

9-1-1 FOR EMERGENCY USE ONLY

First Responders throughout Fond du Lac County would like to remind everyone that calling 9-1-1 for assistance should be reserved for *life-threatening emergencies only!*

Please DO NOT call 9-1-1 for “flu-like” symptoms!

Calling 9-1-1 for non-emergencies will put an unnecessary burden on an already-strained Emergency Medical System.

If you have a true medical emergency, calling 9-1-1 is the right thing to do!

If you have “flu-like” symptoms, please call a health care provider to discuss treatment options over the phone.

Health care providers will give you recommendations for treating your symptoms without unnecessarily tying up an ambulance and overcrowding the emergency department & hospital.

Please call 2-1-1 with any questions you may have.
