City of Fond du Lac - Weekly Construction Update

The City of Fond du Lac is providing a weekly update on construction projects located within the corporate boundary. The Weekly Construction Updates and Construction Map are posted on the City's Website at www.fdl.wi.gov.
All anticipated construction activities are weather dependent.

Various Bridge Overlays – Weather Pending

Schedule: Week of August 8, 2022

Description: Contractor will be placing a polymer overlay on 5 different bridges that will take a day to two days for each. Crews will flag the bridges for traffic control and two bridges will be closed for a day.

August 8 to August 12: The schedule for the bridges impacted are listed below. The Grove Street and Doty Street Bridges will closed while work is completed, the other bridges will remain open with a flagging crew.

- Martin Avenue over Railroad Aug. 8th and 9th – Flagging
- National Ave Bridge over DeNeveu Creek Aug. 10th and 11th – Flagging
- Grove Street Bridge over East Branch FDL River Aug. 12th – Closed
- Doty Street, north of Division Street Aug. 15th – Closed
- Winnebago Drive over DeNeveu Creek Aug. 16th and 17th - Flagging

2nd Street from Vincent Street to DeNeveu Creek

Schedule: May 16th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Concrete contractor will begin slip-forming curb and gutter.

Traffic Impacts: 2nd Street is closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. It is illegal to drive past a “ROAD CLOSED” sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

N. Butler Street from Russell Street to Portage Street

Schedule: July 7th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Sewer contractor will continue storm sewer installation.

Traffic Impacts: N. Butler is closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. It is illegal to drive past a “ROAD CLOSED” sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

S. Butler Street from Forest Avenue to W. Division Street

Schedule: July 11th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Sewer contractor could begin sanitary sewer installation at the end of the week.

Traffic Impacts: S. Butler is closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. It is illegal to drive past a “ROAD CLOSED” sign or to move

any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

S. Bell Street from Bragg Street to Forest Avenue

Schedule: July 11th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Sewer contractor will continue with storm sewer installation.

Traffic Impacts: S. Bell is closed to through traffic. Residents, business owners, and customers may access properties past "ROAD CLOSED TO THRU TRAFFIC" signs. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

Grove Street from Hillcrest Lane to Seymour Street

Schedule: June 6th through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Concrete contractor will begin slip-forming curb and gutter mid-week.

Traffic Impacts: Grove Street is closed to through traffic. Residents, business owners, and customers may access properties past "ROAD CLOSED TO THRU TRAFFIC" signs. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

14th Street Reconstruction

Schedule: May 31 through October

Description: The project includes gas main and service relocations, reconstruction of sanitary sewer and laterals, storm sewer and laterals, water main and laterals, roadway, sidewalk and approaches, street lighting and restoration/landscaping.

August 8 to August 12: Contractor will continue with sanitary and storm sewer main and lateral installation. The pipe bursting contractor will continue installing sanitary laterals and water services.

Traffic Impacts: 14th Street is closed to through traffic. Residents, business owners, and customers may access properties past "ROAD CLOSED TO THRU TRAFFIC" signs. It is illegal to drive past a "ROAD CLOSED" sign or to move any construction barricades. Parking is not permitted on the street within the construction zone during working hours.

West Johnson Street and Pioneer Road Intersection – WI DOT Project

Schedule: June 6, 2022, to August 9, 2022

Description of work: The project is to provide the intersection of Johnson St and Pioneer Rd with dedicated left turn lanes on Johnson St and dedicated right turn lane for westbound Johnson St onto Pioneer Rd.

August 8 to August 12: The contractor anticipates working on the following items:

- Potentially installing traffic signals
- County of Fond Du Lac milling and paving asphalt from I-41 Ramps to east side of the Pioneer Road Intersection in both Westbound and Eastbound Lanes

Traffic Impacts: WIS 23 will remain open to two lanes in each direction. Closures of note below. Please see project website for detailed traffic impacts and maps.

- County VV north at WIS 23 – Closed

The following turning restrictions will remain in place.

- Westbound WIS 23 to southbound County VV
- Eastbound WIS 23 to northbound County VV

Pioneer Road from Johnson Street to Forest Avenue – FDL County Highway Dept

Schedule: April 4- October 2022

Description: The reconstruction of Pioneer Rd includes curb and gutter, new storm sewer, water main, street lighting, multi-use trail, and installation of traffic signals on Pioneer Rd between KFC and Faros.

August 8 to August 12: Restoration to be completed August 5. County crews to place asphalt surface lift the week of August 8.

Traffic Impacts: Pioneer Rd (CTH VV) to Johnson access (right in/right out) will be accessible as much as possible during asphalt paving operations. Access to CTH VV will be maintained from the south project limits and Forest Ave. The frontage road west of the Home Depot property will remain open for access. Please drive slowly through the work zone.

Military Road from Western Avenue to Superior Street – WI DOT Northeast Region

Schedule: April 11-October 2022

Description: The reconstruction of S Military Rd includes reconstruction of the street and utilities, addition of bike lane and construction of a roundabout at the intersection of Military Road and 9th Street.

August 8 to August 12: Utility contractor will be working on storm sewer and water main throughout the project.

Traffic Impacts: Military Road remains closed to through traffic. Residents, business owners, and customers may access properties past “ROAD CLOSED TO THRU TRAFFIC” signs. The intersection of Military Road and 9th Street remains closed to traffic.

WIS 23 Expansion – Urban Section – WI DOT Northeast Region

Location/limits: WIS 23 and various intersecting local roads between US 151 and Seven Hills Road

Schedule: April 11, 2021 to fall of 2022

Description of work: This work is part of the WIS 23 4-lane, on-alignment expansion project in Sheboygan and Fond du Lac counties.

August 8 to August 12: The contractor anticipates working on the following items:

- Continue concrete paving WIS 23 westbound from Wisconsin American Drive to Whispering Springs.
- Continue grading on the WIS 23 eastbound lanes and the new trail from County UU to the east.
- Continue placing rock and gravel on WIS 23 eastbound from CTH UU to the east.
- Continue construction of the new retaining wall between Hilltop and County UU.
- Continue to construct the new retaining wall along westbound WIS 23 under Highway 151.

Traffic impacts:

- County K north at WIS 23 – Closed
- County UU (South of WIS 23) – Closed
- County UU (North of WIS 23) – Closed
