

2023 PRIVATE LEAD SERVICE LINE REPLACEMENT PROGRAM (PLSLR)
Application for Payment of Costs (After Work is Completed)

Prequalified plumbers will receive full payment of **eligible** costs of the PLSLR after completing work and fulfilling all 2023 PLSLR Program requirements. To receive reimbursement, please fill out, sign, date, and return this form to the Water Utility (Utility) with a copy of the final itemized invoice. Plumbers must also provide the property owner with the final itemized invoice.

Payments for eligible costs under the PLSLR program may be comprised of a grant for up to 50% of the actual cost (not to exceed a maximum grant amount of \$2,000) and a loan, in the form of a special charge, to the property owner for the remaining costs. A special charge invoice will be sent to the property owner by the Utility for their share that may be paid in one of two ways: 1) in full upon receipt, or 2) over 10 years as a low interest loan. If the property is sold during the payback period, the entire loan balance becomes due and payable and shall be paid when the house sale closes. **Payment for both the grant portion and the property owner advance loan portion will be paid directly to the plumber by the Fond du Lac Water Utility.** For the complete Special Charge policy refer to Ch 65-4 subsection (5) of the Municipal Code.

Property Address: _____

Property Owner(s): _____

Name of Plumber: _____

Name of Plumbing Company: _____

Date Lead Water Service Line was Replaced: _____

Total Contract Amount: _____ (Only eligible costs will be used to determine reimbursement amount)

The property owner understands and agrees that they are solely responsible for the selection of the plumber and have contracted with the Plumber for the PLSLR independently from the City of Fond du Lac or Utility. Accordingly, in consideration for the amount paid by the Utility as described above, the property owner agrees to release all entities of the City of Fond du Lac, including the Utility, and its employees and officials, from any loss, damage or unexpected costs or expenses arising from the PLSLR.

I hereby certify that the information provided on and with this application is true and accurate to the best of my knowledge. I further certify to following all applicable state regulations, including ch. 145, Wis. Stats., SPS 382 and 384, Wis. Admin. Code, and applicable local ordinances and regulations, and that all lead service line

replacements resulted in the complete removal of the lead service line and associated materials from the water main to the water meter within the structure.
