### Application Review

**Note: Approval of a *MOBILE SERVICE ZONING PERMIT* is required prior to the issuance of any building permit or other permit(s) required for a project. Approval of a Mobile Service Zoning Permit does not imply approval of a building permit or other required permit.**

- The Community Development Department will review an application for completeness.
- If the application contains all of the information requested, the Department will consider the application complete.
- If any of the required information is not in the application, the Department will notify the applicant within 5 days of receiving the application, that the application is not complete. The written notification will specify the required information that is incomplete. An applicant may resubmit an application as often as necessary until it is complete.
- Within 45 days of its receipt of a complete application, the Department will complete all of the following or the applicant may consider the application approved, except that the applicant and the Department may agree in writing to an extension of the 45-day period:
  - a) Make a final decision whether to approve or disapprove the applicant.
  - b) Notify the applicant, in writing, of its final decision.
  - c) If the decision is to disapprove the application, include with the written notification substantial evidence which supports the decision.
