City of Fond du Lac - Weekly Construction Update

The City of Fond du Lac is providing a weekly update on construction projects located within the corporate boundary. The Weekly Construction Updates and Construction Map are posted on the City's Website at www.fdl.wi.gov.
All anticipated construction activities are weather dependent.

West Johnson Street and Pioneer Road Intersection – WI DOT Project

Schedule: June 6, 2022, to August 9, 2022

Description of work: The project is to provide the intersection of Johnson St and Pioneer Rd with dedicated left turn lanes on Johnson St and dedicated right turn lane for westbound Johnson St onto Pioneer Rd. This work will also upgrade the traffic signals at the intersection.

June 20 to June 24: The contractor anticipates working on the following items:

- Crews removed existing traffic signals and will complete storm sewer installation in the median Installing conduit throughout the intersection for future traffic signals
- Pouring concrete curb and gutter in the median of WIS 23

Traffic Impacts: Johnson St will remain open to two lanes in each direction. Closures of note below.

County VV (Pioneer Road) north at Johnson St – **Closed**

The following turning restrictions will remain in place.

- Westbound WIS 23 to southbound County VV
- Eastbound WIS 23 to northbound County VV

Project website: <https://projects.511wi.gov/us45johnson/>

2nd Street from Vincent Street to DeNeveu Creek

Schedule: May 16th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

June 20 to June 24: Contractor will continue storm sewer installation.

Traffic Impacts: 2nd Street is closed to through traffic. Residents, business owners, and customers may access properties past "ROAD CLOSED TO THRU TRAFFIC" signs. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

Eighth Street Water Main Replacement

Schedule: May 16th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

June 20 to June 24: Restoration work will begin midweek.

Traffic Impacts: 8th Street is closed to through traffic. Residents, business owners, and customers may access properties past "ROAD CLOSED TO THRU TRAFFIC" signs. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

Grove Street from Hillcrest Lane to Seymour Street

Schedule: June 6th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

June 20 to June 24: Contractor will continue sanitary sewer installation.

Traffic Impacts: Grove Street is closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. It is illegal to drive past a “ROAD CLOSED” sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

14th Street Reconstruction

Schedule: May 31 through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

June 20 to June 24: Contractor will continue with water main installation.

Traffic Impacts: 14th Street is closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. It is illegal to drive past a “ROAD CLOSED” sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

Pioneer Road from Johnson Street to Forest Avenue – FDL County Highway Dept

Schedule: April 4- October 2022

Description: The reconstruction of Pioneer Rd includes curb and gutter, new storm sewer, water main, street lighting, multi-use trail, and installation of traffic signals on Pioneer Rd between KFC and Faros. Stage 1 work is from the proposed signalized intersection north to Johnson St. Stage 2 is from 400 FT south of Forest Avenue to the signalized intersection.

June 20 to June 24: Contractor completed the storm sewer installation and grading the roadway near the intersection of Johnson Street. Crews will begin construction of retaining wall north of Ala Roma's driveway, install conduit for street lighting and traffic signals, and begin concrete curb and gutter. Pioneer Rd (CTH VV) to Johnson access (right in/right out) will be restored at Johnson St by Friday evening 06/17. Access to CTH VV will be maintained from the south project limits and Forest Ave. The frontage road west of the Home Depot property will remain open for access. All businesses will remain accessible during construction.

Traffic Impacts: Pioneer Rd will be open to “local traffic only” during construction. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. Use “Caution” in the construction zone. Right-in/out access only from Johnson St to Pioneer Rd is required to construct the utilities and the roadway.

Johnson Street Mall Intersections

Schedule: Construction Start April 4-June 2022 – Stage 1 Median

Description: The project includes reconstruction of the median turn lanes and install traffic signals at the west entrance to the mall.

June 20 to June 24: Work is completed with the exception of installing traffic signals at the west mall entrance. Signals are expected to be delivered and installed by the end of June.

Traffic Impacts: Johnson St. will remain open to two lanes of traffic in each direction at all times. Stage 1 the median work is completed and Stage 2 reconstructs the west entrance to the mall and installs signals. The west Forest Mall entrance will be closed for Stage 2.

Military Road from Western Avenue to Superior Street – WI DOT Northeast Region

Schedule: April 11-October 2022 – Stage 1 Military Road/Western Ave Intersection

Description: The reconstruction of S Military Rd includes reconstruction of the street and utilities, addition of bike lane and construction of a roundabout at the intersection of Military Road and 9th Street.

June 20 to June 24: Military Road and Western Avenue intersection concrete pavement is completed. Work on the traffic signal conduit, bases and boxes will be ongoing followed by grading for sidewalk. Concrete sidewalk, curb ramps and traffic islands will be poured as well. Contractor will continue installing water main from Western Avenue to Grove Street.

Traffic Impacts: Military Road will be closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. Stage 1 Detour: Southbound on Military Road is east on 2nd Street, south on Main Street, west on 9th Street to Military Road. Northbound detour is signed the same utilizing 9th Street, Main Street, and 2nd Street to Military Road.

WIS 23 Expansion – Urban Section – WI DOT Northeast Region

Location/limits: WIS 23 and various intersecting local roads between US 151 and Seven Hills Road

Schedule: April 11, 2021 to fall of 2022

Description of work: This work is part of the WIS 23 4-lane, on-alignment expansion project in Sheboygan and Fond du Lac counties.

June 20 to June 24: The contractor anticipates working on the following items:

- Continue paving operations on WIS 23 westbound near County UU
- Continue construction of the new WIS 23 westbound bridge over County K.

Traffic impacts:

- County K north at WIS 23 – Closed
- County UU (South of WIS 23) – Closed
- County UU (North of WIS 23) – Closed
- Irene Drive: During milling and paving operations, please expect minor delays traveling through the worksite.
