

PUBLIC INFORMATION MEETING – *Virtual Presentation*
2040 COMPREHENSIVE PLAN UPDATE
Wednesday, November 18, 2020
5:30 p.m. – 7:00 p.m.

Due to COVID 19, the Public Information Meeting for the 2040 Comprehensive Plan Update will be held virtually. Limited in person seating will be available in the Legislative Chambers. Social distancing and masks are required.

The virtual presentation is an opportunity to learn about the proposed update to the 2040 Comprehensive Plan. Chapters will include goals, policies and actions pertaining to Housing; Transportation; Economic Development; Agricultural, Cultural and Natural Resources; Utilities and Community Facilities; Intergovernmental Cooperation and Land Use. The draft documents are available on the City's website under Community Development and select the 2040 Comprehensive Plan page from the Menu on the left hand side. The direct link: <https://www.fdl.wi.gov/community-development/planning-zoning/comprehensive-plan/>

The presentation will be recorded and posted on the City's website for 60 days. The public is encouraged to review the recording and share any comments and questions with City staff. Additional information regarding where the public can find the online recording on the City's website and contact information for staff will be provided after the meeting.

The link to attend the virtual presentation is: <https://tinyurl.com/FDLcompPlan>

Any questions regarding the public information meeting or the draft documents may be directed to Dyann Benson, Community Development Director at dbenson@fdl.wi.gov or (920) 322-3440.
