General Information:

- \$2.00 per person per session. Season passes will not be sold this year and no free passes will be accepted.
- Swimmers need to leave after each session and repay if they plan to attend another session.
- The pool and splash pad will be open to a maximum of 150 patrons per open swim session. This number may be decreased or increased throughout the season.
- Certain pool features may be closed without notice such as slides and concessions.
- Showers and locker rooms will have limited access, plan for a limit of 10 minutes when in the locker room.
- Please come ready to swim.
- Drinking fountains/bubblers will not be available, so please bring drinking water in a non-glass container, or bottled water is available at the concession stand.
- Please bring exact change when paying.
- Deck chairs will not be available, please bring your own small folding chair if desired.

Enhanced COVID-19 procedures:

- Plexi-glass dividers will be present at all public facing counters.
- Practice social distancing and maintain 6 feet of distance whenever possible.
- Increased frequency of cleaning and disinfecting facilities. Especially high touch surfaces.
- Stay home if you are feeling ill.
- Per CDC recommendations, wear a face covering when you are able to.
- Practice proper handwashing by washing your hands with soap and water for 20 seconds.
- Due to Social distancing guidelines, please plan to leave the facility in the case of inclement weather.
