Please obtain at least two quotes to receive the most competitive pricing, since costs may vary between plumbers.

Approval for the PLSL Program from the Public Service Commission of Wisconsin (PSC), is expected to be granted by the end of May 2020. Once this program is officially approved application paperwork will be made available at www.fdl.wi.gov/water/programs/plslr so we ask you continue to check the City of Fond du Lac Water Utility's website for updates.

****Please note work performed under this program does require a building permit as well as an inspection from the Building Inspection Department.**
