**Your Medicare Part D Notice is the first section of this packet.** Some other key notices include CHIPRA, HIPAA Privacy, and Notice of Coverage Options (Marketplace Notice). If you have any questions, please reach out to the contact listed above.

## **Important Notice from City of Fond du Lac About Your Prescription Drug Coverage and Medicare, Creditable Coverage**

**Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Fond du Lac and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.**

**There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:**

**1) Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.**

**2) City of Fond du Lac has determined that the prescription drug coverage offered by CVS Caremark is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.**

### **When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

### **What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current coverage will not be affected. You can keep this coverage if you elect part D and this plan will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents may not be able to get this coverage back at the next annual enrollment opportunity or qualified life event.

### **When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with this plan and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

Or contact the person listed below.

**NOTE:** You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through **City of Fond du Lac** changes. You also may request a copy of this notice at any time.

### **Notice of Special Enrollment Rights**

This notice is being provided to help you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

#### **Loss of Other Coverage**

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

#### **Marriage, Birth or Adoption**

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

#### **Medicaid or CHIP**

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

To request special enrollment or obtain more information, please contact the plan administrator (see cover page for contact information).

### **Newborns' and Mothers' Health Protection Act**

Group health plans and health insurance issuers generally may not, under federal law restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother of her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours if applicable).

### **Genetic Information Nondiscrimination Act (GINA)**

The Genetic Information

Nondiscrimination Act of 2008 protects employees against discrimination based on their genetic information.

Unless otherwise permitted, your employer may not request or require any genetic information from you or your family members.

GINA prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law.

To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic Information" as defined by GINA, includes an individual's family medical history, the results of genetic tests, the fact that a member sought or received genetic services, and genetic information of a fetus carried by a member or an embryo lawfully held by a member receive assistive reproductive services.

### **Mental Health Parity & Addiction Act**

The Mental Health Parity and Addiction Act of 2008 generally requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits. For more information regarding the criteria for medical necessity determinations made under your employer's plan with respect to mental health or substance use disorder benefits, please contact your plan administrator at (see cover page for contact information).

## **Women's Health and Cancer Rights Act**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). The Women's Health and Cancer Rights Act requires group health plans and their insurance companies and HMOs to provide certain benefits for mastectomy patients who elect breast reconstruction. For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

All stages of reconstruction of the breast on which the mastectomy was performed; Surgery and reconstruction of the other breast to produce a symmetrical appearance; Prosthesis; and Treatment of physical complications of the mastectomy, including lymphedema.

Breast reconstruction benefits are subject to deductibles and co-insurance limitations that are consistent with those established for other benefits under the plan. If you would like more information on WHCRA benefits, contact your plan administrator (see cover page for contact information).

## **Michelle's Law**

When a dependent child loses student status for purposes of the group health plan coverage as a result of a medically necessary leave of absence from a post-secondary educational institution, the group health plan will continue to provide coverage during the leave of absence for up to one year, or until coverage would otherwise terminate under the group health plan, whichever is earlier.

For additional information, contact your plan administrator (see cover page for contact information).

## **Patient Protections**

Auxient generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the plan administrator (see cover page for contact information).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Auxient or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the plan administrator (see cover page for contact information).

## **Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)**

The Uniformed and Services Employment and Re-Employment rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short Term or Long Term Disability or Accidental Death & Dismemberment coverage you may have. A full explanation of USERRA and your rights is beyond the scope of this document. If you want to know more, please see the Summary Plan Description (SPD) for any of our group insurance coverage or go to this site: <http://www.dol.gov/vets/programs/userra/main.htm>

# New Health Insurance Marketplace Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 9-30-2023)

## Part A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact Nikki Willner at 920-322-3423 or [nwillner@fdl.wi.gov](mailto:nwillner@fdl.wi.gov).

<sup>1</sup> *The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.*

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

<b>3. Employer Name</b> City of Fond du Lac		<b>4. Employer Identification Number (EIN)</b> 39-6005450
<b>5. Employer address</b> 160 S. Macy St, PO Box 150		<b>6. Employer phone number</b> 920-322-3423
<b>7. City</b> Fond du Lac	<b>8. State</b> Wisconsin	<b>9. Zip Code</b> 54936
<b>10. Who can we contact about health coverage at this job?</b> Nikki Willner		
<b>11. Phone number (if different from above)</b>	<b>12. Email address</b> <a href="mailto:nwillner@fdl.wi.gov">nwillner@fdl.wi.gov</a>	

Here is some basic information about health coverage offered by this employer:  
As your employer, we offer a health plan to:

- All employees. Eligible employees are: [fill in eligibility rules if applicable]
- Some employees. Eligible employees are: [full-time, working 20 hours/week or more]

With respect to dependents:

- We do offer coverage. Eligible dependents are: [your legal spouse, regardless of gender, and your natural, step or adopted children until the end of the month in which they reach age 26]
- We do not offer coverage.
- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

\*\* Even if your employer intends this coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, **HealthCare.gov** will guide you through the process. Here's the employer information you'll enter when you visit **HealthCare.gov** to find out if you can get a tax credit to lower your monthly premiums.

# Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –**

# Notice Regarding Wellness Programs

City of Fond du Lac has a voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You will also be asked to complete a biometric screening, which will include a blood test. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

However, employees who choose to participate in the wellness program will receive an incentive of a reduced monthly medical premium. Although you are not required to complete the HRA or participate in the biometric screening, only employees who do so will receive the incentive.

Additional incentives of up to may be available for employees who participate in certain health-related activities [specify activities, if any] or achieve certain health outcomes. If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Nikki Willner at 920-322-3423 or [nwillner@fdl.wi.gov](mailto:nwillner@fdl.wi.gov).

The information from your HRA and the results from your biometric screening will be used to provide you with information to help you understand your current health and potential risks and may also be used to offer you services through the wellness program, such as [indicate services that may be offered]. You also are encouraged to share your results or concerns with your own doctor.

## Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and City of Fond du Lac may use aggregate information it collects to design a program based on identified health risks in the workplace, City of Fond du Lac will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is your physician in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Nikki Willner at 920-322-3423 or [nwillner@fdl.wi.gov](mailto:nwillner@fdl.wi.gov).
