Re: Information – Vacancy Rates

There was a request for information pertaining to vacancy rates of other Main Street communities within the State.

The following information shows the vacancy rates and how they calculate their vacancy rates at the local level. Please note that the methodology used varies among communities.

Kenosha: 11.5% Available, 20% vacant (square feet)

Fond du Lac 7.6% (available square feet)

Sheboygan: 19.4% (storefronts)

Beloit: 9% (square feet)

Wausau: 4.5% (storefronts)

De Pere: 10% (storefronts)
