

BUS-O-GRAM

MANDATORY MASKS ON BUSES

Starting Monday, August 3rd, 2020

All bus operators and passengers ages 5 and older will be required to wear a face covering (mask, bandana, gator, etc.) starting Monday, August 3rd, 2020.

This comes from the Office of the Governor and is stated in EMERGENCY ORDER #1. You can find further information at [evers.wi.gov](https://www.evers.wi.gov).

The Order should not be used as justification to harass or harm another person who is either wearing or not wearing a face covering. People should assume others have valid reasons for wearing or not wearing a face covering.

If you have any questions regarding wearing a mask on Fond du Lac Area Transit buses please call us at 920-322-3650. Thank you, and stay safe!
