

## Welcome to Downtown Fond du Lac

## Introduction to PassportParking

Visitors parking in downtown are now able to conduct parking transactions by mobile phone. Register for free by downloading the Passport Parking mobile app. Once registered you can use your mobile app, the internet or by calling (920) 545-0685 to pay for parking. You can also receive alerts and reminders 15 minutes before your time expires.

## A special note to our downtown work force

Did you know that when you park in a free Main Street parking space you cost downtown businesses \$200 a day in lost revenue? That's a value of more than \$50,000 a year - per space. Your downtown friends and neighbor businesses appreciate the effort you take to find parking off of Main Street. Permits are affordable and convenient. Just call the City at (920) 322-3460 or stop in at 160 South Macy Street.
