SPECIAL USE PERMIT

Refer to the *Plan Commission Timetable* for application submittal deadlines and meeting dates.

Checklist for submittal of a special use permit request:

- ❑ **Project Application + Filing Fee (\$300)**
The application must provide information of the existing land use and for the proposed land use or development. Operational details and information to describe the use may be provided in an attachment to the project application. Operational details include the hours of business operation, number of employees, expected demand for parking, etc.
- ❑ **Site Photos:** Provide photos of the project site to show existing property conditions.
- ❑ **Site Map:** Plat map, vicinity map or certified survey map.
- ❑ **Site Plan (New Construction)**
A site plan is required for a special use permit proposal that includes new construction or physical changes to a property. A site plan should depict property boundaries, the location of any existing and proposed structures, any building to be demolished, driveway and parking areas, and adjacent streets and alleys.
- ❑ **Other Information:** Some proposals may require building elevation drawings or other design details.

Application Submittal

A special use permit application may be filed at the City of Fond du Lac Community Development office located on the 4th floor of the City-County Government Center or it may be submitted electronically via email: jdahlin@fdl.wi.gov

Please contact the Community Development office at (920) 322-3440 prior to the electronic submittal of an application for a special use permit. Payment of the filing fee must be received prior to the project filing deadline.

Plan Commission Meeting

Meeting Date: The Plan Commission meets monthly at 5:30 p.m. in Meeting Room A-B of the City-County Government Center, 160 S Macy Street. Meeting dates are listed in the *Plan Commission Timetable*. The project applicant or a representative must attend the Plan Commission meeting to present the special use permit request and answer questions regarding the proposal. Public comment will be invited at the Plan Commission meeting.

Public Notification: Owners of property in the vicinity of the site affected by the special use permit proposal are notified by the City Clerk via mail. The public hearing notice explains the proposal and provides information for the Plan Commission meeting.

Project Review: The purpose of a special use permit is to assure compatibility between land uses. City staff analyzes a proposal and prepares a recommendation for the Plan Commission. The project analysis considers the location of the affected property, surrounding uses, and the operational details of a proposed use. The project analysis and recommendation is provided to the applicant in advance of the public meeting.

Plan Commission: The Plan Commission is charged with the authority to approve or deny a special use permit request. The Plan Commission's decision must be supported by substantial evidence; personal opinion, speculation or uncorroborated hearsay does not meet the test for substantial evidence. Where a special use permit request is denied by the Plan Commission, the same application may not be submitted less than one year from the date of denial. In the event an applicant wishes to contest the decision of the Plan Commission, the applicant may submit a written appeal to the Board of Appeals.

Special Use Permit Time Limitation: A special use permit is valid for a period of one year from the date of approval. Construction of the land use or activity must begin within the one year period and continue with due diligence or the permit will be null and void. A one-year extension may be authorized by the Community Development Department with the submittal of a written request prior to expiration of the special use permit, setting forth the facts that require an extension.

Plan Commission meeting agendas and minutes may be viewed on the City's website: www.fdl.wi.gov
