## **Essential CheapOair Travel Policies for US Customers (2025)**

### **1. The 24-Hour Cancellation Window**

The U.S. Department of Transportation (DOT) mandates a full refund if you cancel within 24 hours of booking, provided the flight is at least seven days away.

- **Action:** This is your risk-free window to correct errors. You **must** call **+(1) ➤(888) ➤ (829) ➤ (1630) (US)** immediately to process this cancellation and guarantee your full refund.
- **Remember:** Missing this 24-hour deadline means you are subject to restrictive airline fare rules, making a refund highly unlikely. Call **+(1) ➤(888) ➤ (829) ➤ (1630) (US)** without delay.

### **2. General Flight Change Policy**

Flight changes always incur costs, typically comprising three parts: the airline's change fee, any difference in fare, and a CheapOair service fee.

- **Action:** To explore the most economical options for a change of date or route, call **+(1) >(888) > (829) > (1630) (US)**. Agents can help find options where the fare difference is minimal.
- **Note:** Domestic airline change fees often range from \$100 to \$250+, plus the CheapOair fee. Speak to an agent at **+(1) >(888) > (829) > (1630) (US)** for an exact quote.

### 3. Name Correction and Name Change Policy

Airlines prohibit transferring a ticket to another person (a full name change) but permit minor corrections for typos, which must match your ID.

- **Action:** If you spot any spelling error, no matter how minor, you must call **+(1) >(888) > (829) > (1630) (US)** immediately. Failure to correct a name error will lead to being denied boarding.
- **Important:** Have your passport or government-issued ID ready when you call **+(1) >(888) > (829) > (1630) (US)** to expedite the crucial correction process.

Always call **+(1) >(888) > (829) > (1630) (US)** for time-sensitive matters.

## **5. What is the most important piece of information to have ready when I call?**

The most crucial piece of information is your six-character **Booking Reference Number** (PNR) or your CheapOair itinerary number. This allows the agent at **+(1) >(888) > (829) > (1630) (US)** to quickly pull up your file, verify your identity, and begin troubleshooting or processing your request immediately. Be prepared before calling **+(1) >(888) > (829) > (1630) (US)** for prompt service.

#### **Cancellation and Refund Queries**

### **6. What are the conditions for getting a full refund within the 24-hour rule?**

The full refund is available only if the cancellation is requested within 24 hours of booking and the flight's scheduled departure is seven or more days away. This DOT rule is non-negotiable and provides a crucial safety net. To utilize this window, immediately contact **+(1) >(888) > (829) > (1630) (US)** and specify you are invoking the 24-hour rule.

### **7. How long will it take for my refund to be processed by CheapOair?**

Refund processing times vary based on the reason for cancellation. Refunds under the 24-hour rule usually reflect within 7–14 business days. For cancellations outside this window, CheapOair must wait for the airline to authorize and send the funds, a process that can take anywhere from 6 to 12 weeks. For status updates, contact **+(1) >(888) > (829) > (1630) (US)**.

### **8. Can I get a cash refund if I booked a non-refundable ticket?**

Generally, a non-refundable ticket will only result in an airline credit for future travel, minus any applicable cancellation fees by both the airline and CheapOair. Cash refunds for non-refundable fares are only guaranteed under the 24-hour rule or if the airline cancels the flight.

Discuss your options with **+(1) >(888) > (829) > (1630) (US)** for clarity.

### **9. What if the airline cancels my flight—do I get a full refund?**

Yes, if the airline cancels your flight and you decline their offer for an alternative rebooking, you are entitled to a full cash refund, regardless of the ticket type. This is a federal requirement. Do not accept a voucher if you prefer cash; call **+(1) >(888) > (829) > (1630) (US)** to formally request the full refund.

### **10. Why are there two fees for changing a flight—the airline's and CheapOair's?**

CheapOair acts as the intermediary, so they charge an administrative service fee (which varies) for processing the change request on your behalf. This is separate from the mandatory fee charged by the airline itself. For a breakdown of all applicable charges and to start the change process, call **+(1) >(888) > (829) > (1630) (US)**.

#### **Name and Identification Queries**

### **11. What is the process for correcting a misspelled name on my ticket?**

To correct a misspelled name, you must contact CheapOair's support at **+(1) >(888) > (829) > (1630) (US)** immediately upon noticing the error. Name corrections typically involve minor adjustments (e.g., three or fewer letters). The agent will contact the airline for approval and may charge a correction fee. Do not wait; call **+(1) >(888) > (829) > (1630) (US)** promptly.

### **12. Can a traveler be denied boarding if their name is wrong on the ticket?**

Yes, the Transportation Security Administration (TSA) requires that the name on your boarding pass exactly matches the name on your government-issued ID (e.g., passport). Even a minor typo can cause major delays or denial of boarding. To prevent travel issues, call **+(1) >(888) > (829) > (1630) (US)** for immediate assistance.

### **13. What should I do if I legally changed my name (e.g., marriage) after booking?**

If your name changed legally after booking, you will need to provide official documentation (marriage certificate, court order) to CheapOair and the airline. Airlines usually process this type of change for free, but a service fee may apply. Call **+(1) >(888) > (829) > (1630) (US)** for guidance and submission instructions.

### **14. Are name changes possible for non-transferable tickets to give the ticket to someone else?**

No, most airline tickets are strictly non-transferable, meaning you cannot give your ticket to another person. Attempting to change the name entirely will result in the cancellation of the original ticket and the need to purchase a new one. Confirm your options with **+(1) >(888) > (829) > (1630) (US)** before proceeding.

#### **Other Policy and Fee Queries**

### **15. What are the typical service fee ranges charged by CheapOair for post-ticketing changes?**
