Vehicle vs Train Crash

On Saturday, March 12, 2022 at 1:43 AM, the City of Fond du Lac Police Department and City of Fond du Lac Fire/Rescue responded to a report of a vehicle vs train at the Forest Ave. railroad tracks (262 Forest Ave).

Upon investigation a northbound train operated by CN Railway collided with a Chevrolet sedan that was stopped on the railroad tracks. Through the initial investigation it appears the vehicle may have been performing some type of turning maneuver and may have become stuck or disabled on the south side of the roadway, while on the railroad tracks. The car is believed to have been unoccupied when struck by the train. The operator of the vehicle fled the scene prior to law enforcement arrival. The investigation into this matter is ongoing.
