

ARCHER THOMAS OLSEN TRAIL

The Archer Thomas Olsen Trail in Lakeside Park West is perfect for outdoor enthusiasts and nature lovers alike. This multi-purpose trail - where portions of the path wind through prairie, marshland, and along the lakeshore – gives visitors views of the local landscape as they explore the two half-mile loops along beautiful Lake Winnebago.

Delight in the serenity and beauty throughout the trail while you enjoy walking, running, snowshoeing and even cross-country skiing.

The trail was made possible by the Thomas and Christine Gross Fund on behalf of the Fond du Lac Area Foundation and named in memory of their grandson.

The trailhead is located on Howard Litscher Drive near the Fond du Lac Lakeside Park West Dog Park.
