

A BETTER CHOICE FOR YOUR MRI

Take Control of Your Healthcare

Lower Out-of-Pocket Costs

Some places overcharge for MRIs. That's just not right. Whether you use insurance or pay out of pocket, save thousands on your MRI at Smart Choice.

Benefit From Our Quality

We use the same 1.5T MRI technology as leading hospitals and all exams are interpreted by radiologists at the Cleveland Clinic.

Schedule Around Your Life

We offer early morning, evening and Saturday appointments and have you in-and-out in under an hour!
