RE: CONTRACTOR/CITY/BUSINESS & PROPERTY OWNER MEETING
Project ID 4986-00-25
Military Road, City of Fond du Lac
Superior Street – Western Avenue

On **Thursday, March 31 beginning at 5:00 pm**, there will be a meeting between the contractor, local city officials and business/property owners to present our project's schedule for the above referenced project and answer your questions. There will be a brief presentation at 5:15 to present our schedule, discuss vehicular access, and any other issues during the construction operations. This will be the first of such meetings, with others being held before all major stage changes.

The meeting will be held in **Room D/E on the first floor of the City Government Building**. Meeting specifics and call-in information is provided on the back of this letter. If you are the property owner and have tenants you feel would benefit from attending the meeting, please inform them of the meeting specifics.

Following the presentation and the answering of a few general questions, myself and project staff will be on hand to answer specific questions you may have.

If you could do me a favor, to aide me in providing the best communication possible throughout the project, please e-mail me your contact information (name, phone, address & e-mail address) prior to the meeting so I can begin compiling a distribution list for future notices.

If you are unable to make it to the meeting, my contact information is shown below if you have questions.

Jerry C. Franklin, PE
Area Supervisor / Engineer
