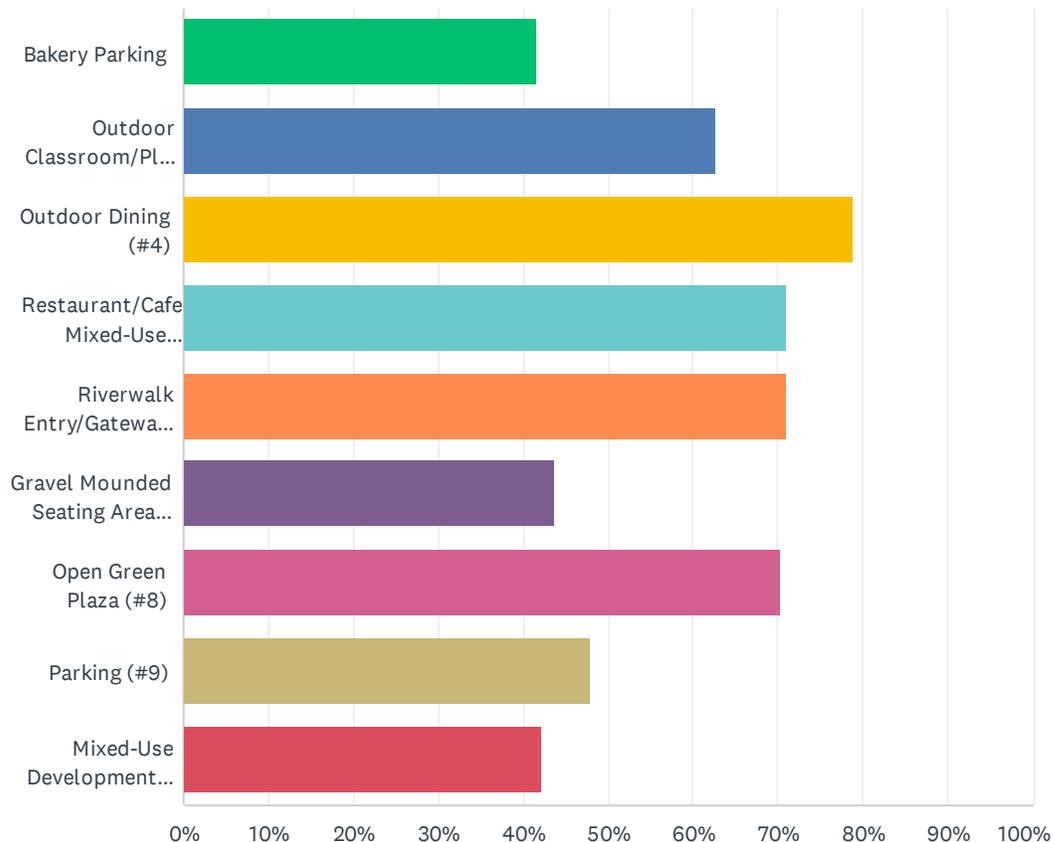

Fond du Lac Downtown Riverfront Plan Survey

that option. Unless the PO is planning to go back to two way so we can again exit on 2nd St. This would also force everyone using the drive up mail drops to basically drive a circle.

48	Instead of adding more let's clean up the run down buildings already in downtown find du lac and build it up	2/16/2023 9:10 PM
49	Your survey is way toooo long. i do not have time to continue	2/16/2023 8:42 PM
50	Outdoor dinning would be very nice, big plaza with lights and removal of bridge would help bring a new atmosphere for newer generations in	2/16/2023 5:48 PM
51	N/A	2/16/2023 5:05 PM
52	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
53	Concern that the residential building would turn into low income housing which would be a draw back to the beautification of the downtown area	2/16/2023 2:29 PM
54	Fix the flooding first.	2/16/2023 12:28 PM
55	I don't like Concept 1 because it involves closing a street and demolishing some decent buildings. The buildings that really need to be demolished are the Forest Apartments and that bakery needs to be rebuilt so it doesn't look like an eyesore.	2/16/2023 11:44 AM
56	If there is a residential building (#2), will the outdoor plaza (#3) be open to the public, or considered to be a private part of the residential building? I do not like the idea of taking out the 1st St. bridge.	2/16/2023 11:29 AM
57	Can we re-use existing structures and give them new use?	2/16/2023 10:56 AM
58	Who would want to eat by that smelly July River?	2/16/2023 10:56 AM
59	None	2/16/2023 10:38 AM
60	Having more outdoor dining and food trucks is good. Overcrowding the area with residential buildings could hamper the use of the space for others.	2/16/2023 10:06 AM
61	No to removing the 1st street bridge.	2/16/2023 8:15 AM
62	I don't see that this will bring people to this area. For every restaurant that opens, one will close. Seven years ago I spent \$400K on a restaurant, I rent the building. Who will work there? I don't see this working. Nice ideas that look nice on paper.	2/16/2023 8:02 AM
63	Do not remove the first street bridge.	2/16/2023 7:58 AM
64	If the bridge is removed it should be replaced with a pedestrian bridge	2/16/2023 7:48 AM
65	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:16 AM
66	seems like there needs to be more than a plan view to make an informed comment on this idea. A lot of expenditure and resources appears to be going on here. When I read "residential development" I read "COMMONWEALTH" and low-income housing and more invitation for more problems.	2/16/2023 6:33 AM
67	None	2/15/2023 8:18 PM
68	City crew is completely useless	2/15/2023 4:12 PM

#	RESPONSES	DATE
1	This is REALLY a lot for 1 survey. You're looking at billions of dollars with all the ideas you are presenting.	2/28/2023 7:16 PM
2	Preferred the Residential Building in Option 1 vs the Outdoor Classroom space in Option 2	2/28/2023 3:38 PM
3	I like everything about this concept, but just add in the removal of the 1st street bridge. :)	2/28/2023 3:37 PM
4	Something about a gravel mounded seating area not only sounds uncomfortable, but also not aesthetically pleasing. Again, I love outdoor dining, but this location is less than desired for that.	2/28/2023 2:52 PM
5	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:24 PM
6	I like this river treatment better. If you haven't noticed the theme, please get the parking off the river. It's only used during the day and frankly the area needs a continuity of green public walking space to be attractive and successful. I think of Houston, TX, by the George R Brown, they took out all the surface lots at the front and put in the most beautiful park space. Made me angry at first, it's much less convenient, but now I love it! It is so wonderful to have that space to go out to at lunch or for other breaks and here is always something fun happening there. Green space/public is healing and transformative and our downtown needs this. Gorgeous thoughtful designs. Thank you so much.	2/26/2023 9:16 AM
7	Clean the river	2/25/2023 7:57 PM
8	More info on these gravel mounds? Sounds ugly. Will wash away when the river floods.	2/25/2023 1:48 PM
9	This would be a great location for a small performance set up	2/25/2023 6:37 AM
10	I prefer concept 1 because you don't really need a bridge at every street	2/24/2023 8:36 PM
11	Add taking out bridge to this option.	2/24/2023 3:15 PM
12	Security and maintenance management	2/23/2023 3:06 PM
13	If the 1st St. bridge is removed could numbers 7 & 8 slide north and the parking garage still be in play? I could see it being utilized by the Government Building (M-F) as well as Farmers Market Saturdays and Fondue Fest.	2/23/2023 11:26 AM
14	This is a much better usage of space	2/23/2023 8:42 AM
15	Do we need another bakery? I think the outdoor classroom is great!	2/22/2023 7:24 PM
16	A gravel mounted seating area just doesn't sound like a good idea anywhere. It just doesn't sound nice.	2/21/2023 9:03 PM
17	Love this concept way better. A lot more space around the river. Not as many buildings. I like the green plaza. Could also add a fishing access point down by the river walk entry. The bakery parking lot seems a little big, but overall, I like the idea. Anything better then what is there now.	2/21/2023 5:59 PM
18	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
19	Bad neighborhood clean it up 1st	2/20/2023 5:40 PM
20	Is that parking lot needed?	2/20/2023 12:53 PM
21	Like this concept	2/19/2023 11:18 PM

Fond du Lac Downtown Riverfront Plan Survey

22	Outdoor play space for children would be amazing	2/19/2023 7:54 PM
23	instead of parking and open green. make more buildings for restaurants and bars and cafes to revamp the area and be a place where people can gather	2/19/2023 3:26 PM
24	Closing 1st Street Bridge is a good idea to slow traffic, but maybe add a pedestrian bridge? Have a community garden instead of only green space and gravel seating areas. Some mix of both? Or have a garden and more seating along the path from 1st to 2nd street with fishing areas?	2/19/2023 9:55 AM
25	Concept 1 will bring more people to the area and be a better use of funds	2/19/2023 7:39 AM
26	With advocap, boys & girls club, and the ymca in close proximity- is it really wise to have a water entrance?	2/18/2023 6:15 PM
27	Don't waste my tax dollars on fixing this town. it'll just fbe ruined by the low life's you keep bringing in.	2/18/2023 9:47 AM
28	Not enough change.	2/18/2023 3:40 AM
29	Add pedestrian bridge	2/18/2023 12:31 AM
30	Prefer concept #1	2/17/2023 3:26 PM
31	I don't know what is meant by bakery parking? What bakery is here? All of the outdoor spaces sound cool, though. I'd like to see art mixed into this area as well!	2/17/2023 2:55 PM
32	clean the river	2/17/2023 2:51 PM
33	Like concept 1 better	2/17/2023 7:56 AM
34	Remove 1st St bridge and incorporate aspects such as #9 & #11 from concept 1 into concept 2. No low income housing as area is already high in crime. Also add water access for boaters visiting restaurants/businesses.	2/17/2023 6:41 AM
35	Cost.	2/17/2023 6:08 AM
36	Better "Bakery parking" has been needed for YEARS the current lot is a disgrace. Overall, Concept 2 looks somehow "cleaner" and better coordinated.	2/16/2023 11:12 PM
37	That type of seating is difficult for older people. Also make sure there are entry of seats along the Riverwalk so us old folks can sit and rest as needed. Vending machine area with water soda?	2/16/2023 10:15 PM
38	Focus on use for all not private development	2/16/2023 9:51 PM
39	I have some concerns on the mixed use development. some of this area, I believe, already contains businesses. Are there plans to force them out? Overall concept 2 seems preferable as it does not include any residential buildings.	2/16/2023 9:45 PM
40	Put the development closer to the water to keep all the car parking on the outside of the river walk.	2/16/2023 9:11 PM
41	I prefer concept 1	2/16/2023 8:40 PM
42	I don't have any actual problems with Concept 2, but having seen Concept 1, I LOVE the idea of closing off 1st Street so that the east side of the river can be developed. Without closing 1st street, the concept falls flat.	2/16/2023 6:48 PM
43	N/A	2/16/2023 5:05 PM
44	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
45	Fix the flooding first.	2/16/2023 12:28 PM
46	More parking is good, but again we shouldn't demolish nice buildings and leave the worst building (Forest Apartments) there.	2/16/2023 11:45 AM
47	I prefer this to Option 1. I would like to see the food truck court added to this option.	2/16/2023 11:31 AM
48	None	2/16/2023 10:41 AM

Fond du Lac Downtown Riverfront Plan Survey

49	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:20 AM
50	seems like there needs to be more than a plan view to make an informed comment on this idea. A lot of expenditure and resources appears to be going on here. Now I wonder if "COMMONWEALTH" has a hand in all of this.	2/16/2023 6:35 AM
51	Do not understand 7	2/16/2023 3:00 AM
52	None	2/15/2023 8:20 PM
53	The city of Fond du lac is completely incompetent for a project like this	2/15/2023 4:13 PM

Q41 Is anything missing from the concepts that should be included in the master plan? Please describe.

Answered: 105 Skipped: 862

#	RESPONSES	DATE
1	Anything that is adding downtown residential space with parking and green space is a benefit, but the green space could have outdoor gas heated "firepits" for additional ambiance. Kayak launches with rentals is perfect, but it might make more sense near the restaurants and outdoor dining.	2/28/2023 3:43 PM
2	Great job!	2/28/2023 3:40 PM
3	It would be nice to see some mixed use housing and businesses, places like grafton and west bend reall have made their river a centerpiece	2/28/2023 2:19 PM
4	What is going to be done to clean up the river? Is there an ultimate plan to have people walk, play, swim and boat in the river system? How is this going to happen and be maintained?	2/27/2023 8:24 PM
5	where is the upkeep money going to come from: you build all this nifty new structures and unless the city keeps it looking good, it will fall into disrepair and look crappy, and it won't tale long for it to look like crap	2/27/2023 8:36 AM
6	I know this is focused on the river front, but I'm wondering about the connection to the downtown and the funneling between the two areas. Forest Ave? Or will this be the destination? How would it connect with the farmers market?	2/26/2023 9:21 AM
7	Trees! More activities for kids. Perhaps something like the gazebos at Lakesude Park for weddings, plus shelters that could be rented. Not seeing a lot of handicap options. Water fountains?	2/25/2023 1:56 PM
8	Nature center. Bouldering wall for climbing.	2/25/2023 7:03 AM
9	I would also like to see a rehabilitation of the historic churches in the area--the Episcopal Cathedral and the Greek Orthodox Church. Both could become "tourist" destinations if fixed up and maintained.	2/24/2023 10:01 PM
10	Is there a ways you could extend the path up along the whole way of the river	2/24/2023 8:36 PM
11	Bicycle rentals	2/24/2023 5:32 PM
12	Just love and want to continue seeing more art, flowers and lighting in unsafe areas.	2/24/2023 1:12 AM
13	Security aspects(cameras, emergency response buttons)	2/23/2023 11:28 PM
14	Bike lock up structures Fresh water availability	2/23/2023 3:08 PM
15	Fruth Field plan	2/23/2023 1:44 PM
16	Hopefully there will be map boards along the entire area, showcasing the entire design when it's finished so folks can find the many new features of the Riverwalk. And if the city gets those bike rentals, they would also be a good addition.	2/23/2023 11:33 AM
17	Micro brewery. What is wrong with you people.	2/21/2023 9:41 PM
18	If I were a city planner I'd try to connect all of the cities trails so that people could jog and bike without fear of being hit by a car. That being said, the plans presented in this survey are about the center of town.	2/21/2023 9:09 PM
19	Skate area, area for wildlife	2/21/2023 7:58 PM
20	Perhaps the master plan is to aggressive and could be scaled back.	2/21/2023 7:31 PM
21	More natural areas and gardens in place of some ideas. Maybe add the idea of adding some plaques dedicated to the fish that swim in the river, and facts about them. I also think that	2/21/2023 6:16 PM

Fond du Lac Downtown Riverfront Plan Survey

some of the trees that are planted should be willow trees. They will suck up a-lot of water, which will help control flooding by the river during rainy months.

22	Yes, biking and kayaking "loops. Bikes on the Macy, Marr, Western, Merrill loop. Kayaking/skating on the east/west branches of the Fdl River with a link between the two down near Marr street	2/21/2023 8:58 AM
23	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
24	Lack of boat/lake access	2/20/2023 8:27 PM
25	A venue for local, regional and national bands(I'll do the booking!)	2/20/2023 6:23 PM
26	Dogs need to be included	2/20/2023 3:29 PM
27	native plants along the river. smaller but more fishing overlooks. picnic tables with views. one centralized area for food trucks to be. a small stage for weekly summer live music with plenty of grassy area around to sit or picnic. bubblers along path. garbages and dog waste bags along path. emergency button stations along river path like they have on college campuses. some kind of coffee shop near the river people love walking with coffee. decorate the crap out of the area in the winter with cute lights and those heating things and maybe little bon fires. we need some kind of place down town with only hot dogs.	2/20/2023 2:58 PM
28	Along the trails or in plazas we could have Fond du Lac history exhibits. FDL is one of the oldest cities in WI, was an important rail head and is a major indian and geological site. Those could be featured as well. We have the original corner stones from old buildings, maps that could be reproduced, and informational signage. Relatively inexpensive and low maintenance.	2/20/2023 12:57 PM
29	Bee friendly areas	2/19/2023 11:21 PM
30	Bus stop?	2/19/2023 10:36 PM
31	No	2/19/2023 9:07 PM
32	Disc golf would be nice to have in a city park besides Adelaide.	2/19/2023 7:56 PM
33	Cleaning up the river.	2/19/2023 7:54 PM
34	The safety of those areas. They should put in emergency buttons like at Marian	2/19/2023 7:44 PM
35	Something for the teens to do	2/19/2023 4:19 PM
36	no but add more attractions. ex:restaurants,bars,cafes,arcades	2/19/2023 3:28 PM
37	Bring back more native trees and wildflowers, ferns, grasses etc	2/19/2023 12:45 PM
38	More fishing spots downtown. Lighting for the basketball courts. More trees or shade to rest in along the Riverwalk. It is used by so many who are disabled or elderly and i think that would be so helpful. Currently the Riverwalk slopes to the river, and in winter it gets really icy and there's nothing to stop someone from skipping and sliding in in certain areas... maybe railings for these areas.	2/19/2023 10:05 AM
39	Are there going to be any security cameras to ensure people aren't abusing or wrecking anything? Are there going to be open/closed hours? Or will it be open 24/7?	2/19/2023 6:06 AM
40	Chess tables and food truck areas	2/19/2023 5:50 AM
41	Don't forget about the 12-18 age group to give them a safe place to be involved in the community- ask them what they would want	2/18/2023 8:58 PM
42	Will you be adding more police presence to patrol these areas and keep them all from becoming so vandalized with property destruction?	2/18/2023 8:25 PM
43	Clean up the city before wasting money	2/18/2023 4:26 PM
44	Swings and more art along the river wall. Kayak rentals would be awesome but that river must be cleaned	2/18/2023 10:30 AM
45	You should add a spot for everyone to shoot up heroine together	2/18/2023 9:48 AM

Fond du Lac Downtown Riverfront Plan Survey

46	Murals	2/18/2023 3:40 AM
47	Removal of the white apartment, buildings by the bakery, and the rest of the clean up the Hamilton area residential	2/18/2023 2:31 AM
48	Splash pad	2/18/2023 2:23 AM
49	Pedestrian bridges over river	2/18/2023 12:31 AM
50	The neighborhoods in these target areas must be improved. Better housing and reduction in crime are essential.	2/17/2023 11:38 PM
51	I'm sure bike racks are included	2/17/2023 10:48 PM
52	More public restrooms throughout plan	2/17/2023 9:38 PM
53	Wheelchair accessible	2/17/2023 7:34 PM
54	No	2/17/2023 7:30 PM
55	Boat tie up?	2/17/2023 7:25 PM
56	Handicap kayak launches	2/17/2023 7:17 PM
57	It is missing a proof of need.	2/17/2023 6:52 PM
58	Beer garden!	2/17/2023 6:43 PM
59	Not that I can think of. There are lots of great ideas.	2/17/2023 6:27 PM
60	This town needs more than mercury to rely on. We need to focus on putting money into jobs. We also need subsidized child care because maybe 10% of the population in this town can't work because there aren't enough day care centers. And actually requiring landlords to hold standards on the homes around town would increase property value and quality of life for those stuck living in them.	2/17/2023 6:25 PM
61	Native pollinator plants.	2/17/2023 6:13 PM
62	More playgrounds	2/17/2023 6:05 PM
63	Childcare, indoor family attractions, fun set boulevarde-esque/trampoline park	2/17/2023 5:51 PM
64	None at this time	2/17/2023 4:51 PM
65	Cleaning up the river, too much sludge	2/17/2023 4:44 PM
66	More food and drink options along the river	2/17/2023 3:27 PM
67	I kayak this river frequently, the river *in town* is disgusting and often unnavigable because of low levels. In the specific area referenced, the water is especially fowl.	2/17/2023 3:00 PM
68	The river clean up is a must. To much contamination. The city needs to revitalize these resources.	2/17/2023 2:30 PM
69	Historical/interpretive displays regarding what once occupied the corridor including its business/railroad uses.	2/17/2023 10:52 AM
70	Accessible/universal designed play space	2/17/2023 8:39 AM
71	Maybe a fountain? Volleyball courts?	2/17/2023 7:57 AM
72	Dredging of rive	2/17/2023 7:55 AM
73	I can't think of anything off the top of my head. This survey took me waaaay longer to complete than I'd expected!	2/16/2023 11:16 PM
74	Seats all throughout to accommodate the elderly. Bike path and parking. Locker area and drink vending machine. Make sure the seating is comfortable so people can sit without feeling all in pain.	2/16/2023 10:18 PM
75	A better idea of exactly what these water access areas will look like.	2/16/2023 9:50 PM
76	Add a splash pad(s). Have/keep as much low maintenance green space as possible.	2/16/2023 9:46 PM

Fond du Lac Downtown Riverfront Plan Survey

77	Not that I can think of at the moment.	2/16/2023 9:31 PM
78	More gardens. Less concrete	2/16/2023 9:13 PM
79	Is there any idea on how to clean that river up?	2/16/2023 8:56 PM
80	This plan is delusional. Waste of money.	2/16/2023 8:39 PM
81	Areas you can still enjoy in the rain on a warm day	2/16/2023 8:26 PM
82	Maybe water bottle fill stations	2/16/2023 8:14 PM
83	Some sort of barrier along the river where there will be no improvements. Many people fall into the river every year	2/16/2023 6:58 PM
84	Outdoor speaker system to play music during the day and night, cool lighting, elevated lookout tower	2/16/2023 5:51 PM
85	What about a splash pad?	2/16/2023 5:26 PM
86	Public transport ie: trolley? connect park to downtown.. Winter activity areas?	2/16/2023 5:07 PM
87	N/A	2/16/2023 5:06 PM
88	I feel people in the community are looking for outdoor entertainment downtown. Keep things close to the downtown business district so they can work hand in hand with business. Stay focus on who would typically use this space without creating it to attract a wide range of people. If people are enjoying the outdoors and lunch they don't want to hear a basketball game going on near by.	2/16/2023 4:49 PM
89	Spaces for street performers- musicians, singers	2/16/2023 4:22 PM
90	More green natural space	2/16/2023 2:08 PM
91	West branch development might be something to consider in the future.	2/16/2023 1:54 PM
92	Enclosed dog park or bird watching area	2/16/2023 1:17 PM
93	Dredge the River, encourage mixed use and reuse existing space	2/16/2023 12:52 PM
94	Fix the flooding first.	2/16/2023 12:30 PM
95	Small boat access from Winnebago might be possible and desirable to have. However, the head clearance of the old disused railroad bridge poses an issue and it would have to be dismantled. Maybe this is a good excuse to finally collaborate with CN to get rid of it? Also the north Brooke Street Bridge is very narrow due to the center support. It is also currently is blocked by a large fallen tree under the waterline. Replacement of this. Bridge could get some boats up to the main river area.	2/16/2023 12:21 PM
96	Safety, police presence, and maybe some collective work or grants to improve the existing residential areas and remove the Forest Apartments. We need to see gentrification of this entire area before anyone is going to feel good or safe spending time recreationally there. Parts of what is included in the master plan are in the worst areas of town.	2/16/2023 11:48 AM
97	Make sure accessible to mobility impaired persons	2/16/2023 10:58 AM
98	None at this time	2/16/2023 10:55 AM
99	As my wife and I paddle that part of the East Branch regularly. The residents treat it like a dumpster. In addition to countless bottles and cans we see bikes, mattresses, shopping carts and furniture. There should be a plan to clean it up annually.	2/16/2023 10:47 AM
100	Plan something for the kids to keep them from staying off the streets something like a remote control car and truck park.	2/16/2023 10:46 AM
101	Having places to place and lock bikes would be appreciated. I live a few blocks away and would want to bike not drive there. Dog friendly water fountain would be nice	2/16/2023 10:08 AM
102	You can not expect this project to be successful if the surrounding areas still have bug infested apartments and drug dealers all over that area. Yes it feels good to make these improvements, but does it make fiscal sense with the crime issues in that area. If the city gets tough on landlords and their own buildings over in that area then it would be helpful to send the	2/16/2023 7:27 AM

Fond du Lac Downtown Riverfront Plan Survey

bad actors away from our what used to be great city. Now its becoming common to have shots fired calls in our city, that should not be the normal. It wasn't 15 years ago, before all additional "affordable" apartments were built. I know no adult that has kids that would allow them to even walk along the river in that area currently, day or night. Even going to the YMCA now a few times a week, is getting tough. You are going to start pushing out your tax base very soon, if you don't make a change and stand up for law and order and the people who are the backbone of this community.

103	Yes, the historical area where the two rivers meet is the first settlement of Fond du Lac. The overall redevelopment misses this opportunity and I know this place is fairly vacant with old growth trees.	2/16/2023 6:40 AM
104	Things for teenagers to do	2/15/2023 8:22 PM
105	People who know what they're doing	2/15/2023 4:14 PM

Q42 Do you have any additional comments on any of the concepts?

Answered: 104 Skipped: 863

#	RESPONSES	DATE
1	I wonder where the money will come from to pay for all of this. How will they choose which projects to do first?	2/28/2023 7:18 PM
2	Ability for public safety to navigate the downtown and surrounding areas when events are happening. It can be difficult and a plan is to eliminate a thoroughfare. Concern about too easy of access to the river area where there is a lengthy emergency response and complex situation	2/28/2023 3:51 PM
3	I do not see a benefit of an art statue park, and I believe placing brightly colored pieces of art along the walk is a bigger benefit. Murals are wonderful, and we should have as many as possible.	2/28/2023 3:43 PM
4	As mentioned previously, any historical kiosks with old photos and history of the area along the way would be a very nice touch (a nice placemaking effort). Also, the environmental signage would be wonderful and do good for educating people on the river quality, fish species in the river, native plants, etc. - breaking down misnomers. Thank you for seeking input from the community! I can't wait to see what's selected and how it will enhance our downtown, thank you!	2/28/2023 3:40 PM
5	also will be cleaning up the river? getting rid of the concrete so it flows naturally?	2/28/2023 2:19 PM
6	Just excited at the thought of any of this being implemented. I've spent many many hours running along the riverpath, wishing for improvements like this.	2/27/2023 8:56 AM
7	you mention building housing....housing won't help unless you have a good size grocery in the walkable area....people dont want to move if they have to get in a car to go buy needed grocery items, or even spur of the moment items. my wife and I have considered moving downtown as we age but there's no point to moving if we cant walk to get groceries	2/27/2023 8:36 AM
8	These are really great designs! Thank you so much. I can't wait to see them implemented. This is going to be a fantastic improvement for FDL.	2/26/2023 9:21 AM
9	I think any of these would be better than what is currently there, and I agree the a river walk is a good idea. I am concerned about the durability and longevity of these features when the river floods. I don't live in the city, but all my visiting and shopping is done here. As a handicapped elderly visitor, parking, benches, restrooms, and shade are important. While I like art, I doubt that it is an attraction for most people.	2/25/2023 1:56 PM
10	There are basketball courts and soccer areas already in the city. Many don't get used anymore. Times are changing.	2/24/2023 10:17 PM
11	For any of these plans to be effective, they need to be put into action between 2023 and 2026. Otherwise, the ideas will become dated and outdated. Waiting 10 or more years to put this into place will cause the continued demise of the areas, rise in crime, and the continued exodus of young adults.	2/24/2023 10:01 PM
12	I appreciate the need for parking and enjoy the prospect of kayak launches.	2/24/2023 5:45 PM
13	I would like to be able to use all of these spaces myself or with my small children, however the security is a big reason why I have never used the parks here before. Also the cleanliness of the river.	2/24/2023 3:16 PM
14	Please try to add a lot of nature! It's not easy getting out of the city, so I like to walk with my kids so they can see new things, especially nature!	2/23/2023 4:03 PM
15	The more green space, the better	2/23/2023 1:44 PM
16	Many of these concepts are wonderful to see. I hope to see many of them come to fruition and not left in the concept phase.	2/23/2023 11:33 AM
17	The more green space and variety in plants the better.	2/23/2023 2:03 AM

Fond du Lac Downtown Riverfront Plan Survey

18	I see that water access may provide a place to kayak. That would be fun. Is there a concern for safety as far as access to Lake Winnebago or other potentially dangerous parts of the FDL River?	2/22/2023 11:12 AM
19	Looking forward to large gathering areas for live music. Restaurants to bring in revenue and parking for downtown areas. Also i like to see more natural areas and nature refuge areas, butterfly garden is a great idea, hopefully we see more female fruiting trees in the future as well, as opposed to male pollen producing trees	2/22/2023 9:53 AM
20	My comment for #41 exterior Lians way to much. FDL has no clue on how to make anything work. Brewery please.	2/21/2023 9:41 PM
21	Redoing the area around 1st street seems very difficult. It was hard for me to complete that section. I'm not sure how to salvage that area.	2/21/2023 9:09 PM
22	Will they dredge the river? Would this help to get more boats and fishing on river?	2/21/2023 8:00 PM
23	I personally would like to see changes in our city however I don't think this is going to add value to our community.	2/21/2023 7:31 PM
24	Use Burke for playground equipment.	2/21/2023 6:49 PM
25	There is a lot of trees that grow along the river, specially in concept number 3. I would keep those as much as possible, maybe give them a nice pruning. Obviously some will have to go. But to be able to thin them out and keep a lot of them, that are nice and healthy would be great. That goes for all concepts. Hopefully the trees that are there can be worked around, and properly pruned. Trees are essential for the quality of life. Always plant as much as you can in the end.	2/21/2023 6:16 PM
26	Yes, add color, lighting, artwork, vibrancy wherever you can. Plus add space to attract a brewpub and/ downtown winery. Have some shelter space to keep it useable year round.	2/21/2023 8:58 AM
27	Stop spending money on areas where the residents don't care about the community. Stop spending tax "surplus" dollars on areas where the residents don't contribute their share. Fix the lead pipes and focus on the infrastructure that is failing.	2/21/2023 5:51 AM
28	Great concepts but the neighborhood unfortunately are horrible an most of the historical buildings from the early 1900s are no longer there for any nostalgic feel.a Brewery in this town would be awesome! Fond du Lac was KNOWN for the water back in the late 1890s to 1900s and hence the name Fountain City	2/20/2023 5:44 PM
29	most of them look great just please don't put parking straight in the middle of any of those parks. the park should be the main event not the parking lot	2/20/2023 2:58 PM
30	Try to keep as much green space, don't need more "entertainment" areas.	2/19/2023 11:21 PM
31	No	2/19/2023 9:07 PM
32	Clean the river for more enjoyments	2/19/2023 8:49 PM
33	The ideas of having outdoor play spaces for children both natural and rubber ground would be an amazing boost to the area	2/19/2023 7:56 PM
34	When you do this think of the community that may destroy it before it's ever used for the greater good.	2/19/2023 7:44 PM
35	no	2/19/2023 3:28 PM
36	I work downtown and would love a place that kids can come and play. We don't have any play grounds for families really anywhere. I've noticed a lot of families moving here from outside and those are the people who shop, come to markets, and play outside. There's a huge movement of playing outdoors and think an outdoor area for kids is crucial. Fond du lac is so family oriented!	2/19/2023 2:03 PM
37	Less is more	2/19/2023 12:45 PM
38	Waste of tax payers money! Clean up the city first. Get rid of the ghettos that the Commonwealth created!	2/19/2023 11:57 AM
39	All the plans are lovely and would improve and bring more life into our downtown. I hope the	2/19/2023 10:05 AM

Fond du Lac Downtown Riverfront Plan Survey

focuses stay on reuse of the areas (like kids at the pump park everyday) and longevity (can play basketball all day because restrooms and water are available) for these areas vs. I've done the art walk twice, so I don't care to see it again. Keeping the areas mixed will help this in my opinion.

40	When it comes to water access, it's only beneficial if the water isn't brown.	2/18/2023 9:42 PM
41	Proper night lighting so as to make these unattractive places for troublemakers and bored kids to hang out.	2/18/2023 8:25 PM
42	Don't waste my tax dollars on fixing this town. It'll just be ruined by the low life's you keep bringing in.	2/18/2023 9:48 AM
43	Keep as natural as possible; easier to fix after flooding	2/18/2023 12:31 AM
44	Don't junk it up with apartment buildings and parking garages and shopping centers.	2/17/2023 8:34 PM
45	No	2/17/2023 7:30 PM
46	Dredging of the river so you can get a boat down that far from the lake .	2/17/2023 7:25 PM
47	Foolish designs.	2/17/2023 6:52 PM
48	Special nights: local restaurants hosting events (food or beer tastings) would get me out	2/17/2023 6:43 PM
49	I would just like to see thoughtful implementation of the concepts: accessibility, appeal to diverse groups of people, making sure those who live in neighboring areas can have some input/involvement. I would love to see some consideration for Native American art or recognition as well, because I know our waterways hold special significance to the Brothertown Indian Nation.	2/17/2023 6:27 PM
50	Any concept that prioritizes family enjoyment and economic growth will be a hit but please stop dreaming of ways to spend money that aren't realistic. If we can't maintain rock walls all down the river walk for years to come then don't bother doing it now.	2/17/2023 6:25 PM
51	Please do everything you can to make all aspects of this wheelchair accessible.	2/17/2023 6:14 PM
52	City needs more childcare.	2/17/2023 5:51 PM
53	None at this time	2/17/2023 4:51 PM
54	Trash in river	2/17/2023 4:44 PM
55	This is going to be a great thing. My only concern is that this plan skirts a few crime-riddled neighborhoods.	2/17/2023 3:35 PM
56	Remember, maintain what you build	2/17/2023 3:02 PM
57	If the city sincerely wants to invest in the riverfront properties to make the community more accommodating and/or attractive, the river* itself needs significant attention. It is a huge attraction for kayaks, canoes, and fishing, but the sections in town are absolutely disgusting and in places they are unnavigable due to the varying river depths and at times lower levels. Approach this project holistically with an appreciation of the river itself as the attraction, and make the river more attractive to more people. Often when I kayak on the river I get off the river when I get to town because in town the water can be too low on spots while the river properties in some places are repulsive and the water itself is littered with trash and unmanaged. Improve the conditions of the river itself, it's the entire basis for this economic enrichment strategy	2/17/2023 3:00 PM
58	We just need to make the space where people can walk and relax. Lots of perennials to enhance the area. No need for soccer field or basketball areas. This space should be for everyone.	2/17/2023 11:21 AM
59	Just do something	2/17/2023 11:11 AM
60	Focus on nature and art features	2/17/2023 8:39 AM
61	The pump track is big and trending right now - if we could get that in sooner, that would be a huge draw to our community.	2/17/2023 8:39 AM
62	Add artificial turf in places such as the soccer field to limit maintenance. Limit areas that can contribute to blight in the surrounding area.	2/17/2023 6:44 AM

Fond du Lac Downtown Riverfront Plan Survey

63	No, I look forward to seeing progress on this initiative and hope I live long enough to see at least some of it completed!	2/16/2023 11:16 PM
64	I do not feel these areas are suited to residential development. We already have riverfront residential going in on Brooke St. I would strongly object if more low income or income restricted/assisted residential buildings were added to this area. I believe that some of the developments suggested will require taking down houses and possibly some businesses. Have the owners of all properties affected been consulted on this or does the city plan to force them out?	2/16/2023 9:50 PM
65	Please no additional parking spaces. Make spaces able to connect with others in a Beaufort urban area.	2/16/2023 9:31 PM
66	Make sure it is all truly accessible. No wood chip, or rubber chunk paths, either poured cement out poured rubber so everyone can access them.	2/16/2023 9:13 PM
67	Definitely need a kayak launch	2/16/2023 8:56 PM
68	Keep those with disabilities in mind throughout the entire project	2/16/2023 8:32 PM
69	I love them all!!	2/16/2023 8:28 PM
70	No bricks which are very hard on bikes. Otherwise really exciting stuff!	2/16/2023 8:27 PM
71	Less industrial and more natural. Clean and artistic and color.	2/16/2023 8:26 PM
72	Really love the idea of natural spaces being included with spaces to enjoy the green space. I really dislike the residential and commercial development.	2/16/2023 8:14 PM
73	I really love the green spaces, it would be great to get some native plants integrated into them as well to show investment in our local ecosystem! Overall it looks like it's going to be a good change!	2/16/2023 8:04 PM
74	My favorite part of the whole initiative is putting in ramps or stairs down to the river. It's not always the prettiest waterway, but without access, the whole concept falls flat.	2/16/2023 6:50 PM
75	I am very excited to see the incorporation of sensory playground and natural planting areas.	2/16/2023 6:27 PM
76	Would help greatly with attracting people to the city and keeping people here	2/16/2023 5:51 PM
77	Would love to see the city finally take advantage of the natural river system running thru it. It could be a great draw and make the downtown stand out from other area cities. The downtown seems to be slowly coming back. Connecting that district to the riverfront district and extending to Lakeside district would make a very cohesive draw to the area.	2/16/2023 5:07 PM
78	N/A	2/16/2023 5:06 PM
79	I would steer away from large parking space and add smaller spaces amongst the large plan.	2/16/2023 4:49 PM
80	Will definitely need parking and bathrooms	2/16/2023 4:22 PM
81	More green space for natural flowers for bees Maybe some butterfly habitats.	2/16/2023 3:49 PM
82	Please do not spend my money on this stuff. Please just lower my taxes instead and I will donate it to things I think are worth having.	2/16/2023 3:39 PM
83	Great to see Fond du Lac trying to capitalize on our water features. I love and work near Eau Claire and LaCrosse now both of which have revitalized their downtowns through waterfront developments like this. Great step in the right direction in my opinion.	2/16/2023 3:28 PM
84	Lots of native green areas to relax and enjoy	2/16/2023 2:25 PM
85	I love the ideas presented here. Please keep it as natural and pedestrian friendly as possible. Thank you.	2/16/2023 1:54 PM
86	The design isn't unique enough. Path to walk on, basketball, a restaurant, playground equipment. Bring food trucks in to pull business from local restaurants who pay city taxes. Nothing unique.	2/16/2023 1:48 PM
87	Tear down downtown and start over. You are trying to put lipstick on a pig	2/16/2023 1:01 PM

Fond du Lac Downtown Riverfront Plan Survey

88	Fix the flooding first.	2/16/2023 12:30 PM
89	Great ideas for dead space in a very boring town! These purposed locations have looked like junk for far too long. It's time to do something. Breathe new life into this community and actually be an attraction. Thank you!	2/16/2023 12:28 PM
90	No street closures or dead-ends created. Traffic flow is already difficult through downtown at times.	2/16/2023 11:48 AM
91	Is upkeep/maintenance of these ideas being considered?	2/16/2023 10:58 AM
92	None at this time	2/16/2023 10:55 AM
93	None	2/16/2023 10:46 AM
94	As I stated earlier. I hope there is increased police presence in the area. I am also fine with residential buildings but make them upscale.	2/16/2023 10:40 AM
95	These improvements would serve a much better purpose in Lakeside Park, with a restaurant. But our city council is incompetent.	2/16/2023 10:31 AM
96	I think it's a great idea to utilize this space. Forest Ave has become one of the worst areas in town however. To make a lot of this concept useable to the public that area of town needs to be cleaned up.	2/16/2023 10:26 AM
97	Plan looks great and a pump track would be an exceptional addition especially since there are currently no pump tracks within an hour of FDL.	2/16/2023 9:54 AM
98	I think the areas being redone will be nice, I just wish the fond du lac river was a nicer river to build around.	2/16/2023 7:59 AM
99	You do realize that you are doing this in a crime infested area of our city and it will be wasted money if you don't start taking back the city from the people who have come here to destroy our community. Overall its a good plan, but it will fail if the proper work is not done to clean up the city. Apartments on Forest Ave needs raised as well as the publicly owned housing in the area, otherwise its a waste of time and money and you all know this	2/16/2023 7:27 AM
100	Keep commonwealth out of this development, they bring nothing to the table but more problems and a method to make themselves wealthier off this community. If this project fails, it will be the general perception this was only a government hand out to commonwealth. All they do is destroy the retlaw theater, build low rent housing and then ask us to be grateful when in reality they are gateway for more human trash.	2/16/2023 6:40 AM
101	Don't over complicate it. Keep it simple. Blend in with nature.	2/15/2023 8:22 PM
102	I worry about basketball courts will bring troubles with kids fighting	2/15/2023 6:27 PM
103	I would not remove first street bridge	2/15/2023 5:48 PM
104	Start over this is completely screwed up already	2/15/2023 4:14 PM

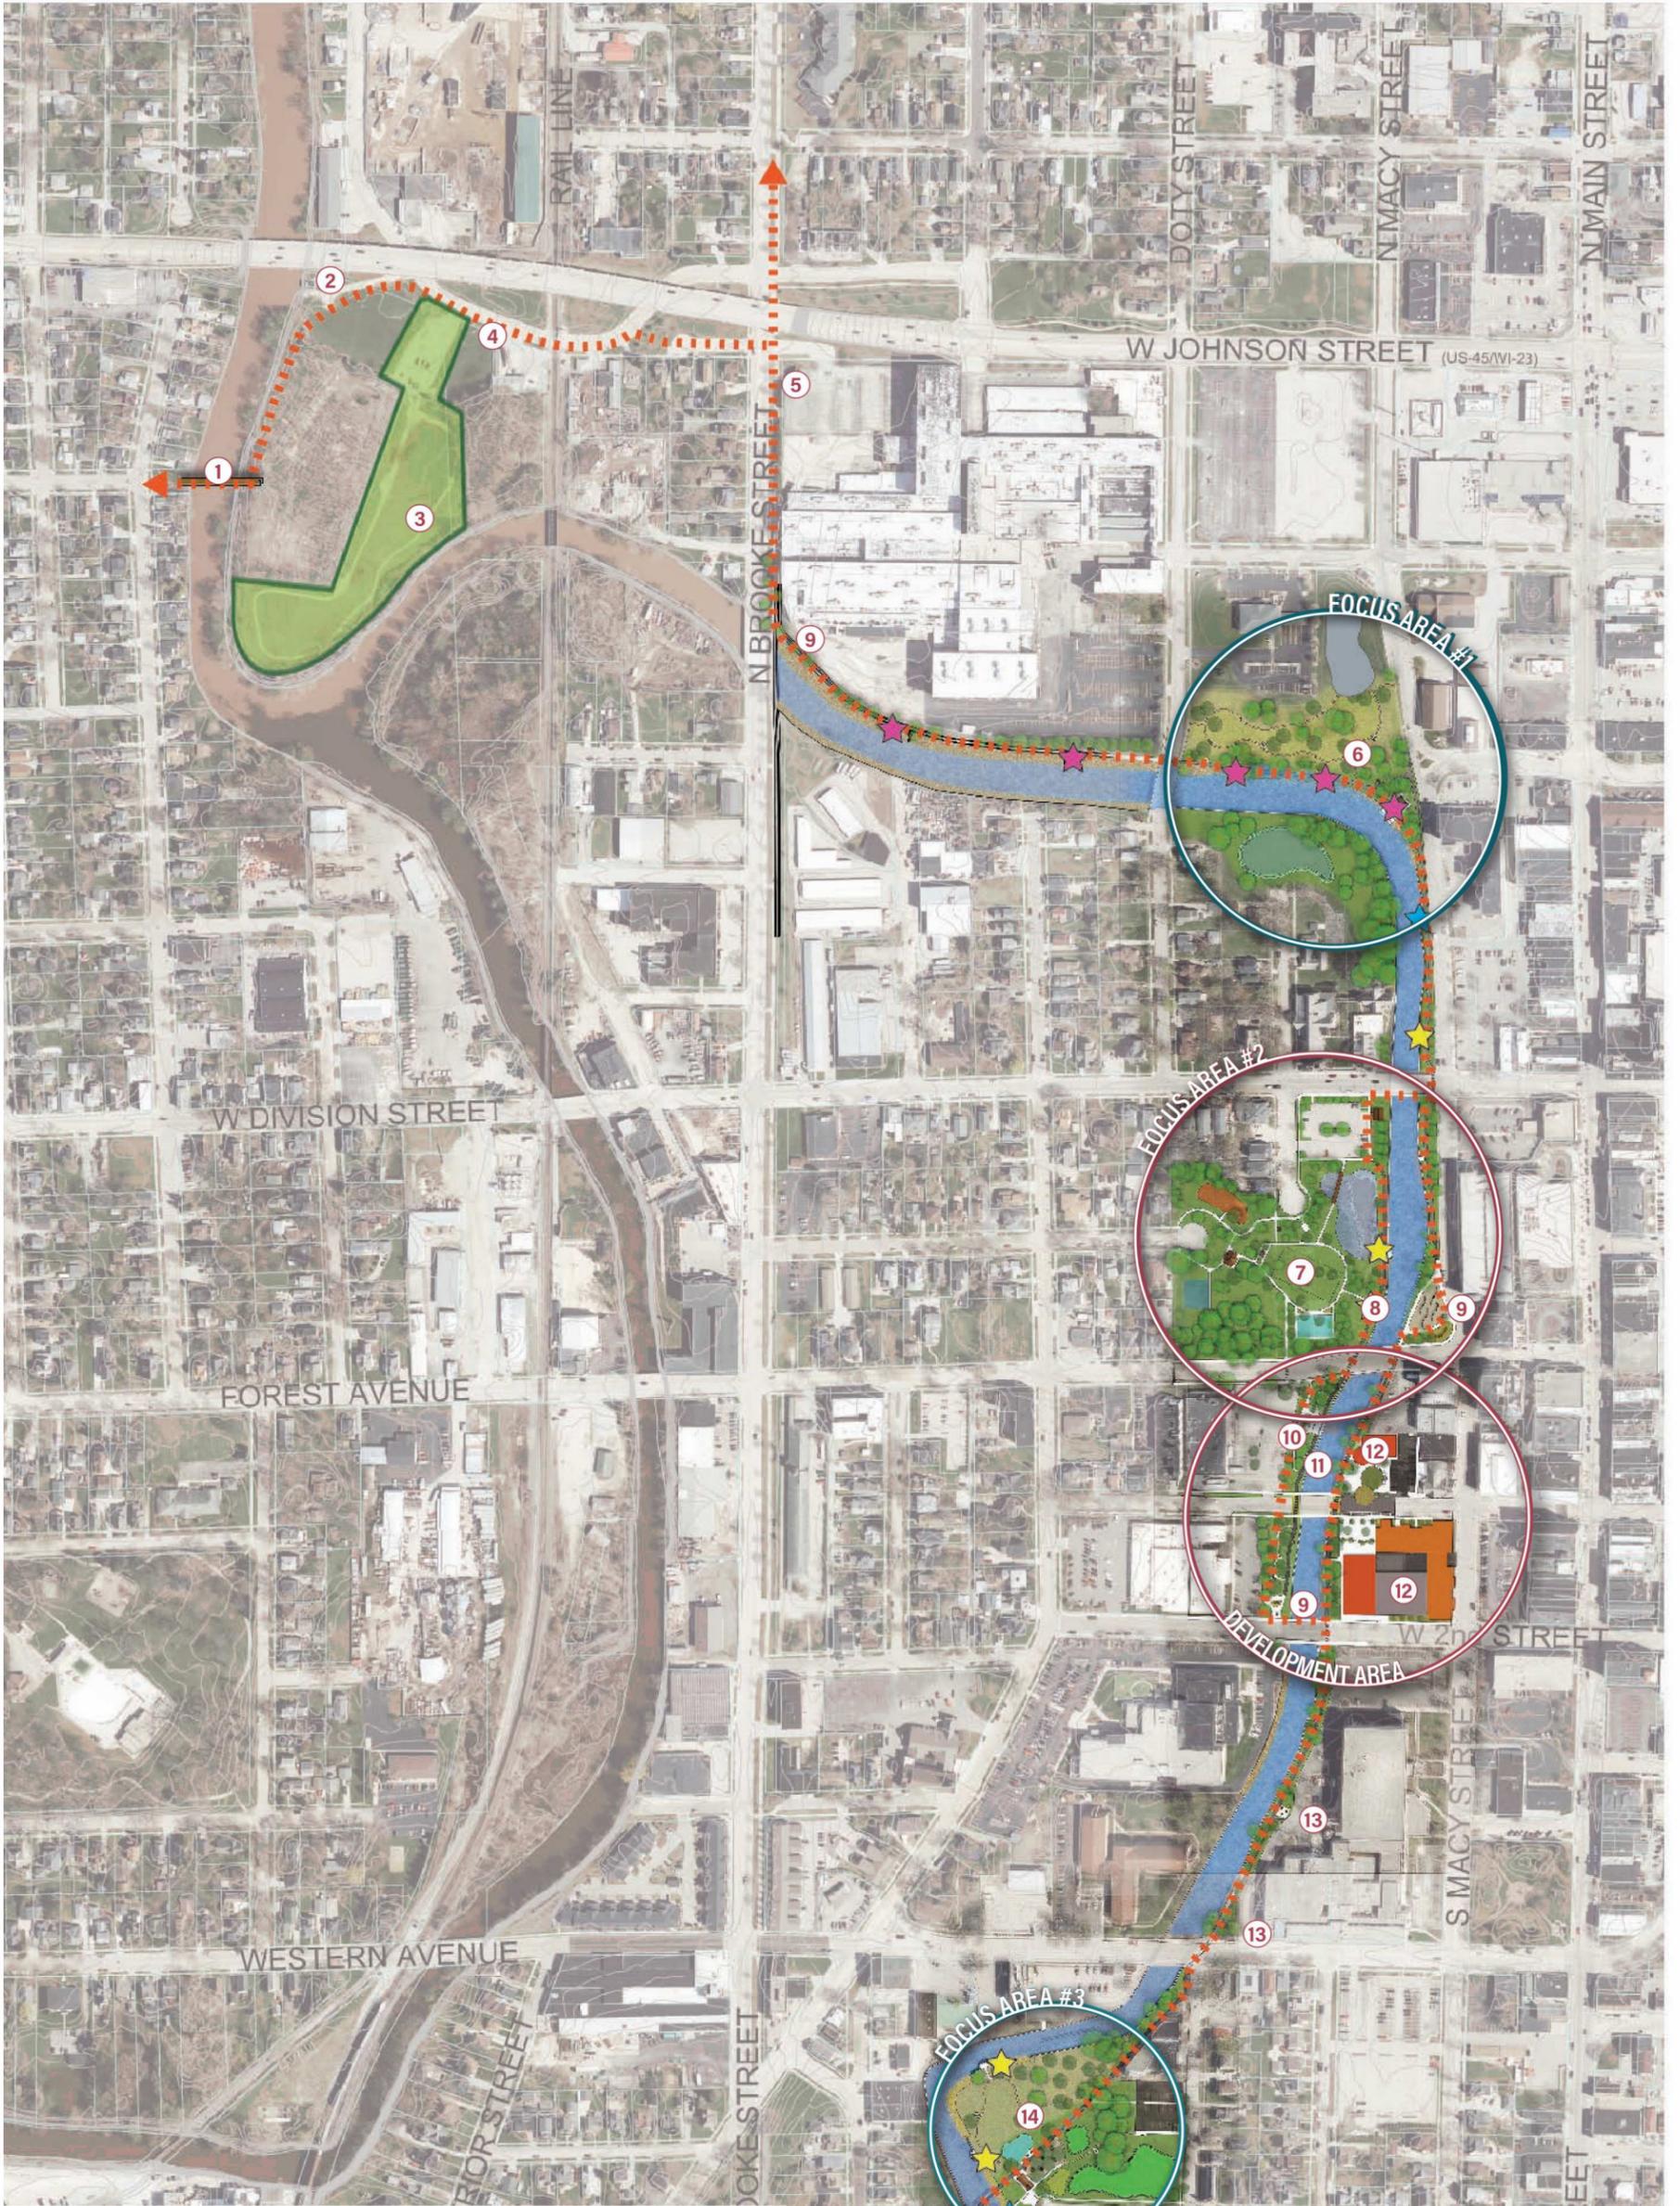

APPENDIX 3

MASTER PLAN

Fond du Lac Downtown Riverfront Plan

City of Fond du Lac, WI
June 2023

Master Plan

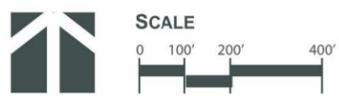

LEGEND

RIVERWALK TRAIL

Kayak Launch
 Overlook
 Stairs
 WATER ACCESS

EXISTING TREE
 PROPOSED TREE

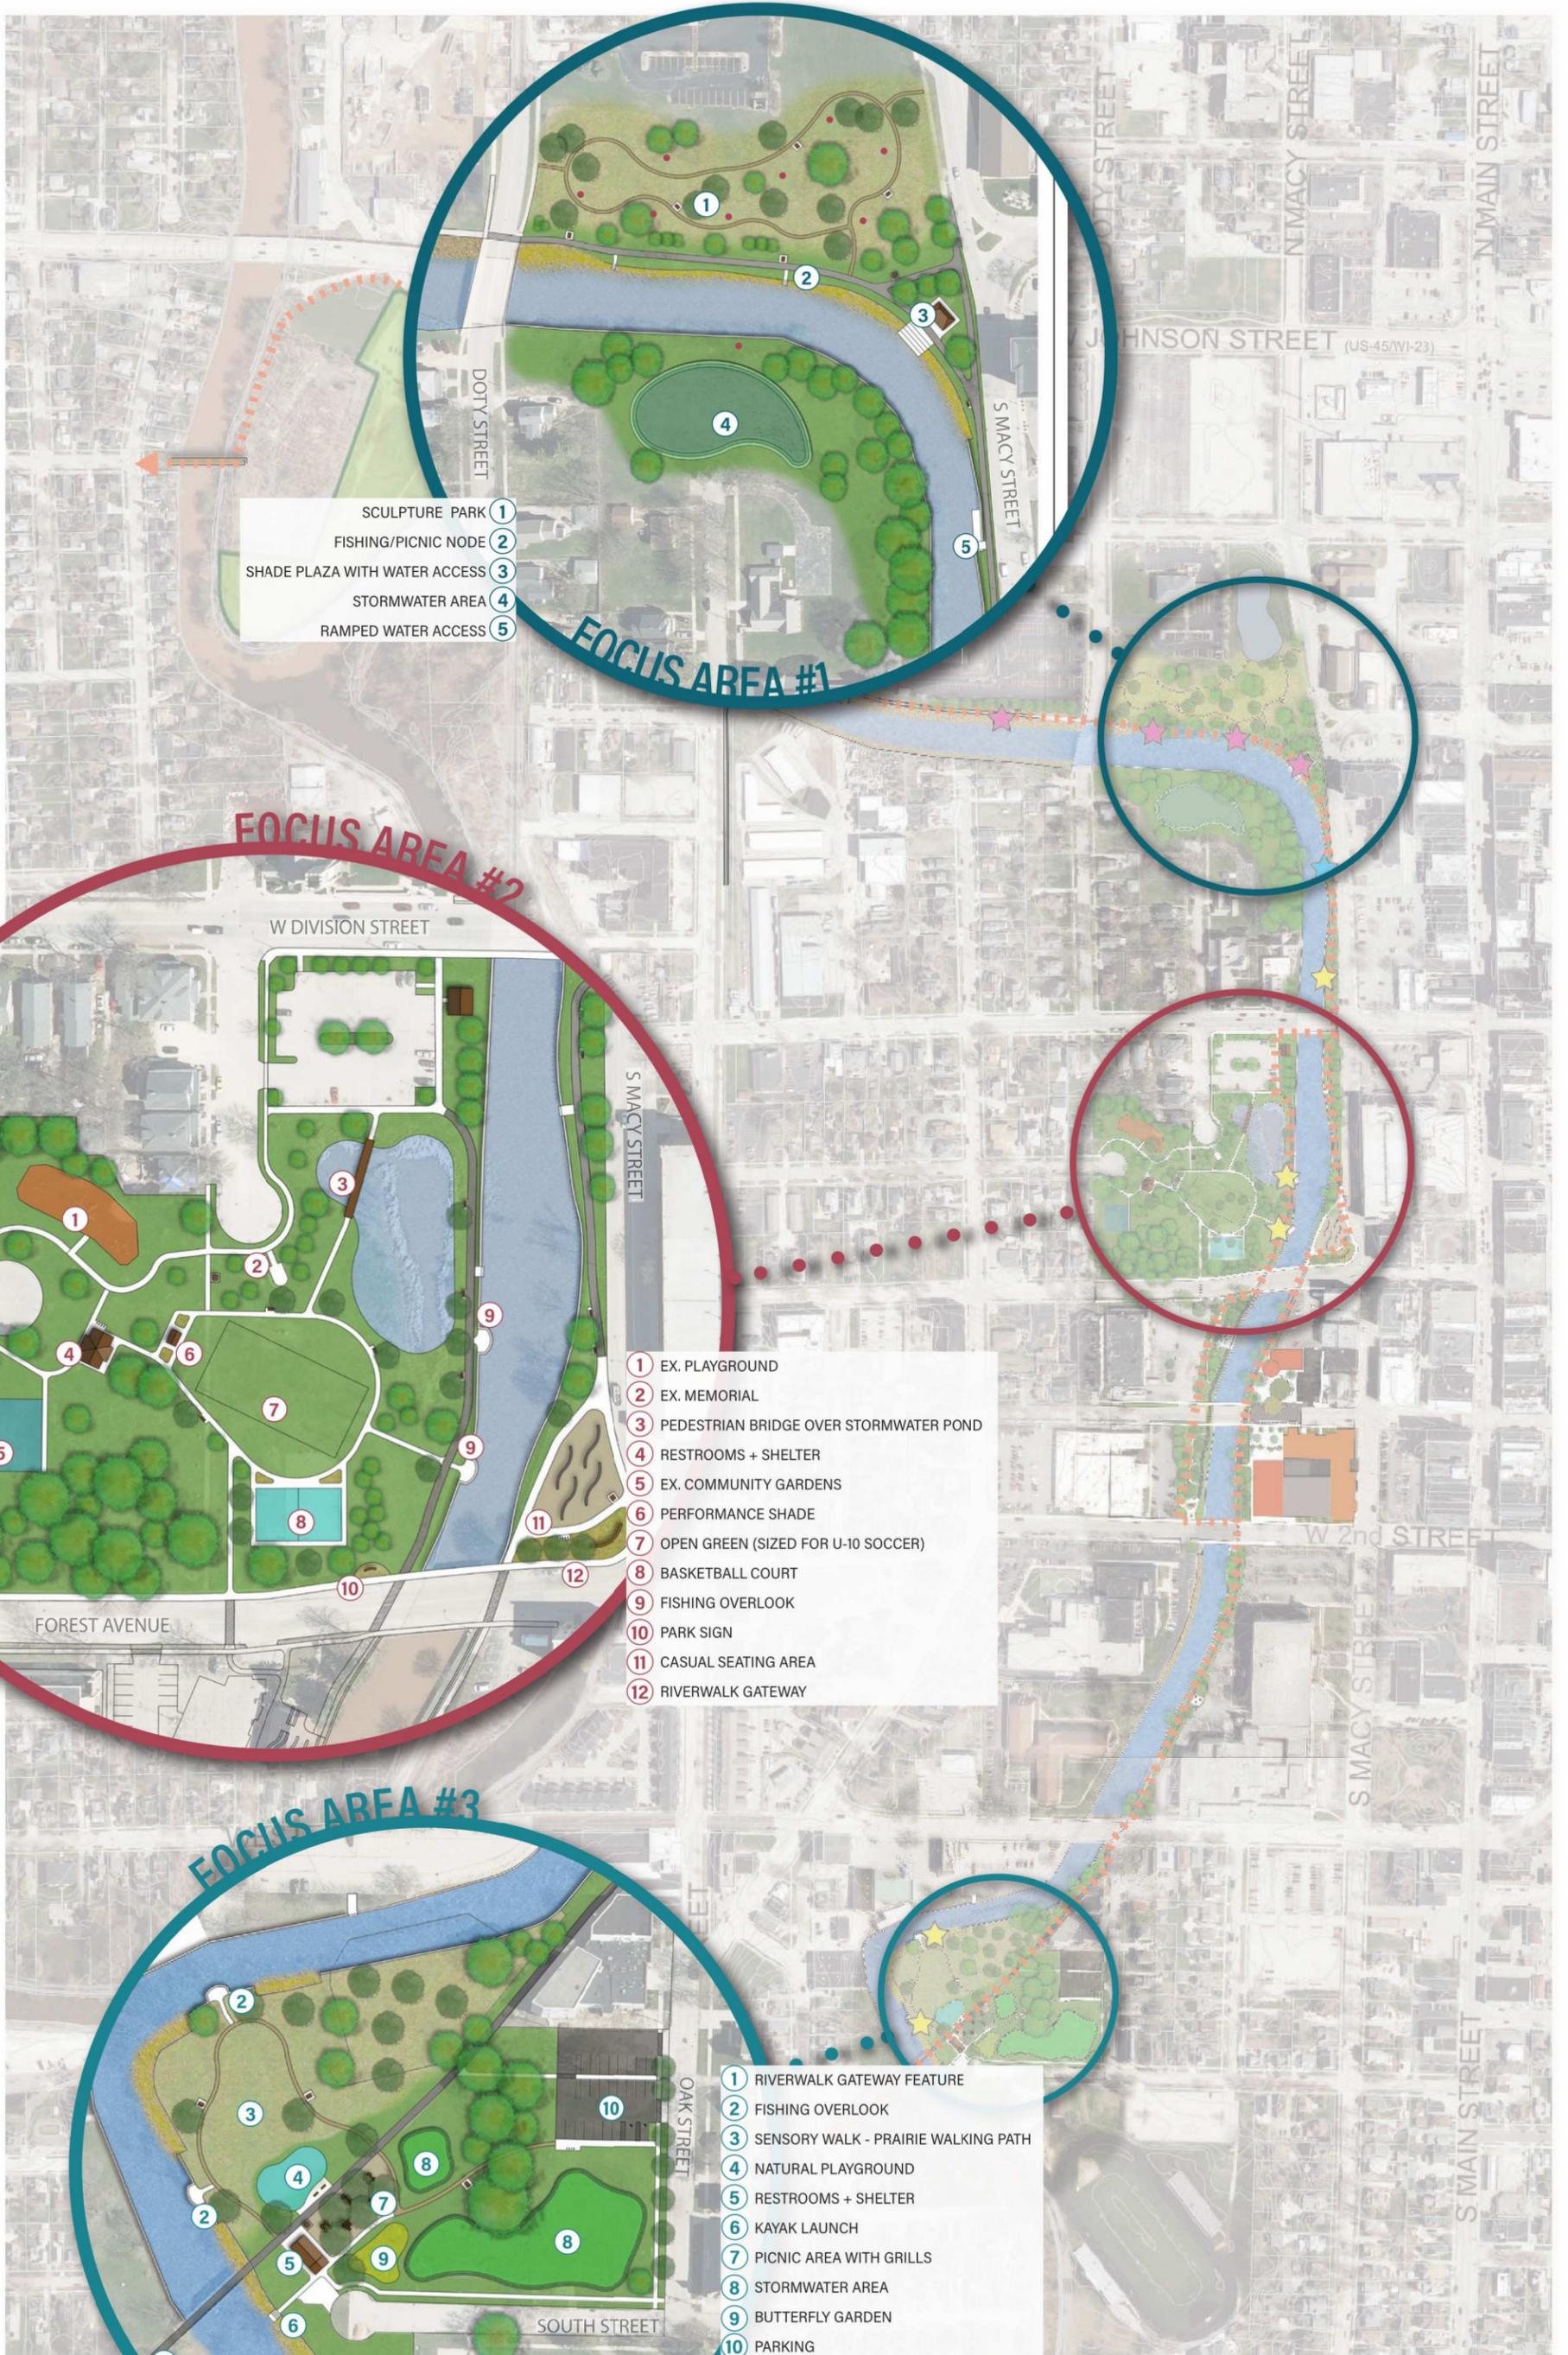

- ① FUTURE PEDESTRIAN BRIDGE CONNECTION
- ② JOHNSON STREET BRIDGE PARK + MURAL
- ③ FIDO DOG PARK (EXISTING)
- ④ FUTURE TRAIL CONNECTION TO DOG PARK
- ⑤ RIVERFRONT TRAIL TO LAKESHORE PARK
- ⑥ FOCUS AREA #1 - SCULPTURE PARK
- ⑦ FOCUS AREA #2 - HAMILTON NEIGHBORHOOD PARK
- ⑧ ADD RIVERWALK TO WEST SIDE OF RIVER
- ⑨ RIVERWALK GATEWAY
- ⑩ RIVERFRONT PLAZA
- ⑪ ART MURAL RIVER WALL
- ⑫ RIVERFRONT DEVELOPMENT
- ⑬ PICNIC NODES
- ⑭ FOCUS AREA #3 - QUIC FREZ PARK

Fond du Lac Downtown Riverfront Plan

Master Plan - Focus Areas

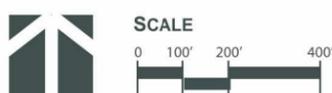

City of Fond du Lac, WI
June 2023

- FOCUS AREA #1**
- 1 SCULPTURE PARK
 - 2 FISHING/PICNIC NODE
 - 3 SHADE PLAZA WITH WATER ACCESS
 - 4 STORMWATER AREA
 - 5 RAMPED WATER ACCESS

- FOCUS AREA #2**
- 1 EX. PLAYGROUND
 - 2 EX. MEMORIAL
 - 3 PEDESTRIAN BRIDGE OVER STORMWATER POND
 - 4 RESTROOMS + SHELTER
 - 5 EX. COMMUNITY GARDENS
 - 6 PERFORMANCE SHADE
 - 7 OPEN GREEN (SIZED FOR U-10 SOCCER)
 - 8 BASKETBALL COURT
 - 9 FISHING OVERLOOK
 - 10 PARK SIGN
 - 11 CASUAL SEATING AREA
 - 12 RIVERWALK GATEWAY

- FOCUS AREA #3**
- 1 RIVERWALK GATEWAY FEATURE
 - 2 FISHING OVERLOOK
 - 3 SENSORY WALK - PRAIRIE WALKING PATH
 - 4 NATURAL PLAYGROUND
 - 5 RESTROOMS + SHELTER
 - 6 KAYAK LAUNCH
 - 7 PICNIC AREA WITH GRILLS
 - 8 STORMWATER AREA
 - 9 BUTTERFLY GARDEN
 - 10 PARKING
